RFP DESCRIPTION: The project consists of engaging the services of a Consultant to support implementation of a fixed network electric and water metering infrastructure to collect interval load data remotely, enhance and optimize operations, while reducing costs, provide customers with better data to make more informed decisions about energy and water usage, and position the utility for even greater business benefits down the road.

RFP Recommended For Award (Includes Sales Tax) ☐ 10% Surety Included ☒ Contract  
Lowest Responsible Proposer ☒ 10% Surety not required ☐ Purchase Order

Amount of Award

Utiliworks Consulting LLC

\$2,756,360.00

## COMMENTS:

The Public Utilities Department has evaluated all proposals received and will be submitting a report requesting that award be made to the best overall solution based on its evaluation scores.
