Children in Riverside got their own taste of the Olympic Games and Summer Games, competing in a foot race, soccer kick, noodle toss and more at the city's Tot Olympics.

The Saturday, Aug. 13, event at Arlington Heights Sports Park for kids from 3 to 6 included several athletic contests. There also was an Olympic Village with activities and health information and a parade for athletes who carried flags representing different countries.

No one actually took home a gold medal, but every child got a medal and T-shirt.
