the Streets and Highways Code and may, therefore, be approved by the City Council;
- (c) The assessments which are proposed to be levied on all lots and parcels of

1 each such parcel from the maintenance and servicing of public landscaping and appurtenant facilities,
2 parks, and park and recreation improvements;

3 (d) The proportionate special benefit derived by each such parcel has been
4 determined in relationship to the entirety of the capital cost of the maintenance and servicing of the

6 to the special benefits derived solely by parcels located within Zone A, which are allocated
7 proportionally among those parcels within Zone A;

8 (e) The amount of the assessment which is proposed to be assessed on each such
9 parcel is based upon and will not exceed the reasonable cost of the proportional special benefit
10 conferred on the parcel; and

11 (f) The amounts of the assessments which are proposed to be levied on lots and
12 parcels of assessable land within the District for fiscal year 2023-2024 will not exceed the maximum
13 amount authorized by a vote of the property owners in the District in an election for that purpose.

14 Section 2. Intention. The City Council declares that it intends to levy assessments on all lots
15 and parcels of assessable land within the District for fiscal year 2023-2024, as set forth in the Report.

17 collected, and all laws providing for the collection and enforcement of county taxes shall apply to the
18 collection and enforcement of the assessments.
