

# 2015-2016 UECC AmeriCorps

## End of Academic Year Report

38,390  
HOURS

- 25,571 hours in 8 schools & 3 community centers providing academic assistance in English Language Arts and mathematics
- 9,879 hours in community service to the Eastside
- 2,940 hours in self and leadership development workshops

[Goal 800]

Students from the Eastside in classrooms and in afterschool programs.

19 college students continued to serve in City of Riverside's summer youth camps located in Eastside parks.

930  
MENTORED

[Goal 600]

Finished means 15 hours or more of tutoring. Tutoring includes math, English Language Arts or both.

Tutoring = one-on-one or small group.

Some challenges included early exits of mentors and transient students.

794  
FINISHED

475  
PROFICIENT

[Goal 415]

Grades K-12

Students selected at the beginning of the year were performing below grade level.

Mentorship to those who are not already enrolled to receive school intervention strategies.

Proficient means students now performing at or above grade level in English Language Arts and/or mathematics.

A+
