Erin Gettis, Historic Preservation Officer, presented the staff report. Ms. Gettis distributed a copy of the Landmark Legacy book for the Committee to view. As outlined in the report, staff is requesting financial support for the book upfront in the amount of \$28,141.05, repay the General Fund \$3,478.55 for a total of \$31,619.16 and that the Committee accept the revenue generated by book sales into the Historic Preservation Fund.

There was no one from the audience to speak to this item.

Committee member Lech inquired how many books will be published and where the books will be sold.

Ms. Gettis explained that staff will be ordering 1,000 books. Staff has talked to most of the stores on the mall and the books will also be available at City Hall. They are working with the Chambers of Commerce as well.

Mr. Cuevas suggested not only reaching out to the Chambers of Commerce but the architects and realtors.
