This map displays the city-wide distribution of equestrian-zoned properties and proposed trails. The city is divided into seven wards, labeled 1 through 7. Ward 1 is in the northwest, Ward 2 in the north-central, Ward 3 in the center, Ward 4 in the northeast, Ward 5 in the east, Ward 6 in the south-central, and Ward 7 in the southwest. The map features several planning zones: Rural Residential (RR) in light orange, Residential Agricultural (RA-5) in bright green, and Residential Conservation (RC) in olive green. These zones are primarily located in the eastern and southern parts of the city. A network of trails is overlaid on the map, categorized by the Trails Master Plan: Primary Existing (solid red), Primary Proposed (dashed red), Secondary Existing (solid blue), and Secondary Proposed (dashed blue). A specific trail loop in Ward 7 is highlighted with a thick black dashed line. The map also shows existing and proposed roads as thin grey lines. A scale bar in the bottom right corner indicates distances of 0, 1.75, 3.5, and 7 miles. The title 'Equestrian Zoned Properties City-Wide' is positioned at the top left, and 'Attachment 2' is at the top right.
