City Council Memorandum

TO: HONORABLE MAYOR AND CITY COUNCIL DATE: FEBRUARY 23, 2016

FROM: PUBLIC WORKS DEPARTMENT WARD: 6

**SUBJECT: FINAL APPROVAL OF PARCEL MAP NO. 36589 – LOCATED ON THE
NORTHERLY SIDE OF COOK AVENUE BETWEEN MOBLEY AVENUE AND
MEREDITH STREET - FINAL APPROVAL**

ISSUES:

The issues for City Council consideration are: 1) final approval of Parcel Map No. 36589 and adoption of the "Resolution of Acceptance" for the Official Map; and 2) acceptance of the agreements and sureties for faithful performance and construction of improvements and the labor and material bond in accordance with Section 18.220.020 of the Riverside Municipal Code.

RECOMMENDATIONS:

That the City Council:

1. Approve Parcel Map No. 36589 and adopt the "Resolution of Acceptance" for the Official Map; and
2. Accept the agreements and sureties for the installation and faithful performance of improvements and the labor and material bond in accordance with the plans for the development of Parcel Map No. 36589.

BACKGROUND:

On November 11, 2014, the City of Riverside Zoning Administrator approved Parcel Map No. 36589 subject to the completion of conditions. The map was the proposal of RE Fund 51, L.L.C., successor to Ali and Javier Duarte of Duarte and Sons Development, Inc., to subdivide approximately 1.64 vacant acres into four parcels for the future development of four single family residences.

Staff has determined that the developer has satisfied all of the conditions for the map, and recommends that the final map be approved pursuant to Section 18.090.060(C) of the Riverside Municipal Code. However, if the City Council determines that the map conditions have not been fulfilled, it may disapprove the map with a finding that identifies the conditions that have not been met.

The Community and Economic Development Director concurs with the recommendations noted above.

FISCAL IMPACT:

There is no fiscal impact by the City for the finalization of Parcel Map No. 36589.
