Footage of people at work and/or applying for work

*Narrator:*

Finding a job can be a difficult task for anyone, especially those with disabilities. There are hundreds of people with special needs that want to find work but don't know where to start. Luckily, there are number of agencies within the City of Riverside to help train and give them the skills necessary in the workforce today. In a moment, you will hear from an individual who received help through one of those agencies and you will get an inside look at their work programs. We will also learn about their success and where these workers are today. This is their story....
