Riverside City Council,

Riverside Mayor

Dear Mayor and City Councilmembers;

On behalf of Riverside East Rotary Club, thank you for supporting the use of the Main Street Mall extension for special events like our Show and Go Car Show for Charity. The use of Main Street between 10th and 11th is a critical element of our event.

We appreciate the cooperation of the City in letting us use the streets in the downtown as we do. This year will be the 19th anniversary of this event. We appreciate your support.

Sincerely:

Tom Evans

President 2016/2017
