The Contractor and its Subcontractors of every tier shall assume full responsibility for all loss or damage from any cause whatsoever to any tools, Contractor's (or Subcontractors') employee owned tools, machinery, equipment, or motor vehicles owned or rented by the Contractor, or the Contractor's agents, suppliers or Subcontractors as well as to any temporary structures, scaffolding and protective fences.

8.11 No Limitation. Contractor's maintenance of insurance as required by the Contract Documents shall not be construed to limit the liability of the Contractor or its Subcontractors of any tier to the coverage provided by such insurance, or otherwise limit the City's recourse to any remedy available at law or in equity.

8.12 Subcontractors' Insurance. The Contractor shall include in all subcontracts a requirement that the Subcontractors of every tier shall obtain and maintain, at a minimum, all insurance required by Articles 9 and 10 of this Agreement except that the limits of liability and deductibles shall be in amounts determined by the Contractor, based on the degree of hazardous exposure according to the Work performed by each Subcontractor and the size of each subcontract.

Contractor shall ensure that any professional engineer retained on its behalf to provide supplemental plans and engineering calculations required in conjunction with the Specific Work, maintains professional liability insurance during the entire term of this Agreement. Such insurance shall be in the minimum amount of \$1,000,000 to protect City from claims resulting from the engineer(s) activities. This minimum amount of coverage shall not constitute any limitation or cap on Contractor's indemnification obligations set forth herein.

The City reserves the right to request certificates of insurance from the Contractor for each Subcontractor. The Contractor acknowledges that regardless of insurance obtained by its Subcontractors, the Contractor will be responsible to the City for any and all acts of its Subcontractors.

ARTICLE 9 - INDEMNITY/DUTY TO DEFEND

9.1 Indemnity. Except as to the sole negligence, active negligence or willful misconduct of the City, Contractor assumes liability for and agrees, at Contractor's sole cost and expense, to promptly and fully indemnify and hold the City, its City Council, and all of its respective officials, officers, directors, employees, managers, commission members, representatives, agents, council members, ("Indemnitees"), harmless from and against any and all loss, damage, claims, allegations, actions, suits, arbitrations, administrative proceedings, regulatory proceedings, or

other legal proceedings, causes of action, demands, costs, judgments, liens, stop notices, penalties, damages, losses, anticipated losses of revenue, expenses (including, but not limited to, any fees of accountants, attorneys, experts or other professionals, or investigation expenses), costs, including attorneys' fees, or losses of any kind or nature whatsoever, whether actual, threatened or alleged, arising out of, resulting from or is in any way (either directly or indirectly) related to, or is in any manner connected with, the performance of Work, the Project, activities, operations or duties of Contractor, or anyone employed by or working under Contractor, and from all claims by anyone employed by or working under Contractor for services rendered to Contractor in the performance of this Agreement ("Indemnity Claims"), notwithstanding that the City may have benefited from their services. This indemnification provision shall apply to any acts or omissions, willful misconduct or negligent conduct, whether active or passive, on the part of Contractor or of anyone employed by or working under Contractor.

The parties expressly agree that any payment, attorneys' fees, costs or expense that the City incurs or makes to or on behalf of an injured employee under the City's self-administered workers' compensation is included as a loss, expense or cost for the purposes of this Section, and that this Section shall survive the expiration or early termination of the Agreement.

9.2 Duty to Defend. Contractor agrees, at its sole cost and expense, to promptly defend the Indemnitees from all Indemnity Claims. The duty of the Contractor to indemnify and hold harmless the Indemnitees includes the separate and independent duty to defend the Indemnitees, which duty arises immediately upon receipt by Contractor of the tender of any Indemnity Claim from an Indemnatee. The Contractor's obligation to defend the Indemnitees shall be at Contractor's sole expense, and not be excused because of Contractor's inability to evaluate liability or because the Contractor evaluates liability and determines that the Contractor is not liable. This duty to defend shall apply whether or not an Indemnity Claim has merit or is meritless, or which involves claims or allegations that any or all of the Indemnitees were actively, passively or concurrently negligent, or which otherwise assert that the Indemnitees are responsible, in whole or in part, for any Indemnity Claim. Contractor agrees to provide this defense immediately upon written notice from the City, and with well qualified, adequately insured and experienced legal counsel acceptable to the City.

9.3 Subcontractor Requirements. In addition to the requirements set forth hereinabove, Contractor shall ensure, by written subcontract agreement, that each of Contractor's Subcontractors of every tier shall protect, defend, indemnify and hold harmless the Indemnitees with respect to Indemnity Claims arising out of, in connection with, or in any way related to each such Subcontractors' Work on the Project in the same manner in which Contractor is required to protect, defend, indemnify and hold the Indemnitees harmless. In the event Contractor fails to obtain such defense and indemnity obligations from others as required herein, Contractor agrees to be fully responsible to the Indemnitees according to the terms of this Article.

9.4 No Limitation or Waiver of Rights. Contractor's obligations under this Article are in addition to any other rights or remedies which the Indemnitees may have under the law or under the Contract Documents. Contractor's indemnification and defense obligations set forth in this

Article are separate and independent from the insurance provisions set forth in the Agreement and do not limit, in any way, the applicability, scope, or obligations set forth in such insurance provisions. The purchase of insurance by the Contractor with respect to the obligations required herein shall in no event be construed as fulfillment or discharge of such obligations. In any and all claims against the Indemnites by any employee of the Contractor, any Subcontractor, any supplier of the Contractor or Subcontractors, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the obligations under this Article shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor or any Subcontractor or any supplier of either of them, under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts. Failure of the City to monitor compliance with these requirements imposes no additional obligations on the City and will in no way act as a waiver of any rights hereunder.

9.5 Withholding to Secure Obligations. In the event an Indemnity Claim arises prior to final payment to Contractor, the City may, in its sole discretion, reserve, retain or apply any monies due Contractor for the purpose of resolving such Indemnity Claims; provided, however, the City may release such funds if the Contractor provides the City with reasonable assurances of protection of the Indemnites' interests. The City shall, in its sole discretion, determine whether such assurances are reasonable.

9.6 Survival of Indemnity Obligations. Contractor's obligations under this Article are binding on Contractor's and its Subcontractors' successors, heirs and assigns and shall survive the completion of the Work or termination of the Contractor's performance of the Work.

9.7 Independent Contractor. Contractor shall at all times during its performance of the Work retain its status as an independent contractor. Contractor's employees and agents shall under no circumstances be considered or held to be employees or agents of City and City shall have no obligation to pay or withhold state or federal taxes or provide workers' compensation or unemployment insurance for or on behalf of Contractor or its employees and agents.
