III. RECOMMENDATION:

That the Historic Preservation Fund Committer:

1. **APPROVE** the requested the one-year time extension for Planning Case P15-0746.

IV. BACKGROUND/HISTORY:

On October 13, 2015, the Historic Preservation Fund Committee unanimously approved Planning Case P15-0746, a request by Jack MacPhetridge for a grant to restore the exterior and garage material and painting to period appropriate colors at a single-family residence which is eligible for Landmark designation at 5081 Magnolia Avenue. The original request was for a \$25,000 grant. The committee requested the applicant provide matching funds and thereby awarded a \$12,500 grant.

Item #9 (Project End Date) of the agreement executed by the city states, "The Project shall be completed within one year or by December 31, 2016, whichever comes first, or the date any appeals are final. Should any problems arise, a written request for an

extension of the project must be submitted to the Historic Preservation Fund Committee at least 30 days prior to the expiration date.”

On November 29, 2016, Staff received a written request from Mr. MacPhetridge requesting a time extension to complete the project (Exhibit 1), which is 30 days prior to the expiration. The request explains the contractor has had delays in completed some of the project.

V. ENVIRONMENTAL ANALYSIS:

It has been determined this project is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Guidelines Section 15331 (Historical Resource Restoration/Rehabilitation).
