# Celebrating **NATIONAL MANUFACTURING DAY**

Friday, October 7<sup>th</sup>, 2016

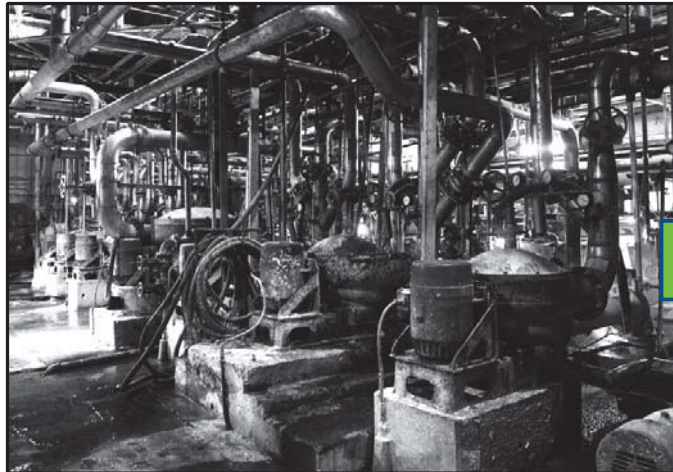

- Revitalize and promote the image of manufacturing
- Energize a future pipeline of skilled workers
- The face of manufacturing is rapidly changing
- MFGDAY is an annual, nationwide event held on the first Friday of October. This years date: **10-7-16**
- 2016 will be the 5<sup>th</sup> year, and growing!

## Shifting perspectives of “manufacturing”

Today, advanced technologies & methodologies create on-demand inventories

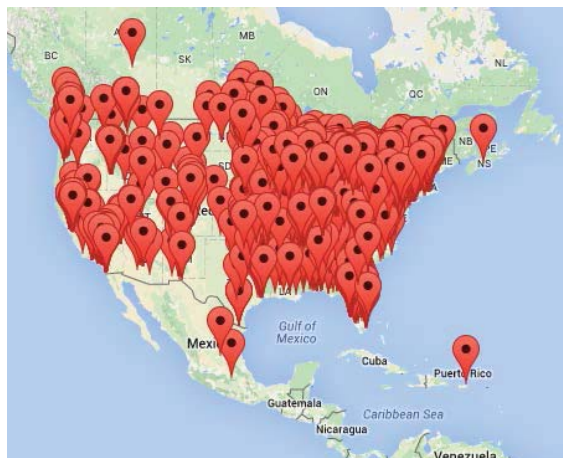

HP Jet Fusion 3D 3200  
Printer **VOXEL**
