## Board Memorandum

**BOARD OF PUBLIC UTILITIES**

**DATE: MAY 22, 2023**

**SUBJECT: FIRST AMENDMENT TO COMMERCIAL LEASE AGREEMENT WITH WATTEV SB1, INC., TO AMEND RENT COMMENCEMENT DATE TO OCTOBER 1, 2023 AND LEASE EXPIRATION DATE TO SEPTEMBER 30, 2038 FOR CITY-OWNED PROPERTY LOCATED AT 1388 SOUTH E. STREET, SAN BERNARDINO, CALIFORNIA; AND SECOND AMENDMENT TO COMMERCIAL LEASE AGREEMENT TO EXTEND RENT COMMENCEMENT DATE TO NO LATER THAN DECEMBER 31, 2023 AND EXPIRATION DATE TO NO LATER THAN DECEMBER 31, 2038, IF NECESSARY**

### **ISSUE:**

Consider recommending that the City Council approve a First Amendment to the Commercial Lease Agreement with WattEV SB1, Inc., to amend the Rent Commencement date to October 1, 2023 and the Lease Expiration Date to September 30, 2038 for City-owned Property located at 1388 South E. Street, San Bernardino, California; and authorize City Manager to execute a Second Amendment to the Commercial Lease Agreement to extend Rent Commencement Date to no later than December 31, 2023 and Expiration Date to no later than December 31, 2038, if necessary.

### **RECOMMENDATIONS:**

That the Board of Public Utilities recommend that the City Council:

1. Approve a First Amendment to the Commercial Lease Agreement with WattEV, SB1, Inc., to amend the Rent Commencement Date to October 1, 2023 and the Lease Expiration date to September 30, 2038 for City-owned Property located at 1388 South E. Street, San Bernardino, California;
2. Authorize the City Manager, or designee, to execute the First Amendment, including making minor, non-substantive changes, and to sign all documents and instruments necessary to complete the transaction; and
3. Authorize the City Manager, or designee, to execute a Second Amendment to extend the Rent Commencement Date to no later than December 31, 2023 and the Expiration Date to no later than December 31, 2038, if necessary.

### **BACKGROUND:**

Riverside Public Utilities (RPU) controls the vacant land located at 1388 South E Street, San

Bernardino, adjacent to the 215 Freeway south of Orange Show Road (“Property”). For approximately 37 years, the Property was leased from RPU as an auto dealership, first to Holiday Oldsmobile and later to Center Chevrolet which was terminated in 2008 under its own terms. Upon Center Chevrolet’s vacancy, the existing buildings, which were in need of repair, became a magnet for graffiti, vagrancy, and vandalism. To mitigate these issues, RPU had the buildings demolished in 2010 and the Property has remained vacant ever since.

On October 12, 2021, the City Council approved a Commercial Lease Agreement with WattEV, SB1, Inc., for an initial 15-year term plus three optional five-year extensions for City-owned property located at 1388 South E. Street, San Bernardino, California.

## **DISCUSSION:**

On February 15, 2023, staff received notification from WattEV SB1, Inc., requesting to amend their Rent Commencement Date due to delays directly related to obtaining entitlements from the City of San Bernardino and relinquishing easements with San Bernardino Municipal Water Department. The Commercial Lease Agreement allowed six months from the Effective Date of the Agreement to obtain entitlements. WattEV SB1, Inc., was unable to obtain their entitlements and building permits within the permitted timeframe. Therefore, staff is proposing a First Amendment to the Commercial Lease Agreement.

Staff has reviewed the proposed First Amendment to Commercial Lease Agreement and recommends the Rent Commencement Date and Expiration Date be amended under the terms summarized below:

1. Term: October 1, 2023 to September 30, 2038.
2. Expiration Date: Will be amended from February 11, 2038 to September 30, 2038.
3. Other: All terms and conditions of the Lease that are not inconsistent with this First Amendment shall remain in full force and effect and are incorporated herein by this reference as if set forth in full.

Staff is also recommending preapproval for potential Second Amendment to extend the Rent Commencement Date to no later than December 31, 2023, and the Expiration Date to no later than December 31, 2038, if necessary, if WattEV, SB1, Inc., is unable obtain all their entitlements and building permits to begin construction before the end of the year.
