Transportation Board

TO: TRANSPORTATION BOARD

DATE: DECEMBER 15, 2015

FROM: PUBLIC WORKS DEPARTMENT

WARDS: ALL

SUBJECT: CITY TRAFFIC ENGINEER UPDATES

ISSUE:

To provide the Transportation Board (Board) with a brief oral presentation outlining updates on current and/or upcoming transportation related projects from the City Traffic Engineer.

RECOMMENDATION:

That the Transportation Board receive and file the oral presentation and updates.

BACKGROUND:

The City Traffic Engineer provides periodic oral information and updates to the Board to keep them apprised of relevant upcoming and/or ongoing transportation related projects throughout the City including project status information. Additionally, the updates may include information on projects within other nearby jurisdictions that may result in impacts to traffic within the City of Riverside.

FISCAL IMPACT:

There is no fiscal impact associated with this oral presentation.

Prepared by: Gilbert Hernandez, P.E., T.E., City Traffic Engineer
