INTRODUCTION:

1. NEGOTIATED CONTRACT. The Products are subject solely to the terms in the Negotiated Contract identified on the face of this Agreement, and, for any option you have selected that is not addressed in the Negotiated Contract, the then-current standard Xerox terms for such option.

2. MODIFICATION OF PRIOR AGREEMENT. This Agreement modifies a prior agreement between you and Xerox for the Products identified as "Modifies Prior Agreement". The prior agreement will remain in effect except that any terms in this Agreement that conflict with or are additive to the prior agreement will control. You may be charged a one-time administrative/processing fee, which will be financed under this Agreement, for the modification of a prior agreement.

GOVERNMENT TERMS:

3. REPRESENTATIONS & WARRANTIES. This provision is applicable to governmental entities only. You represent and warrant, as of the date of this Agreement, that: (1) you are a State or a fully constituted political subdivision or agency of the State in which you are located and are authorized to enter into, and carry out, your obligations under this Agreement and any other documents required to be delivered in connection with this Agreement (collectively, the "Documents"); (2) the Documents have been duly authorized, executed and delivered by you in accordance with all applicable laws, rules, ordinances and regulations (including all applicable laws governing open meetings, public bidding and appropriations required in connection with this Agreement and the acquisition of the Products) and are valid, legal, binding agreements, enforceable in accordance with their terms; (3) the person(s) signing the Documents have the authority to do so, are acting with the full authorization of your governing body and hold the offices indicated below their signatures, each of which are genuine; (4) the Products are essential to the immediate performance of a governmental or proprietary function by you within the scope of your authority and will be used during the Term only by you and only to perform such function; and (5) your payment obligations under this Agreement constitute a current expense and not a debt under applicable state law and no provision of this Agreement constitutes a pledge of your tax or general revenues, and any provision that is so construed by a court of competent jurisdiction is void from the inception of this Agreement.

4. FUNDING. This provision is applicable to governmental entities only. You represent and warrant that all payments due and to become due during your current fiscal year are within the fiscal budget of such year and are included within an unrestricted and unencumbered appropriation currently available for the purchase/maintenance of the Products, and it is your intent to use the Products for the entire term and to make all payments required under this Agreement. If (1) through no action initiated by you, your legislative body does not appropriate funds for the continuation of this Agreement for any fiscal year after the first fiscal year and has no funds to do so from other sources, and (2) you have made a reasonable but unsuccessful effort to find a creditworthy

assignee acceptable to Xerox in its sole discretion within your general organization who can continue this Agreement, this Agreement may be terminated. To effect this termination, you must, at least 30 days prior to the beginning of the fiscal year for which your legislative body does not appropriate funds, notify Xerox in writing that your legislative body failed to appropriate funds and that you have made the required effort to find an assignee. Your notice must be accompanied by payment of all sums then owed through the current year under this Agreement and must certify that the canceled Equipment is not being replaced by equipment performing similar functions during the ensuing fiscal year. You will return the Equipment, at your expense, to a location designated by Xerox and, when returned, the Equipment will be in good condition and free of all liens and encumbrances. You will then be released from any further payment obligations beyond those payments due for the current fiscal year (with Xerox retaining all sums paid to date).

PRICING PLAN/OFFERING SELECTED:

5. FIXED PRICING. If "Pricing Fixed for Term" is identified in Maintenance Plan Features, the maintenance component of the Minimum Payment and Print Charges will not increase during the initial Term of this Agreement.

GENERAL TERMS & CONDITIONS:

6. REMOTE SERVICES. Certain models of Equipment are supported and serviced using data that is automatically collected by Xerox or transmitted to or from Xerox by the Equipment connected to Customer's network ("Remote Data") via electronic transmission to a secure off-site location ("Remote Data Access"). Remote Data Access also enables Xerox to transmit to Customer Releases for Software and to remotely diagnose and modify Equipment to repair and correct malfunctions. Examples of Remote Data include product registration, meter read, supply level, Equipment configuration and settings, software version, and problem/fault code data. Remote Data may be used by Xerox for billing, report generation, supplies replenishment, support services, recommending additional products and services, and product improvement/development purposes. Remote Data will be transmitted to and from Customer in a secure manner specified by Xerox. Remote Data Access will not allow Xerox to read, view or download the content of any Customer documents or other information residing on or passing through the Equipment or Customer's information management systems. Customer grants the right to Xerox, without charge, to conduct Remote Data Access for the purposes described above. Upon Xerox's request, Customer will provide contact information for Equipment such as name and address of Customer contact and IP and physical addresses/locations of Equipment. Customer will enable Remote Data Access via a method prescribed by Xerox, and Customer will provide reasonable assistance to allow Xerox to provide Remote Data Access. Unless Xerox deems Equipment incapable of Remote Data Access, Customer will ensure that Remote Data Access is maintained at all times Maintenance Services are being performed.

SOLUTION/SERVICES:

4. FREEFLOW LICENSE. The following terms apply to Xerox FreeFlow Print Server™/DocuSP® software included in Base Software ("FreeFlow Base Software") and/or Application Software identified as Xerox FreeFlow software (including, but not limited to, FreeFlow Makeready® and FreeFlow Process Manager™) (collectively, "FreeFlow Application Software"), and are additive to and supplement those found elsewhere in the Agreement. FreeFlow Base Software and FreeFlow Application Software are collectively referred to as "FreeFlow Software."

1. FreeFlow Software may include and/or incorporate font programs ("Font Programs") and other software provided by Adobe Systems Incorporated ("Adobe Software"). You may embed copies of the Font Programs into your electronic documents for the purpose of printing and viewing the document. You are responsible for ensuring that you have the right and are authorized by any necessary third parties to embed any Font Programs in electronic documents created with the FreeFlow Application Software. If the Font Programs are identified as "licensed for editable embedding" at www.adobe.com/type/browser/legal/embeddingeula, you may also embed copies of those Font Programs for the additional purpose of editing your electronic documents. No other embedding rights are implied or permitted under this license.

2. You will not, without the prior written consent of Xerox and its licensors: (a) alter the digital configuration of the FreeFlow Software, or solicit others to cause the same, so as to change the visual appearance of any of the FreeFlow Software output; (b) use the FreeFlow Software in any way that is not authorized by the Agreement; (c) use the embedded code within the FreeFlow Software outside of the Equipment on which it was installed or in a stand-alone, time-share or service bureau model; (d) disclose the results of any performance or benchmark tests of the FreeFlow Software; (e) use the FreeFlow Software for any purpose other than to carry out the purposes of the Agreement; or (f) disclose or otherwise permit any other person or entity access to the object code of the FreeFlow Software.

3. FreeFlow Process Manager contains Oracle Database Express Edition database software and documentation licensed from Oracle America, Inc. ("Oracle"). Oracle grants you a nonexclusive, nontransferable limited license to use Database Express Edition for purposes of developing, prototyping and running your applications for your own internal data processing operations. Database Express Edition may be installed on a multiple CPU server, but may only be executed on one processor in any server. Upon not less than 45 days prior written notice, Xerox and/or its licensors may, at their expense, directly or through an independent auditor, audit your use of FreeFlow Process Manager and all relevant records not more than once annually. Any such audit will be conducted at a mutually agreed location and will not unreasonably interfere with your business activities.

4. The Copyright Management feature of FreeFlow Makeready ("FFCM") contains the Copyright Clearance Center, Inc. ("CCC") copyright licensing services feature of FFCM ("CCC Service"). You will comply with any applicable terms and conditions contained on the CCC website, www.copyright.com, and any other rights holder terms governing use of materials, which are accessible in FFCM. If CCC terminates Xerox's right to offer access to the CCC Service through FFCM, Xerox may, upon written notice and without any liability to you, terminate your right to access the CCC Service through FFCM. THE CCC SERVICE IS PROVIDED "AS IS," WITHOUT ANY WARRANTIES, WHETHER EXPRESS OR IMPLIED. XEROX DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. You will defend and indemnify Xerox from any and all losses, claims, damages, fines, penalties, interest, costs and expenses, including reasonable attorney fees, arising from or relating to your use of the CCC Service.

5. If you install FreeFlow Application Software on a computer that you supply, the following terms apply: (a) Xerox will only be obligated to support FreeFlow Application Software if it is installed on hardware and software meeting Xerox's published specifications (collectively "Workstation"); (b) IF YOU USE FREEFLOW APPLICATION SOFTWARE WITH ANY HARDWARE OR SOFTWARE OTHER THAN A WORKSTATION, ALL REPRESENTATIONS AND WARRANTIES ACCOMPANYING SUCH FREEFLOW APPLICATION SOFTWARE WILL BE VOID AND ANY SUPPORT/MAINTENANCE YOU CONTRACT FOR IN CONNECTION WITH SUCH FREEFLOW APPLICATION SOFTWARE WILL BE VOIDABLE AND/OR SUBJECT TO ADDITIONAL CHARGES; and (c) you are solely responsible for: (i) the acquisition and support, including any and all associated costs, charges and other fees, of any Workstation you supply; (ii) compliance with all terms governing such Workstation acquisition and support, including terms applicable to any non-Xerox software associated with such Workstation; and (iii) ensuring that such Workstation meets Xerox's published specifications.

6. The following terms apply to FreeFlow Software licensed to U.S. government customers:

a. Java technology contained in FreeFlow Software is subject to: (i) FAR 52.227-14(g)(2) and FAR 52.227-19; and (ii) if licensed to the U.S. Department of Defense ("DOD"), DFARS 252.227-7015(b) and DFARS 227.7202-3(a).

b. Adobe Software is a "commercial item," as that term is defined at FAR 2.101, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in FAR 12.212, and is licensed to civilian agencies consistent with the policy set forth in FAR 12.212, or to the DOD consistent with the policies set forth in DFARS 227.7202-1.

c. Oracle Database Express Edition is "commercial computer software" and is subject to the restrictions as set forth in the Rights in Technical Data and Computer Software Clauses in DFARS 252.227-7015 and FAR 52.227-19 as applicable.
