More of a Free Clinic than a Health Fair... we treat residents in need on site!

5th Annual LULAC Community Health Fair

RAIN OR SHINE • Date: Saturday, February 20, 2016 **Event Time:** 8am - 4pm

Location: César Chávez Community Center, 2060 University Ave. Riverside, CA 92507

Services provided on first come, first served basis.

While health care in our country has become more accessible to those in need, there still exist wide gaps in coverage. Those gaps along with a shortages of doctors in the Inland Empire create a dire need. This event helps fill a serious need in our community.

Lines start to gather as early as 2am the night before the event. The need is great...

One of our primary sponsors, The California Lions Club – Friends in Sight – fit over 420 people with recycled glasses last year, after administering eye exams.

Also a primary sponsor: Riverside University Health Systems is responsible for providing primary doctors. Each year they provide their mobile clinic and are able to attend both children and adults.
