Thanks for sending me this. And thanks to those who worked to make the project better. It's still not a good project -- still too much grading throughout the project -- but is now substantially improved over the original version. It appears to be good enough so that Friends of Riverside's Hills can drop its opposition.

Good Afternoon Mr. Block –

Please find attached a Planning Commission Case for March 03rd for a Tentative Tract Map, Rezone and General Plan Amendment. Please let me know if you have any comments.

Thank you
