# Transportation Board

**TO: TRANSPORTATION BOARD**

**DATE: OCTOBER 7, 2015**

**FROM: PUBLIC WORKS DEPARTMENT**

**WARD: 1**

**SUBJECT: HOMEWOOD COURT – ESTABLISHMENT OF PREFERENTIAL PARKING ZONE**

## **ISSUE:**

The issue for Transportation Board consideration is the establishment of a Preferential Parking Zone (PPZ) on Homewood Court west of Brockton Avenue.

## **RECOMMENDATION:**

That the Transportation Board recommend that the City Council approve establishment of a “No Parking between the hours of 8:00 a.m. to 4:00 p.m. Monday thru Friday except holidays, with Preferential Permit Parking for residents” Zone on both sides of Homewood Court from Brockton Avenue to the westerly terminus.

## **BACKGROUND:**

The Public Works Department received a petition from 80% of residents on Homewood Court requesting establishment of a Preferential Parking Zone (PPZ). Residents indicate overflow student parking from nearby Riverside City College (RCC) is impacting parking, residential driveway access, and the ability to traverse the narrow 30 foot width street.

Establishing the proposed PPZ would restrict outside parking sources during peak school hours, provide residents with reasonable access to on-street parking near their homes, and assist in facilitating driveway access and travel on the narrow roadway.

## **FISCAL IMPACT:**

The cost of sign installation and issuance of permits is nominal. Funding is available in the existing Public Works Department budget.
