Subject: Grant Assistance for the California Public Library Broadband Project

Dear Tonya:

This letter constitutes State Library approval of the grant application by Riverside Public Library for \$30,000 for the above named project. The grant is effective immediately for the period beginning February 29, 2016 and ending June 30, 2017. Congratulations on being among the public libraries in California to benefit from this program.

This funding is contingent upon a fully executed contract with Califa for broadband services. Please work with Diane Satchwell, Executive Director, Southern California Library Cooperative who is the administrative and fiscal agent for this project. She may be contacted at 626-283-5949 or [dsatchwell@socallibraries.org](mailto:dsatchwell@socallibraries.org).

Periodic narrative and fiscal reports will be required and forms and instructions will follow shortly. The reports should include how funds were expended and a summary of the progress made in fulfilling grant requirements.

Respectfully yours,

  
Greg Lucas  
California State Librarian
