

WORKPLAN OBJECTIVES

2024 CPRC Workplan Update

1

Ensure all Wards are represented at Community Police Review Commission meetings by establishing a commissioner attendance of 80%.

The Community Police Review Commission (CPRC) has successfully maintained an average attendance rate of 81%.

2

Achieve a 90% review rate of case files to ensure effective review of citizen complaints prior to commission meetings.

As of December 2024, the CPRC has reviewed and discussed 22 of 24 closed session cases, achieving a 92% review rate for all cases filed.

3

Achieve a 100% review rate of case files and rationale sheets submission of Officer Involved Death cases.

In 2024, the Community Police Review Commission (CPRC) reviewed two officer-involved death cases. The first case achieved a 100% completion rate for case file rationale sheets, while the second case reached an 86% completion rate.

4

Engage with the community by completing ward specific Outreach efforts quarterly and Citywide Outreach efforts no less than twice a year.

Two commissioners have attended at least two outreach events in 2024.

Report commission performance quarterly and ensure all commissions annually compete a Ride-A-Long.

Three commissioners completed a ride-along in 2024.
