“Si Se Puede”

In Honor of *Valente “Glen”* and *Mary Ayala*, for their many years of tirelessly serving the needs of the people in the community of Casa Blanca. Both served giving “freely” so that others could prosper and pursue a better way of life. Black, white, and brown, young and old. To the simple farm worker, neighbor, and the children who came to play, or the stranger in need. All were received with love and given respect.

**Devoted Community Leader, Brave Matriarch, Humble
Servant, Faithful Friend, Selfless Activist, Noble Hero,
Honorable Mentor, Father and Mother.**

*“Greater love hath no one than this, that he lay down his life for his
friends.”*
