Proposal

The Concerned Citizens for Casablanca Committee (CCFCBC), CCFCBC Chair Rudy Chavez, local Casa Blanca community, Riverside County Mexican American Historical Society, and the Lara family propose the Casa Blanca Library be named "The Salvador J. Lara - Casa Blanca Library" after Private First Class (PFC) Salvador J. Lara, who served in the Army and fought gallantly in World War II.

Background Information

PFC Lara has been recognized as a Medal of Honor recipient by the federal government for his valorous actions in Aprilia, Italy on May 27-28, 1944. The Medal of Honor, established in 1862, is the United States of America's highest military honor. Presented by the President of the United States, this medal is awarded for personal "acts of valor above and beyond the call of duty." Riverside has three named Medal of Honor recipients, two of which descended from the from Casa Blanca neighborhood. The fact that two of Riverside's recipients descended from Casa Blanca speaks volumes to the values instilled in these men by their families, teachers, and local community mentors. It is no secret that the Casa Blanca community has long had a strong group of community leaders committed to the development of its youth, one of the many things that make this local neighborhood an important part of our community.

Salvador J. Lara was born in 1920 and grew up in Riverside's Casa Blanca neighborhood, along with his two brothers (Juan and Alfonso, who served in World War II and Korea, respectively), and two sisters. Members of the Lara family still reside in Riverside. Growing up Lara was given the nickname "Chavo" by family and friends who characterized him as an easy-going guy. Before joining the Army and serving in World War II, Lara attended Casa Blanca Elementary and Chemawa Middle school. He also respectfully worked in local citrus packing houses.

In the Army, PFC Salvador J. Lara "distinguished himself by acts of gallantry and intrepidity while serving as the Squad Leader of a rifle squad with 2d Platoon, Company L, 180th Infantry, 45th Infantry Division during combat operations against an armed enemy in Aprilia, Italy on May 27 and 28, 1944" (Medal of Honor Recipients, WWII). During this time, he aggressively led his rifle squad in neutralizing multiple enemy strong points and decreasing the strength of the enemy's force. The next morning, as his company resumed the attack, PFC Lara sustained a severe leg wound, but did not stop to receive medical care. PFC Lara continued his exemplary performance until he captured his objective. He then noticed a nearby troop was facing enemy siege, so PFC Lara gathered three men and they attacked a large section of the enemy's position, causing several of the enemy's troops to surrender or abandon their posts. Salvador J. Lara survived this battle, but tragically died from a non-combat incident on September 1, 1945, less than three months after the war in Europe ended.

For his extraordinary heroism and selflessness PFC Lara was highly decorated for his service. He has received:

Award	Honoring
Bronze Star Medal	Awarded to personnel who while serving in any capacity in or with the Army of the United States after 6 December 1941, distinguished himself or herself by heroic or meritorious achievement or service (not involving participation in aerial flight) in connection with military operations against an armed enemy; or while engaged in military operations involving conflict with an opposing armed force in which the United States is not a belligerent party
Purple Heart	Awarded to personnel who are wounded by an instrument of war in the hands of the enemy, are killed in action, or die of wounds received in action. It is specifically a combat decoration.
Army Good Conduct Medal	One of the oldest awards established in 1869, this medal is awarded to any active-duty enlisted member of the United States military who completes three consecutive years (1 year during wartime) of honorable and faithful service and demonstrate exemplary conduct, efficiency and fidelity during these years.
European-African-Middle Eastern Campaign Medal with two Bronze Service Stars	Awarded to personnel for military duty within the European-North African- Middle Eastern Theater during WWII. The bronze stars denote his participation in a specific battle, engagement or offensive.
World War II Victory Medal	Awarded to personnel who served at least one day of honorable, active federal service between December 7, 1941 and December 31, 1946, inclusive.
Presidential Unit Citation	Awarded to units of the armed forces of the United States and of cobelligerent nations, for extraordinary heroism in action against an armed enemy on or after Dec. 7, 1941.
Combat Infantryman Badge	Awarded to personnel in the grade of Colonel or below with an infantry or special forces military occupational specialty who have satisfactorily performed duty while assigned as a member of an infantry/special forces unit, brigade or smaller size, during any period subsequent to 6 December 1941 when the unit was engaged in combat.
Distinguished Service Cross	The second highest military award that can be given to a member of the United States Army, for extreme gallantry and risk of life in actual combat with an armed enemy force.
Honorable Service Lapel Button-World War II	Awarded to personnel who were discharged under honorable conditions during WWII.
Medal of Honor	The highest award for valor in action against an enemy force. This was awarded after the U.S. government determined that Lara was skipped over for this award, as a result of discrimination.

In 2002, the National Defense Authorization Act required the Army to conduct a review of over 6,500 recipients of the Distinguished Service Cross to determine if racial and/or religious biases resulted in prejudice inhibiting minority military personnel from being awarded due recognition in the Medal of Honor selection processes (Frizell, Time Magazine, 2014). After an extensive review it was determine that 24 veterans, now called the Valor 24, were "passed over for the [Medal of Honor] award because of long-standing prejudices against minorities." Salvador J. Lara, from Riverside, was one of these 24 recipients.

On March 18, 2014, on his brother's behalf, Alfonso Lara accepted the Medal of Honor for Salvador J. Lara's "acts of valor above and beyond the call of duty."

Precedent

Staff Sergeant Ysmael Villegas enjoys a high profile in Riverside with a statue, city park, Veterans of Foreign War chapter, street, community center, and middle school named in his honor.

Equity

It is our strong opinion that the honoring of our country's war heroes should not be a political process, nor should it be about elevating one war hero over another. The fact of the matter is that three descendants from the City of Riverside were awarded a Medal of Honor by the federal government for acts of valor. All three of these soldiers, Villegas, Lara and Duran, were war heroes and all three of these young men are worthy of recognition in the city and community in which they were raised.

Call To Action

The Concerned Citizens for Casa Blanca Committee (CCFCBC), CCFCBC Chair Rudy Chavez, the Mexican American Historic Society, the local Casa Blanca community, and the Lara family, believe it fitting to honor another one of our city's heroes with the naming of the Casa Blanca Library. PFC Salvador J. Lara's actions during World War II hold significant cultural and historic importance for our country, the County of Riverside, the City of Riverside, the Casa Blanca community, and the Latino community.

We hereby request that you name the library located at 2985 Madison Street to "The Salvador J. Lara - Casa Blanca Library" and that you authorize a permanent indoor educational display, approved by the Library Board, in tribute to Private First Class Salvador J. Lara. Please help the City of Riverside and Casa Blanca community give a befitting recognition to its hero.

Congress in 2002 to determine whether heroism of Jewish and Hispanic veterans had been undervalued because of discrimination.

The Medal of Honor is an upgrade for the soldiers from the Army's second-highest award, the Distinguished Service Cross.

Duran, a native of Mexico who lived most of his life in Riverside, earned the award during service in Vietnam. Lara, a native of the Casa Blanca neighborhood, earned his award while serving in Italy during World War II.

"It's been a whirlwind" since the awards were announced, said Vivian Lara Hernandez, the niece of Salvador Lara.

She said she is grateful that her father, Alfonso Lara, 80, "is alive and able to accept the award for his brother."

Hernandez said family members and friends are "super excited. They feel it is a great thing the government is doing for my uncle."

Chuy Duran, the son of Jesus S. Duran, said his family will be joined at Tuesday's ceremony by Michael "Mick" DeHart and his wife, Carol, of Troy, Ohio. DeHart, now 71, was Jesus Duran's platoon sergeant in Vietnam.

The Durans were told originally there wouldn't be room for the DeHarts, but with the family pressing and other openings at the ceremony, "I got them in," Chuy Duran said.

"These last (several) weeks have been pretty amazing," he said.

Through DeHart, Chuy Duran said he has spoken to 10 or 15 former members of the company his father served in.

"Now I have a way better understanding" of the events that led to his father receiving the medal, he said, and he has become convinced that Jesus Duran was not a victim of discrimination in his unit.

"They were a family," Chuy Duran said. "They were a very tight-knit group. They knew each other well."

He said he learned that any of the soldiers would have put their life on the line for the others.

Both families will be staying at a hotel in Virginia just outside Washington, D.C., where the families of the other recipients will be housed. They plan to attend a briefing at the hotel on Monday, a reception that evening and then Tuesday's ceremony at the White House.

On Wednesday, they will be guests at the Pentagon for a ceremony honoring the heroes.

The Riverside County Mexican American Historical Society will salute four decorated Mexican American war heroes, including a 91-year-old World War II Silver Star recipient who fought in the Battle of the Bulge.

The free event, titled The Brotherhood of Veterans, will take place at 1 p.m. Nov. 5 at Cesar E. Chavez

Community Center, 2060 University Ave., in Riverside, group founder Linda Salinas-Thompson said.

Silver Star recipient Andrew Melendrez Sr., 91, is the only one of the four still alive. He will attend the early Veterans Day event.

Melendrez Sr. also has a Bronze Star and Purple Heart.

The event's keynote speaker, Riverside County Department of Veterans Services Director Grant Gautsche, also will recog-

nize three late Medal of Honor recipients from Riverside during the half-hour program.

World War II veteran Ysmael "Smiley" Villegas, who grew up in Riverside's Casa Blanca neighborhood, died at age 20 in the Battle of Luzon after clearing five enemy foxholes.

World War II veteran Salvador Lara, a former Casa Blanca resident, and Vietnam War veteran Sgt. Jesus S. Duran were posthumously awarded the Medal of Honor last year.

Lara, a U.S. Army private first class, led his ri-

Mayor Rusty Bailey,
the Concerned Citizens For Casa Blanca Committee
Chair - Rudy Chavez

On March 18, 2015 on behalf of my brother, Private First Class Salvador J. Lara, I accepted the Medal of Honor for Salvador's "acts of valor above and beyond the call of duty." To have my brother recognized in this manner after so many years was a very special and emotional moment.

Like other Medal of Honor recipients, Salvador is worthy of recognition in the city and community in which he was raised. The Casa Blanca neighborhood was important to his upbringing and held an important place in Salvador's heart. It would mean a lot to my family, and the community, to have the Casa Blanca Library named after Salvador. For these reasons, and more, we support the effort to name the Casa Blanca Library, "The Salvador J. Lara - Casa Blanca Library." We further support a permanent educational display within the library detailing his accomplishments. We feel this is not only important to the Lara Family, but it is more important for the Casa Blanca and larger Riverside communities to know its heroes.

We would like to thank you for the support you have offered the committee that has worked to honor my older brother through this naming. We sincerely appreciate your assistance.

Sincerely,

RIVERSIDE COUNTY MEXICAN AMERICAN HISTORICAL SOCIETY

Dear Mayor Bailey,

RIVERSIDE COUNTY MEXICAN AMERICAN HISTORICAL SOCIETY

supports the proposal of renaming the ***CASA BLANCA LIBRARY***, to be named "***THE SALVADOR J. LARA-CASA BLANCA LIBRARY***". ***SALVADOR J. LARA*** was a past resident of the Casa Blanca community who served in the United States Army and fought gallantly in WWII. He is a recipient of the Medal of Honor, honored posthumously by President Obama in Washington D.C. on March 18, 2014. ***RCMAHS*** also supports the proposal of renaming the ***EASTSIDE LIBRARY***, to be named "***THE JESUS S. DURAN –EASTSIDE LIBRARY***". ***JESUS S. DURAN***, was born in Mexico, his family moving to Riverside, California when Jesus was a young teen settled in the Eastside community. In 1968 he enlisted in the United States Army and served by acts of gallantly in the Vietnam War. He was awarded the Medal of Honor posthumously by President Obama in Washington D.C. on March 18, 2014.

Both War Hero's like the preceding Medal of Honor WWII Staff Sergeant Ysmael Villegas from Riverside, California represented the United States of America with honor, courage, and sacrifice. Yes, all three "Hero's" are worthy of recognition in the City of Riverside and the communities where they were raised. Staff Sergeant Villegas, awarded the Medal of Honor in 1945, has been honored rightfully in Riverside. The proposals to rename both Libraries with each having a permanent indoor educational display, approved by the Library Board in tribute to ***SALVADOR J. LARA*** and ***JESUS S. DURAN*** is an outstanding honor for their stories of valor will live on with recognition to both ***HERO'S***.

Dedicated Volunteers:

It is my honor to submit a letter of support for the renaming of the Casa Blanca Library and the attached Plaza after PFC. Salvador J. Lara., a Medal of Honor recipient and Casa Blanca native. I am in full support of providing this honor for the family of Mr. Lara and believe that this naming has important symbolism for our community.

Riverside is blessed to have three Medal of Honor recipients, all gallant young men who went beyond the call of duty to protect our country and its interests. I believe that educating our community, especially our youth, about these efforts is important.

The Concerned Citizens for Casa Blanca Committee and other community groups have approached the Mayor's Office about these efforts and I offer my full support. In addition, I have personally spoken to members of the Lara family who are also supportive of these efforts. In fact, the Lara family is hoping that this matter will be resolved before the passing of Mr. Lara's brother.

I understand that the process will require the community to raise funding to cover the costs associated with this naming and I am prepared to work with our community, side by side, to ensure enough funding is secured.

I appreciate your consideration of this matter and look forward to bringing this honor to our community.

Riverside Pride!
