 You are welcome to provide a resume and/or letters of endorsement.

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION: Since moving to Riverside several years ago, it is no exaggeration to say that I have fallen in love with this city and the quality of life that it affords those of us lucky enough to live here. Although I believe that most Riversiders relish the city's easy pace of life when compared to other areas of Southern California, we are continually confronted by the reality of living in the second most populated urban region of the United States and all of the resulting transportation-oriented challenges. I wish to serve on the Transportation Board because I believe that nothing is more important to preserving Riverside's quality of life than ensuring that residents and visitors alike can move through the city easily.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST: Given my background in geographic information systems (GIS) education and consulting, I have considerable experience with modeling of transportation networks and mobility systems. I have a strong personal and academic interest in mobility and transportation in Southern California; one of my current ongoing research projects looks at connections between voting behavior and road network accessibility of election polling places. I have also studied transit-oriented development and am excited by related possibilities here in Riverside.

B.S. - Geography / Geographic Information Science (GIS), Arizona State University, August 2010

OCCUPATIONAL EXPERIENCE: I currently develop and teach courses in geographic information systems (GIS), geographic data analysis, and cartography at UCLA and UCLA Extension. In addition to my teaching endeavors, I have worked as a GIS consultant and geospatial technology startup entrepreneur; part of my experience as a startup entrepreneur includes inventing and engineering a Web-based location analytics portal that includes transportation and location accessibility modeling for current and prospective business owners.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☐ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Re: Letter of Endorsement – Melissa Elwood

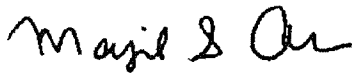

I have known Melissa Elwood for over several years, throughout my role as Riverside Community College District (RCCD) Purchasing Manager and now Director of Business Services. I have had the pleasure of working closely with Melissa; I've witnessed first-hand, her intelligence, ambition, drive and loyalty. She is a talented and integral member of the Business and Financial Services Department.

Melissa has provided consistent, outstanding leadership in every aspect of the roles she has assumed. Her insightful knowledge, as it pertains to Accounts Payable and Budget, has provided invaluable solutions to the Purchasing Department and to the Business and Financial Services, as a whole. I have found Melissa to be extremely knowledgeable in all aspects of business and finance, her analysis to be insightful and her ability to build positive working relationships to be exemplary.

What is most impressive about Melissa is her willingness to take on new approaches and additional responsibilities. She is a creative thinker and is always able to come up with innovative solutions. I appreciate Melissa's high sense of responsibility as an employee of a public entity.

Melissa truly upholds the values and integrity of Riverside Community College District. I am confident that Melissa will succeed in any endeavor she wishes to pursue. For that reason, I recommend Melissa for your consideration as a member of the Board of Ethics for the City of Riverside. Without hesitation, Melissa Elwood is a highly qualified candidate for this position.

Sincerely,

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

- Confidentiality
- Due process
- Favoritism

Organizational Ethics

- Union contract rights
- Training
- Non discrimination
- Nepotism
- Employee wages and benefits
- Union membership
- Use of position or authority

Organizational Ethics

- Unethical behavior with employees leads to big verdicts and settlements usually in the millions.
- A study (Trevino 2005) found that when employees perceive unfair treatment, they are motivated to balance the scales

WHY Organizational Ethics Now?

- Corporations want to have a strong ethical climate and to encourage ethical behavior.
- Current Business Climate
 - Public is demanding it—Enron, WorldCom, Martha Stewart
 - Sarbanes-Oxley Act of 2002
 - It is good for business. Ethics are an insurance policy against illegal and/or non compliant behavior
 - Promotes a strong public image

Ethics are good for Business

- A 2003 Business Ethics Survey (ERC) compared the business ethics climate of 2003 with that of 2000
- In 2003 the study found
 - Employee perceptions that top management talks about the importance of ethics, keeps promises and models ethical behavior have increased since 2000

Ethics are good for Business

- Despite an overall increase in the reporting of misconduct, nearly half of all non-management employees (44%) still do not report the misconduct they observe. Primary reasons for not reporting include
 - A belief that no corrective action will be taken
 - That the report will not be kept confidential
- Employees with the least amount of tenure(43% vs. 69%) for all other employees) are the least likely to report unethical behavior

Ethics are good for Business

- Less than 3 in 5 employees(58%) believe that unethical behavior will be dealt with.
- Senior and middle managers have less fear of reporting misconduct
- A third of respondents say that their coworkers condone questionable behavior by showing respect for those who achieve success by using unethical means

Ethics Programs Make a Difference

- A complete ethics program usually includes
 - written standards of conduct,
 - ethics training,
 - ethics advice offices/lines,
 - systems for anonymous reporting of misconduct.

Ethics Programs Make a Difference

- Ethics programs which contain all 4 elements are associated with increased reporting of observed misconduct
 - 78% of those observing misconduct reporting when all four program parts are included
 - Written standards plus at least one other program element—67% reporting
 - Written standards—only 52% reporting
 - No program—39% reporting

Ethics Programs Make a Difference

- Ethics programs are associated with higher perceptions that employees are held accountable for unethical behavior.
- In large organizations (over 500) ethics programs are associated with lower pressure on employees to compromise company standards of business conduct

What is an Ethical Dilemma?

- It is choosing between alternatives that cause us to have to subordinate one or more values
 - Conflict between two or more personally held values
 - Conflict between personal values and the values held by a manager or the organization
 - Conflict between basic principles and the desire to achieve a desired outcome
 - Conflicts between two or more individuals or groups to which one has an obligation

Lankard A. Beltina, 1991

What is an Ethical Dilemma?

Ethical decisions involving employment matters and employee issues are usually complex and may not involve an obvious right or wrong—leading to ethical dilemmas.

UC Leadership Institute

What is an Ethical Dilemma?

- Right behavior produces a wrong outcome
- Wrong behavior produces a right outcome

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☐ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

(474 Characters Max)

I first started working in Riverside 6 years ago as a teacher at Ramona High School. As I got to know the Riverside community better, I realized that many of the families I worked with were lifelong residents, and that Riverside represented something special. My current position in RUSD is in the Academic English Learner/Student Support department. Our department's mission is centered on helping those students who have language barriers, or are living in poverty, to overcome those barriers and achieve their full potential academically. This work gives me a strong background by which to not only contribute towards the work of the commission, but also to apply the work of the commission towards the needs of Riverside students.

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

(474 Characters Max)

I have been looking for an opportunity to volunteer for my community for quite some time now. Recently we received information of a new Ethics board being formed. As a police officer for the last 27 years I understand firsthand the importance of ethical behavior in city government and have witnessed what happens when it is lacking. I feel I can strongly contribute to this oversight board and can offer value and guidance to this important endeavor.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST:

(474 Characters Max)

As a police manager for the City of Rialto Police Department I am intimately familiar with the workings of city government as well as the intricacies of working with elected officials. I have made numerous presentations to council and have worked hand in hand with council members on community projects. In addition, as a police officer I am held to a higher standard than others and thus I hold my ethics integrity and character to be beyond reproach.

EDUCATIONAL BACKGROUND:

(474 Characters Max)

I am highly educated holding an AA in liberal arts CCC, a BS in organizational management CSULB, and a Masters in criminal justice CCU.

OCCUPATIONAL EXPERIENCE:

(474 Characters Max)

I have been a police officer for 27 years currently holding the rank of Lieutenant for the Rialto Police Department. I have worked in almost every assignment and have a vast amount of experience in administration. I have experience working directly with the city council and understand the processes involved with city government.

PROFESSIONAL OR TECHNICAL ORGANIZATION MEMBERSHIPS:

(190 Characters Max)

Previous member of several police associations including the International Association of Chiefs of Police.

CIVIC OR COMMUNITY EXPERIENCE, MEMBERSHIPS, OR PREVIOUS PUBLIC SERVICE APPOINTMENTS:

Working with local churches feeding and caring for our homeless.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

COMMISSION ON DISABILITIES:

It is the policy of the City of Riverside to promote the full integration and participation of persons with disabilities into all areas of economic, political, and community life. In order to adequately represent the needs of residents with disabilities, the following criteria applies:

- Members should consist of both persons with and without disabilities.
- Members should represent a cross-section of the City's disability groups and include persons with professional experience representing or supporting persons with disabilities.

How would your experience or qualifications help the Commission on Disabilities meet its membership goals? (255 Characters Max)

If applying for membership on the Commission on Disabilities, please complete and return a Supplemental Application.

CULTURAL HERITAGE BOARD:

If applying for membership on the Cultural Heritage Board, please complete and return a Supplemental Application.

So far as is reasonably possible, the Commission shall include representation in the following fields: education, medicine, health and welfare, law, real estate, industry, business, finance, law enforcement, and labor. Further, the diversity of the Commission is important to achieving its stated objective.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.
