How long is the training to become a participating contractor?	Apx. 4 hours
Contractor Training and Support	Field support and 7 day / week call center
Process for Local Government to Join	Opt-in process: requires (1) city/county "Opt-in resolution" for jurisdictions already members of CSCDA
What is the liability associated with joining the JPA? What commitments is the local government making?	None. Jurisdictions are indemnified via assessment contract and no staff resources are required to administer program.
Language around indemnification of the joining jurisdiction?	The bonds issued by CSCDA are limited obligations of the borrower, not CSCDA or the Program Participant. The CSCDA joint powers agreement expressly provides that CSCDA is a public entity separate and apart from the Program Participants, and "its debts, liabilities and obligations do not constitute debts, liabilities or obligations of any party to the joint powers agreement." The Program Participants are not responsible for any repayment of debt by borrowers, nor are they named in any of the bond documents.
Provides reports to participating jurisdiction – what data?	Reporting categories. It is the policy of the Program that Program statistics reporting and estimated impact metrics in the following categories be developed and reported quarterly to the Authority: (i) number of projects funded, (ii) project amount funded, (iii) estimated amount of energy savings, (iv) estimated amount of renewable energy produced, (v) estimated amount of water savings, (vi) estimated amount of greenhouse gas emissions reductions, and (vii) estimated number of jobs created.
Termination Process for Govt.	Opt out via resolution

CSCDA

Residential Open PACE Consumer Protection Policies

Executive Summary

- 1. Eligible Properties.** The Program will finance improvements on residential properties (3 units or less) that meet the following criteria: (a) All mortgage related debt on the Property may not exceed 90% of the Property's fair market value (FMV); (b) The financing may not exceed (i) fifteen percent (15%) of the FMV of the Property, up to the first seven hundred thousand dollars (\$700,000) of the Property's FMV, and (ii) ten percent (10%) of the remaining value of the Property above seven hundred thousand dollars (\$700,000); (c) The total mortgage-related debt on the underlying Property plus Program financing may not exceed the FMV of the Property.
- 2. Eligible Improvements.** The Program will only finance energy efficiency, water efficiency and renewable energy improvements that are permanently affixed to the property. All improvements and products must meet standards established by the U.S. Department of Energy, the U.S. Environmental Protection Agency, or California state agencies.
- 3. Disclosure of Financing Terms and FHFA Risk.** The Program must plainly disclose to homeowners the terms of the financing: (a) the amount financed, fees and capitalized interest included, (b) the repayment process and schedule, (c) the payment amounts, (d) a term that does not exceed the useful life of the majority of the improvements, (e) the effective rate of interest charged (APR), (f) a rate of interest that is fixed (not variable), (g) a payment schedule that fully amortizes the amount financed, (h) the nature of the lien created upon recordation, (i) the specific improvements to be installed, (j) the 3-day right to cancel the financing, (k) FHFA policy toward PACE.
- 4. Complaints and Dispute Resolution.** The Program must receive, manage, track, timely resolve, and report on all inquiries and complaints from homeowners. In addition, the Program must investigate and mediate disputes between homeowners and contractors.
- 5. Data Security.** The Program is responsible for taking security measures that protect the security and confidentiality of consumer records and information in proportion to the sensitivity of the information.
- 6. Consumer Privacy.** The Program must develop and maintain a privacy policy that complies with state and federal law (e.g., the Gramm Leach Bliley Act) and, in particular, prohibits sharing with third parties personal identifying information of homeowners without the homeowner's express authorization except where expressly permitted by state and federal law.
- 7. Marketing and Communications.** The Program prohibits practices that are or could appear to be unfair, deceptive, abusive, and/or misleading, that violate laws or regulations, that provide tax advice, that are inappropriate, incomplete or are inconsistent with the Program's purpose. Cash incentives to homeowners in exchange for financing with the Program are prohibited.
- 8. Protected Classes.** The Program must develop and implement a program that validates elder homeowner (i.e., homeowners over 64 years old) understanding of the eligible improvement project for which they are seeking Program financing, including the terms of such financing.
- 9. Contractor Management.** The Program ensures that contractors are licensed by the California State Licensing Board, insured and bonded. Additionally, contractors must agree to

PACE Programs Comparison Matrix

follow program marketing guidelines, and act in good faith to timely resolve homeowner complaints.

10. Maximum Financing Amounts. The Program will establish Maximum Financing Amounts for every project type. The Program will establish pricing rules to ensure that consumers are protected from excessive charges.

11. Reporting. The Program will report on a quarterly basis to its public sector partners on the number of applications submitted, projects completed, energy and water saved, and jobs created as a result of the Program.

12. Closing and Funding. The program requires that the homeowner and the contractor sign a certificate of completion prior to providing funding to the contractor for the project. The Program also requires that any necessary permits are pulled and verified prior to funding. The Program will conduct a randomized onsite inspection protocol to verify that the appropriate financed products have been installed.
