\*A statement of Economic Interests is required. Any information listed on this application is a matter of public record and will be disclosed upon request.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

**COMMUNITY POLICE REVIEW COMMISSION:**

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Liberty Elementary School

December 27, 2007

To Whom It May Concern,

I have been contacted by Lisa Golden to write a letter of recommendation to help enhance her application to become a member of the Riverside Community Police Review Commission. It is my pleasure to do so.

I have known and worked with Mrs. Golden for the past six years at Liberty Elementary School. As a Categorical Program Specialist and Principal's Designee, I have the opportunity to work closely with all staff members. Mrs. Golden has been an outstanding kindergarten teacher and children/parent advocate. Liberty Elementary School is a high poverty school, ranking fourth highest out of thirty elementary schools within Riverside Unified School District. Additionally, Liberty has a high concentration of English Language Learners – approximately one third of the student population.

Mrs. Golden has been a member of Liberty's School Site Council (SSC), which is the most important council any California public school has for parents and staff members. As a member of such council, the duties vary between approving categorical budgets and issues sent to schools from the district office. Approving the school's "Safety Plan" is among one of the important issues. There is a lengthy discussion regarding how to keep our students/staff safe at all times. SSC becomes totally aware of all issues concerning this and decides on the best possible way to accomplish it.

Mrs. Golden is an advocate for our English Language Learner families. She has provided training for our Spanish speaking parents to help them become more accomplished English speakers. As a result of her teaching the parents, they then become better citizens (many go on to acquiring their citizenship).

A successful program Mrs. Golden has organized within her own classroom is the "tutoring" program for her students which requires all parents to participate too. She teaches the parents how to work with their children at home to help make them more successful learners.

I have found Mrs. Golden to be fair and honest in every aspect of her teaching whether it is for students or for parents. I feel that she would have a dispassionate view of important events. Additionally, I feel that she would always maintain her understanding of the importance of her role as a member of the Commission and know that the "facts" will drive the important decisions that she will have to make as member.

Sincerely,

A black rectangular redaction box covering the signature of Rosemary L. Morgan.

TO WHOM IT MAY CONCERN:

Lisa Golden has been teaching English as a Second Language (ESL) to adults for Riverside Adult School from October 2004 until June 2007. She taught the Low Beginning level of ESL to our adult students on the main campus. She has prepared lessons appropriate to their various levels keeping her adult students engaged in meaningful thinking based lessons as required by the Riverside Adult School Course of Study. Her students have advanced to other levels due to her teaching style. Lisa is aware of the different learning styles of her students and prepares lessons that help all adult students become lifelong learners, participatory members of their family and community, and productive workers. She taught life skills, civics, and government lessons with her students and infused the American culture and customs while affirming the other cultures of the world within her ESL classroom. She had her adult students participate in the yearly United Way and Diabetes campaigns.

Lisa is well respected by RAS staff, students, and administration. She follows all the rules and regulations of Riverside Adult School as set out in our staff handbook. I would recommend her for any position that you have available without reservation. She is always on time and ready to work. She is a team player. Please feel free to contact me if I can be of further assistance.

Sincerely,

To whom it may concern:

The Los Angeles Police Emerald Society (LAPES) is a multi-agency, social-fraternal organization founded in 1992 with the objective of fostering goodwill among the members of the numerous law enforcement communities in California and celebrating the dedication of Irish-American law enforcement officers.

Lisa Golden joined LAPES as an Associate Member in March of 2007. Since that time she has become a very active member and participant in LAPES events. Along with one of our sworn members from the Los Angeles County Sheriff's Department, Lisa has taken responsibility for our LAPES-related shirts, caps, and other wares, which they both ensure are available for purchase by our members at the monthly LAPES meetings. Lisa has also become involved with the LAPES Pipe and Drum Band, and for a number of months she has been taking private drum lessons and regularly attending the band practices at the Los Angeles Police Academy.

Lisa has become a very involved and valuable member of our Society.

Sincerely,

\*A statement of Economic Interests is required. Any information listed on this application is a matter of public record and will be disclosed upon request.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

## COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

## COMMISSION ON DISABILITIES:

It is the policy of the City of Riverside to promote the full integration and participation of persons with disabilities into all areas of economic, political, and community life. In order to adequately represent the needs of residents with disabilities, the following criteria applies:

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

## COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice; a local police records check; a records check of the National Crime Information Center (NCIC); and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

## COMMISSION ON DISABILITIES:

It is the policy of the City of Riverside to promote the full integration and participation of persons with disabilities into all areas of economic, political, and community life. In order to adequately represent the needs of residents with disabilities, the following criteria applies:

- Members should consist of both persons with and without disabilities;
- Members should represent a cross-section of the City's disability groups and include persons with professional experience representing or supporting persons with disabilities.

There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

**COMMUNITY POLICE REVIEW COMMISSION:**

Have you ever been convicted of a felony or misdemeanor? ☒ Yes ☐ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION: (474 Characters Max)

I was born in Riverside and have seen phenomenal change in my 61 years some for the good some not so good. After serving on the Riverside County Civil Grand Jury, I realized there are several City Departments that no matter the situation seem never to get a fair review of the department and personnel. I feel the RPD is one of these departments.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST: (474 Characters Max)

Through my experience on the Riverside Civil Grand Jury I developed the investigational skills needed to look in depth at the complexities of an event or situation.

Completed, Riverside Police Dept. Citizens Academy, quite interesting and informative.

### ***Why I would like to serve on a Board or Commission:***

I have worked on police accountability since January 1999. When Tyisha Miller was killed by Riverside Police Department officers in December 1998, I had only lived in Riverside for about two years, and I had a deep and immediate response to her death: as an educator, I realized that Tyisha Miller could have been any of my students, who are mostly young people of color. I organized a public forum at UCR on police accountability three weeks after Miller's death in which I called for a civilian review board for the RPD. I learned that others in the Riverside community had come to the same conclusion. Community meetings ensued and I was a founding member of the Riverside Coalition for Police Accountability (RCPA).

The effort continues: the CPRC is a work in progress and will only be as effective as the community helps it to be. Working on police accountability has taught me about the challenges and rewards of working cooperatively with other community groups. It has also opened up Riverside to me as a complex city of many different communities and contending agendas. I have learned that a few people working closely together with commitment and respect for differences can accomplish quite a lot. Riverside is a large city in terms of population but its infrastructures are small enough so that the community can still access the leaders who create change (or who stand in the way of it).

I believe that the CPRC is at a crossroads. It is 6 years old, has had several Executive Directors, and now has a new Manager. Only a few founding Commission members still serve and there has been considerable turnover in Commission members in the past 8 months. I would be honored to serve and would be particularly committed to working on community outreach.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

## COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

\*A statement of Economic Interests is required. Any information listed on this application is a matter of public record and will be disclosed upon request.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

**COMMUNITY POLICE REVIEW COMMISSION:**

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

**COMMISSION ON DISABILITIES:**

It is the policy of the City of Riverside to promote the full integration and participation of persons with disabilities into all areas of economic, political, and community life. In order to adequately represent the needs of residents with disabilities, the following criteria applies:

- Members should consist of both persons with and without disabilities.
- Members should represent a cross-section of the City's disability groups and include persons with professional experience representing or supporting persons with disabilities.

How would your experience or qualifications help the Commission on Disabilities meet its membership goals? (255 Characters Max)

If applying for membership on the Commission on Disabilities, please complete and return a Supplemental Application.

\*A statement of Economic Interests is required. Any information listed on this application is a matter of public record and will be disclosed upon request.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

## COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

## COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

## Mary Ellen Carter

Dear Potential Employer:

My resume shows that I am well qualified for the government orientated work, or work related to relations in various areas. I have obtained government and policy knowledge through related college courses and experience, I would appreciate an interview at the earliest convenience.

I have experience assisting various individuals who had fallen victim to one ailment or another. I supervised the entry into the evacuation area in San Bernardino at the Orange Show Evacuation site, during the 2007 California Wildfires. Along with supervising entry into sleeping quarters, I also directed families and individuals who needed information on further assistance. During this time, I also spoke with various government officials from the CDC, FEMA, HUD, San Bernardino County Sheriff's Department, officials in Governor Schwarzenegger's office, and supervisors with the American Red Cross.

I managed other volunteers for Harvest Christian Fellowship in Riverside, California under the supervision of a pastor. During this time, I organized baby dedications within the church. At times, I counseled individuals and directed them where to seek further assistance.

I assisted students and teachers in the Disabled Students Programs and Services department at Riverside Community College. I set up appointments over the phone and in person in regards to counseling and testing accommodations. I updated files to the students' current needs. I also assisted students with computers where I showed individual students, who had the need, how to utilize special programs. I assisted a student with in-class note-taking, and later assisted him in the gymnasium on exercise machines.

I have had the opportunity to be enrolled in two classes where the main assignment was research for the National Security Agency under the Intelligence Community-CSU, during my senior year at California State University, San Bernardino in 2010. I learned various methodologies during this time. The research done in class was potentially used for the IFA's purposes for security reasons.

In 2010, I was a campaign intern for a candidate running in the 63<sup>rd</sup> District in California. I was responsible for organizing volunteers, editing and designing newsletters, as well as phone-banking and walking door-to-door to speak with potential voters. After that, I ventured into promotion sales. Currently, I am a Certified Substitute teacher for the Alvord School District and the Riverside Unified School District.

As you may, you can reach me at my telephone number or my email address in order to schedule an interview. My graduation date was June 19, 2010.

Thank you for your consideration.  
Sincerely,  
Mary Carter
