

Riverside County Family Justice Centers

Our Mission

The mission of the Riverside County
Family Justice Centers
is to provide victims of
FAMILY VIOLENCE with centralized
access to public and private
resources in a safe, secure and
private environment

Family Violence Statistics

- ▶ 1 in 15 children are exposed to intimate partner violence each year, and 90% of these children are eyewitnesses to this violence.
- ▶ 72% of all murder-suicides involve an intimate partner; 94% of the victims of these murder suicides are female
- ▶ From October 2014-2015, 49% (9,456) of the 19,112 victims and witnesses served by Division of Victim Services, District Attorney's Office were victims of family violence related crimes and served by the Family Justice Centers countywide.
- ▶ Family Justice Centers countywide provided approximately 450 Restraining Order Assistance year to date. This critical safety planning measure often leads to further wrap around services by FJC Partners.
