REPORT OF INVESTIGATION

[I] INTRODUCTION

On April 21, 2014, the City of Riverside ("City") hired the law firm of Gumport | Mastan ("G|M") to conduct an independent investigation of allegations made by City Manager Scott Barber (the "City Manager") in memoranda dated April 14 and 15, 2014 (the "Complaints").

The Complaints are Exhibits A and B in the appendix to this report. Exhibit C in the appendix is a memorandum (the "3/25/14 [REDACTED] Memo") dated March 25, 2014 from [REDACTED] ("[REDACTED]").

In the Complaints, the City Manager alleges that Councilmember Paul Davis (the "Councilman") "has been creating a hostile work environment for me, as well as violating Riverside City Charter Section 407 (Interference in Administrative Service) as documented by" the 3/25/14 [REDACTED] Memo and other attachments to the 4/14/14 Complaint.

Section 407 of the Charter provides in relevant part: "Except for purpose of inquiry, the Mayor, the City Council and its members shall deal with the administrative service under the City Manager solely through the City Manager and neither the Mayor nor the City Council nor any member thereof shall give orders to any subordinates of the City Manager, either publicly or privately."

G|M submits this report of G|M's investigation of the allegations made in the Complaints. This report consists of G|M's opinions about the Complaints' disputed allegations. This report is not the result of a trial on the merits, and the contents of this report do not bind anyone. G|M reserves the right to amend and supplement this report in light of any additional information that may come to G|M's attention. This report is a confidential and privileged attorney-client communication between G|M and the City.

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

[II] SUMMARY

[A] The Complaints of the City Manager allege that: (1) the Councilman violated Section 407 of the City Charter by interfering with the City Manager's performance of his duties; and (2) the Councilman created a hostile work environment by violating Section 407 of the Charter and by violating or threatening to violate the privacy, personnel, and reputational rights of the City Manager. The Complaints also allege concerns about retaliation.

[B] The Complaints are based on the City Manager's disputed allegations that the Councilman interfered with the City Manager by:

- (1) criticizing the job performance of the City Manager to his subordinates and telling them that the Councilman believed the City Manager should be fired;
- (2) directly dealing with (other than for purposes of inquiry) the City Manager's subordinates instead of going through the City Manager's office; and
- (3) threatening to publicly discuss private personnel issues relating to the City Manager for the purpose of injuring his reputation and invading his privacy.

[C] On May 29, 2014, during a voluntary interview with G|M, the Councilman gave an account of his conduct that, if believed, would show that key allegations made in the Complaints are inaccurate. Among other things, the Councilman denied telling subordinates of the City Manager that he was doing an inadequate job and should be fired.

[D] Although the Councilman disputes key facts and has firsthand knowledge of them, there is a substantial basis to conclude that the Councilman criticized the City Manager's job performance to his subordinates and stated that the Councilman believed the City Manager should be fired.

///

///

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

[E] In addition, although the Councilman disputes key facts and has firsthand knowledge of them, there is a substantial basis to conclude that the Councilman dealt directly with (other than for purposes of inquiry) one or more of the City Manager's subordinates to request or direct him ([REDACTED]) to perform a task (relating to the City's acquiring March Joint Powers Authority land) without going through the City Manager.

[F] The substantial basis for the conclusions in paragraphs D-E includes: (1) the transcribed interview [REDACTED] and the 3/25/14 [REDACTED] Memo, (2) the transcribed interview [REDACTED] [REDACTED] (" [REDACTED] [REDACTED]) (3) the transcribed interview of the City Manager; (4) significant conflicts between the Councilman's version of events and the accounts of others, including without limitation Director [REDACTED], Superintendent [REDACTED] and the City Manager. Transcripts of these interviews are contained in the appendix. (All transcripts of all interviews are available through the City Attorney, subject to his review for issues of confidentiality and privilege.)

[G] For the reasons stated in paragraphs D-F, there is a substantial basis to conclude that the Councilman violated Section 407 of the City Charter by interfering with the City Manager's performance of his duties and by dealing directly with [REDACTED] a subordinate of the City Manager, other than for purposes of inquiry and without going through the City Manager's office.

[H] To create a "hostile work environment" as defined in the City's Harassment Free Workplace policy and Government Code § 12940, the hostile or harassing conduct generally must consist of offensive conduct based on or related to race, color, religion, sex, or other protected classification under applicable law.

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

[I] The Councilman's interference with the City Manager's performance of his duties does not appear to be based on or related to a protected classification that would give rise to a violation of the City's Harassment Free Workplace policy and Government Code § 12940. Accordingly, it does not appear that the Councilman's conduct violated the City's Harassment Free Workplace policy or Government Code § 12940.

[J] Section II.D(4) of the City's Code of Ethics provides in relevant part: "The elected and appointed officials of the City of Riverside have a responsibility to make extraordinary efforts to treat all persons, including city staff, in a manner which would be considered fair and just. . . ." Unlike a "hostile work environment" claim, Section II.D(4) of the City's Code of Ethics does not require proof of a protected classification.

[K] In view of the standard of conduct imposed by Section II.D(4) of the City's Code of Ethics, the Councilman's conduct in undermining the City Manager, including telling his subordinates that he should be fired, could reasonably be viewed from the City Manager's perspective as harassment, even though such conduct did not involve a protected classification as required by the City's Harassment Free Workplace policy and Government Code § 12940.

[L] There is a substantial basis to conclude that the Complaints were filed in good faith by the City Manager in that: (1) it reasonably appears that the alleged Charter Section 407 violation occurred; and (2) it reasonably appears that the Councilman's conduct towards the City Manager was unfair and unjust within the meaning of Section II.D(4) of the City's Code of Ethics, even though the conduct does not appear to constitute a "hostile work environment" violation under the City's Harassment Free Workplace policy and Government Code § 12940.

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

[M] The Complaints did not (and do not) allege that the Councilman violated Section II.D(4) of the City's Code of Ethics. Accordingly, this report's discussion of Section II.D(4) is limited to explaining why it appears that the Complaints were filed in good faith, notwithstanding that the "hostile work environment" claim appears to lack merit.

[N] Upon receipt of the Complaints, G|M thoroughly and fairly investigated the allegations made in the Complaints and made this report of its investigation. In making its investigation, G|M received the City's cooperation.

[IV] METHODOLOGY

On April 15, 2014, the City Manager submitted the Complaints, with the 3/25/14 [REDACTED] Memo. [Exs. A-C.] On April 21, 2014, the City signed a letter agreement to employ G|M to investigate the allegations made in the 4/14/15 Complaint. [Ex. O.]

On April 15, 2014, before the City hired G|M to investigate the Complaints, G|M was conducting an investigation relating to another Councilmember. As part of that investigation, G|M planned to interview the Councilman (i.e., Councilmember Davis) on April 15, 2014.

On April 15, 2014, the Councilman appeared for his interview in that other investigation and objected to his interview and the investigation. On May 29, 2014, however, the Councilman voluntarily made himself available for an interview.

///

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

Because all interviews were voluntary, and because the Councilman ultimately made himself available for a complete interview, G|M's view is that no negative inference should be drawn from the Councilman's understandable hesitancy about providing an interview on April 15, 2014.

On April 17, 2014, G|M requested the City to produce various public records, including emails sent on the City's computer system or servers by the Councilman and his Field Representative on designated subjects during January 15, 2014 through March 15, 2014. [Ex. P.] The requested emails were provided and were reviewed by G|M.

During April-May 2014, G|M interviewed witnesses, including the Councilman. In the interest of transparency, each interview was transcribed by a court reporter. Witnesses were told that they could go off the record at any time but that statements made off the record would not be relied upon by G|M in conducting this investigation.

This report does not rely on statements made by witnesses unless they were willing to make them in writing or to have them recorded or transcribed by a court reporter. Witnesses were not required to be sworn; G|M's view was that insisting on witnesses being sworn would make some witnesses hesitant to provide information. The interviews reflect that the Councilman's version of certain events conflicted with the versions provided by others, including [REDACTED] and [REDACTED].

The interviews did strongly tend to confirm that Councilmembers never voted formally or informally to remove the City Manager.

Several of the interviews listed below relate to another investigation that G|M conducted and that is not the subject of this report.

///

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

During April-May 2014, G|M conducted transcribed interviews of:

(1) [REDACTED] (on 4/16/14); (2) City Manager Scott Barber (on 4/15/14 and 4/30/14); (3) [REDACTED] [REDACTED] (on 4/16/14); (4) [REDACTED] [REDACTED] (on 4/15/14); (5) Councilmember Paul Davis (on 5/29/14); (6) [REDACTED] [REDACTED] (on 4/16/14); (7) [REDACTED] [REDACTED] (on 4/30/14); (8) [REDACTED] (on 4/16/14); (9) [REDACTED] (on 4/15/14); (10) [REDACTED] [REDACTED] (on 4/15/14); (11) [REDACTED] (on 4/16/14); (12) [REDACTED] [REDACTED] (on 4/15/14); (13) [REDACTED] [REDACTED] on 4/15/14; (14) [REDACTED] (on 4/30/14); (15) [REDACTED] (on 4/15/14); and (16) [REDACTED] [REDACTED] (on 4/29/14). In addition, (17) on June 12, 2014, G|M obtained written answers from March JPA Executive Director Lori Stone about a conversation with the Councilman.

G|M interviewed all Councilmembers (including the Councilman) except for [REDACTED], who was the subject of a separate investigation. On May 14, 2014, [REDACTED] provided written answers to the questions asked by G|M in connection with that separate investigation. Because that investigation is ongoing, G|M did not seek to interview [REDACTED] [REDACTED] on the subject of the investigation discussed in this report. The written responses provided by [REDACTED], however, reflect that he is unaware of any vote to terminate the employment of the City Manager.

All interview transcripts are privileged and confidential and are available through the City Attorney. The appendix to this report attaches what G|M regards as the most significant transcripts and exhibits.

IV] FACTS

[A] The Councilman & City Manager

In June 2009, Paul Davis was elected the City Councilmember for Ward 4. He was re-elected and continues to serve as the Councilmember for Ward 4.

In August 2011, Scott Barber was appointed interim City Manager. In December 2011, he was appointed full-time City Manager and continues to serve as City Manager. [Ex. D (4/30/14 City Manager Trans., p. 4:9-16).]

According to the Councilman, at some point he developed dissatisfaction with the City Manager's job performance. One of the issues, according to the Councilman, is a "lack of communication" between the Councilman and the City Manager. [Ex. E (5/29/14 Councilman Trans., p. 29:4-9, p. 44:6-14, and p. p. 48:3-25).]

At his interview, the City Manager gave his opinion of the reason for the Councilman's disapproval of the City Manager. The City Manager said:

[Q] Well, let me rephrase it. Do you have an opinion as to why Councilmember Davis has criticized your job performance?

[A] I believe he has criticized my job performance because since my beginning of my time as interim city manager and city manager, I've had to stop him from doing things or have him investigated for doing things that were in violation of the city charter. . . .

[Ex. D (4/30/14 City Manager Trans., p. 29:7-14).]

With these conflicting positions of the Councilman and the City Manager in mind, this report discusses the events that occurred during 2013-2014 and that are the subject of the Complaints.

[B] Oct. 2013: Conversation with Superintendent

[REDACTED] She reports to [REDACTED]
[REDACTED] [Ex. G (4/30/14 [REDACTED] Trans., p. 4:7-22).]

The Community Services Department is under the control and direction of the City Manager under Sections 2.08.010 and 2.08.020 of the Riverside Municipal Code and Section 601 of the City Charter. [See Ex. U (Muni. Code excerpts); Ex. S (City Charter excerpts).]

On or about October 24, 2013, [REDACTED]
[REDACTED] [REDACTED] announced that he would leave the City in the spring after
more than nine and a half years as [REDACTED]. [See Ex. G (4/30/14 [REDACTED]
Trans., p. 9:12-15).]

On or about October 30, 2013, at a Halloween event at the Villegas Community Center in the Casa Blanca neighborhood, the Councilman spoke with [REDACTED]. The Villegas Community Center is in the Councilman's ward and was part of [REDACTED] [REDACTED] supervision area. According to [REDACTED] [REDACTED] the Halloween event was a "loud event with a lot going on inside the multipurpose room." [Ex. G (4/30/14 [REDACTED] Trans., pp. 7:4-8:19).]

At his interview, the Councilman said:

[Q] Have you ever told ██████████ at any time during 2013 through 2014 that you thought Scott Barber should be terminated as City Manager?

[A] I don't recall that.

///

///

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

[Q] Have you ever told [REDACTED] [REDACTED] at any time that you were in any way disappointed with Scott Barber's performance as City Manager?

[A] Not that I recall.

[Q] Did you attend a Halloween event at the Villegas –

[A] Villegas.

[Q] --V-i-l-l-e-g-a-s, Community Center on Esperanza – Esperanza in October 2013?

[A] Yes.

[Q] Did you talk to [REDACTED] [REDACTED] at that event?

[A] I'm sure I did.

[Q] Okay. Did you talk to her about Scott Barber?

[A] I don't recall it.

[Q] Did you talk to her about [REDACTED] [REDACTED]

[A] I don't recall that.

[Ex. E (5/29/14 Councilman Trans., p. 12:17-p. 13:12).]

At the Halloween event, according to [REDACTED] [REDACTED] she was told by the Councilman that: "I'm going to see that he [Scott Barber] loses his job before [REDACTED] [REDACTED] retires." [Ex. G (4/30/14 [REDACTED] Trans., pp. 8:20-9:21).] According to [REDACTED] the Councilman also said "[t]hat he was going to make it kind of his priority to make sure that Scott lost his job over [REDACTED] resignation." [*Id.*, pp. 8:20-9:21).]

[REDACTED] [REDACTED] also said at her interview:

[Q] Tell me what Councilmember Davis said on the subject of Scott Barber's employment at this October 2013 meeting you've described.

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

[A] He came up to me and just – we kind of approached each other to say hello. And I said how are you, you look kind of sad or upset. And he goes yeah, I'm upset, and I'm angry. I'm sad. I said oh, why? He said because [REDACTED] retiring. He was referring to the former [REDACTED] [REDACTED] [REDACTED] who had recently announced his retirement for March 31st. And I said oh, right. And he says I'm angry and he said something to the [effect] that they had driven him out, the 7th floor had driven him out. And he was very upset with the city manager, Scott Barber. And that they hadn't kind of heard the end of it and that Scott would be lucky to keep his job. And I'm going to see that Scott loses his job before [REDACTED] retires.

[Ex. G (4/30/14 [REDACTED] Trans., pp. 8:20-9:10).]

[REDACTED] also said at her interview:

[Q] Did you think it was appropriate for Councilmember Davis to be saying this to you?

[A] I was very uncomfortable. I didn't really say much because I didn't know how to react to any of that because he was speaking both of my director and my city manager.

[Ex. G (4/30/14 [REDACTED] Trans., p. 9:22-10:1).] From interviews of Councilmembers and others (including the City Manager), it does not appear that the Council previously or later voted to terminate to the City Manager.

At his interview, the Councilman said: [REDACTED] [REDACTED] is a good person. You know, she's a squared away person." The Councilman indicated, but did not state, that [REDACTED] may be friends with the City Manager and his spouse. [Ex. E (5/29/14 Councilman Trans., p. 39:4-25).]

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

According to [REDACTED] [REDACTED] [REDACTED] [REDACTED]
[REDACTED] "resigned in order to retire" and was not terminated. [Ex. F (4/30/14 [REDACTED] Trans., pp. 20:22-21:1).] [REDACTED] [REDACTED] also stated at her interview that councilmembers "have not liked some decisions that have been made with regard to personnel and perhaps feel like those decisions should have been made by the city council versus administratively." [Id., p. 20:11-21.]

According to [REDACTED] [REDACTED] about two weeks after the Halloween event, the City Manager came by her office while looking for [REDACTED] [REDACTED] [REDACTED] [REDACTED] told the City Manager about the Councilman's comments at the Halloween event:

[Q] What was his reaction to what you told him?

[A] He was very taken aback and asked me again did he really say that to you, I'm very unhappy about that, that's inappropriate.

[Q] And your response to Scott Barber's comment was what?

[A] I just said yes, I was very uncomfortable. I didn't know what to say.

[Ex. G (4/30/14 [REDACTED] Trans., pp. 10:21-11:2).]

[C] Nov. 2013: Email re Public Evaluation of City Manager

During October 2013, in an email to the City Manager and Councilmembers, the Councilman requested that certain matters relating to ethics complaints be set for closed session. On November 8, 2013, in an email to the Councilman, the City Manager provided an explanation for why those matters should not be scheduled for a closed session discussion. On the same day, in an email to the City Manager and others, the Councilman wrote:

///

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

Then let's set this as an evaluation for you and [REDACTED]
[REDACTED] as I have serious issues with your management and
how you and your [REDACTED] [REDACTED] [REDACTED] are
handling employee matters. If either of the two of you would
like to talk about it, they can contact me. Otherwise let's have
this discussion in public view.

[Ex. I (11/8/13 Councilman-City Manager email).]

[D] March 2014: Dealings with [REDACTED]

[REDACTED] [REDACTED] [REDACTED] [REDACTED], and has held
that position for approximately two years. [Ex. H (4/29/14 [REDACTED] Trans., p.
4:7-12).] According to [REDACTED] [REDACTED] the Community Development
Department "oversees all matters related to the regulation of private property
and development, and a number of other matters." [Id., p. 9:6-15.]

The Community Development Department is under the control and
direction of the City Manager under Sections 2.08.010 and 2.08.020 of the
Riverside Municipal Code and Section 601 of the City Charter. [See Ex. U
(Muni. Code excerpts); Ex. S (City Charter excerpts).]

Several months before March 2014, according to [REDACTED], "a
group of investors who were affiliated with Major League Baseball, and
consultants, approached the city with an idea." The idea was to bring to the
City a Major League Baseball ("MLB") youth training and practice facility.
[Ex. H (4/29/14 [REDACTED] Trans., pp. 9:24-10:7).] According to the Councilman,
"Major League Baseball approached me. I believe – it may be in January, and
we had a piece of property they were interested in." [Ex. E (5/29/14
Councilman Trans., p. 15:10-13).]

///

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

The parcel of property that was the focus of the investors' idea was not in the City; instead, the parcel was adjacent to the City, within the jurisdiction of the March Joint Powers Authority (the "March JPA"). [See Ex. H (4/29/14 [REDACTED] Trans., pp. 9:24-10:7).] According to the Councilman, the property is "60 acres which is actually controlled by [the] JPA, and "it's directly behind the Grove Community Church off of Grove Community Drive." The Councilman also said: "Technically it's next to my ward, but in the ward. It's – the way JPA properties work, it's kind of bizarre because we share boundaries and so forth." [Ex. E (5/29/14 Councilman Trans., p. 15:15-25).]

Prior to March 2014, according to [REDACTED] [REDACTED] he and other City staff attended a meeting with the Councilman and the investors in (or consultants to, or members of) an MLB-affiliated development group. The subject of the meeting was the proposed MLB youth facility. At his interview, [REDACTED] stated: "And Councilman Davis was present at the meeting because these folks apparently reached out to him. And he facilitated a meeting, which is common for city councilmembers to do." [Ex. H (4/29/14 [REDACTED] Trans., p. 10:8-11 and p. 19:15-20:1).]

At the pre-March 2014 meeting, according to [REDACTED] "the idea [for an MLB youth facility] was presented. And then the next step was so what do we do to make this happen and/or try to make this happen." [Ex. H (4/29/14 [REDACTED] Trans., p. 10:8-16).] According to [REDACTED] [REDACTED] "In that meeting, we pointed out that it's in the March JPA property. We should have March JPA as part of this. And I had a subsequent conversation with Councilman Davis a few days later where I go back and said you really need to bring Lori Stone in, this property is in the JPA. Never did he mention annexing it at that point." [Ex. F (4/30/14 [REDACTED] Trans., p. 13:2-14).]

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

██████████ gave this summary of the events that followed the meeting and that preceded the events of March 12, 2014:

And so like we always do, we go through a period of due diligence. And we figure out what the regulatory requirements are, the entitlement process, et cetera, et cetera. And the big issue in effect was how would the city or how would this Major League Baseball group, how would they go about annexing that 60-acre parcel into the City of Riverside. And so in March of 2014, when Councilman Davis left me a message, it was for an update on the status of that due diligence effort, where are we, what's going on. And it's often – councilmembers often do that. They ask us for status updates on a range of topics.

[Ex. H (4/29/14 ██████████ Trans., pp. 10:17-11:2).]

On February 18, 2014, in an email to Dan Suarez, president of the Home Owners Association of Mission Ranch [see Ex. E (5/29/14 Councilman Trans., p. 30:5-25)], the Councilman wrote about the MLB youth facility project:

60 Acre sport park by MLB. We are in very preliminary stages, where both sides are doing feasibility studies. Should have something back in a few weeks. If everyone has an understanding to move forward, we will then begin the discussions with JPA to transfer the lands to the City. During that time, we will begin drafting an MOU with MLB. Basically, they will build and maintain the facility and we just lease the land to them. This is part of their Urban Youth Academy. . . .

[Ex. J (2/18/14 Councilman-Suarez Email).

ATTORNEY-CLIENT COMMUNICATION**

At his interview, the Councilman said:

[Q] Did you ever direct [REDACTED] to work on or prepare a report concerning that property?

[A] No.

[Ex. E (5/29/14 Councilman Trans., p. 24:5-7).]

According to [REDACTED] at 1:40 p.m. on March 12, 2014, his cell phone received the following voice message from the Councilman:

Hey [REDACTED], this is Paul Davis. Just following up with you to see what's going on with this baseball thing. I haven't heard anything from anyone for a number of weeks now **and I want to move this forward if we can or call it quits if we have to.** So give me a call, or an email, or a text, whichever. Let me know what's up. [REDACTED] I will be at City Hall at 3 o'clock for the Finance Committee meeting. If you have a few minutes afterwards, we can get together and chat, maybe.

[Ex. C (3/25/14 [REDACTED] Memo) (emphasis added).]

According to [REDACTED] this voicemail message from the Councilman did not come through the City Manager's office. [REDACTED] stated at his interview:

[Q] The communication described in Exhibit A [the 3/25/14 [REDACTED] Memo] between you and Councilmember Davis, did those come to you through the city manager?

[A] No.

[Q] And why do you say that? What's the basis of that statement?

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

[A] The voicemail was directly left on my work cell phone. And when I reported to [REDACTED] of the City Manager's office] that I had had this voicemail and then the subsequent communication, [REDACTED] in turn indicated to me that she had updated the councilmember a couple [of] times prior, and so she wasn't clear on why he was seeking another update. . . .

[Ex. H (4/29/14 [REDACTED] Trans., p. 13:15-14:1).]

Shortly after 2:00 p.m. on March 12, 2014, [REDACTED] called [REDACTED] to get an up-to-date status report on the MLB Youth Facility. Because she was unavailable, [REDACTED] spoke with [REDACTED] [REDACTED], who sent an email to [REDACTED] the email requested that she provide "a quick update" before [REDACTED] returned the Councilman's call. [Ex. C (3/25/14 [REDACTED] Memo).]

Later that same day, [REDACTED] spoke by telephone with [REDACTED] According to [REDACTED] [REDACTED] said that she had met with the Councilman twice and discussed the site's location within March JPA jurisdiction, with Lori Stone being the main March JPA point of contact. At approximately 2:57 p.m. that day, [REDACTED] left a voicemail message with the Councilman. [Ex. C (3/25/14 [REDACTED] Memo).]

At approximately 6:06 p.m. on March 12, 2014, [REDACTED] received a return call from the Councilman. In the 3/25/14 [REDACTED] Memo, [REDACTED] described the phone call:

///

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

Much of the conversation between Councilmember Davis and me was focused on the MLB Youth Facility. The main conclusion of the conversation was Councilmember Davis' desire to explore annexing the land in to the City. I committed to look into the annexation question with [REDACTED] . . .

[Ex. C (3/25/14 [REDACTED] Memo) (emphasis added).]

At his interview, the Councilman said:

[Q] At any time during 2014, was there some kind of directive by the city council voting as a whole about exploring the annexation of this property?

[A] No.

[Ex. E (5/29/14 Councilman Trans., p. 16:23-p. 17:1).]

At his interview, the Councilman also said:

[Q] Did you have any face-to-face or telephone conversation with [REDACTED] anytime during 2014 where you used profanity in connection with a discussion of Scott Barber

[A] No.

[Ex. E (5/29/14 Councilman Trans., p. 17:12-16).]

At his interview, the Councilman also said:

[Q] Have you ever discussed the job performance of Scott Barber with a person name [REDACTED]

[A] No.

[Ex. E (5/29/14 Councilman Trans., p. 14:14-17).]

During this March 12, 2014 telephone call, according to [REDACTED] the Councilman used "expletives" to describe his "concerns" about the City Manager. In the 3/25/14 [REDACTED] Memo, [REDACTED] wrote:

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

. . . . During the call, there were two departures from this topic [the MLB youth facility]. **First, as I recall, Councilmember Davis shared with me his concerns with the performance of the City Manager. Second, as I recall, Councilmember Davis share[d] with me his concern with a statement made by [REDACTED] related to visiting Sister Cities; I believe, Councilmember Davis expressed concern that [REDACTED] expressed a willingness to travel to Canada over China. During this conversation and, in particular during the two ancillary topics of the phone call, Councilmember Davis used a number of expletives.**

[Ex. C (3/25/14 [REDACTED] Memo) (emphasis added).]

At his interview, [REDACTED] [REDACTED] described his March 12, 2014 telephone call with the Councilman:

[Q] Okay. Tell me as best you can recall in your own words what was said on the subject of exploring annexing the land in to the city?

[A] What I recall is sharing with Councilman Davis what I had learned from [REDACTED] [REDACTED] [REDACTED] and also [REDACTED] [REDACTED] via e-mail that [REDACTED] had briefed Councilman Davis a couple [of] times since that meeting with the Major League Ball interest. And that [REDACTED] had conveyed previously to Councilman Davis that it's really about working with the March JPA and Lori Stone specifically to figure out how – what the interest of the JPA to allowing that parcel to be annexed into the city and partly how to do that. And then I told Councilman

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

Davis that I would just continue the exploration of annexation into the parcel, which concluded, I don't know, I want to say about a week ago, maybe two weeks ago, where one of my senior planners, [REDACTED], who deals with a lot of annexations put together the step by step costs. . . .

But he indicated that there is continued interest of that group in that site and in the youth facility there, and also expressed that if it was to be developed within the confines of March Joint Powers Authority, that it may be difficult for them to get the benefit of the economic development benefits provided by Riverside Public Utilities and their electric and water utilities. And that's a very attractive thing to any company or any developer that wants to come into the City of Riverside. And I think that was the gist of it. And at the conclusion of it, I conveyed to him that I would follow up with – on the annexation thing and get more specific.

[Q] Now your memo mentioned that there were two other subjects that were discussed. Give me your best recollection of what was said on those subjects.

[A] Ever since I wrote this memo, I've been trying to figure out how we got into the – how the conversation led into the tangential [subjects] but I can say that I was uncomfortable and I just stayed quiet during these two tangents. The first somehow got into the realm of the city manager and councilmembers' [sic] dissatisfaction with the city manager's performance. And I recall there being profanity used in the

**PRIVILEGED AND CONFIDENTIAL

comments around his performance. I can't recall specifics but that he was critical of the city manager's performance. And I think because I felt so uncomfortable that, in part, it's why I can't remember the specifics. Just didn't feel good to me to be receiving this kind of input about my ultimate boss from the city councilmember when I am not in a role to be receiving that kind of commentary. And so I just remember it was uncomfortable for me to hear. But there was profanity used a couple of times, as I recall, in those comments.

[Ex. H (4/29/14 [REDACTED]-Trans., pp. 18:23-21:7).]

During his interview, [REDACTED] also said:

[Q] You've been with the city for approximately 2 years, correct?

[A] Yes.

[Q] Has a councilmember on any other occasion told you of his or her dissatisfaction with the performance of the city manager other than this one conversation?

[A] No, no, no, not at all.

[Ex. H (4/29/14 [REDACTED]-Trans., p. 22:5-15).]

At his interview, the Councilman said: "I think [REDACTED] great. I think he is one of the extraordinary hires that the city manager has made." [Ex. E (5/29/14 Councilman Trans., p. 40:7-12).]

Sometime prior to March 25, 2014, the City Manager told [REDACTED] that the Councilman wanted to terminate the employment of the City Manager by Memorial Day of 2014. [Ex. H (4/29/14 [REDACTED]-Trans., pp. 24:21-25:9).]

**PRIVILEGED AND CONFIDENTIAL

Sometime after the March 12, 2014 telephone call, [REDACTED] [REDACTED] reported to [REDACTED] the March 12, 2014 telephone call between the Councilman and [REDACTED] [REDACTED]. In response, the City Manager requested [REDACTED] [REDACTED] to prepare a memo communicating what was said on March 12th; the City Manager repeated that the Councilman wanted to terminate the employment of the City Manager. On or about March 25, [REDACTED] [REDACTED] prepared the 3/25/14 [REDACTED] Memo. According to him, that memo is accurate. [Ex. H (4/29/14 [REDACTED] Trans., p. 8:24-25 and p. 24:21-25:20).]

[REDACTED] [REDACTED] stated at her interview that she recalled [REDACTED] [REDACTED] reporting to her about telephone call with the Councilman. According to [REDACTED] [REDACTED] "When I first heard about this phone conversation and [REDACTED] had shared the way it was delivered, I went and let Scott know that Councilman Davis had provided some direction to [REDACTED] that made [REDACTED] very uncomfortable and that profanity was involved." [Ex. F (4/30/14 [REDACTED] Trans., pp. 16:22-17:3).]

During his interview, [REDACTED] [REDACTED] stated that the Councilman did not give any orders to [REDACTED] [REDACTED]. But [REDACTED] [REDACTED] also stated that he treats requests from councilmembers as the equivalent of orders. [REDACTED] [REDACTED] explained: "The splitting of hairs however is those requests we take extremely seriously because they are elected leaders of the city so in effect they're orders." [Ex. H (4/29/14 [REDACTED] Trans., pp. 14:16-16:4).]

[REDACTED] [REDACTED] also stated at his interview:

[Q] . . . At any time from the meeting with the investors that you have referred to through the time that you wrote the memo that is Exhibit A, did you have a feeling that you had been directed to do anything by Councilmember Davis?

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

[A] No. I mean, no, not that I recall. And it's a very difficult question in that all councilmembers call me. I won't speak for my colleagues. But they will call me and say I have an issue with a constituent, can you look into this or what is the status update of X,Y,Z job. So if that is directing me, I could probably say generally there were probably some of those inquiries or those communications, but nothing out of the norm of what any councilmember does.

[Ex. H (4/29/14 [REDACTED] Trans., pp. 14:16-15:4).]

In April 2014, according to [REDACTED] [REDACTED] [REDACTED] gave the following account of directions he had received from the Councilman:

[Q] Did [REDACTED] tell you what kind of direction, if any, he had received from Councilmember Davis concerning this?

[A] Yes. Although when I initially heard about it, it wasn't [REDACTED] and I was speaking directly to [REDACTED] [REDACTED] is the one that had the conversation with [REDACTED]; and then I spoke with [REDACTED] and [REDACTED] spoke with [REDACTED]. So it was like a three-way conversation. But through that conversation and the subsequent conversation directly with [REDACTED] that I was told that Councilman Davis came across as demanding that [REDACTED] annex the property and that some profanity was used in the way those demands were expressed in the phone conversation between [REDACTED] and Councilman Davis, and it made [REDACTED] very uncomfortable with the direction he was receiving and the manner in which it was delivered.

[Q] And did [REDACTED] [REDACTED] tell you that or is this coming from [REDACTED] [REDACTED]

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

[A] [REDACTED] told me that he felt it was inappropriate, the language that was used and the direction that he was getting from Councilman Davis. [REDACTED] was more of oh, [REDACTED] got this question, he wants to know how to respond. But I didn't hear about the details of it except through [REDACTED]

[Ex. F (4/30/14 [REDACTED] Trans., p. 9:4-24 and p. 10:14-17).]

At her interview, [REDACTED] [REDACTED] also stated:

[Q] As best you can recall, what words did [REDACTED] [REDACTED] use of the direction, if any, that he had received about annexing the March JPA property?

[A] Well, he had received a phone call from Councilman Davis. He said that he did not like the tone of the phone call or the specific words that were used. He referenced profanity. He did not tell me what words were used. But he basically portrayed it as he was very uncomfortable getting that phone call and the way that the message was delivered.

[Q] And was the message that [REDACTED] [REDACTED] was to do something specifically?

[A] Right. My recollection is that Councilman Davis was mad at [REDACTED] for not having already done something and said I want it done now. And I think in that conversation [REDACTED] said that he also referred to Scott Barber as – and Scott Barber's not going to stop me from getting what I want or something along those lines.

[E] March 2014: Communications with Lori Stone

Lori Stone ("Director Stone") is the Executive Director of the March JPA. She works with City Manager, but she is not a subordinate or a part of the administrative service under the oversight of the City Manager.

At his interview, the Councilman said:

[Q] Have you ever talked about your view of Scott Barber's job performance with a person named Lori, L-O-R-I, Stone?

[A] Not that I recall.

[Q] Okay. Have you ever expressed a lack of confidence in Scott Barber's performance to Lori Stone?

[A] Not that I recall.

[Ex. E (5/29/14 Councilman Trans., p. 24:8-15).]

Director Stone responded via email to questions asked by G|M about her communications with the Councilman about the City Manager. On or about March 21 or 22, 2014, according to Director Stone, she had discussions with the Councilman about the job status of the City Manager. In a June 2014 email to G|M, Director Stone wrote:

[Councilman] Davis essentially said that Scott Barber wasn't doing a good job and [REDACTED] was running the city. He also said that several of the directors (or department heads) were leaving because of Scott.

[F] March-April 2014: Communications with [REDACTED] [REDACTED]

[REDACTED] The Human Resources Department is under the control and direction of the City Manager under Sections 2.08.010 and 2.08.020 of the Riverside Municipal Code and Section 601 of the City Charter. [See Ex. U (Muni. Code excerpts); Ex. S (City Charter excerpts).]

On March 18, 2014, in an email to [REDACTED], the Councilman wrote: "Can you provide me a list of all employees who have left the city in the last 180 days or who will be leaving in that time period, [and] to include their position and date?" It does not appear that the Councilman sent a copy of this inquiry to the City Manager. [Ex. K (3/20/14 Councilman-[REDACTED] Email).] On March 20, in an email to the Councilman, [REDACTED] wrote: "I've been asked by the City Manager's office to refer this matter back to them, as your request would require the creation of a special report." [Id.] On the same day, in an email to [REDACTED] and copied to the City Manager, the Councilman wrote:

Thanks-[REDACTED] for the effort. To restate my request to comply with employee privacy issue[:] Can I get a list of positions by department and title, without name or specific date, of those who have left the [City's] employ for a period of 180 days from March 1, 2014, and those who will be departing by years end?

[Ex. K (3/20/14 Councilman-[REDACTED] Email).]

On March 28, 2014, in an email to the City Manager and others, the Councilman wrote further about his "Request for Employee Stats." The Councilman wrote:

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

.... This is public information and needs to be provided ASAP. Very concerned over this continual action you take when I ask for important evaluation materials. Your lack of communication with me on this issue also bothers me and sends the wrong message. One of the key parts of evaluating any management employee's effectiveness and leadership is the churn rate of staff and certainly exit interviews of those departing. Thank you for your anticipated cooperation on this and other issues.

[Ex. N (3/28/14 Councilman-City Manager Email).]

At his interview, the Councilman stated that he sought information about employee departures because "they're dropping like flies," and "I cannot direct them, but I can certainly inquire, how many employees have we lost" [Ex. E (5/29/14 Councilman Trans., pp. 41:23-42:11).]

The City Manager stated at his interview: "[T]he councilmember[] should not have been contacting a director of any department and asking for a document to be created." The City Manager also stated that, after discussing the Councilman's request with the Mayor, "there was an agreement that we weren't going to create a special document for Councilmember Davis. And that really what he was talking about was a closed session matter." [Ex. D (4/30/14 City Manager Trans., p. 16:11-25).]

[G] The Complaints

On April 14 and 15, 2014, the City Manager prepared the Complaints. On April 15, 2014, the City Manager delivered both Complaints [REDACTED] [REDACTED] and to [REDACTED] [REDACTED] [REDACTED].

[VI] DISCUSSION

[A] The City Charter

[1] Role of City Manager as Chief Administrative Officer

The City is a charter city. “The charter is the supreme law of a charter city, subject only to conflicting provisions in the federal and state constitutions and to conflicting provisions of preemptive state law.” *Dailey v. City of San Diego*, 223 Cal.App.4th 237, 254 (2013); *see also Domar Electric, Inc. v. City of Los Angeles*, 9 Cal.4th 161, 170 (1994).

Section 300 of the Charter provides: “The municipal government established by this Charter shall be known as the ‘Council-manager’ form of government.”

Section 406 of the Charter provides: “All powers of the City shall be vested in the City Council except as otherwise provided in this Charter.”

Section 600 of the Charter provides in relevant part: “There shall be a City Manager who shall be the chief administrative officer the City.”

Section 601 provides in relevant part:

The City Manager shall be the head of the administrative branch of the City government. The City Manager shall be responsible to the City Council for the proper administration of all affairs of the City. [¶] All department heads and officers of the City, except elective officers and those department heads and officers the power of whose appointment is vested by this Charter in the City Council, shall serve at the pleasure of the City Manager

///

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

Sections 2.08.010 and 2.08.020 of the Riverside Municipal Code:

(a) establish various departments, including the Community Development Department; and (b) provide that the Community Development Department and the Human Resources Department are part of the “administrative organizational structure of the City, and shall be under the control and direction of the City Manager, in accordance with the provisions of the City Charter.” [Ex. U.]

[2] Section 407 of City Charter

Section 407 of the Charter provides:

Neither the Mayor nor the City Council nor any of its members shall interfere with the execution by the City Manager of his/her powers and duties, or order, directly or indirectly, the appointment by the City Manager or by any the department heads in the administrative service of the City, of any person to an office or employment or their removal therefrom. Except for the purpose of inquiry, the Mayor, the City Council and its members shall deal with the administrative service of the City Manager solely through the City Manager and neither the Mayor nor the City Council nor any member thereof shall give orders to any subordinate of the City Manager, either publicly or privately.

The quoted language of Section 407 contains several prohibitions:

First: Section 407 provides that the Mayor, the City Council, and Councilmembers shall not “interfere” with the execution by the City Manager of his/her powers and duties. According to the City Manager, “To me, what it’s referring to in the charter is that the mayor and city council will not impede my ability to administer the affairs of the city as I’m allowed to under the city charter.” [Ex. D (4/30/14 City Manager Trans., p. 7:19-8:1).]

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

Second: Section 407 provides that, except for the purpose of inquiry, the Mayor, the City Council and its members shall deal with the administrative service of the City Manager solely through the City Manager.

When asked about the meaning of the term “inquiry,” the City Manager stated that “inquiry” includes asking questions but did not include a request that City staff prepare a written report. The City Manager stated: “I believe that the preparation of the document is more than an inquiry.” [Ex. D (4/30/14 City Manager Trans., p. 8:10-p. 9:5).]

During his interview, [REDACTED] was asked about the effect of Councilmembers’ communicating directly with staff. He said:

[Q] Is it your experience that the lines of communication between members of the council and yourself don’t typically go through the city manager?

[A] In my experience that is yes, the answer to that is yes. I have a short history in local government. It’s a total of 6 years. Most of my career has been in the private sector. In my previous job, which is with the City of Fullerton, it’s the only other city I’ve worked for in my mature professional life, everything went through the city manager. Here it’s inconsistent.

[Q] Do you have an opinion as to whether it would be better, to use a vague term, if everything went through the city manager rather than councilmembers directly contacting you?

[A] I believe, yes, to the degree that work flow – because everything is – everything generates work. And the degree to which work flow can be concentrated through the city manager’s office so that alignment occurs between the politics and the administration, yes.

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

That would be ideal. . . . But in an ideal world, and without knowing – without knowing [how an] organization this big . . . would functionally and pragmatically work, I think the ideal is that everything should go through the city manager's office because otherwise, there's too many people telling too many staff to do too many things. And there isn't – there is an absence of alignment with the policy set by the council and adopted resolutions and ordinances. [Ex. H (4/29/14 [REDACTED] Trans., pp. 12:7-13:10).]

Third: Section 407 provides that neither the Mayor nor the City Council nor any member thereof shall give "orders" to any subordinate of the City Manager, either publicly or privately. *See Levy v. City of Santa Monica*, 114 Cal.App.4th 1252, 1262 (2004) (discussing analogous provision of Section 6.10 of Santa Monica City charter, Court of Appeal stated: "Interpreting this section to prohibit 'orders' to City staff is a bright line consistent with the purpose of Section 6.10 and the First Amendment."); *see also Garcetti v. Ceballos*, 547 U.S. 410, 422 (2006) (Public "employees retain the prospect of constitutional protection for their contributions to civic discourse. This prospect of protection, however, does not invest them with a right to perform their jobs however they see fit.").

It may be argued that a "request" by a Councilmember to City staff is clearly not an "order" within the meaning of Section 407. This is self-evident except when the Councilmember and City staff both understand that a "request" to City staff is synonymous with an "order." At his interview, [REDACTED] stated: "The splitting of hairs however is those requests we take extremely seriously because they are elected leaders of the city so in effect they're orders." [Ex. H (4/29/14 [REDACTED] Trans., pp. 14:16-16:4).]

[B] Apparent Violations of Charter Section 407

[1] Comments about City Manager

Section 407 of the City Charter prohibits Councilmembers from interfering with the City Manager's performance of his duties. Section 407 also prohibits Councilmembers from communicating (except for purpose of inquiry) with City staff without going through the City Manager's office.

At his interview by G|M, the Councilman described the circumstances in which he properly could (and could not) criticize the City Manager to City staff:

[Q] Is it interfering improperly in some way, shape, or form in your mind with Scott Barber's ability to function as the City Manager for you to tell members of the public, not including –

[A] Sure.

[Q] -- City employees, I just don't have confidence in the City Manager?

[A] No. I have the ability as the elected member to say that; however, it has to be crafted very carefully not to violate his – his rights under the Labor Code, and, therefore, the statement that I made is the statement – not only was it in the newspaper, I have the authority to make – anybody can make that statement.

If he feels that it interferes, well unfortunately that's the way it works. You've got to get a little thicker skin because that's how it works.

[Q] So let me explore this with you a little bit.

[A] Uh-huh.

///

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

[Q] In your mind is it appropriate to go to subordinates – I’m not saying you did, but is it appropriate to go to subordinates of Scott Barber and tell them, I don’t have confidence in the City Manager?

[A] I don’t think it would be appropriate. It also depends on the context of the conversation. If they are attending a meeting and they happen to overhear even a conversation that they weren’t a part of and hear that, that really is kind of unfortunate that they’re eavesdropping. Could that have happened? It’s possible. I don’t know if it has happened or not.

But at no time if I had gone to you – I mean, Mr.

Gumport, if you were a City employee and say, I just don’t like your boss. I think he needs to go. That has never happened.

[Ex. E (5/29/14 Councilman Trans., p. 22:16-p. 23:25).]

As quoted above, the Councilman denied telling City staff that the Councilman disapproved of the job performance of the City Manager. The Councilman also denied (or stated that he did not recall) making disparaging remarks about the City Manager to [REDACTED] and March JPA Executive Director Stone.

Each of these witnesses, however, stated to GJM that the Councilman did, in fact, say that the City Manager should be fired or was doing an inadequate job. [REDACTED] recalled that the Councilman’s comments about the City Manager included profanity. The conclusion that the Councilman likely made the remarks about the City Manager is supported by this multiplicity of witnesses and is reinforced by the fact that the Councilman admittedly disapproves of the job performance of the City Manager.

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

That the Councilman's negative remarks about the City Manager would tend to interfere with his ability to do his job is evident from: (1) the discomfort experienced by [REDACTED] on hearing the Councilman's remarks and (2) the predictable effect that such remarks would have on the City Manager's ability to command the loyalty of his subordinates. [REDACTED] commented that requests made by Councilmembers are treated as orders; in such circumstances, the Councilman's comments that the City Manager should be fired or was doing an inadequate job would tend to disrupt staff's ability to fulfill the requests of the Councilman while also following the directives of the City Manager.

GJM does not rule out the unlikely possibility that [REDACTED] and March JPA Director Stone have inaccurate recollections of what they were told by the Councilman. The Councilman has firsthand knowledge of what he said and did, and he says that he either did not make the remarks attributed to him or does not recall having made them.

Given the recollections of the [REDACTED] and March PA Stone, it nevertheless appears that there is a substantial basis to conclude that the Councilman did make the remarks attributed to him about the City Manager; that those remarks interfered with the City Manager's ability to do his job; and that those remarks therefore violated the non-interference provisions of Section 47 of the Charter of the City of Riverside.

[2] Dealings with [REDACTED]

Section 407 of the Charter prohibits a Councilmember from dealing with City staff, except for purpose of inquiry, unless the Councilmember goes through the City Manager's office. Section 407 also prohibits Councilmembers from directly or indirectly giving orders to City staff.

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

It is a close call (and debatable) whether the dealings between the Councilman and [REDACTED] the MLB youth facility involved the Councilman's giving "orders" to [REDACTED] [REDACTED]. On the one hand, [REDACTED] [REDACTED] denies that he was ordered to do anything by the Councilman; on the other hand, [REDACTED] [REDACTED] says that he treats a Councilmember's request as though it is an order. Further, [REDACTED] [REDACTED] recalls that [REDACTED] [REDACTED] said that he had received direction from the Councilman. [REDACTED] [REDACTED] does recall that the Councilman told him, in connection with the MLB project, that "I want to move this forward if we can or call it quits if we have to." [Ex. C (3/25/14 [REDACTED] Memo).]

Regardless of whether the Councilman gave an order to (or merely made a "request" of) [REDACTED] there is a substantial basis to conclude that the Councilman's direct communications with [REDACTED] [REDACTED] were not merely for the purpose of inquiry, but were, at a minimum, requests that [REDACTED] [REDACTED] take action "to move this forward if we can" and were made without going through the City Manager's office.

[REDACTED] notes that the Councilman left this quoted message directly on [REDACTED] voicemail on March 12, 2014, and did not convey that message through the City Manager's office. [REDACTED] interview also makes clear that requests made to City staff by Councilmembers place demands on staff's time.

Accordingly, there is a substantial basis to conclude that the Councilman's dealings with [REDACTED] [REDACTED] violated Section 407 of the Charter because those dealings did not go through the City Manager; did not consist solely of inquiries; were not made merely for the purpose of inquiry; and were instead made for the purpose of moving forward the MLB project.

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

[C] Alleged Hostile Work Environment

In the Complaints, the City Manager alleges that the Councilman's conduct created a hostile work environment. This allegedly hostile work environment arose from the Councilman's alleged (and apparent) violations of Section 407 of the City Charter and alleged threats to violate the City Manager's privacy, personnel, and reputational rights.

For the reasons discussed above, there is a substantial basis to conclude that the Councilman interfered with the City Manager in violation of Section 407 of the City Charter. There is also a substantial basis to conclude that the Councilman's interference with the City Manager included making disparaging remarks about him and/or expressing the view that he would be fired in the near future, even though the Council had never voted to take such action.

To create a "hostile work environment," however, as defined in the City's Harassment Free Workplace policy and Government Code § 12940, the hostile or harassing conduct generally must consist of offensive conduct based on or related to race, color, religion, sex, or other protected classification under applicable law.

The Councilman's interference with the City Manager's performance of his duties does not appear to be based on or related to a protected classification that would give rise to a violation of the City's Harassment Free Workplace policy and Government Code § 12940. Accordingly, it does not appear that the Councilman's conduct violated the City's Harassment Free Workplace policy or Government Code § 12940.

That the hostile work environment claim appears to lack merit does not signify that the claim was unreasonable or made in bad faith.

///

**PRIVILEGED AND CONFIDENTIAL
ATTORNEY-CLIENT COMMUNICATION**

First, it appears that the Councilman's negative comments about the City Manager were "hostile" as a layperson would understand that term.

Second, the City Manager does have a right to be treated fairly and justly by the Councilmembers, regardless of whether the City Manager is a member of a protected group. Section II.D(4) of the City's Code of Ethics provides in relevant part: "The elected and appointed officials of the City of Riverside have a responsibility to make extraordinary efforts to treat all persons, including city staff, in a manner which would be considered fair and just. . . ." Unlike a "hostile work environment" claim, Section II.D(4) of the City's Code of Ethics does not require proof of a protected classification.

In view of the standard of conduct imposed by Section II.D(4) of the City's Code of Ethics, the Councilman's conduct in undermining the City Manager, including telling his subordinates that he should be fired, could reasonably be viewed from the City Manager's perspective as harassment, even though such conduct did not involve a protected classification as required by the City's Harassment Free Workplace policy and Government Code § 12940.

Because the Complaint did not allege violations of the City's Code of Ethics, this report does not address whether the Councilman's conduct in fact violated the Code of Ethics. Instead, this report only refers to the Code of Ethics to explain why there is a substantial basis to conclude that the hostile work environment claim was filed in good faith in that the claim applied an erroneous legal theory to complain of apparently inappropriate conduct.

**CITY OF RIVERSIDE
MEMORANDUM**

TO: [REDACTED]

FROM: Scott C. Barber, City Manager

Cc: [REDACTED]

RE: Hostile Work Environment, Violations of the City Charter

[REDACTED]

For the past several months, Councilmember Paul Davis (here after referred to as Paul) has been creating a hostile work environment for me, as well as violating Riverside City Charter Section 407 (Interference in Administrative Service), as documented by the following:

10/22/13: During my annual performance evaluation in closed session, Councilmember Paul Davis stated that [REDACTED] A public discussion of my performance as City Manager violates my privacy rights as your employee, and creates an environment wherein I feel like my reputation and livelihood are threatened by Paul.

11/07/13 and 10/08/13 (see attached emails): After having the Jason Hunter Code of Ethics matter explained as to why Paul's request for a closed session discussion of Hunter's appeal was inappropriate, Councilmember Davis states that an evaluation of my performance is warranted, and if that does not occur, then a public conversation in public view will take place. A public discussion of my performance violates my rights as your employee- my performance is reviewed by the Council as a whole, and only in closed session, and by demanding my performance review, creates an environment wherein I feel my job is threatened, along with my reputation and livelihood.

11/19/13: I stopped by Parks Recreation and Community Services headquarters and spoke with [REDACTED], who told me that on 10/30/13 at Villegas Park Councilmember Paul Davis [REDACTED] that he would have me fired as City Manager by the end of May, before [REDACTED] left as [REDACTED]. Discussion with my staff that Paul intends to fire me as City Manager violates my rights as an employee of the City Council and makes my job as City Manager extremely difficult, because it creates fear and confusion for me and my subordinate staff.

03/18/14 through 03/28/14 (see attached emails): Paul sends an email to [REDACTED] requesting a list of all employees who have left the city in the last 180 days or who will be leaving in that time period, to include their position and date. After discussing the request with [REDACTED] and [REDACTED]

EXHIBIT A

00002

both of you, I directed her to write back to the Councilmember and let him know that his request was been referred to my office, since his request would require the creation of a special report. Paul then revises his request to me, requesting a list of positions by department and title, without name or specific date, which have left within 180 days of March 1, 2014 and those that will leave by the end of the year. I advised Paul that I had reviewed this matter with [REDACTED] and that this request would be discussed in closed session. On March 28, 2014, Paul writes to me with a cc to both of you, requesting what he believes is public information regarding former employees, that he needs this information to evaluate my performance, and he is very concerned over "this continual action you take when I ask for important evaluation materials." He goes on to state "Your lack of communication with me on this issue also bothers me and send the wrong message. One of the key parts of evaluating any management employee's effectiveness and leadership is the churn rate of staff and certainly exit interviews of those departing." Paul's comments to me are intended to intimidate me into complying with his request, which create a hostile work environment for me. Paul also fails to realize that he does not independently evaluate my performance as an individual member of the council, but that rather the Council as a whole evaluate me. Also, disclosure of this specially created document which is currently exempt from the Public Records Act (since there is not an existing report) would allow Paul to share this document with the public as a part of his public evaluation of me as the City Manager. This continued effort to evaluate my performance in public violates my privacy rights as your employee, and creates a hostile work environment for me, because I feel like I am frequently on the defensive with Paul's requests (he states that my lack of communication bothers him) and that my livelihood is at risk if I do not comply with his inappropriate requests.

03/21/14: I spoke [REDACTED] regarding a request from Councilmember Davis to annex March Joint Powers land for a baseball field. [REDACTED] stated that has been told by Councilmember Davis that he intends to fire me by May of this year. I asked [REDACTED] document his conversation with Councilmember Davis (see attached memo). Although [REDACTED]'s memo does not state the termination comment, it does state that Paul told [REDACTED] that he has concerns with my performance. Discussing my job performance with my subordinate staff members presents several difficulties for me as the City Manager, violates my rights of privacy as your employee, and creates a hostile work environment for me and my subordinate staff. Also, directing my subordinate staff to begin annexation proceedings without a Council policy discussion and my subsequent direction to my staff is a violation of Section 407 of the City Charter.

04/01/14: I received a copy (see attached) of May Lynn Davis' Facebook (May is Paul's wife) dated from 03/28 to 03/31, raising the same issues that Paul has raised regarding turnover rates of employees and stating "So Mr. City Manager, where does that leave us?" I feel that because Mrs. Davis' Facebook page contains a picture of her and Paul, and because the issues raised by Mrs. Davis are the same as those raised by Paul, the Davis' are using Mrs. Davis' Facebook page to publicly humiliate me and force me to comply with Paul's inappropriate document requests. This is clearly intimidation through a third party, aimed at creating a hostile work environment for me within the entire City of Riverside, and threatening my livelihood and reputation.

00003

EXHIBIT A

04/10/14 (see attached): I receive a letter from [REDACTED] containing a statement from [REDACTED] documenting the Community Action Group meeting from the previous evening. During this meeting, Councilmember asked that City staff be excused from the meeting. Since these staff members all work for the City Manager, I feel that this requested removal from a public meeting in a public place is potentially a violation of Chapter 407 of the City Charter. After the meeting [REDACTED] speaks with [REDACTED] who is a City employee who was not asked to leave the meeting [REDACTED] tells [REDACTED] that Paul criticized me for not realizing the document that he had requested, thereby limiting his effectiveness as a Councilmember. This public discussion of my performance as the City Manager violates my privacy rights as an employee, and creates a hostile work environment for me.

This ongoing practice of attacking me, threatening to call my performance evaluation, discussing my performance with the public, publically humiliating me, and seeking through intimidation to make me perform my job contrary to our City Charter has created a very hostile work environment for me. I am experiencing the physical effects of this stress, as well as the emotional toll it is taking on me. I am asking for this behavior to cease immediately, so that I can focus on the very difficult job of Riverside City Manager.

My thanks to both of you for your willingness to investigate this matter that is creating an unacceptable work environment for me and my subordinate employees.

Councilmember:

I attempted to call you last night in this regard, however we never had a chance to speak. I did review your request to set this for closed session with the Mayor and the Mayor Pro Tem; both of them agreed to schedule an update on the litigation between Jason Hunter and the City, however they did not intend to review the Code of Ethics questions raised by Mr. Hunter as those will most likely be coming to the Council on appeal at some point, and since they are not a part of the litigation, they don't constitute a subject that we can really discuss in closed session (similar to the Aquino matter). I have spoken with the City Attorney, who is including a litigation update on the closed session agenda for 11/19/13.

Please let me know if you have any questions in this regard.

Please set this for a close session discussion at our next meeting. I have issues with how this has been handled and based on the information provided and my own legal council advice, the complainant appears to have good standing. I believe that an outside independent investigator may be warranted in this matter.

I took two exceptions to his Memorandum that accompanied Resolution No 22590.

> The following sentence I found extremely worrisome, "Pursuant to the Employer-Employee Relations Resolution, the Human Resources Board acted on the grievance and submitted findings and conclusions together with its recommendations to the City Manager."

> I commented that the Employer-Employee Relation Resolution referred to, known perhaps as Resolution No. 15079 of 1983, clearly did not cover Managerial employees, who do not participate in Recognized Employee Organizations. I made it known that the City did not have a Council-approved policy for handling these grievances. I also commented that the City Charter, per Section 807, unequivocally states that the Human Resources Board acts in an advisory capacity to the City Council on matters concerning personnel administration.

> Councilman Melendrez asked City Attorney Priamos to address my concerns. Mr. Priamos contested both issues. I attach both Resolution No. 15079 and City Charter Section 807 for your perusal. I have also included a pdf version of the City's website listing all Recognized Employee Organizations, such as the SEIU, RPOA, et al.

> Please refer to Article 1, Section 2, of Resolution No. 15079, entitled, "Statement of Purpose":

> "This Resolution implements Chapter 10, Division 4, Title 1 of the Government Code of the State of California (section 3500 et seq.) captioned "Local Public Employee Organizations," by providing orderly procedures for the administration of employer-employee relations between the City and its employee organizations."

> If there is any doubt to the subject dealt with within Resolution No. 15079, Section 2 elaborates:

> "It is the purpose of this Resolution to provide procedures for meeting and conferring in good faith with Recognized Employee Organizations..."

> Section 807 of the Riverside City Charter states:

> "There shall be a Human Resources Board, which shall have the power and duty to:

> (b) Act in an advisory capacity to the City Council on matters concerning personnel administration."

> That our City Attorney would make such misleading statements to the Council on the record during a public hearing is quite disheartening, and certainly makes one question his understanding of our local rules, which I hope you find (similar to me) are quite simply, indisputable. I also remind the Council at this time, that as part of my Writ of Mandamus filed with the Riverside Superior Court on August 21, 2013, which has previously been provided to you, I contend that Mr. Priamos also made materially misleading statements regarding our local rules to the Human Resources Board (a hearing that was also videotaped) at my grievance hearing on May 13, 2013. Coming full circle, those misleading statements would guide the Board towards violating my rights under classified service...setting in motion both the Writ against the City and the Ethics Complaint against the individual Board members.

> That I was dragged through an illegitimate, illegal, kangaroo-court process pre-destined to demote and terminate me from my employment with the City of Riverside because of personal vendettas and whistleblower complaints is offensive, and your silence on my missives to date speak volumes towards your complicity in the matters at hand. It also makes me wonder how many previous employees have been subjected to similar retaliation and harassment, and whether a class action suit might not be your preferred alternative towards settling our differences - which I might suggest, again, could be more efficiently solved by opening the lines of communication.

> I remain hopeful the Council will recognize the needless waste of taxpayer dollars defending decisions and a process that are simply indefensible, and do the right thing. I call for an immediate independent investigation into the handling of my illegal demotion and termination by executives within the City Attorneys Office, the Human Resources Department, the City Manager's Office, the Riverside Fire Department (namely, Chief Steve Earley), and Riverside Public Utilities.

CONFIDENTIAL MEMORANDUM

TO: Scott Barber, City of Riverside City Manager

FROM: [REDACTED]

DATE: March 25, 2014

RE: Recollection of Communications with Councilmember Davis

At your request, I provide in confidence the following recollection of communications with Councilmember Paul Davis on March 12, 2014, as well as ancillary conversations with others.

On March 12, 2014, at 1:40PM, on my work cell phone [REDACTED] received a missed call and voice message from Councilmember Paul Davis. Following is the verbatim transcription:

"Hello, this is Paul Davis. Just following up with you to see what's going on with this baseball thing. I haven't heard anything from anyone for a number of weeks now and I want to move this forward if we can or call it quits if we have to. So give me a call, or an email, or a text, whichever. Let me know what's up. I will be at City Hall at 3 o'clock for the Finance Committee meeting. If you have a few minutes afterwards, we can get together and chat, maybe."

At 2:04PM, I subsequently made a call to [REDACTED] regarding the inquiry from Councilmember Davis. My purpose in the call was to obtain an up-to-date status report on the MLB Youth Facility. As I recall, [REDACTED] was not present and, as I recall, [REDACTED] transferred me to [REDACTED]. I shared with [REDACTED] the nature of Councilmember Davis' inquiry. In response, at 2:10PM, [REDACTED] was gracious enough to send an email to [REDACTED] and Ccd me explaining my conversation with him.

[REDACTED] received a phone call from Councilman Davis where he stated he had not heard anything relative to the baseball facility that we met to discuss about 30 days ago. Can you provide [REDACTED] a quick update before [REDACTED] returns the call? Is this now in the hands of the IPA - Lori Stone?"

As I recall, in response to [REDACTED] email to [REDACTED], I received via phone call from her with an update indicating that she had met with Councilmember Davis twice and discussed the site's location within March IPA jurisdiction, with Lori Stone being the main IPA point of contact. I left a message with Councilmember Davis at 2:57PM replying to his earlier call. At 6:06PM, I received a return call from Councilmember Davis that lasted 14 minutes.

Much of the conversation between Councilmember Davis and me was focused on the MLB Youth Facility. The main conclusion of the conversation was Councilmember Davis' desire to explore annexing the land into the City; I committed to look into the annexation question with [REDACTED]. During the call, there were two departures from this topic. First, as I recall, Councilmember Davis shared with me his concerns with the performance of the City Manager. Second, as I recall, Councilmember Davis share with me his concern with a statement made by [REDACTED] related to visiting Sister Cities; I believe, Councilmember Davis expressed concern that [REDACTED] expressed a willingness to travel to Canada over China. During this conversation and, in particular during the two ancillary topics of the phone call, Councilmember Davis used a number of expletives.

Please contact me for additional information or questions.

Scott,

I will not be present for the April 1 meeting, and want to be present for the discussion of my request. [REDACTED] is aware, but doesn't have any involvement. Not sure why you would have a discussion with either he or any other member on my simple request and is really not up for debate. This is public information and needs to be provided ASAP. Very concerned over this continual action you take when I ask for important evaluation materials. Your lack of communication with me on this issue also bothers me and sends the wrong message. Just an observation....Another valuable and dedicated Associate of the City of Riverside is gone (the community is very sad to see Ralph leave). Seems to be trending that we have lost quite a few in recent years for greener pastures or forcibly forced out due to conflicts.... who else is going and how many more are we going to lose? This will end up leaving our city in a state of all new and inexperienced people relaced in those slots... Looks to me that an efficient leader would not have such a high turn over, and that they take care of their good employees and weed out the ones that are useless, not the other way around.

April 10, 2014

I attended the CAG meeting last night at Villegas Park that convened at 1900 hours. Consistent with the monthly agenda, Councilman Davis was given the opportunity to address the group and provide a Ward 4 update.

After his brief report, Councilman Davis asked that any and all City staff please be excused from the meeting. Davis explained that he was going to share some recent developments with his constituents and that it would be best if he excused City staff. As I was getting up and walking out, I heard Davis tell the crowd that we (City employees) all had bosses. It would only be right if what [redacted] was about to share came from [redacted] superiors and not directly from him. At that, myself, [redacted] and S [redacted] all stepped outside.

Obviously curious, the four of us stood outside and conversed. We did so for at least 20 minutes before [redacted] and [redacted] finally said they were going to leave. [redacted] and I continued to talk and at about the 25 minute mark, we were allowed to come back inside and join the meeting. Nothing was mentioned of the Councilman's conversation with the group after we returned.

Following the meeting, I had the opportunity to talk to [redacted] outside in the parking lot. I asked what was going on and she stated that Councilman Davis told the attendees that he was going to file some kind of suit or action against [redacted]. When asked why, [redacted] stated the following rationale before we were interrupted by someone else walking up to us:

- That Paul has been hindered from doing his job. There have been numerous employees that have left their positions at the City. Paul has asked for a report that would contain the list of employees and why they were separated (fired, resigned, retired etc.). Paul went through the City Manager for the request. The request was denied per [redacted]. This was just one example of [redacted] and City Manager not following the City Charter reference structure [redacted] is limiting/blocking the functionality of Paul and his position as a councilman. [redacted] is also performing other tasks and signing other documents that he does not have the authority to do.
- [redacted] has yelled/demeaned Paul and his fellow peers in public and in front of others on different occasions. The conversations usually have to do with power/authority. Who is in charge of running things, etc. The most recent was while [redacted] and Paul were in China. As mentioned, other Councilmembers have experienced the same independently with [redacted].
- [redacted] recently hired a psychologist to meet with each Councilmember. The rationale was to evaluate each member to see what the breakdown is and why everyone cannot get along. Paul's belief is that [redacted] does not have the authority to do so and he took great offense to [redacted] actions in this matter.

- Also mentioned was [REDACTED] told the City Manager to investigate [REDACTED] for administrative interference. In response, there is an opinion that [REDACTED] and possible [REDACTED] may join in some sort of claim against the Mayor.

The aforementioned points were further confirmed later in the evening by the CAG Chair, Bob Garcia. Bob called me on my way home and recapped a few points of Councilman Davis' message to the meeting attendees. Bob's recap was very disjointed, but he independently brought up the first three points, as being covered by Davis. The last point was not. The basic message that Bob conveyed was Councilman Davis explained to the group that he is being hindered from doing his job by [REDACTED] and that there was more than likely going to be some repercussions. Davis wanted to tell his constituents in person and before they heard it somewhere else.

Please let me know if you have any questions or if you need any clarification on any of the details provided.

Re: Update: hostile work environment complaint

As an update to my memorandum of 04/14/14, I have the following information:

04/14/14 (see attached email): [REDACTED] emailed me with his concerns regarding statements made during Councilmember Davis' CAG meeting of 04/09/14; during this meeting Councilmember Davis referenced the investigation of [REDACTED] pointed out that any retaliation planned by Councilmember Davis as a result of the previous whistleblower complaint would constitute "illegal retaliation".

04/15/14: Councilmember Davis asked to see me when I finished a meeting with my staff. I went to his office at approximately 2:44 pm, and when I walked in I observed that his face was red and he appeared angry. I said "You wanted to see me?" to which Councilmember Davis replied "I am angry. I was just pigeonholed into a meeting with some investigator when I thought that it was going to be an industrial psychologist. This is going to end, Scott. You should have told me what this meeting was about and it time for a change; it is time for you to go. I know what I can say publically and I'm going to say it." I said to Councilmember Davis "You are correct, your behavior towards me is going to change" and I left Councilmember Davis' office.

This continuing practice of threatening to fire me, criticizing me for actions that I had no part in (I did not schedule the meeting with the investigator- it was scheduled by the Mayor's Office), and becoming angry and raising his voice to me is a perpetuation of Councilmember Davis creating an unacceptable, hostile work environment.

Subject: CASABLANCA ACTION GROUP MEETING

[REDACTED] Barber

I have already shared with you information received from [REDACTED] regarding some comments made by Councilmember Paul Davis during the Casablanca Action Group on April 9, 2014. One of the comments attributed to the councilmember particularly troubled me. That remark had to do with some action that Councilmembers Davis and [REDACTED] are contemplating against the mayor as a result of a complaint made against [REDACTED] for administrative interference in the running of City operations. I have previously brought to your attention that I believe [REDACTED] has acted inappropriately in undermining the authority of the chief of police by telling a key member of the staff of the RPD (a [REDACTED]) that he [REDACTED] had the votes to get rid of the city manager and [REDACTED]. If, in fact, Councilmember Davis is now contemplating some action against any city employee (including [REDACTED] city manager and the [REDACTED]), based on my reporting of misconduct about [REDACTED] I believe that qualifies as illegal retaliation. Based on my training and experience retaliation occurs when any adverse personnel action is taken by an employee for exercising a right or engaging in protected activity. My complaint against the councilman of violating the City Charter is a protected activity as I understand that term to be defined.

CONFIDENTIAL MEMORANDUM

TO: Scott Barber, City of Riverside City Manager

FROM: [REDACTED]

DATE: March 25, 2014

RE: Recollection of Communications with Councilmember Davis

At your request, I provide in confidence the following recollection of communications with Councilmember Paul Davis on March 12, 2014, as well as ancillary conversations with others.

On March 12, 2014, at 1:40PM, on my work cell phone [REDACTED] received a missed call and voice message from Councilmember Paul Davis. Following is the verbatim transcription:

"[REDACTED]: this is Paul Davis. Just following up with you to see what's going on with this baseball thing. I haven't heard anything from anyone for a number of weeks now and I want to move this forward if we can or call it quits if we have to. So give me a call, or an email, or a text, whichever. Let me know what's up. [REDACTED] I will be at City Hall at 3 o'clock for the Finance Committee meeting. If you have a few minutes afterwards, we can get together and chat, maybe."

At 2:04PM, I subsequently made a call to [REDACTED] regarding the inquiry from Councilmember Davis. My purpose in the call was to obtain an up-to-date status report on the MLB Youth Facility. As I recall, [REDACTED] was not present and, as I recall, [REDACTED] transferred me to [REDACTED]. I shared with Larry the nature of Councilmember Davis' inquiry. In response, at 2:10PM, [REDACTED] was gracious enough to send an email to [REDACTED] and Ccd me explaining my conversation with him.

[REDACTED] received a phone call from Councilman Davis where he stated he had not heard anything relative to the baseball facility that we met to discuss about 30 days ago. Can you provide [REDACTED] a quick update before [REDACTED] returns the call? Is this now in the hands of the JPA - Lori Stone?"

As I recall, in response to [REDACTED]'s email to [REDACTED], I received via phone call from her with an update indicating that she had met with Councilmember Davis twice and discussed the site's location within March JPA jurisdiction, with Lori Stone being the main JPA point of contact. I left a message with Councilmember Davis at 2:57PM replying to his earlier call. At 6:06PM, I received a return call from Councilmember Davis that lasted 14 minutes.

Much of the conversation between Councilmember Davis and me was focused on the MLB Youth Facility. The main conclusion of the conversation was Councilmember Davis' desire to explore annexing the land into the City; I committed to look into the annexation question with [REDACTED]. During the call, there were two departures from this topic. First, as I recall, Councilmember Davis shared with me his concerns with the performance of the City Manager. Second, as I recall, Councilmember Davis shared with me his concern with a statement made by [REDACTED] related to visiting Sister Cities; I believe, Councilmember Davis expressed concern that [REDACTED] expressed a willingness to travel to Canada over China. During this conversation and, in particular during the two ancillary topics of the phone call, Councilmember Davis used a number of expletives.

Please contact me for additional information or questions.

SCOTT BARBER,

a witness herein, testifies as follows:

-EXAMINATION-

BY MR. GUMPORT:

Q. Please state your name.

A. Scott Charles Barber.

Q. Please state your position with the City of
Riverside.

A. I'm the City Manager of the City of Riverside.

Q. And how long have you had that position?

A. I was appointed interim city manager in August of
2011. I was appointed as the full-time city manager in
15:04 December 2011. So this August it will be three years since I
have -- I became interim.

Q. Mr. Barber, I'm Leonard Gumport. We've met before
because I did an interview of you with respect to a separate
matter a week ago. And so I am going to just briefly repeat
the various things I said before, partly for the record, even
though you've heard them. First, thank you for coming to this
interview. Secondly, thank you for permitting it to be
transcribed by the court reporter who is here. Third,
any time you want to go off the record, just indicate with a
hand gesture. I'm instructing the court reporter the

1 15:04 transcript isn't to reflect that. And my rule is if something
2 is said off the record or it's not said on the record, I am
3 not going to rely on it. So the reason for the transcript is
4 so that my client, which is the city, knows what it is that I
5 relied on that people told me on the record. Because I am not
6 going to rely on what people tell me off the record.
7 Understood?
8 A. That is understood. Thank you.
9 Q. You're not under oath. But what you say on the
10 record is being transcribed. So it's important to be accurate
11 and to listen to my questions and ask me to clarify if you
12 don't understand the question; understood?
13 A. Understood.
14 Q. My client is the city. You're not my client. I
15 15:05 can't give you legal advice at any time. If you have a legal
16 question, that would be a ground rule for saying I want to
17 stop this interview and consult with a lawyer because I am not
18 your lawyer. Do you understand that?
19 A. I understand that.
20 Q. I can't give you assurance of confidentiality.
21 I will treat the transcript as confidential and privileged,
22 but ultimately, it's my client, the City of Riverside, that
23 decides whether or not the transcript of this interview
24 remains confidential. Therefore, it's possible, and you
25 should assume that the transcript may ultimately be disclosed

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 6

1 15:06 to the public. Do you understand that?

2 A. I understand that.

3 Q. Is it all right with you if I have marked as an
4 exhibit to the transcript of this interview what I understand
5 is a complaint and some attachments that you submitted to the
6 city in connection with what I will describe as the Councilman
7 Paul Davis matter?

8 A. Yes.

9 Q. Okay. Let's have this document marked as Exhibit A
10 to this transcript. And I have a copy for you, Mr. Barber.
11 Is Exhibit A a copy of a complaint that you submitted to [REDACTED]
12 [REDACTED] about a week ago?

13 [EXH-A]

14 A. I'm just looking through it right now. This looks
15 15:07 like a photocopy of the complaint that I gave to [REDACTED]
16 [REDACTED] and [REDACTED] on approximately -- I
17 signed the document on 4/14, and I delivered it to them on
18 4/15, both of 2014.

19 Q. Before becoming the interim city manager and the
20 city manager of the City of Riverside, had you been a city
21 manager anywhere else?

22 A. I had not.

23 Q. Let's have marked as Exhibit B to this transcript
24 what is a downloaded copy of the Charter of the City of
25 Riverside. And I'm going to have some questions for you about

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 7

1 15:08 one particular provision of the charter. And I will represent
2 to you that, Mr. Barber, this is a copy of the charter of the
3 City of Riverside. If you would turn to Section 407 of the
4 charter. [EXH-B]

5 A. All right. I'm there.

6 Q. I have some questions about your understanding. I
7 understand you're not a lawyer, are you?

8 A. I am not.

9 Q. So I am not asking you for legal opinions. I'm
10 just asking you for your understanding as the city manager of
11 various of the terms used here. And Section 407 states in
12 part, quote, neither the mayor nor the city council nor any of
13 its members shall interfere with the execution by the city
14 manager of his slash her powers and duties, et cetera. Let's

15 15:09 stop there. Do you have an understanding of the term
16 interfere as it's used in Section 407?

17 A. I have my own interpretation of what interfere
18 means.

19 Q. What is your own interpretation of it? And again,
20 I am not asking for your legal opinion. It means what it
21 means. But I'm interested in what your understanding of what
22 it means.

23 A. To me, what it's referring to in the charter is
24 that the mayor and city council will not impede my ability to
25 administer the affairs of the city as I'm allowed to under the

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 8

1 15:10 city charter. Impede, interfere, interrupt. Trying to think
2 of another way of looking at it. I suppose that make it
3 difficult, do things that make it difficult for me to perform
4 the duties of city manager.

5 Q. Now, let's go to the second portion of Section 407
6 which begins with the word except, the portion I'm going to
7 read which is on the -- it begins on the fourth line of
8 Section 407.

9 A. I'm there with you.

10 Q. Quote, except for purpose of inquiry, the mayor,
11 the city council and its members shall deal with the
12 administrative service under the city manager solely through
13 the city manager and neither the mayor nor the city council
14 nor any member thereof shall give orders to any subordinates
15 15:11 of the city manager either publicly or privately, period, and
16 quote. Let's go back to the word, quote, inquiry, and quote
17 that appears in the sentence I just read. What's your
18 understanding of the word inquiry as it is used in Section 407
19 of the charter of the City of Riverside?

20 A. Ask questions.

21 Q. What about prepare reports, can a -- is it your
22 understanding that a city councilmember could say could I
23 please have a memo about the status of X, Y, Z of one of you
24 or your subordinates? Is that within the definition of
25 inquiry as you understand it?

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 9

1 15:12 A. I don't believe so. I don't believe that's correct
2 under the city charter. I believe that the preparation of the
3 document is more than an inquiry. It's the creation of a
4 public record which is not -- does not fit in my definition or
5 my understanding of inquiry.
6 Q. So for example, if a councilmember said give me a
7 written report on the status of X and said that to one of your
8 staff members or subordinates, that, to you, would not be an
9 inquiry, a permissible inquiry, within Section 407 of the city
10 charter; is that right?
11 A. That's right.
12 Q. All right. Now, let's go to Exhibit A, which is
13 the complaint relating to the Councilmember Davis matter.
14 First, are the facts set forth on the first three pages, to
15 15:13 the best of your knowledge, accurate? Is there anything that
16 should be corrected or supplemented?
17 A. No.
18 Q. I have a question about what seems to me may be an
19 incomplete sentence. If you would go to the third page of
20 Exhibit A, and you go about five lines down, there is a
21 sentence that begins with the word, After the meeting, [REDACTED]
22 speaks with [REDACTED] and if you would just read to the end of
23 that paragraph, and tell me whether there is a word missing
24 someplace in there.
25 A. Oh, yes. There is a misspelling. It's actually

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 10

1 15:15 not a misspelled word. It's just the incorrect word.
2 Q. Okay. Where does it appear? Because I will tell
3 you there is a sentence here --
4 A. Seventh line.
5 Q. Okay. That is the line that puzzled me.
6 A. [REDACTED] tells [REDACTED] that Paul criticized me for not
7 realizing the document that he had requested.
8 Q. And how should it be phrased?
9 A. Can I consult just a moment the comment from
10 [REDACTED]
11 Q. Sure. Take your time.
12 A. Well, it should be -- and I really don't understand
13 why I wrote realizing but it could either be the word creating
14 or it could be providing him, either of those would be
15 15:16 correct. My intent was the conversation between [REDACTED]
16 and [REDACTED] conveyed to [REDACTED] that Paul
17 Davis criticized me for not providing him with this document
18 that he had requested.
19 Q. And that was a document that was not provided
20 because it did not exist; is that right?
21 A. That document did not exist. Would have to be
22 specially created. And one specially created then would
23 become a public record. And under the charter, I work for the
24 council as a whole. So individual councilmembers who
25 create -- asking for documents to independently review my work

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 11

1 15:17 outside of the whole is not allowed.
2 Q. That clarifies. That answers my question.
3 A. That was my error. There may be a few others.
4 Q. Well, that's the one that confused me.
5 A. All right.
6 Q. Let's return to the first page of Exhibit A. The
7 first page of Exhibit A has the date October 22, 2013, and
8 there is a discussion of annual performance evaluation,
9 correct?
10 A. That's correct.
11 Q. And that evaluation took place on October 22, 2013,
12 correct?
13 A. That's correct.
14 Q. Who else was present during that evaluation?
15 15:18 A. That evaluation took place in closed session, which
16 is in council chambers, the back chambers, which are not the
17 public chambers but the private chambers. And the mayor and
18 all of the seated councilmembers at the time were present. So
19 that council was Mike Gardener, Andy Melendrez, Ken Gutierrez,
20 Paul Davis, Chris MacArthur, Jim Perry, Steve Adams, and Mayor
21 [REDACTED] Bailey.
22 Q. Apart from the criticism that Councilmember Davis
23 made of your assistant city managers and yourself as described
24 in Exhibit A, did any other councilmembers criticize your
25 performance?

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 12

1 15:19 A. [REDACTED]
2 [REDACTED]
3 And I believe I mentioned to him that [REDACTED]
4 [REDACTED]
5 [REDACTED] That was the only negative
6 information that I received during my performance evaluation.
7 Q. Was there any vote to terminate your employment at
8 that meeting?
9 A. [REDACTED]
10 [REDACTED]
11 Q. And to your knowledge, there hasn't been a vote
12 with regard to your employment status since then, correct?
13 A. To the best of my knowledge, [REDACTED]
14 Q. Did Councilmember Davis at this closed session say
15 15:20 that he wanted to terminate your employment?
16 A. [REDACTED]
17 Q. Were any of your subordinates present at this
18 performance evaluation?
19 A. No.
20 Q. So would it be fair to say Councilmember Davis'
21 criticism of your office at this performance evaluation
22 wouldn't, in your mind, constitute interference with your
23 doing your work since it was just between you and the
24 councilmembers where he expressed those opinions?
25 A. I would agree. That does not constitute

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 13

1 15:21 interference.
2 Q. Have there been times since that meeting where, to
3 your knowledge, he has criticized your performance to your
4 subordinates?
5 A. Yes.
6 Q. When?
7 A. So November 19th, 2013, I stopped by Parks,
8 Recreation, Community Service headquarters and spoke with [REDACTED]
9 [REDACTED] And in the course of
10 our conversation, she mentioned to me that during an event at
11 Villegas Park on October 30th, 2013, Paul Davis-told her that
12 he was going to have me fired as the city manager by the end
13 of May before the former [REDACTED] [REDACTED] left the
14 city employment.
15 15:22 Q. Did that information come as a surprise to you?
16 A. I had through the grapevine heard that he was
17 making some comments about me, which is why I went and spoke
18 with [REDACTED] because I had heard -- again, I don't remember the
19 sources. But I had heard that Councilmember Davis is starting
20 to say some things to your staff.
21 Q. Did you regard what [REDACTED] described to you
22 on November 19th, 2013 as interference?
23 A. Yes.
24 Q. And why would you regard that as interference?
25 A. I would regard it as interference because [REDACTED]

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 14

1 15:23 [REDACTED] is a part of my staff, part of administrative service
2 of the city manager. And for a councilmember, any
3 councilmember, to tell her that I was going to be replaced
4 then places in question to her who she takes direction from.
5 Does she take direction from me? Does she take direction from
6 the parks director? Does she take direction from the
7 councilmembers directly? That kind of confusion about the
8 administrative service of the city is why Chapter 407 of the
9 city charter exists.

10 Q. After [REDACTED] told you what Councilmember Davis
11 had said to her, did you have a discussion about that
12 subsequent matter with Councilmember Davis?

13 A. No.

14 Q. Is there a reason why you didn't?

15 15:24 A. At that point, I was just trying to gather
16 information about what the councilmember was doing. In
17 particular, based upon the comments he made in my performance
18 evaluation, I was concerned that he was following through on
19 his threat that he was going to have a public discussion of my
20 performance as the city manager.

21 Q. From time to time in the memo or complaint that is
22 Exhibit A, you talk about your privacy rights as an employee
23 of the City of Riverside, correct?

24 A. That's correct.

25 Q. Is there a document that sets forth your privacy

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 15

1 15:24 rights or is your concept of your privacy rights something
2 that is based on your understanding of how the city works?
3 A. It's based on my understanding and my years of
4 experience as a public employee, having worked on numerous
5 public employee issues both as a staff member and in
6 management. It's my experience that all public employees have
7 an expectation of privacy with regards to their employment
8 actions, employment status, including performance evaluations,
9 corrective measures, whatever, all of that is confidential
10 information.
11 Q. What about if a citizen comes to a city council
12 meeting and says, you know, I asked for the city manager to
13 have the trees in my neighborhood pruned or something like
14 that, and I just think that the city manager's office was
15 15:25 nonresponsive. In that situation, would you expect that your
16 privacy rights dictate that the councilmembers not comment on
17 your performance as opposed to just address the situation
18 concerning the pruning of the trees?
19 A. Yes.
20 Q. Has that by in large been the practice of the city
21 council while you've been city manager, that is, people are --
22 councilmembers are not making disparaging remarks about your
23 performance during the public meetings?
24 A. I started with the City of Riverside in August
25 2005. I have attended the majority of council meetings as

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 16

1 15:26 either the community development director or the interim or
2 city manager. And in my experience of that entire time, there
3 has not been a public discussion of the city manager's
4 performance or disparaging comments about the city manager's
5 performance that occurs from the dias.

6 Q. Now, in your complaint, let's return to Exhibit A.
7 In the last paragraph of the first page of Exhibit A, there is
8 a reference to Councilmember Davis sending an e-mail to [REDACTED]
9 [REDACTED] Do you see that?

10 A. I do.

11 Q. And is the substance of what you're saying here
12 that Councilmember Davis asked for a document that didn't
13 exist, and in your view, for that reason, staff shouldn't have
14 been asked to prepare a document for him?

15 15:27 A. First of all, the councilmembers should not have
16 been contacting a director of any department and asking for a
17 document to be created. The councilmember should have been
18 contacting me and asking me for this document to be created.
19 And I directed [REDACTED] to advise Councilmember Davis
20 that the matter had been referred to the city manager's
21 office. And so he restated his request to me. And I
22 discussed that request with [REDACTED]
23 And there was an agreement that we weren't going to create a
24 special document for Councilmember Davis. And that really
25 what he was talking about was a closed session matter. If

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 17

1 15:28 he's going to look at documents to evaluate my performance,
2 that needs to be asked for by the majority, not by an
3 individual, and not outside of closed session.

4 Q. At some point was Councilmember Davis told that he
5 wasn't going to get requested information because what he was
6 asking for was the preparation of a document that did not
7 exist?

8 A. I believe so. And I would like to look back on the
9 e-mails so that I got the timing correct in my mind on that.
10 So I wrote back to Councilmember Davis. He wrote on March
11 20th to [REDACTED] cc to myself [REDACTED] and [REDACTED]
12 stating, Let me restate my request to comply with employee
13 privacy issues. Can I get a list of positions by department
14 and title without name and specific date of those who have
15 15:29 left the city's employ for a period of 180 days from March
16 1st, 2014, and those who will be departing by year's end.

17 And I wrote back and said I reviewed your request
18 with [REDACTED] [REDACTED] [REDACTED] who have directed me to
19 discuss this request with the entire council with -- under
20 labor on April 1st or April 8th. If you have any questions to
21 this regard, I would ask you to direct them to [REDACTED]
22 [REDACTED]. Thank you, Scott. He said thank you for
23 your response, Scott. This was on March 24th. And will
24 discuss with [REDACTED] while I'm here. At that time,
25 Councilmember Davis and [REDACTED] [REDACTED] were in China on a sister

2 well in China. And then on the 28th of March, I will not be
3 present for the April 1 meeting and want to be present for the
4 discussion of the request.

5 [REDACTED] is here but doesn't have any involvement.
6 Not sure why you would have a discussion with either he or any
7 other member on my simple request and is really not up for
8 debate. This is public information and needs to be provided
9 ASAP. Very concerned over this continual action you take when
10 I ask for important evaluation materials. Your lack of
11 communication with me on this issue also bothers me and sends
12 the wrong message. One of the key parts of evaluating any
13 management employee's effectiveness and leadership is the
14 return rate of staff, and certainly exit interviews of those

15 15:31 departing. Thank you for your anticipated cooperation on this
16 and other issues. So I don't know that I ever directly said
17 to him you can't have that under the charter. What I did was
18 direct him back to [REDACTED] [REDACTED] [REDACTED] for a
19 discussion of his request.

20 Q. Is there someplace in here where that reflects
21 whether Councilmember Davis was told that the document that he
22 was requesting -- well, let me rephrase the question. Is
23 there someplace in the e-mails in here that reflect that
24 Councilmember Davis was told that the information he was
25 requesting wasn't in documented form and what he was doing was

SCOTT BARBER - 4/30/2014

Page 19

1 15:32 asking for a document to be prepared?
2 A. It was not discussed in that way. That was
3 discussed in closed session.
4 Q. At which closed session?
5 A. There was a closed session on April 1st [REDACTED]
6 [REDACTED] And at that time there
7 was a discussion with regards to [REDACTED]
8 [REDACTED]
9 [REDACTED]
10 Q. And after that meeting, did Councilmember Davis
11 renew his request for the information?
12 A. He did not renew his request for information. My
13 recollection is that on the subsequent council meeting which
14 would have been April 8th, the mayor and the full council had
15 15:33 a discussion with Councilmember Davis in closed session
16 without staff. And I believe that this was one of the topics.
17 Q. Has Councilmember Davis ever said to you that he
18 would discuss his view of your job performance at a public
19 session?
20 A. Yes.
21 Q. When did he do that?
22 A. He started that October 22nd of 2013 where he said
23 that he was going to go public with his displeasure with my
24 performance and the performance of my assistant city managers.
25 He did it again in e-mail form. There is a string of e-mails

SCOTT BARBER - 4/30/2014

Page 20

1 15:33 with regard to a former employee named [REDACTED] [REDACTED] If you
2 look to the e-mail dated October 22nd, 2013, where he's
3 talking about calling for my performance evaluation, he states
4 on the last sentence, otherwise, let's have this conversation
5 in public view. Those are the two times that come to mind
6 right now.

7 Q. In that particular e-mail that you referenced which
8 is dated Friday, November 8, 2013, there is a reference to the
9 quote CA, end quote. Who is the quote CA?

10 A. I believe the reference as the CA is the city
11 attorney. And that e-mail date on that is October 22nd.

12 Q. Well, I'm going --

13 A. You're right. Excuse me. That's November, the
14 subject is the October 22nd e-mail. Thank you.

15 15:35 Q. Thank you. Apart from the occasion we've discussed
16 during this interview, have there been any other occasion
17 where Councilmember Davis said that he would discuss your job
18 performance at a public session?

19 A. I can't recall any right now. I do know that he
20 has discussed my performance with people outside of the closed
21 session.

22 Q. Apart from what we've discussed during this
23 interview?

24 A. Apart from what we've discussed during this
25 interview.

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 21

1 15:35 Q. Who else has he discussed your job performance with
2 outside of closed council sessions?

3 A. He's discussed my performance outside of closed
4 council session with [REDACTED] after the LEAC
5 dinner, (SIC). And I don't recall the date of that. But I
6 have had [REDACTED] document that. He discussed my performance
7 while he was in China with Lori Stone and Daniel Wheeler, both
8 from the March Joint Powers Authority. Lori's a colleague of
9 mine and someone who I've known for a number of years, and
10 that sort of discussion is very damaging to my reputation. I
11 have worked in government for almost 28 years. Part of my
12 ability to do my job and to be successful is my reputation.
13 And destroying or damaging my reputation with my colleagues
14 outside of the city is not good for me. It's not good for the
15 15:36 city. And it's very damaging to me.

16 Q. Does Lori Stone report to the city manager's
17 office?

18 A. Lori Stone is the executive director of the March
19 Joint Powers Authority. She reports to the March Joint Powers
20 Authority Board. There are two city councilmembers from
21 Riverside on the board. There are two city councilmembers
22 from Perris on the board. There are two city councilmembers
23 from Moreno Valley on the board. And there are two county
24 supervisors on the board.

25 Q. When did Lori Stone report to you that

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 22

1 15:37 Councilmember Davis had criticized your performance?

2 A. I don't recall the exact dates but I can tell you
3 the first time she mentioned it was after a delegation of us
4 had toured the Fresh & Easy Plant. And it was a Friday. It
5 was Good Friday so that would have been April 13th, I believe.

6 Q. Of this year?

7 A. Of this year.

8 Q. 2014.

9 A. After the tour, we were talking in the parking lot.
10 I asked her how China went and she shared with me that
11 Councilmember Davis had just shared with her on the bus that I
12 was doing a terrible job as the city manager, that [REDACTED]
13 [REDACTED] was running the city, and
14 something to the effect that it was time to make a change.

15 15:38 She mentioned it again to me because I sought her out after --
16 I'm on the technical advisory committee, which is the city
17 managers group for the March Joint Powers Authority. After
18 that I asked if I could speak to her for a moment. And I
19 asked her if she would be willing to go on the record with
20 what she had heard. And she said of course. And she again
21 mentioned that he had said that I was doing a terrible job,
22 mismanaging the city, and that it was time to make a change
23 or -- that's my recollection.

24 Q. To whom else has Councilmember Davis, to your
25 knowledge, criticized your job performance?

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 23

1 15:39 A. He criticized my job performance as to [REDACTED]
2 [REDACTED] [REDACTED] [REDACTED] [REDACTED] had a discussion with him
3 with regards to a project that the councilmember would like to
4 see happen. And I can't even say it's a project in his ward
5 because it's not in his ward. It's on March Joint Powers
6 Authority land. It's an area that's in the sphere of
7 influence for Riverside but it's not -- it's not city
8 property. And it's a concept about a baseball stadium out
9 near the Grove Community Church by Barton Road. It's on Joint
10 Powers Authority land, which would require annexation and
11 would really need the concurrence of the Joint Powers
12 Authority Board along with the city council. None of which --
13 no discussion has happened at either of those with regards to
14 this. I spoke with [REDACTED] He shared with me that Councilmember
15 15:40 Davis had used a lot of profanity in speaking with him, and
16 that expressed a lot of displeasure with the way I was doing
17 my job, mismanaging the city.

18 Q. When did [REDACTED] tell you that?

19 A. I'm going to look. I know I provided a copy of his
20 e-mail so [REDACTED] it's in the document [REDACTED] wrote to me on
21 March 25th. My recollection was that it was a day or two
22 before this that [REDACTED] and I spoke. And I asked him to put it in
23 writing what had happened.

24 Q. And is [REDACTED] memo to you which is dated
25 March 25, 2014 and is included in Exhibit A, is that accurate

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 24

1 15:40 so far as you know?

2 A. I believe it's accurate. My recollection of our
3 conversation was a little more. There was -- this is sort of
4 general about his displeasure with me. My recollection from
5 my discussion with [REDACTED] was that Paul Davis told him he
6 was going to fire me.

7 Q. Do you recall anything else that [REDACTED] told
8 you that's not mentioned in this memo concerning what
9 Councilmember Davis told him?

10 A. My recollection was that Councilmember Davis had --
11 and let me step back just a minute. [REDACTED] directly
12 reports to [REDACTED] [REDACTED] [REDACTED]
13 [REDACTED] initially brought this to my
14 attention that [REDACTED] had been treated pretty poorly by

15 15:42 Councilmember Davis. And there had been things that were said
16 that shouldn't have been said. And that Councilmember Davis
17 was directing him to get to work on the annexation of this
18 property. Could you restate your question? I'm sorry.

19 Q. Is there anything else that you can recall [REDACTED]
20 [REDACTED] telling you that's not reflected in his memo?

21 A. Well, yes. The point I was trying to make was that
22 that was communicated to me through [REDACTED] and then also
23 through [REDACTED] was he was directing staff to go to work on
24 the annexation of the Joint Powers Authority property. That
25 is a decision that needs to be made by the full council,

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 25

1 15:42 whether or not we are going to do that, that needs to be made
2 in consultation with the Joint Powers Authority because we are
3 a member agency of the Joint Powers Authority. That's a
4 pretty important discussion to have, and really a policy
5 discussion for the council, and at least consultation with the
6 Joint Powers Authority because taking land from the JPA is
7 probably not in the best interest of the JPA at this time.
8 What's in the best interest of the JPA is to let it complete
9 its mission of finishing the reuse of the area that was the
10 base for -- to create jobs and economic prosperity. That's
11 what they're doing. It's a -- Joint Powers Authority has the
12 input and discussion of all of the members. One of the
13 members attack or trying to take a piece of the JPA's land
14 away from them, that is a huge policy discussion issue, not

15 15:43 one councilmember gets to make that decision and provide that
16 direction.

17 Q. How much land was involved in this possible
18 annexation?

19 A. I couldn't guess.

20 Q. When you received the information from [REDACTED]
21 concerning [REDACTED] [REDACTED] had been tasked with doing, did
22 you have a discussion with Councilmember Davis about what you
23 had learned?

24 A. I did not.

25 Q. Is there a reason why you didn't?

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 26

1 15:44 A. Yes.
2 Q. What was the reason?
3 A. Honestly, was afraid for my job. I was afraid that
4 he would do something else to try to fire me or to undermine
5 my authority.
6 Q. So how did you deal with this situation where [REDACTED]
7 [REDACTED] had been tasked with doing something that you thought
8 was really a March JPA and city council issue? What did you
9 do to deal with the situation?
10 A. Well, fortunately, in subsequent conversations
11 between Paul Davis and [REDACTED], [REDACTED] communicated that Paul
12 realized that the whole issue was in the JPA's hands so he was
13 going to try to work with the JPA on the issue. So we didn't
14 have to confront that issue head on specifically. My
15 15:45 direction to [REDACTED] though has always been you need to send these
16 requests through me, through my office, because that's my
17 responsibility as a charter officer to direct the
18 administrative service of the city. And that this is far
19 beyond what any department head should have to discuss with
20 him by an individual councilmember.
21 Q. Would Ward 3 have gotten the use of the baseball
22 stadium if the land had been annexed?
23 A. Councilmember Davis is Ward 4.
24 Q. Would Ward 4 have gotten the use of the baseball
25 stadium in some way, shape or form if the land had been

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 27

1 15:46 annexed?

2 A. Yes. And the whole city of Riverside, all of our
3 citizens would have had an opportunity to utilize that land.

4 Q. What is the status of that possible baseball
5 stadium at this point?

6 A. My understanding of the matter planned for the
7 reuse of the Joint Powers Authority land includes an area
8 where the Councilmember Davis was looking at for a park for
9 the City of Riverside. There is no money set aside for the
10 park. There is no master plan of the park. It's just
11 identified as future park use, City of Riverside. So down the
12 road potentially there could be a park there. But there are
13 many, many development challenges with that. There is no road
14 that goes through. There is a future road that could go
15 15:47 through but there is a great deal of road construction that
16 would take place.

17 There's no utilities to this area. There are --
18 it's very likely that any sort of stadium of the size that
19 Major League Baseball teams, Triple A teams or so would want
20 to have is probably going to need an environment impact report
21 because of the potential impacts from -- through noise,
22 traffic, air pollution on the neighborhoods in that area, on
23 the city as a whole. There's huge development challenges
24 ahead of the stadium for Triple A or below Major League
25 Baseball team. There is a lot of work that would have to be

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 28

1 15:48 done on that. And I don't know. I have never met the people
2 who are talking about or have spoken with Councilmember Davis
3 about bringing this proposal forward. So I don't know
4 anything about their pro formas for financial performance,
5 whether they're looking for contributions from public
6 agencies, anything like that or who they are.

7 Are they affiliated with Major League Baseball?
8 Are they affiliated with a Major League Baseball team? I
9 don't know any of that. So there's -- I mean if a baseball
10 stadium serving Major League Baseball and maybe some of
11 Riverside is a completely grown tree, I would say we are -
12 looking at the seeds right now.

13 Q. Has Councilmember Davis criticized your performance
14 as city manager to anybody else besides those we have already
15 15:49 discussed?

16 A. I can't think of any others at this time.

17 Q. If you would go to the second page of your
18 complaint next to the date March 21, 2014, I guess we have
19 already covered that so -- correct?

20 A. I believe so.

21 Q. Okay.

22 A. I don't think I -- I didn't mention in here, I do
23 think that when I was speaking with [REDACTED], he mentioned
24 that [REDACTED], who is a [REDACTED]
25 had heard some comments from Councilmember Davis about my

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 29

1 15:50 performance as well. I neglected to put that in this
2 statement. And I've never confirmed that with [REDACTED]

3 Q. Do you have a belief that Councilmember Davis has
4 some reason apart from his perception of your job performance
5 and for criticizing your job performance?

6 A. Could you state that again?

7 Q. Well, let me rephrase it. Do you have an opinion
8 as to why Councilmember Davis has criticized your job
9 performance?

10 A. I believe he has criticized my job performance
11 because since my beginning of my time as interim city manager
12 and city manager, I've had to stop him from doing things or
13 have him investigated for doing things that were in violation
14 of the city charter. My first day in the office as interim
15 15:51 city manager there was a check waiting to be mailed, my
16 recollection is to the IRC, the International Relations
17 Committee as a reimbursement for something related to -- it
18 was either the Lunar Fest or the Food Truck Festival. And the
19 mail-to address was Councilmember Davis' home. I discussed
20 that check with the city attorney and we both agreed that
21 there was potentially some problems with it.

22 One, the money was coming from what had been
23 allotted as a legislative field rep salary, and Councilmember
24 Davis had chosen not to hire a legislative field rep. And
25 instead was asking the city manager to draw money against that

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 30

1 15:52 account to pay for events and sponsorships at his request. My
2 biggest concern about this one was that both the Food Truck
3 Festival and the Lunar Fest were coordinated by Councilmember
4 Davis' wife. And my concern was that potentially this could
5 be a conflict of interest, perhaps a Government Code 1090
6 violation where public funds were being paid to a
7 councilmember or his spouse to reimburse them for expenses
8 related to an event. And I am not an expert on that.
9 However, that seems inappropriate to me. That's why I spoke
10 with the city attorney. That's why we stopped that practice
11 at that time. It goes on from there but do you want to talk
12 about that one specifically to start with?

13 Q. Well, let's pause there for a second. How did you
14 learn of the check?

15 15:53 A. It was sitting on my desk waiting for it to be
16 mailed out from the city manager's office.

17 Q. Did you have to sign the check or just have to mail
18 it?

19 A. I just had to see that it was mailed.

20 Q. So who had signed the check or was it --

21 A. I don't know.

22 Q. Or was it a computer signature?

23 A. I believe it was a computer-generated signature.

24 That's my recollection. It was a warrant issued by the city.

25 I believe those were all electronically done.

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 31

1 15:53 Q. So the check's sitting on your desk and it's to the
2 IRC. And what is the IRC?
3 A. International Relations Committee.
4 Q. And what kind of legal entity is that? I mean I
5 know its name has committee in it. But is it an actually
6 formed legally recognized entity?
7 A. I don't know for a fact what it is. I believe it
8 to be a non-profit that works on behalf of the city to promote
9 international relations with our sister cities. But I can't
10 swear to you that that's what it is.
11 Q. When you say it's a non-profit, is it a non-profit
12 that's owned by the city?
13 A. No. It's a stand-alone non-profit that functions
14 on behalf of the city. But it is not owned by the city.
15 15:54 Q. Who, to your knowledge, owns or controls this
16 committee?
17 A. I don't know.
18 Q. But the check was being sent to the committee care
19 of Councilmember Davis' home, correct?
20 A. The check was addressed -- was made out to IRC and
21 the address was Councilmember Davis' home.
22 Q. After you went to the city attorney concerning this
23 check, was there any communication that you're aware of about
24 the check between you or anyone else with the city and
25 Councilmember Davis?

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 32

1 15:55 A. Yes.

2 Q. Tell me what the communication was. Well, first,

3 tell me, were you present when the communication was made?

4 A. I was present during part of the communication.

5 The other part of the communication was with Councilmember

6 Davis and the city attorney. And I couldn't discuss that

7 because I wasn't present.

8 Q. Did you get any subsequent comments from

9 Councilmember Davis about your having reported this IRC check

10 matter?

11 A. My recollection is that he was initially -- I

12 wouldn't say angry but he was unhappy with my decision to

13 discuss it with the city attorney. He was unhappy that we --

14 that I hadn't processed the check and sent it to him. When I

15 15:56 explained to him the potential problem from just a budget

16 standpoint, that money that was budgeted for one purpose was

17 being used for another, and that requires -- that sort of

18 change really requires council approval. When you take from

19 one budget item and move it to a different purpose, that

20 requires council approval. I think he was surprised by that

21 and he was surprised that the former city manager allowed him

22 to do that if it wasn't appropriate.

23 Q. What's the next thing that happened?

24 A. The next thing that happened -- I might have the

25 timing of these two, I may have them off, one or the other.

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 33

1 15:56 But my recollection is the next thing that happened was we had
2 a council meeting and a discussion about red light cameras.
3 And Councilmember Davis is opposed to red light cameras and
4 wants to see them removed from the city. And there was a long
5 debate about that. And at the end of the debate, the council
6 approved continuing the red light camera program, renewing the
7 contract with the provider. I walked out after the council
8 meeting in the evening. Councilmember Davis stopped me and
9 said I want you to remove the red light cameras from my ward.
10 And I said councilmember, the time for that request and that
11 policy discussion occurred in the council chambers. At this
12 point, it's gone from policy discussion to operations.
13 Operations are my responsibility. And I will not be removing
14 red light cameras from your ward. And he said then you and I
15 15:57 are going to have a big problem and he walked away.
16 Q. About when did this happen?
17 A. I want to say it was September or October of 2011
18 while I was still interim city manager.
19 Q. And there will be a set of minutes and agenda that
20 reflects the discussion of the red light issue, correct?
21 A. There certainly would be. The city clerk's office
22 could provide you with that.
23 Q. And --
24 A. And again, this is from my recollection. I might
25 be off on the dates. That's my recollection.

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 34

1 15:58 Q. But it's your recollection that the city council
2 voted to keep the red lights?
3 A. Correct.
4 Q. And then after the meeting following that vote, you
5 got an order to have them removed from Ward 4?
6 A. By Councilmember Paul Davis, that's correct.
7 That's administrative interference. That's a Charter 407
8 violation as far as I'm concerned.
9 Q. Because he was in your view trying to overrule an
10 action taken by the city council?
11 A. That's correct.
12 Q. What's the next thing that happened?
13 A. The next thing that happened was there was the
14 first Food Truck Festival that occurred in Downtown Riverside
15 15:59 that -- the Lunar Festival group, Councilmember Davis' wife
16 and he and the people who formed that committee sponsored this
17 Food Truck Festival, happened on the parking lot next to the
18 convention center. There were multiple food trucks there. I
19 don't recall the exact number but I want to say it was 12 to
20 15 food trucks. I was contacted by then [REDACTED]
21 [REDACTED] who shared with me that there had been a problem during
22 the inspection process with Councilmember Davis and the fire
23 inspector.
24 Two of the food trucks which had frying apparatuses
25 in them didn't have the proper fire extinguishers. And that

SCOTT BARBER - 4/30/2014
CONFIDENTIAL

Page 35

1 15:59 Councilmember Davis had verbally abused [REDACTED],
2 and that he had called and left a voicemail message on [REDACTED]
3 [REDACTED] cell phone telling him that he was in charge and he
4 was going to let those trucks open on his authority. That was
5 investigated by the city. The city hired a private
6 investigator through the city attorney's office to conduct an
7 investigation. The outcome of which was it was confirmed that
8 Councilmember Davis had, in fact, given direction to staff and
9 assumed authority that he did not have. And he publicly
10 apologized during a council meeting in that regard.

11 And my recollection on that was it was -- seems to
12 me the food truck, it was very hot, so I want to say it was
13 September or October of 2011 when the whole thing was done. I
14 don't recall the exact date, but it took some time to
15 16:01 investigate and took some time for the council to discuss the
16 matter with Councilmember Davis in closed session. And then
17 there was a public comment by him apologizing to the
18 inspector.

19 Q. What's the next thing that happened?

20 A. Give me just one moment if I could.

21 MR. GUMPORT: Let's take a short recess off the
22 record.

23 (A brief recess was taken.)

2 Q. All right. On the record. What's the next thing
3 that happened?

4 A. Really the last thing that at least right now that
5 comes to mind was Councilmember Davis, and this would have
6 been in May of 2013, requesting documentation regarding the
7 city agreement with American Medical Response for ambulance --
8 non-emergency ambulance service. Councilmember Davis
9 requested complete general ledger information regarding what
10 he described as the buy-up found from AMR ALS agreement. I
11 had taken his request and sent his request to the city
12 attorney's office. Our ordinance with regards to the non 911
13 response, which is inter-facility transfer and non-emergency
14 transport of people within the City of Riverside was under
15 16:06 review by -- at the request of the city council by the city
16 attorney and my office and the fire department.

17 Councilmember Davis had expressed at some point,
18 and I don't recall publicly when it was, his displeasure with
19 the way the ordinance was being interpreted by the fire
20 department. Because applicants for additional non.911
21 franchises were being denied, and the reason for the denial
22 was that the existing applicant was in compliance with the
23 performance measures of the contract. And he believed that
24 there should be other ways of evaluating public convenience
25 and necessity, which is finding has to be made for granting

SCOTT BARBER - 4/30/2014

Page 37

1 16:07 additional franchisees.

2 So all of this review was going on. He requested a
3 document showing these funds which the city attorney's office
4 and my office prepared because this is an item that was
5 potentially -- we faced being litigated on the issue by other
6 applicants for franchises and documentation has to be, you
7 know, in the interest of the city. We want to make sure the
8 right information went out, and that it was fully vetted by
9 the city attorney's office because of the potential for
10 litigation. So I told Councilmember Davis that I sent his
11 request to the city attorney's office, and I was working with
12 him on that. And he was unhappy about that. He didn't
13 understand why the city attorney's office would be involved,
14 and that this was a city manager matter, not a city attorney
15 16:08 matter, and that he was going to ask his colleagues for a full
16 audit of the funds from an outside independent source. If I
17 wanted to talk about this anymore, he would be at city hall.

18 I will tell you there was no outside audit. There
19 was no discussion of these funds other than once it was all
20 put together, we provided to the full mayor and council, no
21 other action was taken place on that. The ordinance was
22 eventually amended and we have applicants now coming in under
23 that, a new ordinance for potential franchisees.

24 Q. This covers the questions I have about your
25 interactions with Councilmember Davis. I previously

SCOTT BARBER - 4/30/2014

1 16:09 interviewed you concerning a separate matter relating to
2 [REDACTED] [REDACTED] And I have one follow-up question,
3 which is whether there have been any developments since that
4 last interview that relate to the [REDACTED] [REDACTED]
5 matter?
6 A. Well, there's been a newspaper article regarding
7 the [REDACTED] [REDACTED] matter in which he has, without
8 knowing any information with regards to the investigation,
9 stated that he has never violated Charter Section 407. You
10 conducted an interview, I believe, on April 15th with
11 Councilmember Davis. And I don't know how that interview went
12 or the contents of that interview. But after that interview,
13 a very angry Paul Davis came looking for me, summoned me to
14 his office, and with his face red and voice raised, said I am
15 16:10 angry, I was just pigeonholed into a meeting with some
16 investigator when I thought I was going to be -- when I
17 thought I was going to an industrial psychologist. This is
18 going to end, Scott. You should have told me what this
19 meeting was about. And it is time for change. It is time for
20 you to go. I know what I can say publicly. And I am going to
21 say it. And to which I replied in a very calm, considerate
22 manner, you're correct, your behavior towards me is going to
23 change. And I turned around and left Councilmember Davis'
24 office. And I documented that conversation in a document to
25 [REDACTED] [REDACTED] [REDACTED] on April 15th.

**CITY OF RIVERSIDE
MEMORANDUM**

TO: [REDACTED]

FROM: Scott C. Barber, City Manager

CC: [REDACTED]

RE: Hostile Work Environment, Violations of the City Charter

[REDACTED]

For the past several months, Councilmember Paul Davis (hereafter referred to as Paul) has been creating a hostile work environment for me, as well as violating Riverside City Charter Section 407 (Interference in Administrative Service), as documented by the following:

10/22/13: During my annual performance evaluation in closed session, Councilmember Paul Davis stated that my [REDACTED] City Managers and I were doing a horrible job of managing personnel issues in the city and that he was going public with that information. A public discussion of my performance as City Manager violates my privacy rights as your employee, and creates an environment wherein I feel like my reputation and livelihood are threatened by Paul.

11/07/13 and 10/08/13 (see attached emails): After having [REDACTED] Code of Ethics matter explained as to why Paul's request for a closed session discussion of [REDACTED] appeal was inappropriate, Councilmember Davis states that an evaluation of my performance is warranted, and if that does not occur, then a public conversation in public view will take place. A public discussion of my performance violates my rights as your employee- my performance is reviewed by the Council as a whole, and only in closed session, and by demanding my performance review, creates an environment wherein I feel my job is threatened, along with my reputation and livelihood.

11/19/13: I stopped by Parks Recreation and Community Services headquarters and spoke with [REDACTED] [REDACTED] who told me that on 10/30/13 at Villegas Park Councilmember Paul Davis told her that he would have me fired as City Manager by the end of May, before [REDACTED] left as [REDACTED] Discussion with my staff that Paul intends to fire me as City Manager violates my rights as an employee of the City Council and makes my job as City Manager extremely difficult, because it creates fear and confusion for me and my subordinate staff.

03/18/14 through 03/28/14 (see attached emails): Paul sends an email to [REDACTED] requesting a list of all employees who have left the city in the last 180 days or who will be leaving in that time period, to include their position and date. After discussing the request with [REDACTED], and

EXHIBIT
REPORTER A
DEPONENT Troiano
DATE Barber

EXHIBIT D

both of you, I directed her to write back to the Councilmember and let him know that his request was been referred to my office, since his request would require the creation of a special report. Paul then revises his request to me, requesting a list of positions by department and title, without name or specific date, which have left within 180 days of March 1, 2014 and those that will leave by the end of the year. I advised Paul that I had reviewed this matter with [REDACTED] and that this request would be discussed in closed session. On March 28, 2014, Paul writes to me with a cc to both of you, requesting what he believes is public information regarding former employees, that he needs this information to evaluate my performance, and he is very concerned over "this continual action you take when I ask for important evaluation materials." He goes on to state "Your lack of communication with me on this issue also bothers me and send the wrong message. One of the key parts of evaluating any management employee's effectiveness and leadership is the churn rate of staff and certainly exit interviews of those departing." Paul's comments to me are intended to intimidate me into complying with his request, which create a hostile work environment for me. Paul also fails to realize that he does not independently evaluate my performance as an individual member of the council, but that rather the Council as a whole evaluate me. Also, disclosure of this specially created document which is currently exempt from the Public Records Act (since there is not an existing report) would allow Paul to share this document with the public as a part of his public evaluation of me as the City Manager. This continued effort to evaluate my performance in public violates my privacy rights as your employee, and creates a hostile work environment for me, because I feel like I am frequently on the defensive with Paul's requests (he states that my lack of communication bothers him) and that my livelihood is at risk if I do not comply with his inappropriate requests.

03/21/14: I spoke with [REDACTED] regarding a request from Councilmember Davis to annex March Joint Powers land for a baseball field [REDACTED] stated that has been told by Councilmember Davis that he intends to fire me by May of this year. I asked [REDACTED] document his conversation with Councilmember Davis (see attached memo). Although [REDACTED] memo does not state the termination comment, it does state that Paul told [REDACTED] that he has concerns with my performance. Discussing my job performance with my subordinate staff members presents several difficulties for me as the City Manager, violates my rights of privacy as your employee, and creates a hostile work environment for me and my subordinate staff. Also, directing my subordinate staff to begin annexation proceedings without a Council policy discussion and my subsequent direction to my staff is a violation of Section 407 of the City Charter.

04/01/14: I received a copy (see attached) of May Lynn Davis' Facebook (May is Paul's wife) dated from 03/28 to 03/31, raising the same issues that Paul has raised regarding turnover rates of employees and stating "So Mr. City Manager, where does that leave us?" I feel that because Mrs. Davis' Facebook page contains a picture of her and Paul, and because the issues raised by Mrs. Davis are the same as those raised by Paul, the Davis' are using Mrs. Davis' Facebook page to publicly humiliate me and force me to comply with Paul's inappropriate document requests. This is clearly intimidation through a third party, aimed at creating a hostile work environment for me within the entire City of Riverside, and threatening my livelihood and reputation.

04/10/14 (see attached): I receive a letter from [REDACTED] containing a statement from [REDACTED] documenting the Community Action Group meeting from the previous evening. During this meeting, Councilmember asked that City staff be excused from the meeting. Since these staff members all work for the City Manager, I feel that this requested removal from a public meeting in a public place is potentially a violation of Chapter 407 of the City Charter. After the meeting [REDACTED] speaks with [REDACTED] who is a City employee who was not asked to leave the meeting [REDACTED] works as [REDACTED] [REDACTED], and [REDACTED] tells [REDACTED] that Paul criticized me for not reading the document that he had requested, thereby limiting his effectiveness as a Councilmember. This public discussion of my performance as the City Manager violates my privacy rights as an employee, and creates a hostile work environment for me.

This ongoing practice of attacking me, threatening to call my performance evaluation, discussing my performance with the public, publicly humiliating me, and seeking through intimidation to make me perform my job contrary to our City Charter has created a very hostile work environment for me. I am experiencing the physical effects of this stress, as well as the emotional toll it is taking on me. I am asking for this behavior to cease immediately, so that I can focus on the very difficult job of Riverside City Manager.

My thanks to both of you for your willingness to investigate this matter that is creating an unacceptable work environment for me and my subordinate employees.

Councilmember:

I attempted to call you last night in this regard, however we never had a chance to speak. I did review your request to set this closed session with [REDACTED]; both of them agreed to schedule an update on the litigation between [REDACTED] and the City, however they did not intend to review the Code of Ethics questions raised by [REDACTED] as those will most likely be coming to the Council on appeal at some point, and since they are not a part of the litigation, they don't constitute a subject that we can really discuss in closed session (similar to the Aquino matter). I have spoken with the City Attorney, who is including a litigation update on the closed session agenda for 11/19/13.

Please let me know if you have any questions in this regard.

I believe that an outside independent investigation may be warranted in this matter.

did not have a Council-approved policy for handling these grievances. I also commented that the City Charter, per Section 807, unequivocally states that the Human Resources Board acts in an advisory capacity to the City Council on matters concerning personnel administration.

> Councilman Mendez asked City Attorney Primus to address my concerns. Mr. Primus contacted both issues. I attach both Resolution No. 15079 and City Charter Section 807 for your perusal. I have also included a pdf version of the City's website listing all Recognized Employee Organizations, such as the SEIU, NPOA, et al.

> Please refer to Article I, Section 2, of Resolution No. 15079, entitled, "Statement of Purpose".

> "This Resolution implements Chapter 10, Division 4, Title 1 of the Government Code of the State of California (section 3500 et seq.) captioned Local Public Employee Organizations, by providing orderly procedures for the administration of employer-employee relations between the City and its employee organizations."

> If there is any doubt to the subject dealt with within Resolution No. 15079, Section 2 elaborates:

> "It is the purpose of this Resolution to provide procedures for meeting and conferring in good faith with Recognized Employee Organizations..."

> Section 807 of the Riverside City Charter states:

> "There shall be a Human Resources Board, which shall have the power and duty to:
> (b) Act in an advisory capacity to the City Council on matters concerning personnel administration."

> That our City Attorney would make such misleading statements to the Council on the record during a public hearing is quite disconcerting, and certainly makes one question the understanding of our local rules, which I hope you find (similar to me) are quite simply, indisputable. I also remind the Council at this time, that as part of my Writ of Mandamus filed with the Riverside Superior Court on August 21, 2013, which has previously been provided to you, I requested that Mr. Primus also make materially misleading statements regarding our local rules to the Human Resources Board (a hearing that was also videotaped) at my grievance hearing on May 13, 2013. Coming full circle, those misleading statements would guide the Board towards violating my rights under classified service...acting in motion both the Writ against the City and the Ethics Complaint against the Individual Board members.

> That I was dragged through an litigious, illegal, kangaroo-court process pre-decided to denigrate and tarnish me from my employment with the City of Riverside because of personal vendettas and whistleblower complaints is offensive, and your silence on my mistakes to date speak volumes towards your complicity in the matters at hand. It also makes me wonder how many previous employees have been subjected to similar retaliation and harassment, and whether a class action suit might not be your preferred alternative towards settling our differences - which I might suggest, again, could be more efficiently solved by opening the lines of communication.

> I remain hopeful the Council will recognize the needless waste of taxpayer dollars defending decisions and a process that are simply indefensible, and do the right thing. I call for an immediate independent investigation into the handling of my illegal demotion and termination by executives within the City Attorney's Office, the Human Resources Department, the City Manager's Office, the Riverside Fire Department (namely, Chief Steve Earley), and Riverside Public Utilities.

CONFIDENTIAL MEMORANDUM

TO: Scott Barber, City of Riverside City Manager

FROM: [REDACTED]

DATE: March 25, 2014

RE: Recollection of Communications with Councilmember Davis

At your request, I provide in confidence the following recollection of communications with Councilmember Paul Davis on March 12, 2014, as well as ancillary conversations with others.

On March 12, 2014, at 1:40PM, on my work [REDACTED] I received a missed call and voice message from Councilmember Paul Davis. Following is the verbatim transcription:

"Hey [REDACTED] this is Paul Davis. Just following up with you to see what's going on with this baseball thing. I haven't heard anything from anyone for a number of weeks now and I want to move this forward if we can or call it quits if we have to. So give me a call, or an email, or a text, whichever. Let me know what's up. [REDACTED] I will be at City Hall at 3 o'clock for the Finance Committee meeting. If you have a few minutes afterwards, we can get together and chat, maybe."

At 2:04PM, I subsequently made a call to [REDACTED] regarding the inquiry from Councilmember Davis. My purpose in the call was to obtain an up-to-date status report on the MLB Youth Facility. As I recall [REDACTED] was not present and, as I recall, Sarah transferred me to [REDACTED]. I shared with [REDACTED] the nature of Councilmember Davis' inquiry. In response, at 2:10PM, [REDACTED] was gracious enough to send an email to [REDACTED] and Ccd me explaining my conversation with him.

[REDACTED] a phone call from Councilman Davis where he stated he had not heard anything relative to the baseball facility that we met to discuss about 30 days ago. Can you provide [REDACTED] quick update before [REDACTED] returns the call? Is this now in the hands of the JPA - Lori Stone?"

As I recall, in response to [REDACTED] email to [REDACTED], I received via phone call from her with an update indicating that she had met with Councilmember Davis twice and discussed the site's location within March JPA jurisdiction, with Lori Stone being the main JPA point of contact. I left a message with Councilmember Davis at 2:57PM replying to his earlier call. At 6:06PM, I received a return call from Councilmember Davis that lasted 14 minutes.

Much of the conversation between Councilmember Davis and me was focused on the MLB Youth Facility. The main conclusion of the conversation was Councilmember Davis' desire to explore annexing the land into the City; I committed to look into the annexation question with [REDACTED]. During the call, there were two departures from this topic. First, as I recall, Councilmember Davis shared with me his concerns with the performance of the City Manager. Second, as I recall, Councilmember Davis share with me his concern with a statement made by [REDACTED] related to Visiting Sister Cities; I believe, Councilmember Davis expressed concern that [REDACTED] expressed a willingness to travel to Canada over China. During this conversation and, in particular during the two ancillary topics of the phone call, Councilmember Davis used a number of expletives.

Please contact me for additional information or questions.

Not sure why you would have a discussion with either he or any other member on my simple request and is really not up for debate. This is public information and needs to be provided ASAP. Very concerned over this continual action you take when I ask for important evaluation materials. Your lack of communication with me on this issue also bothers me and sends the wrong message. Just an observation....Another valuable and dedicated Associate of the City of Riverside is gone (the community is very sad to see Ralph leave). Seems to be trending that we have lost quite a few in recent years for greener pastures or forcibly forced out due to conflicts.... who else is going and how many more are we going to lose? This will end up leaving our city in a state of all new and inexperienced people related in those slots... Looks to me that an efficient leader would not have such a high turn over, and that they take care of their good employees and weed out the ones that are useless, not the other way around.

April 10, 2014

I attended the CAG meeting last night at Villegas Park that convened at 1900 hours. Consistent with the monthly agenda, Councilman Davis was given the opportunity to address the group and provide a Ward 4 update.

After his brief report, Councilman Davis asked that any and all City staff please be excused from the meeting. Davis explained that he was going to share some recent developments with his constituents and that it would be best if he excused City staff. As I was getting up and walking out, I heard Davis tell the crowd that we (City employees) all had bosses. It would only be right if what he was about to share came from our superiors and not directly from him. At that, myself, [REDACTED] and [REDACTED] all stepped outside.

Obviously curious, the four of us stood outside and conversed. We did so for at least 20 minutes before [REDACTED] and [REDACTED] finally said they were going to leave [REDACTED] and I continued to talk and at about the 25 minute mark, we were allowed to come back inside and join the meeting. Nothing was mentioned of the Councilman's conversation with the group after we returned.

Following the meeting, I had the opportunity to talk to [REDACTED] or outside in the parking lot. I asked what was going on and she stated that Councilman Davis told the attendees that he was going to file some kind of suit or action against [REDACTED]. When asked why, [REDACTED] stated the following rationale before we were interrupted by someone else walking up to us:

- That Paul has been hindered from doing his job. There have been numerous employees that have left their positions at the City. Paul has asked for a report that would contain the list of employees and why they were separated (fired, resigned, retired etc.) [REDACTED] went through the City Manager for the request. The request was denied per [REDACTED]. This was just one example of [REDACTED] and City Manager not following the City Council reference structure, thus limiting/clocking the functionality of Paul and his position as a councilman. [REDACTED] is also performing other tasks and signing other documents that he does not have the authority to do.
- [REDACTED] has yelled/demeaned Paul and his fellow peers in public and in front of others on different occasions. The conversations usually have to do with power/authority. Who is in charge of running things, etc. The most recent was while the [REDACTED] and Paul were in China. As mentioned, other Councilmembers have experienced the same independently with [REDACTED].
- [REDACTED] recently hired a psychologist to meet with each Councilmember. The rationale was to evaluate each member to see what the breakdown is and why everyone cannot get along. Paul's belief is [REDACTED] does not have the authority to do so and he took great offense to [REDACTED]'s actions in this matter.

EXHIBIT D

00073

- Also mentioned was that the Mayor told the City Manager to investigate [REDACTED] for administrative interference. In response, there is an opinion that [REDACTED] and possible [REDACTED] may join in some sort of claim against the Mayor.

The aforementioned points were further confirmed later in the evening by the CAG Chair, Bob Garcia. Bob called me on my way home and recapped a few points of Councilman Davis' message to the meeting attendees. Bob's recap was very disjointed, but he independently brought up the first three points, as being covered by Davis. The last point was not. The basic message that Bob conveyed was [REDACTED] Councilman Davis explained to the group that he is being hindered from doing his job by [REDACTED] and that there was more than likely going to be some repercussions. Davis wanted to [REDACTED] his constituents in person and before they heard it somewhere else.

Please let me know if you have any questions or if you need any clarification on any of the details provided.

Re: Update: hostile work environment complaint

As an update to my memorandum of 04/14/14, I have the following information:

04/14/14 (see attached email): [REDACTED] emailed me with his concerns regarding statements made during Councilmember Davis' CAG meeting of 04/09/14; during this meeting Councilmember Davis referenced the investigation of [REDACTED] and [REDACTED] pointed out that any retaliation planned by Councilmember Davis as a result of the previous whistleblower complaint would constitute "illegal retaliation".

04/15/14: Councilmember Davis asked to see me when I finished a meeting with my staff. I went to his office at approximately 2:44 pm, and when I walked in I observed that his face was red and he appeared angry. I said "You wanted to see me?" to which Councilmember Davis replied "I am angry. I was just pigeonholed into a meeting with some investigator when I thought that it was going to be an industrial psychologist. This is going to end, Scott. You should have told me what this meeting was about and it time for a change; it is time for you to go. I know what I can say publically and I'm going to say it." I said to Councilmember Davis "You are correct, your behavior towards me is going to change" and I left Councilmember Davis' office.

This continuing practice of threatening to fire me, criticizing me for actions that I had no part in (I did not schedule the meeting with the investigator- it was scheduled by the Mayor's Office), and becoming angry and raising his voice to me is a perpetuation of Councilmember Davis creating an unacceptable, hostile work environment.

Subject: CASABLANCA ACTION GROUP MEETING

Mr. Barber

I have already shared with you information received from [REDACTED] regarding some comments made by Councilmember Paul Davis during the Casablanca Action Group on April 9, 2014. One of the comments attributed to the councilmember particularly troubled me. That remark had to do with some action that Councilmembers Davis and [REDACTED] are contemplating [REDACTED] as a result of a complaint made against [REDACTED] for administrative interference in the running of City operations. I have previously brought to your attention that I believe [REDACTED] has acted inappropriately in undermining the authority [REDACTED] by telling a key member of the staff of the RPD [REDACTED] that he [REDACTED] had the votes to get rid of the city manager as [REDACTED]. If, in fact, Councilmember Davis is now contemplating some action against any city employee (including the city manager and [REDACTED]), based on my reporting of misconduct about [REDACTED] I believe that qualifies as illegal retaliation. Based on my training and experience retaliation occurs when any adverse personnel action is taken by an employee for exercising a right or engaging in protected activity. My complaint against the councilman of violating the City Charter is a protected activity as I understand that term to be defined.

Sec. 100. Name and boundaries.

The City of Riverside, hereinafter termed the City, shall continue to be a municipal corporation under its present name of "City of Riverside." The boundaries of the City shall be the boundaries as established at the time this Charter takes effect, or as such boundaries may be changed thereafter in the manner authorized by law.

Sec. 101. Succession to rights and liabilities.

The City of Riverside shall continue to own, possess and control all rights and property of every kind and nature owned, possessed or controlled by it at the time this Charter takes effect and shall be subject to all its debts, obligations, liabilities and contracts.

Sec. 102. Continuance of ordinances, rules and regulations.

All lawful comprehensive codes, ordinances, resolutions, rules and regulations, or portions thereof, in force at the time this Charter takes effect, and not in conflict or inconsistent herewith, are hereby continued in force until the same shall have been duly repealed, amended, changed or superseded by proper authority.

Sec. 103. Continuance of present officers and employees.

The occupants of offices provided for in this Charter and employees, at the time this Charter takes effect, shall continue to perform the duties of their respective offices and employments without interruption and for the same compensations and under the same conditions until the appointment or election, and qualification, of their successors, but subject to the provisions of this Charter.

Sec. 104. Effective date of Charter.

This Charter shall take effect upon its acceptance and filing by the Secretary of State.

Editor's Note: The Charter was filed with the Secretary of State on August 7, 2013. Under present law, August 7, 2013, is therefore the effective date.

RIVERSIDE CITY CHARTER

ARTICLE II. GENERAL POWERS OF CITY.

Sec. 200. Generally.

The City shall have the power to make and enforce all laws and regulations in respect to municipal affairs, subject only to such restrictions and limitations as may be provided in this Charter and in the Constitution of the State of California. It shall also have the power to exercise, or act pursuant to any and all rights, powers, privileges or procedures, heretofore or hereafter established, granted or prescribed by any law of the State, by this Charter, or by other lawful authority, or which a municipal corporation might or could exercise, or act pursuant to, under the Constitution of the State of California. The enumeration in this Charter of any particular power shall not be held to be exclusive of, or any limitation upon, the generality of the foregoing provisions.

Sec. 201. Access to public meetings and public records.

City agencies, boards, commissions, committees, officials, staff and officers, including the Mayor and members of the City Council, exist to conduct the people's business. It is fundamental that the people have full access to information, not to just what decisions have been made in their name but how those decisions were reached and how they were deliberated. The people insist on remaining informed so that they may retain control over the instruments they have created. The people do not give their agencies or public servants the right to decide what is good for the people to know and what is not good for them to know.

Our values lie in a government that helps its citizens in a timely way to obtain information. Our values lie in a broadening base of public participation, involvement and interest, providing new ideas and energy.

Our values lie not in hiding embarrassment and unpleasant occurrences. Our values lie not in preventing dissent.

To carry out the purposes set forth in this section, the provisions of the [REDACTED] M. Brown Act (California Government Code Section 54950 et seq.) and the Public Records Act (California Government Code Section 6250 et seq.) shall apply to the City Council, and any commission, committee, board or other body created by Charter, ordinance, resolution or formal action of the City Council, or the Mayor.

Special circumstances dictate that there must be exceptions to access. But those exceptions should be narrowly drawn and narrowly exercised. Public employees must be protected from unwarranted invasions of privacy while the public's right to fundamental information must be protected. Citizen right to privacy must be protected with the knowledge that involvement in government matters necessarily reduces an expectation of privacy.

In general, the value of access should be given a strong presumption of public benefit. (Effective 1/18/2005)

Sec. 202. Adoption of ethics code.

The City of Riverside shall adopt a Code of Ethics and Conduct for elected officials and members of appointed boards, commissions, and committees to assure public confidence in the integrity of local government and its effective and fair operation. The City Council shall adopt the Code of Ethics and Conduct by ordinance or resolution within six months of the effective date of this Charter section. (Effective 1/18/2005)

RIVERSIDE CITY CHARTER

ARTICLE III. FORM OF GOVERNMENT.

Sec. 300. Designated.

The municipal government established by this Charter shall be known as the "Council-manager" form of government.

RIVERSIDE CITY CHARTER

ARTICLE IV. CITY COUNCIL AND MAYOR.

Sec. 400. Enumerated; number, term and manner of election; wards.

(a) The elective officers of the City shall consist of a City Council of seven members, elected from wards, and a Mayor elected from the City at large, at the times and in the manner provided in this Charter, who shall serve for a term of four years and until their respective successors qualify. The terms of all officials, so elected, shall be deemed to have commenced on the fifth Tuesday following the general municipal election.

(b) The members of the City Council shall be elected by wards by the registered voters of the respective wards only. One member of the City Council shall be elected by each ward, and only the registered voters of each ward shall vote for the member of the City Council to be elected by that ward. In those wards where there are more than two candidates, only a candidate receiving a majority of the total votes cast for the office shall be declared elected.

(c) If in an election for a member of the City Council for any ward, or for the office of Mayor, no candidate receives a majority of the total votes cast for the office, the City Council shall immediately upon the determination of that fact, call a special election to be held on the first Tuesday following the first Monday of November of that same year. The two candidates receiving the highest number of votes for the office in the general municipal election shall be declared the candidates for the special election. (Effective 1/5/2007)

(d) Officials elected at the general municipal election shall take office on the second Tuesday following completion of the canvass, but in no event later than the fifth Tuesday following the general municipal election. Officials elected at any other election shall take office on the second Tuesday following completion of the canvass, but in no event later than the fifth Tuesday following the election.

(e) The qualifications of candidates and electors and the procedure governing general municipal elections shall apply to any special election called pursuant to this section and the notice of election shall be published at least thirty days prior to the date of such special election. (Effective 1/6/2003)

(f) Notwithstanding the above, an election shall be held on June 5, 2007, for the purpose of electing members of the City Council from Wards 1, 3, 5, and 7 for terms expiring in June 2011, or until their successors are elected and seated. (Effective 1/5/2007)

(g) Notwithstanding the above, an election shall be held on June 2, 2009, for the purpose of electing members of the City Council from Wards 2, 4, and 6 for terms expiring June 2013, or until their successors are elected and seated. (Effective 1/5/2007)

(h) Notwithstanding the above, an election shall be held on November 3, 2009, for the purpose of electing the Mayor for a term expiring June 2012 or until their successor is elected and seated. (Effective 1/5/2007)

Sec. 401. Eligibility to hold the office; member of the City Council; Mayor.

(a) A person is not eligible to hold the office of a member of the City Council of the City of Riverside unless such person is a qualified elector within the territory comprising the ward by which such person is elected or for which such person is appointed at the time of such election or appointment and continues to be a qualified elector of said ward.

If the residence of any member of the City Council is changed to a place outside the boundaries of the ward from which such member was elected or for which such member was appointed, the office of such member shall become vacant. The existence of the vacancy shall be declared and filled as provided by Section 404 of this Charter.

(b) A person is not eligible to hold the office of Mayor unless such person is a qualified elector of the City at the time of such election or appointment and continues to be a qualified elector of the City.

If the residence of the Mayor changes to a place outside the boundaries of the City, the

RIVERSIDE CITY CHARTER

office of the Mayor shall become vacant. The existence of the vacancy shall be declared and filled as provided by Section 404 of this Charter.

Sec. 402. Wards established.

The City of Riverside is hereby and by ordinance shall be divided into seven wards, designated as first ward, second ward, third ward, fourth ward, fifth ward, sixth ward, and seventh ward.

The boundaries of wards shall be reviewed at least every ten years upon the completion of the federal decennial census or more frequently as may be determined necessary upon receipt of official census data; and the boundaries of such wards shall be adjusted by the City Council as necessary to provide for substantially equal numbers of residents in each ward. Such boundary adjustment during a Councilmember's term shall not result in disqualification for membership on the Council during such term.

Sec. 403. Compensation.

The Mayor and members of the City Council shall receive compensation for their services as such, and in addition, when on official duty, shall receive reimbursement for their necessary expenses on order of the City Council. In January of every odd-numbered year, the City Council shall review the compensation including salary and benefits, of the Mayor and members of the City Council, and shall establish any increase in compensation of the Mayor and/or the members of the City Council. No increase in salary shall exceed 5 percent of their then-existing salary. Compensation shall be fixed by ordinance, adopted by not fewer than five affirmative votes of the City Council, after a noticed, public hearing, notice of which has been given by publication at least fourteen days prior to such hearing.

Once a level of compensation for City Council members and the Mayor is established, such level will not be permitted to change automatically by linking such compensation to internal or external factors. (Effective 1/18/2005)

Sec. 404. Vacancies.

A vacancy in an elective office, from whatever cause arising, except in the event of a successful recall, shall be filled by appointment by the City Council, such appointee to hold office until the first Tuesday following the next general municipal election and until his successor qualifies. At the next general municipal election following any vacancy, a successor shall be elected to serve for the remainder of any unexpired term.

If a member of the City Council or the Mayor is absent from three consecutive regular meetings of the City Council, unless by permission of the City Council expressed in its official minutes, or is convicted of a crime involving moral turpitude, the office of such person shall become vacant.

The City Council shall declare the existence of any vacancy. In the event it shall fail to fill a vacancy by appointment within sixty days after such office shall have been so declared vacant, it shall cause an election to be held forthwith to fill such vacancy.

Sec. 405. Duties of Mayor; Mayor Pro Tempore; Council tie--Mayor's vote.

The Mayor shall be the presiding officer at all meetings of the City Council and shall have a voice in all its proceedings but shall not vote except to break a City Council tie-vote which exists for any cause. The Mayor shall be the official head of the City for all ceremonial purposes. The Mayor shall have the primary but not exclusive responsibility for interpreting the policies, programs and needs of the City government to the people, and of informing the people of any major change in policy or program. The Mayor shall advise the City Council on all matters of policy and public relations and perform such other duties as may be prescribed by this Charter. During the months of January or February, the Mayor shall deliver a State of the

RIVERSIDE CITY CHARTER

City message at any location within the City that the Mayor deems appropriate at which the Mayor will present the Mayor's programs, objectives and priorities.

The City Council shall designate one of its members as Mayor Pro Tempore, who shall serve in such capacity at the pleasure of the City Council. In the absence of the Mayor, the Mayor Pro Tempore shall assume the duties of the Mayor. The Mayor Pro Tempore shall conduct the Council meetings and shall vote only as a member of the Council, not as Mayor Pro Tempore. In the event of a tie vote, the Mayor Pro Tempore shall not have a tie-breaking vote and Council vote shall be recorded as a negative or "nay" vote. With regards to the veto power, the Mayor Pro Tempore shall not have the power to veto acts of the City Council.

Notwithstanding any other provisions of this Charter, when a tie-vote exists for any cause, in order to break that tie, the Mayor shall have the same voting right as a member of the City Council for or against the item before the City Council. The Mayor's vote shall be deemed a City Council member's vote for all purposes, including the introduction or adoption of both ordinances and resolutions. (Effective 12/27/1995 and 12/11/1986)

Sec. 406. City powers vested in Council; exceptions.

All powers of the City shall be vested in the City Council except as otherwise provided in this Charter.

Sec. 407. Interference in administrative service.

Neither the Mayor nor the City Council nor any of its members shall interfere with the execution by the City Manager of his/her powers and duties, or order, directly or indirectly, the appointment by the City Manager or by any of the department heads in the administrative service of the City, of any person to an office or employment or their removal therefrom. Except for purpose of inquiry, the Mayor, the City Council and its members shall deal with the administrative service under the City Manager solely through the City Manager and neither the Mayor nor the City Council nor any member thereof shall give orders to any subordinates of the City Manager, either publicly or privately. (Effective 12/27/1995)

Sec. 408. Meetings.

The City Council shall hold regular meetings at least twice each month at such times as it shall fix by ordinance or resolution and may adjourn or readjourn any regular meeting to a date and hour certain which shall be specified in the order of adjournment and when so adjourned each adjourned meeting shall be a regular meeting for all purposes. If the hour to which a meeting is adjourned is not stated in the order of adjournment such meeting shall be held at the hour for holding regular meetings. If at any time any regular meeting falls on a holiday such regular meeting shall be held on the next business day.

Special meetings may be called in accordance with State law.

Meetings of City Council-appointed and Mayoral-appointed standing and ad hoc Council committees, regardless of the number of City Council members who might be on such committees, shall be open to the public and the time and place of such meetings shall be publicly announced at the City Council meetings prior to such committee meetings.

All meetings of the City Council conducted in closed session under the Ralph M. Brown Act (California Government Code Sections 54950 et. seq.) shall be audio recorded. The recording shall be confidential and shall be available for inspection only as permitted by state law. The recording shall be retained for a period of at least two years. (Effective 1/18/2005)

Sec. 409. Same--Location.

All meetings shall be held in the Council chambers in City Hall, or in such place to which any such meeting may be adjourned, and shall be open to the public. If, by reason of fire, flood or other emergency, it shall be unsafe to meet in the place designated, the meetings may be

RIVERSIDE CITY CHARTER

held for the duration of the emergency at such place as is designated by the Mayor, or, if the Mayor should fail to act, by four members of the City Council. (Effective 12/27/1995)

Sec. 410. Same--Quorum; proceedings.

A majority of the members of the City Council shall constitute a quorum to do business but a lesser number may adjourn from time to time. In the absence of all the members of the City Council from any regular meeting or adjourned regular meeting, the City Clerk may declare the same adjourned to a stated day and hour. Notice of a meeting adjourned by less than a quorum or by the clerk shall be given in the manner provided by State law.

Sec. 411. Same--Citizen participation.

Each citizen shall have the right, personally or through counsel, to present comments at any regular meeting of the Council, or a Council standing or ad hoc committee, or offer suggestions with respect to municipal affairs. (Effective 1/18/2005)

Sec. 412. Powers of Council and Mayor; additional.

The City Council shall judge the qualifications of its members as set forth by the Charter. It shall judge all election returns. It may establish, and uniformly apply rules for the conduct of its proceedings and evict any member or other person for disorderly conduct at any of its meetings.

The Mayor and each member of the City Council shall have the power to administer oaths and affirmations in any investigation or proceeding pending before the City Council. The City Council shall have the power and authority to compel the attendance of witnesses, to examine them under oath and to compel the production of evidence before it. Subpoenas shall be issued in the name of the City and be attested by the City Clerk. Disobedience of such subpoenas, or the refusal to testify (upon other than constitutional grounds), shall constitute a misdemeanor, and shall be punishable in the same manner as violations of this Charter are punishable.

All votes of the City Council shall be by recorded call vote and entered in the minutes of the meeting.

Sec. 413. Adoption of ordinances and resolutions.

With the sole exception of ordinances which take effect upon adoption, referred to in this Article, no ordinance shall be adopted by the City Council on the day of its introduction, nor within five days thereafter nor at any time other than at a regular or adjourned regular meeting. At the time of its introduction an ordinance shall become a part of the proceedings of such meeting in the custody of the City Clerk. At the time of adoption of an ordinance or resolution it shall be read in full, unless after the reading of the title thereof, the further reading thereof is waived by unanimous consent of the Council members present. In the event that any ordinance is altered after its introduction, the same shall not be finally adopted except at a regular or adjourned regular meeting held not less than five days after the date upon which such ordinance was so altered. The correction of typographical or clerical errors shall not constitute the making of an alteration within the meaning of the foregoing sentence.

Unless a higher vote is required by other provisions of this Charter, the affirmative votes of at least four members of the City Council shall be required for the adoption of any ordinance or resolution.

Any ordinance declared by the City Council to be necessary as an emergency measure for preserving the public peace, health or safety, and containing a statement of the reasons for its urgency, may be introduced and adopted at one and the same meeting if passed by at least five affirmative votes.

At any time before the adjournment of a meeting, the Mayor may, by public declaration

RIVERSIDE CITY CHARTER

spread upon the minutes of the meeting, veto any formal action taken by vote of the City Council including any ordinance or resolution, except an emergency ordinance, the annual budget or an ordinance proposed by Initiative petition. Thereupon, pending the vote to override the veto as herein provided, such ordinance, resolution or action shall be deemed neither approved nor adopted. The Mayor shall, no more than twenty days following the veto, provide to Council members, in writing, reasons for the Mayor's veto. If the Mayor fails to provide a written veto message within the time allotted, the original action of the Council shall stand. At any regular or adjourned meeting held not less than thirty days, nor more than sixty days after veto the City Council shall reconsider such ordinance, resolution or action and vote on the question of overriding the veto. Five affirmative votes shall be required for its adoption or approval. The Mayor shall have no right to veto the veto override of any ordinance, resolution or action.

All ordinances and resolutions shall be signed by the Mayor and attested by the City Clerk. (Effective 12/27/1995)

Sec. 414. Publication of ordinances.

The City Clerk shall cause to be published at least once in a newspaper of general circulation within fifteen days after its adoption the number, a title, a brief synopsis of the content of each ordinance and the Statement that a full copy of the ordinance is available in the office of the City Clerk.

Sec. 415. Codification of ordinances; adoption by reference.

Any or all ordinances of the City which have been enacted and published in the manner required at the time of their adoption, and which have not been repealed, may be compiled, consolidated, revised, indexed and arranged in a comprehensive ordinance code, and such code may be adopted by reference, with the same effect as an ordinance, by the passage of an ordinance for such purpose. Sec. 1109. Public works contracts.

Every project for the construction and/or improvement of public buildings, works, streets, drains, sewers, utilities, parks or playgrounds, and every purchase of supplies or materials for any such project, when the total expenditures required for the same exceed \$50,000 shall be let by the City Council or by the Board of Public Utilities pursuant to Section 1202(b), by contract to the lowest responsible bidder after notice by publication in a newspaper of general circulation within the City by one or more insertions, the first of which shall be at least ten days before the time for opening bids. Projects for the maintenance or repair of streets, drains or sewers are excepted from the requirements of this section if the City Council determines that such work can be performed more economically by a City department than by contracting for the doing of such work.

All bids shall be accompanied by either a certified or cashier's check, or a bidder's bond executed by a corporate surety authorized to engage in such business in California, made payable to the City, or such other form of bidder's security as the City Council establishes by ordinance. Such security shall be in an amount not less than that specified in the notice inviting bids or in an amount not less than ten percent of the aggregate amount of the bid. If the successful bidder neglects or refuses to enter into the contract, within the time specified in the notice inviting bids or in the specifications referred to therein, the amount of the bidder's security shall be declared forfeited to the City and shall be collected and paid into its general fund, and all bonds so forfeited shall be prosecuted and the amount thereof collected and paid into such fund.

The City Council or Board of Public Utilities pursuant to Section 1202(b) may reject any

RIVERSIDE CITY CHARTER

and all bids presented and may readvertise in its discretion.

The City Council, without advertising for bids, or after rejecting bids, or if no bids are received, may declare and determine that, in its opinion, based on estimates approved by the City Manager, the work in question may be performed better or more economically by the City with its own employees or the supplies or materials may be purchased more economically on the open market, and after the adoption of a resolution to that effect by at least five affirmative votes of the City Council may proceed to have said work done or said supplies or materials purchased in the manner stated, without further observance of the provisions of this section. Such contracts likewise may be let without advertising for bids if such work or supplies or materials shall be deemed by the City Council to be of urgent necessity for the preservation of life, health or property, and shall be authorized by resolution passed by at least five affirmative votes of the City Council and containing a declaration of the facts constituting such urgency.

Projects for the construction and/or improvement of any public utility operated by the City or for the purchase of supplies or equipment for any such utility may be excepted from the requirements of this section, provided the City Council so determines by at least five affirmative votes. (Effective 1/18/2005 and 1/6/2003)

Sec. 1110. Cash management.

Adequate cash shall be maintained to meet lawful demands of the City. Transfers and loans may be made by the City Council from one fund to another as may be required. (Effective 1/18/2005 and 12/27/1995)

Sec. 1111. Capital projects funds.

(a) Funds for capital projects are hereby created. Capital projects initiated by the City Council which only require approval by the City Council are provided for in subsection (b). Capital projects initiated by the City Council which also require approval by the voters are provided for in subsection (c).

(b) A City Council approved capital project fund shall remain for the established purpose and the appropriations therein shall carry over to the completion of each project, as set forth in Section 1104. When a capital project has been completed, the City Council may transfer any unexpended or unencumbered budget to any account similarly restricted.

To the extent permitted by law, the City Council may levy and collect taxes for capital projects and may include in the annual tax levy a levy for such purposes in which event it must apportion and appropriate to any such account or accounts the moneys derived from such levy. It may not, in making such levy, exceed the maximum tax rate provided for in this Charter, unless authorized by the affirmative votes of two-thirds of the electors voting on the proposition at any election at which such question is submitted.

(c) An account for a voter approved capital project shall remain inviolate for the purpose for which it was created unless the use of such funds for other capital project purposes was authorized by the electors voting on such proposition at the general or special election at which such proposition was submitted. The majority or super-majority for passage of a voter approved capital project will depend on the enabling legislation under which it is proposed. Notwithstanding the above, the proposition approving a capital project may be amended as provided in the proposition or the enabling legislation. (Effective 10/23/2012; 1/18/2005; 12/27/1995)

Sec. 1112. Registering warrants.

Warrants on the City Treasurer which are not paid for lack of funds shall be registered. All registered warrants shall be paid in the order of their registration when funds therefor are available and shall bear interest from the date of registration at such rate as shall be fixed by the City Council by resolution. (Effective 12/27/1995)

RIVERSIDE CITY CHARTER

Sec. 1113. Independent audit.

The City Council shall employ, at the beginning of each fiscal year, a qualified public accountant who shall, at such time or times as may be specified by the City Council, and at such times as such accountant shall determine, examine the books, records, inventories and reports of all officers and employees who receive, handle or disburse public funds and of such other officers, employees or departments as the City Council may direct. As soon as practicable after the end of the fiscal year, a final audit and report shall be submitted by such accountant to the City Council, with copies to be placed on file in the Office of the City Clerk and on the City's accessible website where they shall be available for inspection by the general public. At least every five years, the City Council shall employ a qualified public accountant different from the qualified public accountant who submitted the immediately preceding year's audit report. (Effective 10/23/2012 and 1/18/2005)

Sec. 1114. Use of design-build procurement for public works projects.

Notwithstanding any provision to the contrary in the California Public Contracts Code, in Charter Section 1109, or any other law or regulation of the City of Riverside, the use of design-build procurement by competitive negotiation is authorized. The City Council shall establish by ordinance regulations for the award, use and evaluation of such design-build contracts, in which the design and construction of public works project are procured from a single entity. (Effective 1/18/2005)

RIVERSIDE CITY CHARTER

ARTICLE XII. DEPARTMENT OF PUBLIC UTILITIES.

Sec. 1200. Created; management and control.

There shall be a Department of Public Utilities, which shall be under the management and control of the City Manager subject, however, to the powers and duties of the Board of Public Utilities as hereafter set forth in this Article. Said department shall be responsible for electric and water supplies, services and conservation and any other utility as determined by ordinance of the City Council, and shall include all works owned, controlled, operated, leased or contracted for by the City for supplying the City and its inhabitants with such utilities. (Effective 12/27/1995)

Sec. 1201. Board of Public Utilities--Composition; applicability of Article VIII of Charter.

There shall be a Board of Public Utilities. All of the provisions of Article VIII of this Charter relating to boards and commissions generally, to the organization, meetings, conduct of proceedings, and expenses thereof, and to the appointment, qualifications, term of office, removal, compensation and powers of members thereof, where not inconsistent with the provisions of this Article, shall apply to the Board of Public Utilities. (Effective 12/27/1995)

Sec. 1202. Same--Powers and duties.

The Board of Public Utilities shall have the power and duty to:

(a) Consider the annual budget for the Department of Public Utilities during the process of its preparation and make recommendations with respect thereto to the City Council and the City Manager.

(b) Authorize, and let public works contracts in compliance with Section 1109, within the limits of the budget of the Department of Public Utilities, any purchase of equipment, materials, supplies, goods or services, or any acquisition, construction, improvement, extension, enlargement, diminution, or curtailment of all or any part of any public utility system when the amount exceeds \$50,000, and authorize the City Manager, or his designee, to execute contracts or issue purchase orders for the same. This amount may be increased in \$1,000 increments by ordinance to account for inflation whenever the cumulative increase in the consumer price index exceeds \$2,000 from the last increase. No such purchase, or acquisition, construction, improvement, extension, enlargement, diminution or curtailment shall be made without such prior authorization.

Notwithstanding the above, such a purchase, or acquisition, construction, extension, enlargement, diminution or curtailment may be made without prior approval (1) for work done at the request of and at the expense of a customer, pursuant to rules established by the Board of Public Utilities and approved by the City Council, or (2) if there is an urgent necessity to preserve life, health or property (i) as determined by the Director of Public Utilities or, (ii) if the amount exceeds \$100,000 by the Director of Public Utilities and the City Manager. As soon as practicable thereafter, the Director of Public Utilities shall take the matter under Section 1202(b)(2) to the Board of Public Utilities for ratification.

(c) Within the limits of the budget of the Department of Public Utilities, make appropriations from the contingency reserve fund for capital expenditures directly related to the appropriate utility function.

(d) Require of the City Manager monthly reports of receipts and expenditures of the Department of Public Utilities, segregated as to each separate utility, and monthly statements of the general condition of the department and its [REDACTED]

(e) Establish rates for all utility operations as provided under Section 1200 including but not limited to water and electrical revenue producing utilities owned, controlled or operated by the City, but subject to the approval of the City Council.

(f) Authorize the Director of Public Utilities to negotiate and execute contracts with

RIVERSIDE CITY CHARTER

individual retail customers for water, electric and any other utility service as provided under Section 1200, consistent with rates for such individualized service established pursuant to Section 1202(e).

(g) Approve or disapprove the appointment of the Director of Public Utilities, who shall be the department head.

(h) Designate its own secretary.

(i) Make such reports and recommendations in writing to the City Council regarding the Department of Public Utilities as the City Council shall deem advisable.

(j) Exercise such other powers and perform such other duties as may be prescribed by ordinance not inconsistent with any of the provisions of this Charter. (Effective 1/18/2005 and 1/6/2003)

Sec. 1203. Purchases and expenditures generally; exemption from centralized purchasing system.

The purchase of equipment, materials and supplies peculiar to the needs of the Department of Public Utilities need not be made through the centralized purchasing system. The expenditure and disbursement of funds of the Department of Public Utilities shall be made and approved as elsewhere in this Charter provided.

Sec. 1204. Use of revenue.

The revenue of each public utility for each fiscal year shall be kept separate and apart from all other moneys of the City by deposit in the appropriate revenue fund and shall be used for the purposes and in the order as follows:

(a) For the payment of the operating and maintenance expenses of such utility, including any necessary contribution to retirement of its employees.

(b) For the payment of interest on the revenue bonded debt of such utility. As used in this section "revenue bonded debt of such utility" means the debt evidenced by revenue bonds, revenue notes or other evidences of indebtedness payable only out of the revenues pertaining to the utility involved, whether the same are issued under the provisions of this Charter or under the provisions of any general law of the State of California.

(c) For the payment, or provision for the payment of the principal of said debt as it may become due, and of premiums, if any, due upon the redemption of any thereof prior to maturity.

(d) For the establishment and maintenance of any reserves for B and C above.

(e) For capital expenditures of such utility.

(f) For the annual payment by each utility into the general fund in twelve equal monthly installments during each fiscal year, an amount not to exceed 11.5 percent of the gross operating revenues, exclusive of surcharges, of each specific utility for the last fiscal year ended and reported upon by independent public auditors.

Sec. 1204.1 Water utility revenue.

The revenue of the water public utility for each fiscal year shall be kept separate and apart from all other moneys of the City by deposit in the appropriate revenue fund and shall be used for the purposes and in the order set forth in Section 1204 and for the annual payment by the water utility into the general fund in twelve equal monthly installments during each fiscal year, an amount not to exceed 11.5 percent of the gross operating revenues, exclusive of surcharges, of the water utility for the last fiscal year ended and reported upon by independent public auditors. The proceeds shall be used to maintain local general purposes as the City Council may by budget or other appropriation direct such as 9-1-1 response, police patrols/fire protection, children's after-school and senior/disabled services, and protect supplies of clean drinking water from contamination. (Effective 8/7/2013)

RIVERSIDE CITY CHARTER

Sec. 1205. Sale of public utility.

No public utility now or hereafter owned or controlled by the City shall be sold, leased or otherwise transferred unless authorized by the affirmative votes of at least two-thirds of the voters on such proposition at a general or special municipal election at which such proposition is submitted.

RIVERSIDE CITY CHARTER

ARTICLE XIII. FRANCHISES.

Sec. 1300. Requiring; granting generally; applicability to City-owned utility.

Any person, firm or corporation furnishing the City or its inhabitants with transportation, communication, terminal facilities, water, light, heat, electricity, gas, power, refrigeration, storage or any other public utility or service, or using the public streets, ways, alleys or places for the operation of plants, works or equipment for the furnishing thereof, or traversing any portion of the City for the transmitting or conveying of any such service elsewhere, may be required by ordinance to have a valid and existing franchise therefor. The City Council is empowered to grant such franchise or not, and to prescribe the terms and conditions of any such grant. It may also provide, by procedural ordinance, the method of practice and additional terms and conditions of such grants, or the making thereof, all subject to the provisions of this Charter.

Nothing in this section, or elsewhere in this Article, shall apply to the City, or to any department thereof, when furnishing any such utility or service.

Sec. 1301. Resolution of intention to grant; notice and public hearing.

Before granting any franchise, the City Council shall pass a resolution declaring its intention to grant the same, stating the name of the proposed grantee, the character of the franchise and the terms and conditions upon which it is proposed to be granted. Such resolution shall fix and set forth the day, hour and place when and where any persons having any interest therein or any objection to the granting thereof may appear before the City Council and be heard thereon. It shall direct the City Clerk to publish said resolution at least once, within fifteen days of the passage thereof, in a newspaper of general circulation within the City. Said resolution shall be published at least ten days prior to the date of hearing.

At the time set for the hearing, or at any adjournment thereof, the City Council shall proceed to hear and pass upon all protests and its decision thereon shall be final and conclusive. Thereafter it may by ordinance grant the franchise on the terms and conditions specified in the resolution of intention to grant the same, subject to the right of referendum of the people, or it may deny the same. If the City Council shall determine that any substantive change should be made in the terms and conditions upon which the franchise is proposed to be granted, a new resolution of intention shall be adopted and like proceedings had thereon.

Sec. 1302. Term of franchise.

Every franchise shall state the term for which it is granted, which shall not exceed thirty-five years.

Sec. 1303. Eminent domain.

No franchise grant shall in any way, or to any extent, impair or affect the right of the City to acquire the property of the grantee thereof either by purchase or through exercise of the right of eminent domain, and nothing therein contained shall be construed to contract away or to modify or to abridge, either for a term or in perpetuity, the City's right of eminent domain with respect to any public utility.

MEMORANDUM

Re: Update: hostile work environment complaint

As an update to my memorandum of 04/14/14, I have the following information:

04/14/14 (see attached email): [REDACTED] emailed me with his concerns regarding statements made during Councilmember Davis' CAG meeting of 04/09/14; during this meeting Councilmember Davis referenced the investigation of [REDACTED] and [REDACTED] pointed out that any retaliation planned by Councilmember Davis as a result of the previous whistleblower complaint would constitute "illegal retaliation".

04/15/14: Councilmember Davis asked to see me when I finished a meeting with my staff. I went to his office at approximately 2:44 pm, and when I walked in I observed that his face was red and he appeared angry. I said "You wanted to see me?" to which Councilmember Davis replied "I am angry. I was just pigeonholed into a meeting with some investigator when I thought that it was going to be an industrial psychologist. This is going to end, Scott. You should have told me what this meeting was about and it time for a change; it is time for you to go. I know what I can say publically and I'm going to say it." I said to Councilmember Davis "You are correct, your behavior towards me is going to change" and I left Councilmember Davis' office.

This continuing practice of threatening to fire me, criticizing me for actions that I had no part in (I did not schedule the meeting with the investigator- it was scheduled by the Mayor's Office), and becoming angry and raising his voice to me is a perpetuation of Councilmember Davis creating an unacceptable, hostile work environment.

Subject: CASABLANCA ACTION GROUP MEETING

Mr. Barber

I have already shared with you information received from [REDACTED] regarding some comments made by Councilmember Paul Davis during the Casablanca Action Group on April 9, 2014. One of the comments attributed to the councilmember particularly troubled me. That remark had to do with some action that Councilmembers Davis and [REDACTED] are contemplating against [REDACTED] as a result of a complaint made against [REDACTED] for administrative interference in the running of City operations. I have previously brought to your attention that I believe [REDACTED] has acted inappropriately in undermining the authority of [REDACTED] by telling a key member of the staff of the RPD (a [REDACTED]), that he [REDACTED] had the votes to get rid of the city manager and [REDACTED]. If, in fact, Councilmember Davis is now contemplating some action against any city employee (including the city manager and [REDACTED]), based on my reporting of misconduct about [REDACTED], I believe that qualifies as illegal retaliation. Based on my training and experience retaliation occurs when any adverse personnel action is taken by an employee for exercising a right or engaging in protected activity. My complaint against the councilman of violating the City Charter is a protected activity as I understand that term to be defined.

COUNCILMEMBER PAUL DAVIS,

a witness herein, testifies as follows:

-EXAMINATION-

BY MR. GUMPORT:

Q. Please state your name, sir.

A. Paul Davis.

10:37 Q. And you're accompanied by certain people. Why
don't they identify themselves on the record.

MR. POTTS: My name is James W. Potts. I'm the
authorized representative on behalf of Mr. Davis.

MR. STOUT: Zaylore Stout. I'm with the office of
10:37 James W. Potts, LLC, and I will just be observing
today.

MR. GUMPORT: My name is Leonard Gumport of
Gumport Mastan. I'm an attorney for the City of
Riverside in connection with an investigation that I'm
10:37 doing.

Councilmember Davis, I'd like to describe some
procedures I propose to follow in this interview. If
you and your advisor would let me know whether those
procedures are acceptable, then we'll proceed further
10:37 with the interview.

1 10:38 And I'd ask the reporter to listen very
2 carefully to these procedures because they apply to the
3 court reporter as well.

4 First, this is not a deposition. The
5 10:38 testimony is not sworn. It's an interview that is
6 being transcribed by the court reporter. The cover
7 page is to be labeled "Confidential Interview of City
8 of Riverside Councilmember Paul Davis, Confidential and
9 Privileged."

10 10:38 Next, although this is a confidential and
11 privileged interview, my client is the City of
12 Riverside, and it decides whether the transcript of
13 this interview stays confidential and privileged; so
14 the city council could decide that the transcript will
15 10:38 be made public.

16 This is a voluntary interview, and for that
17 reason, anytime, Councilmember Davis, that you or your
18 counsel want to go off the record, just raise your
19 hand. The court reporter is not to indicate that a
20 10:39 hand has been raised.

21 I'm not here to make a record that someone
22 decided that they didn't want to have a specific
23 question answered or that they wanted it clarified or
24 something like that. I'm here only to get what someone
25 10:39 is truly willing to put on the record and have

3 Is all of that acceptable so far?
4 A. Yes.
5 10:39 MR. POTTS: Yes, it is.
6 BY MR. GUMPORT:
7 Q. Okay.
8 Because my client is the City of Riverside,
9 you have to keep in mind I'm not your lawyer; so if for
10 10:40 any reason, Councilmember Davis, you think, gee, I
11 need to have a discussion with my lawyer about
12 something, I think -- you are absolutely free to stop
13 the interview or pause the interview. And at a minimum
14 what you should do or what your counsel should do is
15 10:40 raise their hand. No record will be made of that, and
16 we will suspend, pause or terminate the interview.
17 Do you understand that?
18 A. Yes.
19 Q. I have asked for only one hour of your time,
20 10:40 and I'm going to hold myself to that limit. If I go
21 over that limit, I apologize in advance and will
22 appreciate your cooperation in that regard.
23 Is there any reason why we can't get into the
24 substance of the interview at this point?
25 10:40 A. No.

2 Councilmember Davis, some of the questions I
3 am going to ask you have obvious answers, and because I
4 am only going to rely on what witnesses tell me on the

6 ask you some of those matters so that we do have a

8 Would you please state your current position
9 with the City of Riverside?
10 10:41 A. I'm the elected official representing Council
11 Ward 4.
12 Q. When were you last elected?
13 A. June of 2013.
14 Q. When did you first meet Scott Barber?
15 10:41 A. I don't know the exact date. Prior to him
16 becoming the City Manager, he was -- I can't remember
17 what he did other than code enforcement, and I would
18 say maybe about a year or two after I was elected in
19 2009.
20 10:41 Q. In June of 2013, when you were elected, which
21 ward were you elected the councilmember for?
22 A. 4.
23 Q. In June of 2013, was Scott Barber the City

9 A. I don't recall.
10 10:42 Q. Would it be in 2013?
11 A. Yes, probably.
12 Q. Okay.
13 Would it be in late 2013? By that, I mean
14 after June 2013.
15 10:42 A. Well, I imagine if the opinion was formed in
16 2013, it would have carried forth throughout the entire
17 year.
18 Q. Was there some point where you formed the
19 opinion that Scott Barber was not performing his
20 10:43 functions as City Manager adequately?
21 A. Restate the question.
22 Q. At some point did you form the opinion that
23 Scott Barber wasn't doing an adequate job as City
24 Manager?
25 10:43 A. Yes.

1 10:43 Q. Was there something in particular that led you
2 to form that opinion?

3 A. There was one -- not one individual "things."
4 There's multiple.

5 10:43 Q. At some point in 2013, did you participate in
6 an annual review of Scott Barber's performance?

7 A. Yes. On probably more than one occasion.

8 Q. Can you pinpoint with any kind of certainty
9 when those annual reviews in 2013 were?

10 10:43 A. I cannot. They -- the mayor pro tem is
11 directed by the majority of the council schedule. They
12 can happen this month and again next month and then not
13 in for three months. It varies.

14 Q. Okay. Let me try to focus on the period, the
15 10:44 last quarter of 2013, say, October through
16 December 2013.

17 Had you expressed to Scott Barber deficiencies
18 you thought he had in the way he was doing his job?

19 A. I am sure that I had.

20 10:44 Q. Okay.

21 A. We will have conversations from time to time.

22 Q. Okay.

23 And in that time period, had you decided that
24 it would be best to have Scott Barber replaced as City

25 10:44 Manager?

2 Q. When did you, if ever, first arrive at that

3 conclusion?

4 A. Probably, I would say, about February, March

5 10:44 of this year --

6 Q. Okay. Two thousand --

7 A. 2014.

8 Q. So prior to 2014, you had not formed a

9 conclusion that Scott Barber should be replaced as City

10 10:45 Manager?

11 A. Not a definitive conclusion.

12 Q. What about a tentative conclusion in 2013?

13 Did you have a tentative conclusion that he should be

14 replaced?

15 10:45 A. I wouldn't say replaced. There were

16 significant issues which "was" addressed by all the

17 members of the "councils," and we had given him an

18 opportunity to make those deficiencies better. And at

19 that point in time, you have opinions, but you also

20 10:45 have opportunities to fix those issues, and then you

21 move forward.

22 Q. Do you know whether there was any kind of

23 annual review of Scott Barber in 2013 where in

24 substance he was told something like, "you have these

25 10:45 deficiencies. If you don't fix them, it may be the end

4 Q. All right.

5 10:46 During 2013 -- and I'm focused now on the last
6 quarter of 2013, October through December 2013, did you
7 talk to any City employees -- and I'm excluding your
8 field representative, and I'm excluding Scott Barber
9 from this question -- did you talk to any City
10 employees during that time where you expressed
11 criticism of Scott Barber's performance as City
12 Manager?

13 A. Not that I recall.

14 Q. Okay.

15 10:46 Now, I'm going to focus on a couple of
16 specific communications where you may or may not have
17 had them. So the reader of this transcript shouldn't
18 infer from any question that I ask that, in fact,

8 A. Yes.
9 Q. About when did those communications occur?
10 10:51 A. I don't recall the exact month. But Major
11 League Baseball approached me. I believe -- it may be
12 in January, and we had a piece of property they were
13 interested in.
14 Q. Where was that piece of property?
15 10:51 A. That's directly in my district. It's 60 acres
16 which actually is controlled by JPA, but the community
17 of Orangecrest wanted a lawsuit over the DHL, and it's
18 directly behind the Grove Community Church off of Grove
19 Community Drive.
20 10:51 Q. So is the property in your ward or next to
21 your ward?
22 A. Technically it's next to my ward, but in the

24 kind of bizarre because we share boundaries and so

1 10:52 Q. Were your discussions with Mr. [REDACTED] about
2 this property on the subject of annexing it?
3 A. I believe that we talked about possibilities.
4 The question was to not only "her," but to Scott Barber
5 10:52 as well as to the entire Economic Development
6 Department is: How can this happen? What are the
7 rules surrounding the annexation, or is it better for
8 JPA to do the project, and other avenues became
9 apparent to us and more questions were asked.

11 discussions with Scott -- excuse me, did the
12 discussions [REDACTED] [REDACTED] on the subject of this

16 chamber of commerce, and at that point in time, they
17 were probably referred to [REDACTED] decision because they

6 could have possibly happened.

7 Q. Did you have any telephone or face to face
8 conversation with [REDACTED] in 2014 where you
9 expressed the view that you were dissatisfied with
10 Scott Barber's performance as City Manager?

11 A. No.

12 Q. Did you have any face-to-face or telephone

14 you used profanity in connection with a discussion of

2 Riverside, and that's all I've ever stated.

3 Q. Okay.

4 Who have you said that to? And excluding the
5 10:55 people that I've excluded.

6 A. Oh, I don't know. At least four community
7 meetings, when asked and also was stated and then at
8 least two, maybe three invited meetings of various
9 groups, like the group The Latino Network, and they
10 10:55 invite you to speak and speak on specific subjects.

11 Q. And tell me if this is an accurate statement:
12 In connection with all of those meetings, at the
13 beginning of the meeting or at some point in the
14 meeting, you asked for City staff to be excused before
15 10:56 you expressed those views?

16 A. No. Only on one occasion was City staff
17 excused, but we did not discuss Scott Barber.

18 Q. Let's talk about the meetings where City staff
19 was not asked to be excused?

20 10:56 A. City staff was not present at all, except for
21 on one occasion, and really technically she wasn't City
22 staff.

23 Q. Let's talk about that, the first occasion that

1 10:56 confidence in Scott Barber. I think that's the
2 substance of what you said. What's the first such
3 meeting?
4 A. I can't recall the exact meeting. I attend 30
5 10:57 meetings a month. I don't know the answer to that
6 question.
7 Q. Can you pinpoint the year?
8 A. It would be 2014.
9 Q. So 2014, what's the earliest of the meetings
10 10:57 that you referred to that you expressed a view that you
11 did not have confidence in Scott Barber's performance?
12 A. Probably late March, April. Maybe later.
13 Q. Okay.
14 What's the -- what was the group you were
15 10:57 meeting with?
16 A. It could have been the Latino Network, the
17 group. That's the actual name. The Villegas Park
18 Advisory, it could have been them. I don't recall if
19 we did or did not discuss that. The Casa Blanca
20 10:57 Community Action Group.
21 Q. And are you confident there were no City
22 employees at these meetings?
23 A. In the -- yes.
24 Q. Why are you confident of that?
25 10:58 A. Well, because I know the City employees. As

1 10:58 far as, you know, if one of them was there and they
2 walked in, you know, then they may have heard that, you
3 know. There -- this is a public, you know, meeting.
4 If they walk in, that's their position.
5 10:58 If I see an employee and we're going to
6 discuss something that may be objectionable to them
7 because they work for this person, I will warn them
8 first, say, hey, you know, I have been asked to discuss
9 this with this particular group, and, you know, I'm
10 10:58 giving you a heads-up. If you feel uncomfortable, you
11 may not want to stick around. It's your choice. It's
12 out of courtesy and professionalism.
13 Q. So here's something I would like to try to
14 pinpoint if I can.
15 10:58 A. Uh-huh.
16 Q. I'm trying to find out whether there's a
17 meeting you went to where there would be a City
18 employee, not including Scott Barber or people in the
19 City Manager's office present where you're saying, I
20 10:59 don't have confidence in Scott Barber as a City
21 Manager.
22 And I'm wondering if you can tell me with a

1 10:59 no such City employee present when you said, I don't
2 have confidence in Scott Barber's performance?
3 A. On one occasion [REDACTED] was present.
4 She was warned prior to the meeting that this is what I
5 10:59 have been asked to discuss. I'm on the calendar to do
6 so with the group and that this is the gist of the
7 discussion. And in that discussion, I cannot recall
8 specifically -- well, I told her, you may not feel
9 comfortable, because she was there by herself. But
10 10:59 she's also a [REDACTED]; so -- for [REDACTED]
11 [REDACTED]. So I don't know if she qualifies under that
12 particular aspect. So -- but out of courtesy, because
13 she's a really great person, that I warned her, prior
14 to going in, that this is what I have been asked to
15 11:00 speak on.
16 I cannot recall specifically stating in that
17 meeting, because it was actually over this specific
18 investigation as well as the [REDACTED]
19 investigation, you are aware of, as well as this
20 11:00 so-called second investigation that apparently a
21 subject no longer of, and that's what they had asked me
22 to discuss because, even though it may be a larger
23 city, if you will, it's a small city. People hear
24 things, and even staff from the highest level has the
25 11:00 loosest lips, and things get out, and they want to

2 And so out of professional courtesy, if I see
3 that there is staff, I will warn them that this is the
4 conversation details or elements and that they may or
5 11:00 may not feel comfortable.

6 If I'm going to specifically speak on a
7 subject that I think that staff -- City staff, whether
8 it would be about Scott Barber or the mayor or another
9 member of the council, I would ask staff to leave, and
10 11:01 I did do that on one occasion.

11 Q. Is your view that it's not in some way
12 interfering with the city manger's ability to do his
13 job for you to tell members of the public your candid
14 view that you don't have confidence in him?

15 11:01 A. Right. Is it -- say that again.

16 Q. Is it interfering improperly in some way,
17 shape, or form in your mind with Scott Barber's ability
18 to function as the City Manager for you to tell members
19 of the public, not including --

20 11:01 A. Sure.

21 Q. -- City employees, I just don't have
22 confidence in the City Manager?

23 A. No. I have the ability as the elected member
24 to say that; however, it has to be crafted very

25 11:02 carefully not to violate his -- his rights under the

2 is the statement -- not only was it in the newspaper, I
3 have the authority to make -- anybody can make that
4 statement.

5 11:02 If he feels that it interferes, well
6 unfortunately that's the way it works. You've got to
7 get a little thicker skin because that's how it works.

8 Q. So let me just explore this with you a little
9 bit.

10 11:02 A. Uh-huh.

11 Q. In your mind is it appropriate to go to
12 subordinates -- I'm not saying that you did, but is it
13 appropriate to go to subordinates of Scott Barber and
14 tell them, I don't have confidence in the City Manager?

15 11:02 A. I don't think it would be appropriate. It
16 also depends on the context of any conversation. If
17 they are attending a meeting and they happen to
18 overhear even a conversation that they weren't a part
19 of and hear that, that really is kind of unfortunate

20 11:03 that they're eavesdropping. Could that have happened?
21 It's possible. I don't know if it has happened or not.

22 But at no time if I had gone to you -- I mean,

5 11:05 Q. Is his name something like Garfunkel?

6 A. Something like that, yeah.

7 Q. And what was the basic, vague outline of the
8 project that was under consideration?

9 A. Well, it really wasn't even under
10 11:05 consideration. It was more inquiry. Major League
11 Baseball came to us and identified us and
12 San Bernardino as two primary locations. Actually they
13 were looking at another piece of property, but the
14 property was not rail accessible for the Metrolink. It
15 11:05 was not easily -- you could not get to it easy, and
16 also the property was being considered for a soccer

18 blue. Derrel Thomas lives in my district, and they
19 know I'm a major league base -- major baseball fan and
20 11:06 so forth like that; so they wanted to discuss it.

21 There in the initial discussion, which

3 from Riverside and wanted to have one in Riverside, not
4 San Bernardino.

5 11:06 But San Bernardino, of course, they are very
6 aggressive, and so I had suggested the 60 acres of
7 property which we had, which was supposed to be
8 developed into, like, a regional sports complex between
9 us and the County, that they might want to look at
10 11:06 this. And then on my iPad, I brought up the aerials
11 from Google Maps. They liked it at that point in time.
12 They wanted to get some more information on it. They
13 were going to take this back to Major League Baseball,
14 that division and have a chat to see if they had an
15 11:07 interest. And that's how it all began.

16 It then mushroomed from there. They asked for
17 a meeting with the City so I can really turn it over to
18 the City.

19 █████ asked members of the city council -- or
20 11:07 not city council but the City staff, would they attend
21 this meeting to kind of discuss what the possibilities
22 are and how it all works.

23 Prior to that, there was a meeting or
24 discussion that I had with the City Manager as well as
25 11:07 the Chamber of Commerce because this is a really big

1 11:07 event if we can pull it off.

2 Then this newspaper got wind. You know, we
3 talked about this, and they wanted to know about it,
4 and, you know, I let them know that this is all

5 11:07 preliminary, we are just kind of exploring
6 possibilities of how this would work and the cost. And
7 I made it very clear whenever I met with them --
8 certainly when the City staff met with them as well --
9 we have no money, and Major League Baseball doesn't
10 11:08 want any money. They are going to fund 100 percent of
11 everything. They just need the dirt, and that's what
12 they are looking for.

13 And, of course, this site was identified as
14 the No. 1 site because of now Metrolink rail being
15 11:08 built for us right up the street. Alessandro was
16 widened. It's in a perfect location. Some issues
17 probably with some noise with some residents behind
18 them. But they did the plot plan and everything
19 else -- that they had put together quickly and showed
20 11:08 everyone else was quite intriguing. So -- and that's
21 where it left. And it was in the hands really of City
22 staff at that point in time because that's what they
23 do. And we just, as far as myself [REDACTED] primarily
24 through [REDACTED] we'll just monitor, Hey, what's going on?
25 11:08 And that's it.

2 A. Yes.
3 Q. And her full name is?
4 A. [REDACTED].
5 11:08 Q. Did you have any discussion with anyone about
6 the preparation of an MOU for this project?
7 A. No. What happened was is San Bernardino got
8 wind, because the newspaper article, that we had a more
9 superior site. And this is what was told me to me by
10 11:09 the consultants, and, of course, they started -- they
11 threw out a bid before it was even asked for. And
12 then, I guess, a few weeks later -- they didn't have a
13 response -- they threw out a better bid than the first
14 bid. So they started bidding against themselves to
15 11:09 really attract, you know, away from the No. 1 site,
16 which at that point in time was the Orangecrest site.
17 But there was some discussion. When it was
18 shared with me, I shared it with Scott, what happened
19 on this whole business, and I can't recall if [REDACTED]
20 11:09 [REDACTED] was in the meeting or there was another
21 meeting. But it was kind of laughable that they would
22 bid against themselves because they wanted it that
23 badly 'cause they knew the -- the money at stake here,
24 the economic development money, was significant.
25 11:09 Q. So did San Bernardino's interest in this -- in

1 11:10 a competing project essentially kill this project?
2 A. No.
3 Q. So what's the status of the project now?
4 A. I have no idea. It's -- the issue is lack of
5 11:10 communication, and it's always been and always will be.
6 Q. And when you say "lack of communication," with
7 whom, about what?
8 A. Scott Barber will not "communicate me" with --
9 on any subject ever since he's been here.
10 11:10 Q. Okay.
11 And is that one of the reasons you have a lack
12 of confidence in his job performance?
13 A. That is one of them.
14 Q. Okay.
15 11:10 And let's just go into that now. Why do you
16 have a -- why do you have a lack of confidence in Scott
17 Barber's job performance as City Manager?
18 A. Well --
19 Q. All right. Let's go off the record.
20 11:10 (Pause.)

22 Q. I am going to withdraw the question I asked

1 11:13 Q. And is this paragraph that begins with the
2 words "60-acre sport park by MLB," is that about the
3 Major League Baseball project we have been --

4 A. Yes.

5 11:13 Q. -- discussing in this interview?

6 Was a feasibility study being done in
7 February 2014 about that facility?

8 A. I know the Major League Baseball was doing
9 one.

10 11:13 Q. Okay.

11 Was anyone at the City doing such a study?

12 A. Not that I'm aware that they were completely
13 doing when they were looking at...

14 In the meeting, they discussed the Major

15 11:14 League Baseball park -- with Major League Baseball,
16 there's several staff members there, that they agreed
17 to both look at the possibilities and see if it's
18 feasible, and if it is feasible as far as how we would
19 work -- the question really was: JPA owned the land.

20 11:14 Is it better for JPA to do the project if it's chosen,
21 and would the JPA board members -- would they be
22 interested in it at that point in time?

23 After that, I did discuss it with several of
24 them. They were very interested. Then also with --

25 11:14 they wanted to see about the utilities because that's

COUNCILMEMBER PAUL DAVIS - 5/29/2014
CONFIDENTIAL AND PRIVILEGED

Page 32

1 11:14 the big issue. If you go with JPA, JPA only has Edison
2 because that's serviced by Edison. Edison would not
3 and will not relinquish any power poles to anybody.
4 We've been there, done that. There just -- the greed
5 11:14 is pretty significant, and they're much more expensive
6 than City of Riverside.
7 One of the things expressed to us at Major
8 League Baseball, the consultants conveyed to us, is
9 that this would be one of their first green facilities,
10 11:15 meaning use of solar; LED lighting; the fake grass, if
11 you will; purple pipe from Western Municipal Water.
12 And so we had -- in that meeting was discussed on all
13 these issues as to, you know, even though Major League
14 Baseball is providing all the infrastructure -- the
15 11:15 cost, money 100 percent -- they -- they made it very
16 clear, all we are interested in is the dirt, because of
17 the location of it was central to their mission, which
18 was to serve the youth of all walks of life and income
19 and to teach not only the youth but also softball, for
20 11:15 girls softball. And it draws from all of the Inland
21 region all the way out to Palm Springs, maybe in as far
22 as Blythe, out past Pomona, Covina and so forth, as
23 opposed to now all of them have to go down to East Los
24 Angeles.
25 11:16 So that's why the site, when they did their --

Page 33

1 11:16 the geography on it, it was the ideal site on this
2 second meeting; so they wanted to do a feasibility to
3 see if they can get the folks who make the decision
4 maker -- I can't recall his name -- but he is from
5 11:16 Riverside, as a matter of fact from my district and who
6 wanted it in Riverside, and that was his ultimate
7 goal -- to get his boots on the dirt -- on the ground
8 to take a walk-through rather than just looking at
9 pictures and so forth.
10 11:16 And as a result of that, that's what they were
11 talking about as far as is it feasible? Can this
12 happen? If it can happen, then how would it happen?
13 What are the rules of engagement, if you will?
14 If JPA would have an interest and it was
15 11:16 discussed with Lori and how that would work. At that
16 point in time -- there are a couple of emails; you
17 probably found them -- we are asking, what's going on?
18 We don't know. Because why? We step back, and my job
19 is to do the introduction, economic development -- is
20 11:16 do the introduction. Let's see what happens now and
21 make sure that the dialogue continues and so forth so
22 that we don't have San Bernardino issue a third or
23 fourth unbelievable bid to where they'll bend over
24 backwards and importing anything they have to do to
25 11:17 make the project happen. You've really got to be

2 Q. Did Scott Barber ever get an order from you
3 that he said he would not comply with?

4 A. In reference to the sports park?

5 11:17 Q. First in reference to the sports park?

6 A. No. I think in the sports park he was -- he
7 made it very clear he's on board, and let's see what we
8 can do and see if we can make this happen because it --
9 again Major League Baseball, my understanding, is a

10 11:17 \$50 million investment for them. City of Riverside,
11 zero. We get all the economic benefit with no outlay.
12 You can't get a better investment than that. And we
13 all understood, even the chamber understood that; so we
14 were willing to take a listen to anything that anyone
15 11:18 had to provide to us and then also work within those
16 scopes of how we can make this happen.

17 When it was discussed with Supervisor Kevin
18 Jeffries, that was his thing. Well, is it better for
19 us as JPA? Because he was in JPA and still is on JPA
20 11:18 and I'm only an alternate member -- and to work with
21 the County as well because the County is involved with
22 this -- to say, how we can get this in the City of
23 Riverside, County of Riverside? Is it better with JPA,
24 or is it better with the City of Riverside? And
25 11:18 because it comes down to the cost of the utilities.

18 Q. Is this a copy of an email that you sent on or

20 11:19 A. I would have sent this email because you
21 printed it out. Scott Barber, it looks like he printed

2 Q. Do you recall writing this email?
3 A. Yes.
4 Q. By this time, would it be accurate to state
5 11:20 that you had doubts about Scott Barber's job
6 performance?
7 A. Yes.
8 Q. Okay.
9 And what had led you to have those doubts as
10 11:20 of November 8, 2013?
11 A. Well, I don't remember the exact conversation.
12 It looks like parts of this email are missing. Well,
13 this is in reference to [REDACTED] And it is a
14 continuum, ongoing issue with the City of Riverside.
15 11:21 Q. Do you recall what those issues were?
16 A. Oh, it's pretty elongated.
17 Q. Was there something about the way Scott Barber
18 and his assistant city managers were handling employee
19 matters that was causing you to have doubts about how
20 11:21 they were doing their job?
21 A. Well, yes. It's stated, "This is an
22 evaluation" -- let's see here. It goes from bottom up.
23 That's right. I forgot. They reverse this.
24 Let's see here. On November the 7th,
25 11:22 7:43 a.m., I sent a message out asking that the matter

HUTCHINGS LITIGATION SERVICES - GLOBAL LEGAL SERVICES

Page 37

1 11:22 of the [REDACTED] because there was a lot of code of
2 ethics issues that were -- he's alleging and so forth,
3 and then -- this issue is still ongoing. And it
4 does -- it does include the City Attorney, and it's
5 11:22 still ongoing right now. So I don't know how to answer
6 your question because -- yeah. This is going to be a
7 big issue for the City, and I really don't want to talk
8 about that because of the fact that it is closed
9 session issues and will be closed session issues; so
10 11:22 I've got to make sure I'm real careful in what I say
11 and how I respond to your question.

12 Q. Okay. Fair enough.

13 Let me ask you a slightly different question.
14 There's a comment in the email at the top of the first
15 11:23 page about "Otherwise, let's have this conversation in
16 public view."

17 A. Yes.

18 Q. What were you intending to say by that
19 statement?

20 11:23 A. It's really directed more toward [REDACTED]
21 [REDACTED]. They have a tendency to want to not
22 air their dirty laundry as been quoted by at least one
23 of them named on here.

24 Well, I disagree with you. Matters of public
25 11:23 need to be carried out in public, and that is a matter

COUNCILMEMBER PAUL DAVIS - 5/29/2014
CONFIDENTIAL AND PRIVILEGED

Page 38

1 11:23 of fact. That's what we are hired to do, not to hold
2 things in secret because we have a little dirty laundry
3 that the public should not know. The public needs to
4 know what their elected officials have been doing and
5 11:23 how they have been doing it.

6 To say we don't want to air our dirty laundry
7 is not appropriate, and that's an issue. If they are
8 saying that, gee, you can't have a discussion about the
9 City Manager outside of an evaluation for the City

10 11:24 Manager, that's absurd. I can have any discussion I
11 want with the City Manager in private and so forth and
12 ask questions.

13 So the question was: In the matters in which
14 this -- [REDACTED] has alleged between

15 11:24 the assistant manager, the City Manager and the City
16 Attorney in the complaints that we just recently
17 received, yeah, that needs to be discussed because it
18 puts significant potential liability against the City
19 and, of course, the citizens' fund, which we are sworn
20 11:24 to protect the citizens' funds.

21 Q. Sometimes what happens in an investigation is
22 different people give different accounts of various
23 events that have happened?

24 A. right.

25 11:24 Q. And sometimes what I have to do is sort

1 11:24 through the different accounts and figure out, well, is
2 someone remembering something differently? Does
3 somebody have an agenda or ax to grind or whatever?
4 I've asked you about discussions you had with
5 11:25 [REDACTED]. And let's assume hypothetically that
6 [REDACTED] has a different recollection of
7 communications she had with you, and I'm not saying she
8 did or she can't, but would she have any possible
9 motivation that you can think of or reason for
10 11:25 misperceiving or giving me a different account from
11 you?
12 A. I don't know the answer to that question, and
13 as far as I am concerned, [REDACTED] is a good person. You
14 know, she's a squared away person. The people of Casa
15 11:25 Blanca like her, and that's who I work for and so
16 forth.
17 I don't know the answer to that question. I
18 mean her -- we can talk about personal relationships,
19 you know, but I don't know if that really plays into
20 11:26 this particular discussion, and I don't know that we
21 should even go into her personal relationship, not only
22 with the City Manager but with the city manger's wife.
23 So having said that, why she is brought into
24 this, I don't know at all because it's -- it's rather

7 Is there -- can you give me a possible reason
8 as to why that may have occurred or would the answer

12 extraordinary hires that the city manger has made.

5 11:28 A. Not that I'm aware of.

6 Q. Okay.

7 Has there ever been a vote by the city

12 Q. Okay.

13 Shifting back to the last few questions I have
14 --

15 11:28 A. Okay.

16 Q. -- with respect to this other investigation
17 I'm handling. Did Scott Barber ever tell you that he
18 would not perform a request that you had made to
19 generate a report concerning the status of City

20 11:29 employees?

21 A. Did he not tell me directly?

22 Q. Directly.

23 A. This is in reference to a request that I made
24 in the beginning for three-and-a-half years from our
25 11:29 human resources. I wanted to know, in preparation for

COUNCILMEMBER PAUL DAVIS - 5/29/2014
CONFIDENTIAL AND PRIVILEGED

Page 42

1 11:29 my knowledge, because many people have asked, including
2 the unions, what's going on with personnel because
3 they're dropping like flies? And that was one of the
4 statements used by one of the presidents of the unions.

5 11:29 And as I listened to employees -- I cannot
6 direct them, but I can certainly inquire, how many
7 employees have we lost or "is" no longer with us from
8 180 days -- I believe it was March -- to the end of the
9 fis- -- the December 31 year, including those that we

10 11:29 know are going to be leaving for retirement or
11 whatever?

12 And he took charge of that, and he -- I don't
13 think he directly said in there -- I have to look at
14 the actual email -- that he referred this to [REDACTED]

15 11:30 [REDACTED]

16 What [REDACTED] [REDACTED] [REDACTED] [REDACTED] would have --
17 any reason why they would be involved, I still don't
18 know. Under the Labor Code under the state of
19 California, that is public information, and a public
20 11:30 records request has been requested, and it has been
21 denied.

22 As a matter of fact, we are going to have a
23 conversation -- we were going to have a conversation
24 last week, but some other things happened.

25 11:30 It was related to me, first of all, that [REDACTED]

1 11:30 [REDACTED] himself directed Scott Barber not to provide
2 that, which is in violation of the charter. He has no
3 authority under any circumstances to direct an employee
4 to do anything. He is a -- employee of the city

5 11:30 council, the seven of us; so even [REDACTED]
6 cannot prohibit, in which he has attempted to do, for
7 that information. Why? It was directly stated to me,
8 "because you are going to use it against Scott Barber.

9 Well, as one of the seven, you know, if that
10 11:31 information is significant, we will discuss it in
11 closed session because it would be -- the natural
12 questions would be why are we having a 52 percent
13 turnover in human resources? Why are we having a 39
14 percent churn rate for senior management or any

15 11:31 manager?

16 You probably manage in your firm. You want to
17 know, well, why are we losing these employees?

18 As been reported to me different stories from
19 actual heads of the unions. Well, I don't know any of
20 11:31 this business. Okay. I am going to inquire, okay.
21 How many have we lost? And they denied that
22 information, and the mayor specifically spoke those
23 words, which now places him as a subject of one of
24 these investigations.

25 11:31 So having said that -- yes, that that

1 11:31 happened -- I can't recall the email -- you might even
2 have the email, and I thought we might talk about this
3 today -- that where it specifically said that, I
4 referred this to [REDACTED] or
5 11:31 something of that message.

6 My response to him is: Why are you
7 continuously -- and it's in there, and it goes to show
8 the point that this is not something that's just all of
9 a sudden. He will not communicate with me. If he has
10 11:32 a problem with me, you pick up the phone and you call
11 me and you say, hey, what are you looking for? What's
12 going on? And I would have told him; yet he will not
13 do it and has not been doing it the entire time he has
14 been here.

15 11:32 There was a major incident that just occurred
16 with park lands. He has been negotiating in my
17 district with another member of the council for months
18 I had no idea. It's in my district. That is
19 absolutely against the normal protocols within a
20 11:32 council district-type of environment. You don't come
21 to my district and say, I'm going to give my parklands
22 away, and you are not even going to know.

23 You know, don't you think that the 50,000
24 residents that I represent are going to have a cow?
25 11:32 You better believe it, and they are now learning about

2 lack of communication that I have been experiencing
3 since the entire time he has been here. I have
4 multiple example after example after example. And I
5 11:33 have asked him, why don't you communicate with me? And
6 he doesn't.
7 Q. Has he given you an explanation?
8 A. No. He just chooses not to.
9 Q. Just for the record, I am going to ask you

5 11:35 will read it for the record.
6 (As read:) I will not be present for the April

9 involvement. Not sure why you would have a discussion
10 11:35 with either he or she -- or any other members on my
11 simple request is really not up for debate. This is
12 a -- this is public information and needs to be
13 provided as soon as possible. Very concerned over this
14 continual action you take when I ask for important
15 11:35 evaluation materials. Your lack of communication with
16 me on this issue also bothers me and sends the wrong
17 message. One of the key parts of evaluating any

2 MR. GUMPORT: Back on the record.
3 Q. Councilmember Davis, one of my jobs as the
4 investigator is to understand the various perspectives
5 11:42 of the people that I interview.
6 Obviously, you are the subject of this
7 investigation that I'm conducting. I'd like to ask you
8 kind of an open-ended question which is: Is there some
9 perspective that you are willing to share with me on
10 11:42 the record as to how I should regard how this came --
11 how this investigation came about?
12 A. Well, I can tell you -- and this is my
13 personal and professional opinion -- it's completely
14 retaliation for not only my activities prior to
15 11:43 becoming a member of the council and as a member of the
16 council. It's been going on for five years and not
17 only has it been going on for five years, it was
18 subject to a ridiculous investigation back in December
19 of -- or correction 2012 over a fire extinguisher. And
20 11:43 so they wanted to -- and driven by [REDACTED] and also
21 [REDACTED] -- and where this is coming from now.
22 Scott Barber does not like to be held
23 accountable. He does not like to be criticized. He
24 can never and has never been able to handle it, and,
25 11:43 therefore, it's a top-down situation.

Page 49

1 11:43 You had mentioned a complete statement against
2 [REDACTED] from [REDACTED] and another
3 member of his department for being criticized in
4 public. Really? This is what this is all about.

5 11:44 Unfortunately, our city has gone down the wrong path.
6 It has been driven certainly by two electeds and two
7 appointeds.

8 Until the City changes and is willing to
9 accept the change, it's going to continue to go down
10 11:44 that hard and long path, and it's going to destroy the
11 City beyond what they have already done.

12 The public is not accepting this well at all,
13 and they didn't accept -- the first one didn't work out
14 very well for them either; so they think that this
15 11:44 third one -- or the second one against me -- in this
16 alleged third one, which apparently has gone away --
17 they are just going to make up whatever they can. They
18 change the rules in the middle of the game to be able
19 to address what they want to happen.

20 11:44 And I'm an elected official. I absolutely
21 agree anything I say and do is a matter of public
22 record, and I will hold up to it. If I make a mistake,
23 I'll own it and have done it before on the dais. I
24 made a mistake. I should not have said or backed this
25 11:45 or done that. I didn't have enough information. And

COUNCILMEMBER PAUL DAVIS - 5/29/2014
CONFIDENTIAL AND PRIVILEGED

Page 50

1 11:45 I'm the one who is going to own it.
2 Do you see other members of the council in my
3 five years do it? Never. It's not once happened. Do
4 we make mistakes? You better believe we do. We are
5 11:45 not perfect. Absolutely. But it's about
6 accountability. You have to be held accountable. And
7 this is what this is all about is do not hold me
8 accountable, certainly not publicly. Because why?
9 Because it makes the City look bad.
10 11:45 Well, we are here to get the job done on
11 behalf of the people. Sometimes you are going to have
12 a little problem with that. We talk about innovation.
13 Innovation, there's going to come errors. You just own
14 the errors and learn from them and move on. To go
15 11:45 through this is not good.
16 Q. Did Scott Barber ever -- let me go off the
17 record for a second because I have a question.
18 (Pause.)
19 MR. GUMPORT: Back on the record.
20 11:46 Q. Councilmember Davis, did you ever have a
21 disagreement with Scott Barber concerning the removal
22 of red light cameras from traffic lights in your ward?
23 A. Yes. It's actually not so much as a
24 disagreement. It was a discussion. The discussion was
25 11:47 whether or not the accuracy of the lights being present

COUNCILMEMBER PAUL DAVIS - 5/29/2014
CONFIDENTIAL AND PRIVILEGED

Page 51

1 11:47 actually changed behaviors, and there was one at Wood
2 and Van Buren that they wanted to maintain; however,
3 the number of accidents have actually increased, and
4 the number of issues have actually increased since it's
5 11:47 been installed.

6 My request of him -- and I asked him, why
7 don't we remove this camera and do a two-year study --
8 it was two years; this is a couple of years ago -- a
9 two-year study and see if it really does change
10 11:47 behavior and have issues?

11 His response to me was, I'm not going to let
12 you push me around like Frank Schiavone did, and I'm
13 not going to tolerate it; so I'm not going to do
14 anything you ask me to do.

15 11:47 And this is after the meeting. If that isn't
16 insubordination, I don't know what it is. First of
17 all, to compare me to my predecessor, because I don't
18 know what Frank did with him -- I have no idea -- that
19 is just unbelievable that he would make that statement,
20 11:48 and that's the type of things he's been doing since he
21 has been the City Manager, at least to me. I can't
22 speak to the others. And then we can go on with
23 additional examples.

24 For example, let me tell you about this: On
25 11:48 May 15th, when this investigation actually was started,

1 11:48 I pulled in my office -- you and I had a conversation,
2 which I have no idea what I was there for.
3 Do you remember that conversation?
4 Q. I remember that conversation.
5 11:48 A. Right. Out of no disrespect for you, I was
6 upset because I do not like to be blindsighted, and we
7 have warned him against this -- not to do that --
8 because he has done this many, many times, at least to
9 me, and I know he has done it to other members of the
10 11:48 council.
11 In four months exactly, they hired -- [REDACTED]
12 [REDACTED] [REDACTED] [REDACTED] [REDACTED] [REDACTED] went out and hired on their
13 own a consultant company to do a strategic plan of why
14 we are not getting along, the members of the council.
15 11:48 I can tell you why we aren't getting along,
16 but that's a different story, but, you know -- and so
17 they authorized \$16,500, and [REDACTED] signed the
18 contract without the council's knowledge and approval.
19 They have no authority to direct the City Manager to do
20 11:49 such a thing with -- outside of the appropriations of
21 the full city council to do so. They made that very
22 clear when I was using my funds, when I chose not to
23 have staff, to, you know, support the nonprofit
24 organizations that were defunded because they were
25 11:49 budget issues. We are not allowing you to do that. We

1 11:49 don't want this to happen. You cannot do it; yet they
2 went ahead and did it and appropriated monies without
3 the authority to do so.

4 When I came back after years, I asked Scott to
5 11:49 come into my office. I said, hey, look, Scott, I do
6 not like to be pigeonholed. I've warned you in the
7 past. Don't do this stuff. Inform us. What's going
8 on?

9 I thought I was meeting with those folks that
10 11:49 had the talk about the kumbaya strategic plan, as I
11 call it. I didn't know anything -- I know out of
12 closed session [REDACTED] told me
13 [REDACTED], which they
14 were not permitted to do, but irregardless of that, and
15 11:50 on my calendar, it only said "consultant."

16 All right. So I thought, you know, you were
17 set up. That's why I asked you, do I sit next to you?
18 I thought you were the psychologist.

19 Q. You thought I was somebody else?

20 11:50 A. Yes.

21 And then when you had informed me, it upset me
22 again, you know, that I was uninformed, that I had no
23 idea. I was really -- kind of odd that [REDACTED]
24 [REDACTED] was leading me into
25 11:50 this room. Why she's involved in this or even he is

COUNCILMEMBER PAUL DAVIS - 5/29/2014
CONFIDENTIAL AND PRIVILEGED

Page 54

1 11:50 involved in this, I have no idea. He does not
2 understand what his role as the mayor is, and he
3 violates that quite often.

4 However, having said that, I pulled Scott in
5 11:50 the office, and I told him, I do not like to be
6 pigeonholed. At that point in time, I told him --
7 that's the definitive time. Now I know the definitive
8 time. I've never really, you know, sat down and said,
9 you know, Scott, it's time for you to go. I've had
10 11:50 enough.

11 His response to me was -- and I quote -- "I
12 don't like your behavior, and I'm not going to let you
13 get away from this" and stormed out of my office.

14 Within days, we have this allegation. Within
15 11:51 days, we have the second allegation of me listening to
16 a tape. It was the most ridiculous thing in the world,
17 creating significant liability for the City because, as
18 I said in the paper, "I will not turn the cheek a
19 second time." So will it end here? No, it will not.

20 11:51 Q. Was there ever any check payable to an
21 organization called IRC, or International Relations
22 Committee, where Scott Barber caused the City to stop
23 payment on it?

24 A. I don't have any idea. I know that there was
25 11:51 an issue when Scott -- this was one of his first acts

1 11:51 to -- lack of communication that came up that said that
2 because I was giving away funds -- my wife is the
3 president of the International -- or Asian Pacific
4 Culture Association. She is the president of that
5 11:52 nonprofit. And I gave her, through the city manger's
6 authority, some money out of my staff funds because I
7 chose not to take staff and to help with the police
8 organizations and various other youth organizations
9 that were defunded, and of course, it was struggling
10 11:52 back in 2010. It was really bad, and the economy
11 wasn't good, and it was one of the first things he did
12 to come on board as the official City Manager, not as
13 the interim that he was, was to bring this to the City
14 Manager or to [REDACTED] at the time -- it
15 11:52 was -- I don't know who it was, but [REDACTED] ended
16 up getting involved, and then [REDACTED] and, of course,
17 [REDACTED] and they wanted to charge me with
18 1090 or some code or Government Code. I had no idea
19 what it was. I do now. Well, you cannot give public
20 11:52 funds to a spouse. Well, she was with the
21 International Relations Council. And as that, she was
22 directed by them to go out and expend funds, and then
23 they got reimbursed, but because they got this money,
24 you know, they are saying she was not allowed to get
25 11:53 reimbursed for her funds, but it didn't turn out that

1 11:53 way for them.

2 You know, I got the Attorney General involved

3 and the District Attorney involved. I went to them. I

4 said, hey, look, I don't know what this is. Here's

5 11:53 what they got. What do you think? That all went away,

6 that charge. I don't know what happened. It just kind

7 of faded out and was done with.

8 Then, you know, rather than Scott coming to me

9 and saying, I'm not sure what's going on with you here

10 11:53 and the former City Manager with the funds for your

11 staff and how it was being used. He just went off the

12 deep end, and hey, he's doing something illegal. And

13 again, back to communication. It would have been

14 explained, as I explained not only to my colleagues.

15 11:54 Well, they didn't like it, and they made it

16 very clear coming back to the hearing of the strategic

17 plan person, that we do not do that under the city

18 manger's authority anymore. And we put it to rest. We

19 took a vote publicly put it to rest. It was done.

20 11:54 Made it very clear nobody can do that.

21 Yet now [REDACTED] and

22 now [REDACTED] and [REDACTED] actually did it

23 without the city council's knowledge and approval.

24 They said they sent an email -- I never got it -- and

25 11:54 so forth. But then to send an email is not giving you

1 11:54 authority to appropriate funds; so it comes back to
2 that accountability, and it comes down to
3 communication.

4 Certain people seem to have more ability to do
5 11:54 things than others. As the manager, as well as [REDACTED]
6 [REDACTED], has clearly said, we work for majority
7 of the city council. We don't work for you because I'm
8 not the majority.

9 And, therefore, in my professional opinion,
10 11:54 they actually work against the minority. I have no
11 relationship with [REDACTED] at all. And he
12 makes sure that that's the case and so forth.

13 And why? Because of my testimony against him
14 as well as the former City Manager in a federal case
15 11:55 with Rochelle Sterling.

16 This has a lot to do with the retaliation
17 because I spoke exactly -- what was going to happen
18 right after I got off that stand? I'd talk about the
19 City, being the council and those two individuals,
20 11:55 retaliating not only against employees but anyone that
21 they can if you don't do or say what they want you to
22 do or say.

23 Q. When you say "two individuals," who --

Subject: RE: Reminder of Ward 4 Community Meeting - Thursday, Feb. 13, 2014 Orange Terrace Community Center

Dan,

Would be a great thing to get John's Agent out, he has been a bit resistant since his and my last conversation. Target pulled out of the deal and now they want to introduce WalMart in to that location. I told him no way and Jay Harvey and I had a tough conversation. Still working on this. May need the community to come out in numbers and vocally disapprove of such a move.

Mission Ranch Park - Purchased the land about 1.3 years ago on Lurin and Dauchy. However, we do not have the money to build it. Proposed new housing is starting to work its way through the Planning part, and am in the hopes that the park fees collected, can help out with building it.

Lyon Homes is one of the housing developments proposed, yet we are still waiting for many portions of the plans to come back in for review. I am really concerned with the lot sizes they propose and of course, traffic.

60 Acre sport park by MLB. We are in the very preliminary stages, where both sides are doing feasibility studies. Should have something back in a few weeks. If everyone has an understanding to move forward, we will then begin the discussions with JPA to transfer the lands to the City. During that time, we will begin drafting an MOU with MLB. Basically, they will build and maintain the facility and we just lease the land to them. This is part of their Urban Youth Academy. Here is a link to learn more about it: <http://mlb.mlb.com/community/uva.jsp>

Hope this helps

Compliment: I attempted to call you last night in this [REDACTED] but we never had a chance to speak. I did review your request to set this for closed session [REDACTED] both of them agreed to schedule an update on the litigation between [REDACTED] and the City, however they only [REDACTED] to review the Code of Ethics questions raised by [REDACTED] as those will most likely be coming to the Council on appeal at some point, and since they are not a part of the litigation, they don't constitute a subject that we can really discuss in closed session (similar to the Aquino matter). I have spoken with the [REDACTED] who is including a litigation update on the closed session agenda for 11/19/13.

Please let me know if you have any questions in this regard.

Please set this for a close session discussion at our next meeting. I have issues with how this has been handled and based on the information provided and my own legal-council advice, the complaint appears to have good standing. I believe that an outside independent investigation may be warranted in this matter.

I took two exceptions to his Memorandum that accompanied Resolution No 22590.

> The following sentence I found extremely worrisome, "Pursuant to the Employer-Employee Relations Resolution, the Human Resources Board acted on the grievance and submitted findings and conclusions together with his recommendations to the City Manager."

> I commented that the Employer-Employee Relations Resolution referred to, known perhaps as Resolution No. 15079 of 1983, clearly did not cover Managerial employees, who do not participate in Recognized Employee Organizations. I made it known that the City did not have a Council-approved policy for handling these grievances. I also commented that the City Charter, per Section 807, unequivocally states that the Human Resources Board acts in an advisory capacity to the City Council on matters concerning personnel administration.

> Councilman Melandri asked City Attorney Prietas to address my concerns. Mr. Prietas contested both issues. I attach both Resolution No. 15079 and City Charter Section 807 for your perusal. I have also included a pdf version of the City's website listing all Recognized Employee Organizations, such as the SFRU, RPOA, et al.

> Please refer to Article I, Section 2, of Resolution No. 15079, entitled "Statement of Purpose":

> "This Resolution implements Chapter 10, Division 4, Title 1 of the Government Code of the State of California (section 3500 et seq.) employed Local Public Employee Organizations, by providing orderly procedures for the administration of employer-employee relations between the City and its employee organizations."

> If there is any doubt to the subject dealt with within Resolution No. 15079, Section 2 elaborates:

> "It is the purpose of this Resolution to provide procedures for meeting and conferring in good faith with Recognized Employee Organizations."

> Section 807 of the Riverside City Charter states:

> "There shall be a Human Resources Board, which shall have the power and duty to:

> (b) Act in an advisory capacity to the City Council on matters concerning personnel administration,"

> That our City Attorney would make such misleading statements to the Council on the record during a public hearing is quite disheartening, and certainly makes one question his understanding of our local rules, which I hope you find (similar to me) are quite simply, indisputable. I also reminded the Council at this time, that as part of my Writ of Habeas Corpus filed with the Riverside Superior Court on August 21, 2013, which has previously been provided to you, I requested that Mr. Prietas also make materially misleading statements regarding our local rules to the Human Resources Board (a hearing that was also videotaped) at my grievance hearing on May 13, 2013. Closing full circle, these misleading statements would guide the Board towards violating my rights under classified service, setting in motion both the Writ against the City and the Ethics Complaint against the individual Board members.

> That I was dragged through an illegitimate, illegal, kangaroo-court process pre-ordained to denigrate and terminate me from my employment with the City of Riverside because of personal vendettas and what the longest complaint is offensive, and your silence on my mistakes to date speak volumes towards your complicity in the matters at hand. It also makes me wonder how many previous employees have been subjected to similar retaliation and harassment, and whether a class action suit might not be your preferred alternative towards settling our differences - which I might suggest, again, could be more efficiently solved by opening the lines of communication.

> I remain hopeful the Council will recognize the needless waste of taxpayer dollars defending decisions and a process that are simply indefensible, and do the right thing. I call for an immediate independent investigation into the handling of my illegal detention and termination by executives within the City Attorney's Office, the Human Resources Department, the City Manager's Office, the Riverside Fire Department (Chief), Chief Steve Enright, and Riverside Public Utilities.

Scott,

I will not be present for the April 1 meeting, and want to be present for the discussion of my request. [REDACTED] is aware, but doesn't have any involvement. Not sure why you would have a discussion with either he or any other member on my simple request and it really not up for debate. This is public information and needs to be provided ASAP. Very concerned over this continual action you take when I ask for important evaluation materials. Your lack of communication with me on this issue also bothers me and sends the wrong message. One of the key parts of evaluating any management employee's effectiveness and leadership is the churn rate of staff and certainly exit interviews of those departing. Thank you for your anticipated cooperation on this and other issues.

-EXAMINATION-

Q. Please state your name.

A. [REDACTED] [REDACTED]

Q. Please spell that.

A. Okay. [REDACTED], last name [REDACTED]

Q. What is your position with the City of Riverside?

A. I'm [REDACTED]

Q. And how long have you held that position?

A. About three years.

10:11 Q. [REDACTED] I'm Leonard Gumpert. I'm with the Law Firm of Gumpert Mastan. I've been hired by the City of Riverside to do an internal investigation. First, I want to thank you for coming here voluntarily to give an interview. Second, I want to thank you for permitting the interview to be transcribed. And I want to state the ground rules that I propose to apply in conducting this interview. First, we are only going to stay on the record for so long as you're willing to remain on the record. At any time you can indicate to me that you want to go off the record by a hand gesture or whatever, and I'm directing the court reporter that the

1 10:12 transcript is not to reflect that you made some kind of signal
2 that you want to go off the record. So even the fact that you
3 wanted to go off the record and thereby went off the record
4 isn't going to be reflected in the transcript. Do you
5 understand that?

6 A. Yes, I do.

7 Q. My only client is the City of Riverside. I am not
8 your lawyer. So there might at some point be a time in the
9 interview where you think to yourself, say, hey, this guy, Mr.
10 Gumpert is not my lawyer. I'm a little uncomfortable. I want
11 to seek legal advice. That would be a reason not only to go
12 off the record but just to stop the interview. And you're
13 free to stop the interview or go off the record at any time.
14 Do you understand that?

15 10:13 A. Yes, I do.

16 Q. Because the City of Riverside is my only client in
17 this matter, they control whether or not the transcript of
18 your interview is going to remain confidential. I will treat
19 the transcript as confidential and privileged, but ultimately,
20 it's my client, the city, who determines whether or not to
21 waive any attorney/client privilege or confidentiality that
22 may attach to that transcript. So I can't promise you, I
23 cannot promise you that the transcript will remain
24 confidential and privileged. Do you understand that?

25 A. Yes, I do.

Page 6

1 10:13 Q. You will get a copy of the transcript and you will
2 be free to make any changes, edits or corrections. And if you
3 make changes, edits or corrections and send them to me, I will
4 make sure that the transcript I provide to the city reflects
5 those corrections and changes. Do you understand that?

6 A. Yes, I do.

7 Q. You're not under oath. But one of the reasons for
8 having the court reporter here is so that what you say is
9 accurately transcribed. The other reason for having a
10 court reporter here is it allows me to filter out things that
11 people tell me from things they're willing to tell me on the
12 record with the court reporter here and things that they're
13 not willing to tell me with or without a court reporter here.
14 If people are not willing to say things on the record, my
15 10:14 method in this investigation will be not to rely on things
16 that people are not willing to have transcribed. That allows
17 the city to see what I relied on and in the person's own
18 words. And it also allows me to say to people who may want to
19 suggest that I look at rumors and innuendo and thirdhand
20 things that they're not willing to have transcribed to say I'm
21 just not going to rely on that, it's not reliable enough. Do
22 you understand all of that?

23 A. Yes.

24 Q. Okay. Now, let's get into the substance of the
25 interview. Have you had any discussions with someone named ~~al~~

1 10:15 [REDACTED] about the status of annexing land from the March JPA?
2 A. Yes, I have.
3 Q. How many discussions have you had?
4 A. Two to three perhaps.
5 Q. And before I get into the subject matter of that
6 discussion, one other caution I want to give you is that when
7 I ask you questions about someone, that doesn't mean they did
8 anything bad. So when names come up in this interview, please
9 don't draw inference, oh, that person must have done something
10 bad, otherwise, Mr. Gumpert wouldn't have been asking about
11 him or her. That's not the case; understood?
12 A. Yes.
13 Q. Okay. When did these discussions with [REDACTED]
14 take place?
15 10:16 A. I would say two to four weeks ago.
16 Q. And were these face-to-face discussions or
17 telephone discussions?
18 A. Face-to-face, some e-mail exchanges. And I am not
19 sure if we spoke on the phone or not.
20 Q. How many face-to-face discussions were there with
21 him?
22 A. Two perhaps.
23 Q. And in about what month did those discussions take
24 place?
25 A. I think in April.

Page 8

10:17 Q. of 2014?

A. Yes.

Q. Was anyone else present in those face-to-face discussions?

A. I don't think so.

Q. Where did those discussions take place?

A. I think they happened in my office, although we may have spoken about it when we were at Leadership Riverside, which is at the Fresh & Easy campus on East Ridge.

Q. Was that in a different time period?

A. No. -Most of them in the last month.

Q. Tell me what was discussed between you and [REDACTED] at these face-to-face meetings that happened in or about April 2014 on the subject of annexing property from the

10:18 March JPA?

A. [REDACTED] relayed that Councilmember Davis had asked him a question about annexing and why we should annex and [REDACTED] was asking me for direction on composing his response to Councilman Davis. And so I asked [REDACTED] to detail what the annexation procedure was. And then I know there was some e-mail exchange back and forth as he provided it and I had some questions, he added some additional detail, and then we had -- I think that's the conversation that happened at Leadership Riverside, a conversation about okay, is it ready to go, but then he was going to be out of the office. So I

1 10:18 told him well, let me just run it by Scott and I will let you
2 know who will respond. And then ultimately I did send the
3 e-mail to Councilman Davis outlining what the procedure was.

4 Q. Did ██████████ tell you what kind of direction, if
5 any, he had received from Councilmember Davis concerning this?

6 A. Yes. Although when I initially heard about it, it
7 wasn't ██████████ and I speaking directly to ██████████ is the one
8 that had the conversation with ██████████, and then I spoke with ██████████
9 and ██████████ spoke with ██████████. So it was like a three-way
10 conversation. But through that conversation and the
11 subsequent conversations directly with ██████████ that I was told that
12 Councilman Davis came across as demanding that ██████████ annex the
13 property and that some profanity was used in the way those
14 demands were expressed in the phone conversation between ██████████
15 10:19 and Councilman Davis, and it made ██████████ very uncomfortable with
16 the direction he was receiving and the manner in which it was
17 delivered.

18 Q. And did ██████████ tell you that or is this coming
19 from ██████████

20 A. ██████████ told me that he felt it was inappropriate, the
21 language that was used and the direction that he was getting
22 from Councilman Davis. ██████████ was more of oh, ██████████ got this
23 question, he wants to know how to respond. But I didn't hear
24 about the details of it except through ██████████

25 Q. And when you got the details from ██████████ was

Page 10

1 10:20 [REDACTED] correct?

2 A. Uh-huh.

3 Q. That's a yes?

4 A. Yes.

5 Q. Was [REDACTED] present?

6 A. No. I don't think so.

7 Q. Did [REDACTED] give you this information about
8 the direction he received in both face-to-face meetings he had
9 with you or just one of them?

10 A. I don't recall. I don't recall if it came up in
11 both. Definitely the first one. I don't know if the second
12 one was more talking about the response, and if he referred
13 back to the way the request was delivered.

14 Q. So let's go to the first face-to-face meeting.

15 10:21 It's between you and [REDACTED]. My understanding is your
16 recollection is that happened in April 2014, correct?

17 A. Yes.

18 Q. And where do you think that meeting happened?

19 A. In my office.

20 Q. And no one was present except you [REDACTED]

21 A. As far as I recall.

22 Q. And as best you can recall, what words did [REDACTED]
23 [REDACTED] use of the direction, if any, that he had received
24 about annexing the March JPA property?

25 A. Well, he had received a phone call from Councilman

1 10:21 Davis. He said he did not like the tone of the phone call or
2 the specific words that were used. He referenced profanity.
3 He did not tell me what words were used. But he basically
4 portrayed it as he was very uncomfortable getting that phone
5 call and the way that the message was delivered.

6 Q. And was the message that ██████████ was to do
7 something specifically; is that right?

8 A. Right. My recollection is that Councilman Davis
9 was mad at ██████████ for not having already done something and said I
10 want it done now. And I think in that conversation ██████████ said
11 that he also referred to Scott Barber as -- and Scott Barber's
12 not going to stop me from getting what I want or something
13 along those lines.

14 Q. On the subject of Scott Barber, ██████████ a, in
15 10:22 this first meeting, say anything else about what Councilmember
16 Davis had said about Scott Barber?

17 A. I don't recall other than it was clear that
18 Councilman Davis had said negative things about Scott's
19 involvement in the matter. But I don't really recall if it
20 was more so than Scott is not going to stop me, Scott is not
21 going to get involved, something along those lines.

22 Q. Are you aware of any other situation that you've
23 been involved in where a councilmember has given a direction
24 to someone under the city manager to do something and said
25 allegedly the city manager isn't going to stop me from getting

Page 12

1 10:23 what I want?

2 A. No. I've had instances where councilmembers will
3 ask staff to do something, but never in a manner of don't
4 involve the city manager or it doesn't matter what the city
5 manager, they've always been very deferential with regard to
6 the city manager because it's been our practice that if
7 department heads or staff get direction directly from the
8 councilmember, that they're to respond let me check with the
9 city manager, and not necessarily take that direction. And
10 that's been our policy. And I've never heard of a
11 councilmember responding with oh, no, I am not going to listen
12 to the city manager in this. They're always very deferential
13 and oh, of course, talk to the city manager or I will go talk
14 to the city manager.

15 10:24 Q. Did you [REDACTED] in this first meeting,
16 have any discussion about why Councilman Davis was taking this
17 approach?

18 A. I don't recall. This incident came up as part of a
19 series of discussions starting with a meeting that was held
20 probably two, two and a half months ago about a project. And
21 I know that I referred to [REDACTED], told [REDACTED], well, I've had a couple
22 conversations or meetings with Councilman Davis about this
23 project and he never mentioned to me, annexing to me, in those
24 meetings, that I was surprised that he would be suddenly
25 calling [REDACTED] about the annexation when it hadn't come up

1 10:25 previously.

2 Q. So let me be sure I'm understanding this. In
3 February and March 2014, you had meetings with Councilman
4 Davis on the subject of annexing property from March JPA; is
5 that right?

6 A. Councilman Davis organized a meeting with a number
7 of city staff and an outside group that was interested in
8 doing a project within the March JPA which would be a baseball
9 field project. In that meeting, we pointed out that it's in
10 the March JPA property. We should have March JPA as part of
11 this. And I had a subsequent conversation with Councilman
12 Davis ^{later} ~~within~~ a few days ^{where} ~~where~~ I go back and said you really
13 need to bring Lori Stone in, this property is in the JPA.
14 Never did he mention annexing it at that point.

15 10:26 And then I was in a meeting with him, a scheduled
16 meeting. I could probably look it up on the calendar as to
17 the exact date, where the purpose of the meeting was to
18 actually talk about a different project. But Councilman Davis
19 spent a lot of the time talking about the proponents of this
20 particular project and what he thought they were trying to
21 get. And they were going to be in for a surprise. And I
22 re-echoed to him in that conversation, well, it's in the March
23 JPA. We really need to involve Lori Stone in our discussion.
24 And at that point he further didn't say anything about
25 annexing. It wasn't until he called ██████████ and wanted to know why

Page 14

1 10:26 we aren't proceeding with annexing that I recall the word
2 annexing first coming up.

3 Q. And these earlier meetings with Councilmember Davis
4 where the March JFA property was discussed, those happened in
5 February or March 2014?

6 A. I believe so.

7 Q. You mentioned that Councilmember Davis talked about
8 a surprise. Do you have a recollection as to what that
9 surprise was? You said the people who wanted the property
10 were going to be surprised or something like that.

11 A. Oh, he felt like the proponents were angling to get
12 a big consulting contract from the City of Riverside, and that
13 they were going to be surprised when the city didn't enter
14 into a consulting contract with them to make this project
15 10:27 happen.

16 Q. Did he say who the lead proponents of the outside
17 group were?

18 A. They had been in the meeting we had and I am not
19 recalling the gentleman's name. But he definitely mentioned
20 the primary person's name. But I can't recall what that was
21 at the moment.

22 Q. Was he connected with Major League Baseball?

23 A. Yes. He had a consulting firm with a connection
24 with Major League Baseball.

25 Q. When in April 2014 [REDACTED] discusses with you

1 10:28 in a face-to-face meeting that he had received direction
2 concerning annexing the March JPA property, what did you do
3 next?

4 A. I asked [REDACTED] to put together the process and expenses
5 associated with annexing so we can provide that information to
6 Councilman Davis so he could understand that it wasn't staff
7 taking direction from one councilmember, and it would be done
8 the next month, that it was a lengthy process that required
9 multiple actions by the city council and the local agency
10 formation commission and that it wasn't as simple as
11 Councilman Davis thought it would be.

12 Q. Was there a response from Councilman Davis to this
13 information that was put together, I take it, in memo form?

14 A. Right. It was an e-mail that I sent to him about
15 10:29 two weeks ago. And he replied and said something to the
16 effect of thanks, I will look this over and let you know if I
17 have any questions.

18 Q. Did you hear anything subsequently from him?

19 A. I have not.

20 Q. Do you know whether [REDACTED] has heard anything
21 subsequent to that?

22 A. I don't think so. [REDACTED] was on vacation. He's not
23 told me that he's had any response.

24 Q. Was it your understanding that [REDACTED] had said
25 to you in the April 2014 first meeting that he had been

Page 16

1 10:29 directed to prepare a memo to annex the March Joint Powers
2 Authority property for a baseball field?

3 A. No.

4 Q. And he had just been asked to prepare a memo
5 describing the procedures or something else?

6 A. Well, if you're referring to the direction he
7 received from Councilman Davis?

8 Q. Yes, I am.

9 A. My understanding was Councilman Davis said I want
10 to get it done, get it done. I don't recall any discussion as
11 to what form that might take.

12 Q. And that information you just described to me had
13 come to you from a face-to-face meeting with [REDACTED]
14 correct?

15 10:30 A. Right.

16 Q. And then the memo that you participated in
17 preparing to be sent to Councilmember Davis doesn't say we are
18 going to get this done, correct?

19 A. No. It outlines the process with what one of the
20 first steps would be getting concurrence from the city council
21 to proceed and then filing application, et cetera.

22 Q. Did you report to anyone, including Scott Barber,
23 about the direction that [REDACTED] had received?

24 A. Yes, I did. When I first heard about this phone
25 conversation and [REDACTED] had shared the way it was delivered, I

1 10:31 went and let Scott know that Councilman Davis had provided
2 some direction to ██████████ that made ██████████ very uncomfortable and that
3 profanity was involved.

4 Q. Did you tell Mr. Barber anything about what ██████████
5 ██████████ had said that Councilmember Davis had said about Mr.
6 Barber?

7 A. I don't think so. When I shared with Scott that ██████████
8 had this conversation, Scott had asked that ██████████ document what
9 had happened. And so I provided that direction back to ██████████ to
10 document.

11 Q. And so as far as you know, he did that?

12 A. As far as I know.

13 Q. Did you see the document he prepared?

14 A. No, I did not.

15 10:31 Q. Have there been other instances in the past six
16 months where Councilmember Davis gave direction to
17 subordinates of the city manager that you know of, not
18 situations where you just have second or thirdhand
19 information?

20 A. Right. None others come to mind at the moment.

21 Q. Was there a performance review of the assistant
22 city managers sometime last year?

23 A. Of the assistant?

24 Q. Yes.

25 A. A written performance evaluation? I've not had one

Page 18

1 10:32 since I've been here.

2 Q. Has anyone told you that any member of the council
3 has stated whether in a council meeting or outside a council
4 meeting that Scott Barber may be terminated from his
5 employment?

6 A. I've heard that several councilmembers, Councilman
7 Davis being one of them, are unhappy with Scott. And I've
8 heard that Councilman Davis specifically has said that things
9 along the lines, well, Scott will be gone by May.

10 Q. When did you hear about that latter statement that
11 Scott will be gone by May?

12 A. Probably within the last two months.

13 Q. How did you hear that?

14 A. In a conversation with Scott.

15 10:33 Q. What did he tell you?

16 A. That he had heard that had been expressed to him
17 more than once that I'm going to have you gone by -- I think
18 there was a specific date but it was in May.

19 Q. Are you aware of any vote, public or private,
20 that's been taken by members of the city council to terminate
21 the employment of the Scott Barber?

22 A. No, I am not. I know that they've held closed
23 session performance evaluations of him, but I am not aware of
24 any vote as an outcome of that.

25 Q. Are you aware of any vote taken, publicly or

1 10:34 privately, by members of the city council to terminate the
2 employment of Sergio Diaz as the chief of police?

3 A. No, I have not.

4 Q. Have you had any communications with [REDACTED]

5 He's a [REDACTED] and the
6 [REDACTED]

7 A. Not that I can recall.

8 Q. Have you had discussions with Lori Stone about
9 annexing property of the March JPA for use as a baseball
10 field?

11 A. I have spoken with Lori about the baseball field
12 project. I know that I told her that I asked the Councilman
13 Davis to include her in discussions about the project. I
14 think annexing may have been referred to but I am not

15 10:35 positive.

16 Q. What is Ms. Stone's position with the March JPA?

17 A. She's the executive director.

18 Q. Has Ms. Stone described to you any of her
19 conversations with Councilmember Davis about annexing that
20 property?

21 A. She did. She did have a conversation with him
22 right after the first meeting that we had about the project.
23 And she told me that -- and I know that she and he traveled to
24 China together. I don't know specifically with regard to
25 annexation versus just the overall project. I know that she's

Page 20

1 10:36 had discussions. I just don't know whether it was annexing
2 versus just the proposed project.

3 Q. Okay. Have you ever heard that members of the city
4 council have expressed the view any time during the past six
5 months that the assistant city managers are doing a horrible
6 job?

7 A. I've heard very indirectly concerns along those
8 lines but nothing specific.

9 Q. Do you think that's correct?

10 A. No, I do not.

11 Q. Do you have any knowledge as to why any members of
12 the city council would -- and I am not saying they have, but
13 may have expressed that view?

14 A. I think based on what I've observed, that they have
15 10:37 not liked some decisions that have been made with regard to
16 personnel and perhaps feel like those decisions should have
17 been made by the city council versus administratively. But it
18 is under Scott Barber's tenure. And I think in that course,
19 [REDACTED] the other [REDACTED], has gotten some of the credit
20 or blame for actions relative to the former [REDACTED] and the
21 [REDACTED]

22 Q. Who was the former [REDACTED] [REDACTED]

23 A. [REDACTED]

24 Q. And was he let go?

25 A. No. He resigned. He retired. He resigned in

1 10:38 order to retire.

2 Q. And so why would there be any flack concerning
3 [REDACTED] decision to retire?

4 A. I've heard people say that [REDACTED] retired because he
5 didn't like working with [REDACTED] I don't have any idea
6 whether that's true, if he ever said that, but I've heard that
7 expressed.

8 Q. So that might be a reason why [REDACTED] got some
9 blame for that retirement, correct?

10 A. Correct.

11 Q. And who is the current [REDACTED]

12 A. [REDACTED] is serving as
13 interim while we are recruiting for [REDACTED]

14 Q. Who was the other person that left that you were
15 10:38 referring to?

16 A. The [REDACTED]

17 Q. And [REDACTED] was his name?

18 A. Yes.

19 Q. And why did he retire?

20 A. He retired because he had been here 32 years or
21 something and decided that this was when he was going to
22 retire.

23 Q. It had nothing do with any of the councilmembers?

24 A. Not to my knowledge.

25 Q. And do you have an understanding as to why any

Page 22

1 10:39 blame would be directed towards the city manager's office
2 concerning the retirement of that [REDACTED]
3 [REDACTED]

4 A. Actually not so much with the retirement. But
5 initially there was a plan that he was going to come back on a
6 part-time basis to help us while we recruited a new [REDACTED]
7 [REDACTED], and that whole process was announced. There was a
8 public outcry. And then he decided he was not going to do it
9 so he never came back again. But that decision to bring him
10 back on a part-time interim basis is what I believe that
11 councilmembers had concerns with.

12 Q. Was there any communication -- well, let me
13 rephrase the question. Have you had any direct communications
14 with [REDACTED] [REDACTED] about security and livability issues
15 10:40 relating to the city parks any time during the past six
16 months?

17 A. I don't know whether specific to the parks. But in
18 a more general sense, I have.

19 Q. And would you describe what those -- the nature of
20 those discussions?

21 A. Well, you know, just from the dias from the time he
22 was elected, he expressed concerns about panhandling and
23 livability issues in the city. And then I was in a meeting
24 with [REDACTED] [REDACTED] and [REDACTED] [REDACTED] and a member of the
25 public, Harry ^{Kurani} Garuni. Harry was expressing some concerns

1 10:41 about loitering and such near his property, which is Magnolia
2 Pool Supply on Magnolia and Arlington Village. And [REDACTED]
3 [REDACTED] said well, our new councilmember has some great
4 ideas about what we can do there. We really should talk to
5 him. And then in the course of the meeting, [REDACTED]
6 [REDACTED] walked by. [REDACTED] invited him into
7 the meeting, and in that five minutes or whatever, [REDACTED]
8 [REDACTED] said things along well, our police department can do
9 a lot more than they have been. I think we can do like
10 they're doing in Moreno Valley. And he mentioned the CHP as
11 well. So he provided some ideas in that context of what he
12 thought our police department could be doing that they weren't
13 currently doing. And then he left the meeting. And then we
14 finished what our meeting was about and left. And then I went
15 10:41 and told Scott what conversation had occurred.

16 Q. And that meeting was a city council meeting?

17 A. No. It was with the councilmember in his office,
18 in [REDACTED] office.

19 Q. And who else was present besides yourself?

20 A. [REDACTED] Harry ^{Kurani} Garum, [REDACTED]
21 [REDACTED] may have been in the meeting.

22 Q. Who are each of these people? I know that

23 [REDACTED] but I am not sure of the other --

24 A. [REDACTED] is the [REDACTED]
25 Harry ^{Kurani} Garum is a private citizen, who is the owner of

Page 24

1 10:42 Magnolia Pool Supply, and [REDACTED] is his [REDACTED]

2 [REDACTED]

3 Q. Did [REDACTED] [REDACTED], through this meeting,
4 issue anything that you would characterize as an order or a
5 directive?

6 A. No. He basically stated he thought that we could
7 be doing things differently than we were, and that he was
8 going to work to make that happen. But he didn't give any
9 direction to us.

10 Q. At any time during the past six months, have you
11 heard [REDACTED] [REDACTED] say that Scott Barber's
12 employment was going to be terminated?

13 A. No, I have not.

14 Q. At any time during the past six months, have you
15 10:43 heard [REDACTED] say that [REDACTED]
16 [REDACTED] was going to be terminated?

17 A. No, I have not.

18 Q. Are you aware of any votes taken by councilmembers
19 on the subject of terminating either Scott Barber or [REDACTED]
20 [REDACTED]?

21 A. No, I have not.

22 Q. Have you worked for other municipal entities?

23 A. Yes, I have.

24 Q. And were any of them charter cities?

25 A. No.

1 10:43 Q. I don't have any further questions for you. But
2 because this is a transcript that is going to my client, the
3 city, I invite you, if there is anything I haven't asked you
4 about or something you would like to say on the record, to put
5 that on the record.

6 A. You'd asked about [REDACTED] and
7 livability issues. And he and I had a conversation. It was
8 at the Nordstrom Rack Grand Opening in early April about the
9 item that had been considered by the city council a night or
10 two prior, that was a livability plan. And he had basically
11 said that it was a great plan, great job. I'm the one who had
12 presented the plan. So we did have that kind of a
13 conversation about it. But that's the only other time I
14 remember having that direct kind of conversation with him
15 10:44 about it.

16 Q. Well, let's just identify the time and place. Was
17 there a city council meeting where one of the subjects was
18 panhandling in the parks and perhaps also providing private
19 armed guards in dealing with that problem?

20 A. Yes. That had been earlier in the last January,
21 early February time frame, that had been a topic of discussion
22 at a city council meeting.

23 Q. Was any vote taken at that meeting on that subject
24 that you recall?

25 A. I recall that it was being presented as an advisory

Page 26

1 10:45 matter and staff, Scott Barber, [REDACTED] and park staff
2 were requesting direction from the city council as they
3 considered the issue, RFP, and how park security would be
4 handled. And specifically whether or not security guards
5 would be armed or not. And so I recall that a sense of the
6 discussion being that they would not be armed, and that Scott
7 said, you know, I expect the dollar amount to be within my
8 authority, therefore, this is not an item that would return to
9 city council, that he wanted the direction about whether
10 security guards should be armed or not.

11 Q. And did the council give direction?

12 A. Yes.

13 Q. And what was the direction?

14 A. I think the direction was we need security but not
15 10:46 armed security. There was some discussion about whether that
16 should be by the police department or by a private security.

17 Q. And did the direction take the form of a vote or
18 just a general comment or something like that?

19 A. General comments for certain. I don't recall what
20 the final vote was.

21 Q. Sometime after that meeting, was there a city
22 council meeting where additional pay was authorized to be made
23 to Riverside Police Force members in order to provide
24 additional security at the parks?

25 A. That was part of the overall neighborhood

1 10:47 livability plan that we presented. And that included funding
2 for Riverside Police Department to form an overtime unit of
3 police officers to focus specifically on livability issues on
4 all public properties, parks as well as public streets.

5 Q. Did the council vote on that?

6 A. Yes, they did.

7 Q. And they approved it?

8 A. Yes. They did.

9 Q. Did that happen in about April 2014?

10 A. I think it was April 1st actually.

11 Q. Going back to the February city council meeting,
12 had the request for guidance made by the city manager's office
13 to the city council included any kind of recommendation that
14 armed guards be put in city parks?

15 10:47 A. I don't think so. I think the report talked about
16 the issue and requested direction from the city council.

17 Q. Okay. I don't have any further questions. Do you
18 have any further statements? Your last statement was helpful.

19 A. I can't think of anything else.

20 MR. GUMPORT: Thank you very much. This concludes
21 the interview. Off the record.

5 -EXAMINATION-
6

7 BY MR. GUMPORT:
8

9 Q. Please state your name.
10

11 A. [REDACTED]
12

13 Q. Please spell your last name.
14

15 A. [REDACTED]
16

17 Q. What is your position with the City of Riverside?
18

19 A. I'm the [REDACTED]
20

21 Q. And who do you report to?
22

23 A. [REDACTED] the [REDACTED]
24

25 11:14 [REDACTED]
26

27 Q. And who does he report to?
28

29 A. Currently he reports to our [REDACTED], who
30 is [REDACTED], who is also the [REDACTED]
31

32 Q. And who does the [REDACTED] report to?
33

34 A. I believe it's [REDACTED]
35

36 Q. In the city managers's office?
37

38 A. Yes. The [REDACTED]
39

40 Q. My name is Leonard Gumport. I'm a lawyer at a firm
41 called Gumport Mastan. I've been hired by the City of
42 Riverside to investigate certain matters. First, I want to
43

1 11:14 thank you for coming here to give a voluntary interview.

2 Second, I want to thank you for permitting a court reporter to
3 be present here during the interview. I am going to describe
4 for you some ground rules that I propose to apply during this
5 interview.

6 First of all, the court reporter is only going to
7 take down what is said when we are on the record. We are
8 currently on the record. At any time for any reason you can
9 give me a signal, which I'm directing the court reporter not
10 to reflect in the transcript. It can be a signal like raising
11 your hand to reflect that you want to go off the record.

12 I will then say we are going off the record. And we will go
13 off the record. And when we are off the record, nothing that
14 you say is being transcribed. Stuff that you tell me off the

15 11:15 record I am not going to use in my report. Because my view is
16 anything that people tell me off the record isn't reliable
17 enough for me to be using in my investigation. So do you
18 understand all of that?

19 A. Yes.

20 Q. Now, my client is the City of Riverside. It is not
21 the city manager or any member of the council nor are you my
22 client. So if for any reason I ask you a question where you
23 think gee, I really need to talk to a lawyer about that, that
24 would be a reason for you to just give me a signal that you
25 want to go off the record and that you don't feel like

Page 6

1 11:16 answering questions on the record. All right? Do you
2 understand that?

3 A. Yes.

4 Q. You're not under oath. This isn't sworn testimony.
5 But I think the fact that the testimony is being transcribed
6 by a court reporter will make a pretty accurate record of what
7 it is I say to you and what it is you say to me. And
8 ultimately that transcript will be given by me to the city,
9 meaning the city council. And they will get to see what you
10 said on the record. Because the city holds the
11 attorney/client privilege, and will possess the transcript, I
12 can't guarantee that what you say here today will remain
13 confidential because ultimately, that's the city's call, not
14 mine and not yours. So for any reason I ask you about

15 11:17 something where you think gee, I am not sure I want to talk
16 about this on the record, just raise your hand. We will go
17 off the record. Do you understand that?

18 A. Yes.

19 Q. I am going to ask you some questions involving
20 certain people working for the city, either elected officials
21 or employees of the city. I've been hired to do an
22 investigation. The fact that I ask a question about someone
23 doesn't mean they did something wrong. And you shouldn't draw
24 an inference that because I ask about someone or something
25 that means something bad happened. And it would be disruptive

1 11:18 to the investigation for you to draw that kind of inference.
2 Do you understand that?
3 A. Yes.
4 Q. Has any member of the council of the City of
5 Riverside told you at any time during the past six months that
6 Scott Barber, the city manager, was going to be fired?
7 A. Yes.
8 Q. And that answers my question. Only -- don't try to
9 guess where I'm going. Just answer the questions I ask you.
10 Did this happen on more than one occasion or just one
11 occasion?
12 A. I believe just one occasion.
13 Q. When was that occasion?
14 A. I want to say it was on Halloween or maybe October
15 11:19 30th.
16 Q. So sometime in October 2013 is when this
17 communication happened, correct?
18 A. Yes.
19 Q. Who was present during this communication?
20 A. It was just myself and Councilman Davis.
21 Q. Paul Davis?
22 A. Yes.
23 Q. And where did the communication take place?
24 A. At Villegas Community Center.
25 Q. Where is that in the city of Riverside?

Page 8

1 11:19 A. It's in the Casa Blanca neighborhood on Esperanza
2 Street.

3 Q. Why were you both there?

4 A. At the time that was part of my [REDACTED]
5 And the Villegas Park Advisory was having a Halloween event
6 that night. And typically we go to support the events. And
7 that was in Mr. Davis' ward and he's a big supporter of their
8 events. And he was there as well.

9 Q. Did you have the same job title in October 2013
10 that you do now?

11 A. I did.

12 Q. Did anyone other than Councilmember Davis and
13 yourself participate in this discussion that you're about to
14 describe to me?

15 11:20 A. No.

16 Q. Was there anyone else near enough to hear what you
17 were saying?

18 A. Probably not because it was a loud event with a lot
19 going on inside the multipurpose room.

20 Q. Tell me what Councilmember Davis said on the
21 subject of Scott Barber's employment at this October 2013
22 meeting you've described.

23 A. He came up to me and just -- we kind of approached
24 each other to say hello. And I said how are you, you look
25 kind of sad or upset. And he goes yeah, I'm upset, and I'm

1 11:21 angry. I'm sad. I said oh, why? He said because [REDACTED]
2 retiring. He was referring to the former [REDACTED]
3 [REDACTED] who had recently announced his retirement for March
4 31st. And I said oh, right. And he says I'm angry and he
5 said something to the fact that they had driven him out, the
6 7th floor had driven him out. And he was very upset with the
7 city manager, Scott Barber. And that they hadn't kind of
8 heard the end of it and that Scott would be lucky to keep his
9 job. And I'm going to see that he loses his job before [REDACTED]
10 retires.

11 Q. And he refers to Scott Barber?

12 A. Yes.

13 Q. And the scheduled retirement of [REDACTED] was
14 May --

15 11:22 A. March 31st, 2014.

16 Q. Did he say -- well, let me rephrase the question.
17 What did you understand Councilmember Davis to be saying to
18 you about how long Scott Barber would remain as city manager
19 of Riverside in this discussion?

20 A. That he was going to make it kind of his priority
21 to make sure Scott lost his job over [REDACTED] resignation.

22 Q. Did you think it was appropriate for Councilmember
23 Davis to be saying this to you?

24 A. I was very uncomfortable. I didn't really say much
25 because I didn't know how to react to any of that because he

Page 10

1 11:22 was speaking both of my director and my city manager.

2 Q. And when you say director?

3 A. [REDACTED]

4 Q. And did you have any reason to believe [REDACTED]
5 had been driven out by the 7th floor?

6 A. Only that that's -- [REDACTED] alluded to that on a
7 couple occasions since he put in his notice. And so there was
8 different stories that he had alluded to some things and --
9 but other than that, it was just from his perspective.

10 Q. Did Councilmember Davis, in this conversation, say
11 how Scott Barber would be terminated?

12 A. No, no.

13 Q. Did you do anything with the information that you
14 received from Councilmember Davis?

15 11:23 A. I am not sure if I mentioned it to my immediate
16 supervisor. I did mention it to Scott Barber who came by the
17 office. I don't know how -- when he came by, whether it was a
18 week or two, looking for [REDACTED] one morning. And he stopped by
19 to say hello. And we were talking about various things and I
20 did mention it to Mr. Barber.

21 Q. What was his reaction to what you told him?

22 A. He was very taken aback and asked me again did he
23 really say that to you, I'm very unhappy about that, that's
24 inappropriate.

25 Q. And your response to Scott Barber's comment was

1 11:24 what?

2 A. I just said yes, I was very uncomfortable. I
3 didn't know what to say.

4 Q. Was anything else said in this discussion between
5 you and Scott Barber?

6 A. We just discussed that he was looking for [REDACTED] to
7 talk about some budget issues. And I said okay, he's not
8 going to be here at 7:30. He's usually out at our parks
9 driving around and such. And we were talking about just
10 regular things and asked him how his wife was and things like
11 that. I am not sure how that conversation came up. But I
12 felt that I would share that.

13 Q. Have you had any subsequent discussions with
14 Councilmember Davis since the late October 2013 discussion
15 11:25 that you referred to?

16 A. No. At the end of -- starting in December, we did
17 a reorganization, a realignment in our department, so anything
18 in his ward is not really under my provision anymore.

19 Q. Have you subsequently heard in any context -- let
20 me rephrase the question. Did you subsequently, after October
21 2013, hear Councilmember Davis say that Scott Barber will be
22 terminated?

23 A. No.

24 Q. Have you heard Councilmember Davis ever say that

25 [REDACTED], the [REDACTED], would be terminated?

Page 12

11:26

A. No.

Q. Have you ever heard [REDACTED] say that Scott Barber would be terminated?

A. No.

Q. Have you ever heard [REDACTED] say that [REDACTED], the [REDACTED], would be terminated?

A. No.

Q. Are -- let me rephrase the question. I've asked you the questions basically that I came here to ask you. Are there any statements or information you want to put on the record concerning any matter that I haven't asked you or my questions didn't give you the opportunity to say something that you wanted to say?

A. Not that I can think of.

11:27

Q. Okay. Then what we are going to do is we are going to go off the record. You're going to get a copy of the transcript. It will be sent to you at an address that you give the court reporter. And if you see anything that's inaccurate in the transcript or that you wish to change or correct, just let me know and I will be sure to incorporate that into the transcript I have. Thank you again for attending this interview. And that concludes this interview.

A. You're welcome.

3

4 -EXAMINATION-
5

6 BY MR. GUMPORT:

7 Q. Okay. Please state your name.

8 A. [REDACTED].

9 Q. And please state your position with the city.

10 A. [REDACTED]

11 Q. How long have you held that position?

12 A. Slightly under 2 years.

13 Q. [REDACTED], my name is Leonard Gumport. I'm with
14 the law firm known as Gumport Mastan. My firm has been hired
15 by the City of Riverside to conduct an independent
16 investigation of certain matters. I'm going to be asking you
17 some questions concerning communications you may have had with
18 Councilmember Paul Davis. You should not infer or conclude
19 from my questions that he or anybody else did anything wrong.
20 My job is to conduct an investigation and figure out what
21 happened. There may be that nothing happened. Do you
22 understand that?

23 A. Yes, I do.

24 Q. Secondly, my client is the city. You're not my
25 client. You work for the city but you're not my client. And

1 at this interview, you're going to be answering certain
2 questions. Ultimately, the city decides whether or not the
3 transcript of what you told me stays confidential and is kept
4 privileged or not. I can't commit to you that the transcript
5 will stay confidential. The city decides that. Do you
6 understand that?

7 A. Yes. I do.

8 Q. This is a voluntary interview. By that, I mean you
9 don't have to answer any question I ask you. In addition, you
10 don't have to stay on the record. In addition, you don't have
11 to make a record of indicating to me that you don't want me to
12 go into an area of inquiry. Just raise your hand or something
13 else. I'm telling the court reporter not to mark down any
14 such gesture. My goal is to get only what you're willing to
15 tell me on a voluntary basis. And if for any reason you're
16 uncomfortable for any reason about saying something on the
17 record, just so indicate and a record won't be made of what
18 you tell me. Understood?

19 A. Yes.

20 Q. The reason there is a court reporter here is to
21 make clear that when you do answer a question on the record,
22 that there is a clear record of what you did say in response
23 to what question I asked you. So that when I give my report
24 to the city, the stuff that you did say on the record reflects
25 your own words in response to the words that I used to ask you

CONFIDENTIAL TRANSCRIPT

Page 6

1 questions, and so that there is no confusion in that regard.
2 Understood?

3 A. Yes.

4 Q. And if for any reason we go off the record and you
5 tell me something off the record, I will tell you what use I
6 make of what you tell me off the record, which is none. I'm
7 just not putting any weight on rumors, innuendo or
8 off-the-record comments that people make to me in this
9 investigation. It's one of my filters for filtering stuff out
10 that I regard as potentially too unreliable to be included in
11 the report. Do you understand that?

12 A. Yes.

13 Q. At the conclusion of this interview, you're going
14 to get a copy of -- or the original of the transcript of what
15 you said on the record. And you will be free to make any
16 corrections if you want to. But you won't be under any
17 obligation to do so. I will get another original or certified
18 copy of the transcript. And again, that will go to my client,
19 the city, and they will decide what they're going to do with
20 it and whether or not they are going to keep it confidential.
21 You will have the right to notify me if you choose to do so of
22 any changes or corrections you want to make to the transcript.
23 Understood?

24 A. Yes.

25 Q. Is there any reason why we shouldn't proceed with

1 the interview right now?

2 A. No.

3 Q. Good. I am going to hand you a one-page memo but
4 first I'm going to have the court reporter mark it as Exhibit

5 A. It has the date March 25, 2014 on it. And it purports to
6 be a memo from you to Scott Barber. And [REDACTED], this is
7 not a speed reading contest, and in addition this whole
8 interview is not a quiz. The only thing I want from you is
9 the truth. The only answer that gets an F grade is a
10 knowingly untrue answer. [EXH-A]

11 A. Sure. Sure.

12 Q. So tell me when you've had the time to look over
13 Exhibit A, this March 25, 2014 memo.

14 A. Besides when I wrote it on March 25th, today, the
15 29th of April, when I first came into this room, and when
16 Exhibit A was handed to me.

17 Q. Okay. Did you prepare the original of Exhibit A?

18 A. Yes, I did.

19 Q. And did you prepare it on or about March 25, 2014?

20 A. Yes, I did.

21 Q. Why did you prepare it?

22 A. Around the time of when Councilman Davis left
23 me the voicemail on March the 12th, and then I had subsequent
24 conversations with him, I reported to [REDACTED], my
25 supervisor, that I spoke with Councilman Davis, as I do when I

[REDACTED] - 4/29/2014
CONFIDENTIAL TRANSCRIPT

Page 8

1 talk with councilmembers, whoever they are. And I shared with
2 [REDACTED] the general content of the conversation, the focus
3 being on the Major League Baseball youth facility that was
4 being proposed at March Air Force Base. But I also shared
5 with her the two departures of that focus, one which was just
6 a side comment of disappointment in a decision or comment that
7 [REDACTED] [REDACTED] may have made at previous city council
8 meetings at which I was not in attendance, and then secondly,
9 a remark about -- or remarks about the performance of the city
10 manager. And I can't remember the specifics. But it entailed
11 use of profanity.

12 And so at that point -- so when I shared all of
13 that with ~~Deanna~~, at some point thereafter she shared it with
14 the city manager as she -- the line of communication is
15 supposed to work. And probably somewhere within a week, maybe
16 few days before the 25th of March, the city manager stopped in
17 my office and asked me to prepare a memo. I also believe a
18 few days prior to that, [REDACTED] mentioned to me that the city
19 manager may be asking me to prepare a memo or somehow
20 communicate to him what occurred in both the voicemail and the
21 direct communication. So as my supervisors, I felt
22 responsible to provide the information that they asked of
23 me.

24 Q. Is Exhibit A accurate?

25 A. Exhibit A is accurate. Yes.

1 Q. Can you give me a little background about this
2 series of events that you've described to me? What is the
3 responsibility of the City of Riverside ██████████ ██████████?

4 A. ██████████

5 Q. Yes.

6 A. So the ██████████ and the
7 ██████████ oversees all matters related
8 to the regulation of private property and development, and a
9 number of other matters. It includes planning and zoning,
10 building, code enforcement, housing, homeless services, real
11 property services, the successor agency, which was
12 redevelopment, and historic preservation and neighborhoods.
13 And that's the broad scope of what we do in ██████████
14 ██████████ and what I'm responsible for. And so does that
15 answer your question?

16 Q. Yes. In March 2014, what was the ██████████
17 ██████████; is that the correct term?

18 A. ██████████ ██████████ ██████████

19 Q. What was the -- let me rephrase the question then.
20 In March 2014, what was the ██████████ ██████████
21 doing in connection with a Major League Baseball field?

22 A. Youth facility.

23 Q. Youth facility.

24 A. So I can't remember exact dates, but several months
25 before March, it could have been at the end of 2013, a group

1 of investors who were affiliated with Major League Baseball,
2 and consultants, approached the city with an idea. And the
3 idea was to bring to Riverside, which is actually a parcel
4 adjacent to the City of Riverside but in the March Joint
5 Powers Authority's jurisdiction, March Air Base, Air Reserve
6 Base. Joint Powers Authority brought forward an idea to Major
7 League Baseball youth training and practice facility.

8 And the Councilman Davis was present at the meeting
9 because these folks apparently reached out to him. And he
10 facilitated a meeting, which is common for city councilmembers
11 to do. And so there was a -- I can't remember a staff, I
12 would have to look back in my Outlook notes, but there was a
13 number of staff present. I believe, [REDACTED] was present, [REDACTED]

14 [REDACTED] was present in that meeting. And the idea was
15 presented. And then the next step was so what do we do to
16 make this happen and/or help try to make this happen.

17 And so like we always do, we go through period of
18 due diligence. And we figure out what the regulatory
19 requirements are, the entitlement process, et cetera, et
20 cetera. And the big issue in effect was how would the city or
21 how would this Major League Baseball group, how would they go
22 about annexing that 60-acre parcel into the City of Riverside.
23 And so in March of 2014, when Councilman Davis left me a
24 message, it was for an update on the status of that due
25 diligence effort, where are we, what's going on. And it's

1 often -- councilmembers often do that. They ask us for status
2 updates on a range of topics.

3 Q. Do you have an understanding as to how requests by
4 councilmembers for status updates are typically handled? And
5 the point of this question is does staff then undertake to
6 prepare some kind of memo or booklet or something like that or
7 is it usually something where it's followed up by a phone call
8 or e-mail that just says well, here is where we are?

9 A. On a monthly basis my deputy director ██████████
10 ██████████ provides an update to every councilmember of all the
11 goings-on in our department, except for code enforcement and
12 building activities. And he typically brings the managers of
13 all those different groups in the meeting. And has a very
14 thick document that is a line by line, project by project
15 update so that every councilmember is kept abreast of the
16 activity in their ward. That's one way.

17 When it comes to specific projects, oftentimes the
18 councilmembers will talk directly with the department head,
19 sometimes a division manager, sometimes deputy director of a
20 department or sometimes the city manager, assistant city
21 managers to get updates on projects. Most of the time it's
22 done verbally. Sometimes it's done through e-mails.
23 Councilmember will send an e-mail saying what's the latest
24 with X, Y, Z, and we will respond and say the latest is A, B,
25 C on the project. It varies how it occurs.

1 What I understand generally is that the line of
2 communication between the council and departments should go
3 through the city manager's office. In practice, it doesn't
4 happen that way consistently. That's what I understand and
5 what I've been told. So that's generally what I know to the
6 answer of your question.

7 Q. Is it your experience that the lines of
8 communication between members of the council and yourself
9 don't typically go through the city manager?

10 A. In my experience that is yes, the answer to that is
11 yes. I have a short history in local government. It's a
12 total of 6 years. Most of my career has been in the private
13 sector. In my previous job, which is with the City of
14 Fullerton, it's the only other city I've worked for in my
15 mature professional life, everything went through the city
16 manager. Here it's inconsistent.

17 Q. Do you have an opinion as to whether it would be
18 better, to use a vague term, if everything went through the
19 city manager rather than councilmembers directly contacting
20 you?

21 A. I believe, yes, to the degree that work flow --
22 because everything is -- everything generates work. And the
23 degree to which work flow can be concentrated through the city
24 manager's office so that alignment occurs between the politics
25 and the administration, yes. That would be ideal. Or at a

1 maximum or at a worst case scenario, it was absolutely
2 retained at the department head level and the city manager's
3 office. But in an ideal world, and without knowing -- without
4 knowing organization this big how it would functionally and
5 pragmatically work, I think the ideal is that everything
6 should go through the city manager's office because otherwise,
7 there's too many people telling too many staff to do too many
8 things. And there isn't -- there is an absence of alignment
9 with the policy set by the council and adopted resolutions and
10 ordinances.

11 Q. The communications between yourself and
12 Councilmember Davis that are referred to in Exhibit A, did
13 those come to you through the city manager?

14 A. Can you repeat that? I'm sorry?

15 Q. The communication described in Exhibit A between
16 you and Councilmember Davis, did those come to you through the
17 city manager?

18 A. No.

19 Q. And why do you say that? What's the basis of that
20 statement?

21 A. The voicemail was directly left on my work cell
22 phone. And when I reported to [REDACTED] that I had had this
23 voicemail and then the subsequent communication, [REDACTED], in
24 turn, indicated to me that she had updated the councilmember a
25 couple times prior, and so she wasn't clear on why he was

[REDACTED] - 4/29/2014

Page 14

1 seeking another update. So I can speculate that based on
2 [REDACTED] comments, I didn't ask her specifically if his
3 communications were the result of touching base with the city
4 manager's office. But I can speculate based on [REDACTED]
5 comments that the councilmember communicated directly with me
6 about this and not through the city manager's office.

7 Q. How did the meeting that happened between investors
8 and staff of the Riverside Community Development Department
9 get arranged? Was that a -- let me rephrase the question.
10 Was it arranged through the city manager's office?

11 A. I don't know. I don't know.

12 Q. Let me stop you there for a second. When you don't
13 know, so as long as that's truthful, that's the correct
14 answer.

15 A. I would have to look on my Outlook. I don't know.

16 Q. Okay. I'm sorry. At any time from the meeting
17 with the investors that you have referred to through the time
18 that you wrote the memo that is Exhibit A, did you have a
19 feeling that you had been directed to do anything by
20 Councilmember Davis?

21 A. No. I mean, no, not that I can recall. And it's a
22 very -- it's a difficult question in that all councilmembers
23 call me. I won't speak for my colleagues. But they will call
24 me and say I have an issue with a constituent, can you look
25 into this or what is the status update of X, Y, Z job. So if

1 that is directing me, I could probably say generally there
2 were probably some of those inquiries or those communications,
3 but nothing out of the norm of what any other councilmember
4 does.

5 Q. So would it be accurate to state that from your
6 experience, the communications that you've had with
7 councilmembers directly are communications where what is
8 sought is information as opposed to communications where
9 they're telling you I want you to handle this project, I want
10 you to take care of X?

11 A. I don't believe that's correct.

12 Q. How is it incorrect?

13 A. A lot of it is information. But there's also
14 things like there's somebody trying, you know, there's
15 somebody that's caught up in the entitlement process or his
16 plans are stuck in building, can you see if there is a
17 legitimate reason why, and can you try to help get it unstuck.
18 So that's more than just information. That's fixing a
19 problem. That's getting something done. That's causing my
20 staff to do work and causing, which we are happy being public
21 servants in getting work done, but it's more than information.

22 Q. So would it be accurate to state that you would not
23 characterize those communications as orders? You would
24 characterize those communications as requests that result in
25 you or your staff doing work?

1 A. Correct. Correct. I would see them more as
2 requests. The splitting of hairs however is those requests we
3 take extremely seriously because they are elected leaders of
4 the city so in effect they're orders.

5 Q. Is it your feeling that it would be better if the
6 requests were all routed through the city manager?

7 A. I believe, yes. I'm torn here. I believe yes.
8 But what I fear is then we'd become this huge bureaucratic
9 machine of inefficiency. And there is a fine line there
10 between the alignment that we seek and the economic
11 development goals and the quality of life goals that the city
12 manager and the city council espouse. As long as it doesn't
13 create log jams to getting problems solved, then I would
14 support it going completely through the city manager's office.
15 But many of us are in this business because we want to help
16 improve the community, not being part of a large bureaucracy.
17 And so it's yes, I would support it all going through the city
18 manager's office as long as it doesn't become this bottleneck
19 to solving real people's problems.

20 Q. Is there a way to accommodate both these goals in
21 your view, that is, to route things through the city manager's
22 office so that staff aren't taken away from something that may
23 be more important that they should be working on, and at the
24 same time not turning the city manager's office into a
25 bottleneck?

1 A. I haven't given -- I've given some thought. I
2 shouldn't say I haven't given much thought. I think the city
3 manager's office needs to probably be expanded so that there
4 are additional city managers to carry the incredible
5 responsibility of -- what did I say, additional city managers?
6 I meant assistant city managers, additional assistant city
7 managers, to do -- to oversee fewer departments and carry more
8 of the direct requests more efficiently downward than there
9 currently are for a city this size. I don't believe to
10 achieve the alignment we seek and not sacrifice quality of
11 life and kind of economic development and problem-solving,
12 there needs to be more -- I don't know, maybe it's one more,
13 maybe it's two more assistant city managers so that they could
14 be point people to help process, direct and hold accountable
15 that feedback loop of problem-solving that the councilmembers
16 currently seek and obtain directly through the directors of
17 the development department.

18 Q. How many assistant city managers are there
19 currently?

20 A. Two.

21 Q. What are their names?

22 A. [REDACTED] and [REDACTED]

23 Q. And you're suggesting perhaps there should be one
24 or two more?

25 A. I believe so.

Page 18

1 Q. Is there a particular assistant city manager that
2 you report to?

3 A. [REDACTED].

4 Q. Now we are returning to the memo. In the next to
5 last paragraph of the memo there is a description of a
6 conversation that you had with Councilmember Davis that was
7 focused on the Major League Baseball youth facility. Do you
8 see that?

9 A. Yes.

10 Q. And that conversation happened on what date, to the
11 best of your recollection?

12 A. On the 12th of March, later in the day if I
13 remember correctly.

14 Q. Did he call you or did you call him?

15 A. Let me think. Okay. So I originally in response
16 to Councilman Davis' voicemail on the 12th of March at 1:40
17 p.m., I left a message back to him around 2:57 p.m. And then
18 at around 6:06 p.m. Councilman Davis returned my call and we
19 talked for about 14 minutes. And I know these specific times
20 because it was on my work cell phone in the log. So when we
21 actually talk person to person, the call was made from
22 Councilman Davis to me.

23 Q. Okay. Tell me as best you can recall in your own
24 words what was said on the subject of exploring annexing the
25 land in to the city?

1 A. What I recall is sharing with Councilman Davis what
2 I had learned from [REDACTED] and also [REDACTED] via e-mail
3 that [REDACTED] had briefed Councilman Davis a couple times since
4 that meeting with the Major League Baseball interest. And
5 that [REDACTED] had conveyed previously to Councilman Davis that
6 it's really about working with the March JPA and Lori Stone
7 specifically to figure out how -- what the interest of the JPA
8 to allowing that parcel to be annexed into the city and partly
9 how to do that. And then I told Councilman Davis that I would
10 just still continue the exploration of annexation into the
11 that parcel, which concluded, I don't know, I want to say
12 about a week ago, maybe two weeks ago, where one of my senior
13 planners, [REDACTED] [REDACTED] who deals with a lot of annexations put
14 together the step by step and costs.

15 And I forwarded that to [REDACTED] and she shared that
16 with Councilman Davis. But that was the gist of it because I
17 know Councilman Davis, I believe, I shouldn't say I believe,
18 that he expressed that the -- I don't know truthfully,
19 Leonard, if they were investors so much as they were kind of
20 interested, they had Major League Baseball affiliations, these
21 individuals, couple of them were consultants. I don't know if
22 they were the equity behind it. But they were the front end
23 of Major League Baseball's efforts to develop these youth
24 facilities. So I don't know, maybe investors was the wrong
25 term to use. But they were part of the development team, if

Page 20

1 you will.

2 But he indicated that there is continued interest
3 of that group in that site and in the youth facility there,
4 and also expressed that if it was to be developed within the
5 confines of March Joint Powers Authority, that it may be
6 difficult for them to get the benefit of the economic
7 development benefits provided by Riverside Public Utilities
8 and their electric and water utilities. And that's a very
9 attractive thing to any company or any developer that wants to
10 come into the City of Riverside. And I think that was the
11 gist of it. And at the conclusion of it, I believe I conveyed
12 to him that I would follow up with -- on the annexation thing
13 and get more specific.

14 Q. Now your memo mentioned that there were two other
15 subjects that were discussed. Give me your best recollection
16 of what was said on those two other subjects.

17 A. Ever since I even wrote this memo, I've been trying
18 to figure out how we got into the -- how the conversation led
19 into the tangential but I can say that I was uncomfortable and
20 I just stayed quiet during these two tangents. The first
21 somehow got into the realm of the city manager and the
22 councilmembers' dissatisfaction with the city manager's
23 performance. And I recall there being profanity used in the
24 comments around his performance. I can't recall specifics but
25 that he was critical of the city manager's performance. And I

1 think because I felt so uncomfortable that, in part, it's why
2 I can't remember the specifics. Just didn't feel good to me
3 to be receiving this kind of input about my ultimate boss from
4 the city councilmember when I am not in a role to be receiving
5 that kind of commentary. And so I just remember it was
6 uncomfortable for me to hear. But there was profanity used a
7 couple of times, as I recall, in those comments.

8 Q. Was the profanity used to characterize the city
9 manager's performance?

10 A. Yes. I think, yes. I mean it was tied to it, yes.
11 I can't remember specifics. I think it was, you know, I
12 can't -- it was used as adjectives in describing performance.

13 Q. Was it used with -- let me rephrase the question.
14 Was the performance in any way connected with the youth
15 facility?

16 A. No.

17 Q. Was it connected with some issue in city
18 management?

19 A. I want to say that as I'm reflecting, I want to say
20 that as a result of the conversation about the Major League
21 Baseball youth facility and my commitment to follow up, I want
22 to say that the conversation kind of went along the lines of
23 you know, ██████████ you're doing a really good job, keep up the good
24 work. We like you around here, blah-blah-blah. And then that
25 segued into comments on the -- this can't be verbatim but it

Page 22

1 was in that, then that segued on the other hand, about the
2 city manager. And it was kind of one of those that kind of
3 transitioned into commentary about the city manager, not so
4 much about a specific project or effort.

5 Q. You've been with the city for approximately 2
6 years, correct?

7 A. Yes.

8 Q. Has a councilmember on any other occasion told you
9 of his or her dissatisfaction with the performance of the city
10 manager other than in this one conversation?

11 A. No, no, no, not at all.

12 Q. The other topic mentioned in this last paragraph
13 has to do with sister cities. Tell me as best you can recall
14 what was said on that subject in the conversation between you
15 and Councilmember Davis.

16 A. What I recall is the context of it was a previous
17 city council meeting in which the topic of paying for or
18 providing a budget to councilmembers for visiting sister
19 cities was discussed or started to be discussed. And I
20 believe I may have been at the council meeting for the front
21 end of that, and then which followed, and if I recall
22 correctly, it followed an item that I was responsible for.
23 And typically once we do our item, we go home. And I think I
24 stuck around for a few minutes. I was talking to somebody
25 beside me and it came up, that issue came up. But I left

1 before it was fully discussed.

2 But apparently what the council -- I believe what
3 the councilmember was conveying to me was because the
4 councilmember was planning to go to -- here is where I'm gray,
5 I don't know if this discussion about budget was for a trip
6 that the councilmember and [REDACTED] recently went on to
7 China, or if it was related to an upcoming future trip to
8 another sister city. So I'm gray on that. But I believe it
9 was about China.

10 Q. Excuse me one second. The word you're using is
11 gray, correct?

12 A. Unclear.

13 Q. Yes. Okay.

14 A. I'm unclear on -- thank you for asking for
15 clarification. I believe it was about the trip to China that
16 recently occurred. But what Councilman Davis conveyed to me
17 was apparently during the deliberations amongst the council
18 during the meeting, he kind of expressed a -- I don't know, a
19 concern with [REDACTED] statement about -- and
20 I could have in my memory -- oh, I wrote Canada but he
21 conveyed, you know, I think what he said was that
22 [REDACTED] conveyed in the open dialogue
23 deliberations that, you know, if it was -- if you were asking
24 for budget for a councilmember to go to Canada or something,
25 then that's one thing. But to go all the way to China, that's

Page 24

1 another thing.

2 And Councilmember Davis was just disappointed in
3 that and concerned about that sentiment given that we are
4 members of a sister city organization throughout, with
5 countries throughout the world, and that was the nature of
6 that comment as I recall. It was just a concern about
7 [REDACTED] statement. And that -- I should say
8 and that was related too because I believe at the time -- I
9 believe at the time there was -- I think the segue between the
10 comments about the city manager and [REDACTED] --
11 I think that transition occurred because one or two things.
12 One either because Councilman Davis may have felt or may have
13 conveyed either lack of support for that.

14 I know what it was. So because of the budget
15 situation that we are in, the city manager made a smart
16 decision to not send city staff on a trip. Limited resources,
17 don't send staff. And I think that was the segue in the
18 performance of the city manager then. That was the segue into
19 the China conversation and [REDACTED]
20 comments.

21 Q. Have you had any conversations with the city
22 manager about the source of any tension between him and
23 Councilmember Davis?

24 A. Yes.

25 Q. Okay. And without going into -- without separating

1 out those conversations, could you just kind of summarize what
2 has been said by the city manager on that subject?

3 A. The city manager has shared with me that
4 Councilmember Davis has vocalized to him a stated goal of
5 Councilmember Davis to have the city manager no longer be
6 employed by the city by I think the stated date was Memorial
7 Day of 2014.

8 Q. And when did the city manager tell you that?

9 A. Several months ago.

10 Q. Were you the only people present during that
11 discussion?

12 A. Let me back up. So he said -- I believe he said it
13 to me a few months ago, and then when he requested this memo,
14 I believe he also stated that. Now, back to your question, if
15 we were the only ones present during the memo request when he
16 asked me for the memo, yes, it was in my office. A few months
17 ago, I believe, and I can't be a hundred percent certain, but
18 I believe I was in a meeting with the city manager and [REDACTED]
19 Lorson, some other subject, and at the end of that, he shared
20 that, I believe.

21 Q. Did the city manager tell you why he had that
22 perception?

23 A. He indicated that at some public venue,
24 Councilmember Davis stated it. And I believe either a member
25 of city staff who was also a member who also is a resident of

Page 26

1 the city or someone was there who I believe is staff of the
2 city, and also lives in the city, was present at this meeting
3 and heard Councilmember Davis convey that. And that person,
4 as I understand it, as I can recollect, that person may have
5 shared that with the city manager.

6 Q. Do you recall the name of that person?

7 A. No. No. But I do believe -- I do believe -- I
8 could be wrong, but I believe what's sticking in my head was
9 that it was one of the -- I believe someone -- I believe
10 either the city manager said that it was a legislative field
11 rep or that one of the councilmember's field representatives
12 who also lives in the city that was present in the meeting who
13 conveyed it. I could be wrong but I believe that was what --
14 that was the source.

15 Q. [REDACTED], you've answered the questions that I
16 came here to ask you.

17 A. Okay.

18 Q. And as I've described to you, the transcript of
19 what you have told me is going to go to the city. And I'm
20 just wondering if there is anything I haven't asked you or
21 there is something that you want to say connected with what
22 we've been discussing this morning that you would like to put
23 on the record?

24 A. I would -- I mean the only thing I would like to
25 say is that overall, with all the councilmembers, Councilman

1 Davis included, I've enjoyed a very positive working
2 relationship. And so I don't -- that's probably all that I
3 would have to say. Same with the city manager and the
4 assistant city managers, have had a very positive working
5 relationship. It's just as you started out, I want to be
6 truthful and just share what I recall and remember happening.

7 Q. Thank you very much.

8 A. Yes.

9 MR. GUMPORT: That concludes this interview. Off
10 the record.

CONFIDENTIAL MEMORANDUM

TO: Scott Barber, City of Riverside City Manager

FROM: [REDACTED] [REDACTED]

DATE: March 25, 2014

RE: Recollection of Communications with Councilmember Davis

At your request, I provide in confidence the following recollection of communications with Councilmember Paul Davis on March 12, 2014, as well as ancillary conversations with others.

On March 12, 2014, at 1:40PM, on my work cell phone [REDACTED] 33 [REDACTED] I received a missed call and voice message from Councilmember Paul Davis. Following is the verbatim transcription:

"Hey [REDACTED] this is Paul Davis. Just following up with you to see what's going on with this baseball thing. I haven't heard anything from anyone for a number of weeks now and I want to move this forward if we can or call it quits if we have to. So give me a call, or an email, or a text, whichever. Let me know what's up. [REDACTED] will be at City Hall at 3 o'clock for the Finance Committee meeting. If you have a few minutes afterwards, we can get together and chat, maybe."

At 2:04PM, I subsequently made a call to [REDACTED] regarding the inquiry from Councilmember Davis. My purpose in the call was to obtain an up-to-date status report on the MLB Youth Facility. As I recall, [REDACTED] was not present and, as I recall, [REDACTED] transferred me [REDACTED] shared with [REDACTED] the nature of Councilmember Davis' inquiry. In response, at 2:10PM [REDACTED] was gracious enough to send an email to [REDACTED] and CC'd me explaining my conversation with him.

[REDACTED] received a phone call from Councilman Davis where he stated he had not heard anything relative to the baseball facility that we met to discuss about 30 days ago. Can you [REDACTED] quick update before [REDACTED] returns the call? Is this now in the hands of the IPA - Lori Stone?"

As I recall, in response [REDACTED] email to [REDACTED] I received via phone call from her with an update indicating that she had met with Councilmember Davis twice and discussed the site's location within March IPA jurisdiction, with Lori Stone being the main IPA point of contact. I left a message with Councilmember Davis at 2:57PM replying to his earlier call. At 6:05PM, I received a return call from Councilmember Davis that lasted 14 minutes.

Much of the conversation between Councilmember Davis and me was focused on the MLB Youth Facility. The main conclusion of the conversation was Councilmember Davis' desire to explore annexing the land (into the City; I committed to look into the annexation question with [REDACTED]. During the call, there were two departures from this topic. First, as I recall, Councilmember Davis shared with me his concerns with the performance of the City Manager. Second, as I recall, Councilmember Davis share with me his concern with a statement made by [REDACTED] related to visiting Sister Cides; I believe, Councilmember Davis expressed concern that [REDACTED] expressed a willingness to travel to Canada over China. During this conversation and, in particular during the two ancillary topics of the phone call, Councilmember Davis used a number of expletives.

In response, at 2:10PM, [REDACTED] was gracious enough to send an email to [REDACTED] and Ccd me explaining my conversation with him.

"[REDACTED] received a phone call from Councilman Davis where he stated he had not heard anything relative to the baseball facility that we met to discuss about 30 days ago. Can you provide [REDACTED] a quick update before [REDACTED] returns the call? Is this now in the hands of the JPA - Lori Stone?"

As I recall, in response [REDACTED] email to [REDACTED] received via phone call from her with an update indicating that she had met with Councilmember Davis twice and discussed the site's location within March JPA jurisdiction, with Lori Stone being the main JPA point of contact. I left a message with Councilmember Davis at 2:57PM replying to his earlier call. At 6:06PM, I received a return call from Councilmember Davis that lasted 14 minutes.

Much of the conversation between Councilmember Davis and me was focused on the MLB Youth Facility. The main conclusion of the conversation was Councilmember Davis' desire to explore annexing the land into the City; I committed to look into the annexation question with [REDACTED]. During the call, there were two departures from this topic. First, as I recall, Councilmember Davis shared with me his concerns with the performance of the City Manager. Second, as I recall, Councilmember Davis share with me his concern with a statement made by [REDACTED] related to visiting Sister Cities; I believe, Councilmember Davis expressed concern that [REDACTED] expressed a willingness to travel to Canada over China. During this conversation and, in particular during the two ancillary topics of the phone call, Councilmember Davis used a number of expletives.

Please contact me for additional information or questions.

Councilmember:
I attempted to call you last night in this regard, however we never had a chance to speak. I did review your request to set this for closed session with the Mayor and the Mayor Pro Tem; both of them agreed to schedule an update on the litigation between Justin Hunter and the City, however they did not intend to review the Code of Ethics questions raised by [REDACTED] as those will most likely be coming to the Council on appeal at some point, and since they are not a part of the litigation, they don't constitute a subject that we can really discuss in closed session (similar to the Aquino matter). I have spoken with the City Attorney, who is including a litigation update on the closed session agenda for 11/19/13.

Please let me know if you have any questions in this regard.

Please set this for a close session discussion at our next meeting. I have issues with how this has been handled and based on the information provided and my own legal council advice, the complaint appears to have good standing. I believe that an outside independent investigation may be warranted in this matter.

I took two exceptions to his Memorandum that accompanied Resolution No 22590.

> The following sentence I found extremely worrisome: "Pursuant to the Employer-Employee Relations Resolution, the Human Resources Board acted on the grievance and submitted findings and conclusions together with its recommendations to the City Manager."

> I commented that the Employer-Employee Relations Resolution referred to, known perhaps as Resolution No. 15079 of 1983, clearly did not cover Managerial employees, who do not participate in Recognized Employee Organizations. I made it known that the City did not have a Council-approved policy for handling these grievances. I also commented that the City Charter, per Section 897, unequivocally states that the Human Resources Board acts in an advisory capacity to the City Council on matters concerning personnel administration.

> Councilman Melendrez asked City Attorney Priamos to address my concerns. Mr. Priamos contended both issues. I attach both Resolution No. 15079 and City Charter Section 897 for your perusal. I have also included a pdf version of the City's website listing all Recognized Employee Organizations, such as the SEIU, RPOA, et al.

> Please refer to Article I, Section 2, of Resolution No. 15079, entitled, "Statement of Purpose":
> "This Resolution implements Chapter 10, Division 4, Title 1 of the Government Code of the State of California (section 3500 et seq.) captioned 'Local Public Employee Organizations' by providing orderly procedures for the administration of employer-employee relations between the City and its employee organizations."

> If there is any doubt to the subject dealt with within Resolution No. 15079, Section 2 elaborates:
> "It is the purpose of this Resolution to provide procedures for meeting and conferring in good faith with Recognized Employee Organizations..."

> Section 807 of the Riverside City Charter states:
> "There shall be a Human Resources Board, which shall have the power and duty to:
> (b) Act in an advisory capacity to the City Council on matters concerning personnel administration."

> That our City Attorney would make such misleading statements to the Council on the record during a public hearing is quite disconcerting, and certainly makes one question his understanding of our local rules, which I hope you find (similar to me) are quite simply, indisputable. I also remind the Council at this time, that as part of my Writ of Mandamus filed with the Riverside Superior Court on August 21, 2013, which has previously been provided to you, I contend that Mr. Priamos also made materially misleading statements regarding our local rules to the Human Resources Board (a hearing that was also videotaped) at my grievance hearing on May 13, 2013. Coming full circle, those misleading statements would guide the Board towards violating my rights under classified service...setting in motion both the Writ against the City and the Ethics Complaint against the individual Board members.

> That I was dragged through an illegitimate, illegal, kangaroo court process pre-designed to detain and terminate me from my employment with the City of Riverside because of personal vendettas and whistleblower complaints is offensive, and your silence on my mislives to date speak volumes towards your complicity in the matters at hand. It also makes me wonder how many previous employees have been subjected to similar retaliation and harassment, and whether a class action suit might not be your preferred alternative towards settling our differences - which I might suggest, again, could be more efficiently solved by opening the lines of communication.

> I remain hopeful the Council will recognize the needless waste of taxpayer dollars defending decisions and a process that are simply indefensible, and do the right thing. I call for an immediate independent investigation into the handling of my illegal demotion and termination by executives within the City Attorney's Office, the Human Resources Department, the City Manager's Office, the Riverside Fire Department (chief, Chief Steve Earley), and Riverside Public Utilities.

Dan,

Would be a great thing to get John's Agent out, he has been a bit resistant since his and my last conversation. Target pulled out of the deal and now they want to introduce WalMart in to that location. I told him no way and Jay Harvey and I had a tough conversation. Still working on this. May need the community to come out in numbers and vocally disapprove of such a move.

Mission Ranch Park - Purchased the land about 1.3 years ago on Lurin and Dauchy. However, we do not have the money to build it. Proposed new housing is starting to work its way through the Planning part, and am in the hopes that the park fees collected, can help out with building it.

Lyon Homes is one of the housing developments proposed, yet we are still waiting for many portions of the plans to come back in for review. I am really concerned with the lot sizes they propose and of course, traffic.

60 Acre sport park by MLB. We are in the very preliminary stages, where both sides are doing feasibility studies. Should have something back in a few weeks. If everyone has an understanding to move forward, we will then begin the discussions with JPA to transfer the lands to the City. During that time, we will begin drafting an MOU with MLB. Basically, they will build and maintain the facility and we just lease the land to them. This is part of their Urban Youth Academy. Here is a link to learn more about it: <http://mlb.mlb.com/community/uva.jsp>

Hope this helps

Re: Agreement No. 2 for Legal Services

Dear [REDACTED]:

The law firm of Gumport | Mastan ("G|M") submits this proposed agreement ("Agreement") for the employment of G|M to provide legal services to the City of Riverside (the "City" or "You"). In return for G|M's commitment to provide services to the City in accordance with this Agreement, the City will be required to pay for G|M's services as specified in this Agreement and to reasonably cooperate in providing information to G|M, so that it can properly advise the City.

This Agreement is separate from the agreement that the City approved earlier this month and that relates to disputed allegations concerning [REDACTED]. This means that the budget included in this Agreement is in addition to, and separate from, the budget in the agreement concerning [REDACTED].

Prior to submitting this proposed Agreement, I gave you the names of other firms that the City might consider hiring to conduct the investigation. Please be advised that you should not hire my firm in connection with this new matter, relating to Councilman Davis, if the City is aware of any facts that might lead the City to conclude that there is any conflict in my conducting investigations of related disputed allegations made against [REDACTED] and Davis.

EXHIBIT

0

00285

GJM will provide an independent investigation and report to the City concerning disputed allegations made in the attached written materials that the City provided to GJM on Monday, April 21, 2014. In particular, the scope of GJM's investigation will be to investigate and report on the disputed allegations that Councilman Davis allegedly violated Section 407 of the City Charter as set forth in the attached materials. (Please note that similar disputed allegations have been made concerning [REDACTED] and GJM is currently investigating those disputed allegations.) The materials attached to this Agreement should be treated as confidential.

I will be the attorney at GJM with primary responsibility for conducting the investigation and preparing the report. (Enclosed is a copy of my resume.) GJM is not engaged in this Agreement to provide any representation to the City in any litigation. GJM will charge for its services at the hourly rates specified in this Agreement, and will charge for its out-of-pocket expenses. GJM will provide its services subject to a cap of \$49,000 for its fees and costs, and this cap only applies to the investigation and report described in preceding sentences of this paragraph concerning Councilman Davis.

This Agreement and the scope of this engagement of GJM may only be changed by a written agreement signed by the City and GJM.

In return for GJM's commitment to provide services in accordance with this Agreement, the City agrees to pay for GJM's services, and to reimburse GJM's costs, as specified in this Agreement (including the cap of \$49,000 described in this Agreement for services within the scope of this Agreement). In addition, the City shall reasonably cooperate in providing information to GJM so that GJM can properly and efficiently render the services provided in this Agreement. The \$49,000 cap is predicated on GJM's receiving such reasonable cooperation from the City.

Where GJM renders services under this Agreement (or the prior agreement) that overlap between the two investigations, GJM will reasonably allocate those services and costs between the two matters, and will not charge twice for the same service or cost. Where services or costs are difficult to allocate, GJM will generally allocate them 50-50 between the two investigations. 100% of the services and costs incurred by GJM through Friday of last week will be allocated to the [REDACTED] matter.

The investigation and report to be conducted by GJM will be independent, and GJM makes no representation about the outcome of any such investigation. Further, GJM's compensation and reimbursement (subject to the cap described in this Agreement) are not and shall not be contingent on the outcome, conclusions, or opinions expressed by GJM in conducting its investigation and in its report of its investigation.

The City agrees that nothing in this Agreement or in any comments or statements GJM may make to City constitute a promise or guarantee about the outcome of any matter in which GJM will provide services; any such comments or statements are expressions of opinion only. The City also hereby acknowledges that GJM has made no promises or guarantees about the outcome of any matter in which GJM will represent the City.

GJM determines its fees for services rendered on an hourly basis. Subject to the cap described in this Agreement, the City will be required to pay GJM at its hourly rates for all time that GJM reasonably spends in rendering services on the City's behalf. Currently GJM's hourly rates are as follows:

Partners:	\$425 to \$550 per hour
Associates:	\$260 to \$330 per hour
Para-professionals and Document Clerks:	\$50 to \$150 per hour

My hourly rate for this matter will be \$550. Attached is a copy of my resume.

GJM currently does not employ any associates. However, in the event that GJM does employ one or more associates, the associates' hourly rates will be between \$200-375 per hour depending upon experience.

Subject to the cap described in this Agreement, the City will be required to pay GJM at its customary hourly rates for all time that GJM reasonably spends on this matter.

Hourly rates are subject to adjustment from time to time without notice, provided the adjustments are made in the ordinary course of GJM's business and GJM will advise the City in advance of any changes that are applicable solely to the City or that are not made in the ordinary course of its business.

By reason of the limited scope of the engagement, I do not expect that there will be any change in my hourly rate during the investigation and the preparation of the report.

Subject to the cap described in this Agreement, the City will be required to reimburse GJM for all reasonable out-of-pocket expenses, including, without limitation, photocopying, scanning, telephone toll and long-distance, secretarial overtime, messenger, parking, and travel. GJM will charge to the City as costs the same amount that GJM is charged for those costs, and will not mark up those costs in order to make a profit on those costs, except that (a) GJM charges \$.15 per page for in-house copies and/or scans, and (b) GJM charges for mileage at the Privately

Owned Vehicle Mileage Reimbursement Rate established by the U.S. General Services Administration (which rate is currently .565 cents per mile).

GJM will charge the City for secretarial overtime only when the urgency of its matters require GJM to have a secretary work overtime on such matters, or when its matters require GJM to use outside secretarial or word processing services.

Domestic air travel will be charged at coach rates, unless GJM is given such short notice of the need for such travel that it is impractical to obtain tickets at those rates. International air travel will be charged at business class rates.

GJM does not have space to store large volumes of client files, and GJM is not in the document storage business. GJM will charge for off-site storage costs if the volume of documents on the City's matters requires it to use an off-site storage facility.

At the conclusion of GJM's representation of the City, the City must make arrangements to take possession of its files from GJM, including any files that GJM has stored at an off-site storage facility. If the City fails to do so within 60 days, GJM shall have no responsibility whatsoever arising out of the storage of the City's files or to pay any charges for the storage of its files, and the City shall continue to be obligated to pay any charges applicable to their continued storage. If the City fails to timely retrieve its files after the conclusion of GJM's representation of the City, then the City agrees that GJM may, in its discretion, either destroy or abandon the files or ship them to the City at the City's expense.

GJM may withdraw from its representation of the City in accordance with the applicable California State Bar Rules of Professional Conduct. Grounds for withdrawal include, but are not limited to, a client's breach of its agreement to pay legal fees and expenses and a client's rendering it unreasonably difficult for the attorney to represent the client effectively.

A statement itemizing services rendered will be submitted to the City monthly. Payment for professional services and expenses are due within 45 days. If the City wishes a statement other than in the ordinary course of GJM's business, one will be provided within 10 days after the City requests it in writing.

Please review all GJM's billing statements promptly and carefully. Questions or problems concerning any statement should be discussed with Leonard Gurnport or Peter Mastan of GJM within 30 days after the statement date. There will be no charge for discussing the statement within the initial 30 day-period. Thereafter, the City will be charged for such discussions at GJM's standard hourly rates. In addition to any other grounds permitted by law, if any statement is not paid within 45 days after receipt, GJM may, on seven days' notice,

confirmed in writing, seek to terminate its engagement and to withdraw from representing the City in accordance with the applicable rules of professional conduct.

GJM has conducted a conflicts check including all parties that are known to GJM to be involved in this matter. GJM does not believe that it has any conflicts of interest.

GJM's only client in connection with this Agreement shall be the City. Whenever an independent investigation is conducted, there may well be disputes or disagreements between or among the City and its officials, staff, and employees. Under no circumstances should City officials, staff, or employees form the mistaken impression that GJM is counsel for any person or entity other than the City.

In other words, GJM will be representing the City's interests only, not the personal interests of its officials, staff, and employees. Whenever the City requests any of its officials or staff or employees to provide information to GJM, the City shall inform such person or entity that GJM represents only the City's interests. This will also confirm that GJM may so inform and advise such person or entity.

In the event that GJM discovers any conflict of interest, GJM will so notify the City. GJM reserves the right to withdraw from the representation in the event of any actual or potential conflict of interest.

If any dispute arises out of this agreement or any act or omission of GJM or any of its members in connection with GJM's representation of the City, neither GJM, nor any of its members, nor the City shall be entitled to recover the attorneys' or professionals' fees or costs incurred in connection with any legal proceeding to pursue or defend that dispute, whether or not those attorneys' or professionals' fees or costs are incurred in connection with a judicial proceeding, an arbitration, or any other proceeding.

IN ADDITION, IN ANY SUCH DISPUTE, TO THE MAXIMUM EXTENT PERMITTED BY LAW, THERE SHALL BE NO RIGHT TO JURY TRIAL, AND GJM AND THE CITY AGREE THAT THE DISPUTE SHALL BE DECIDED WITHOUT A JURY.

If a dispute arises over the fees for services or costs charged to the City, then, at the City's option, the dispute shall be submitted to arbitration in accordance with the applicable rules of the California State Bar Fee Arbitration Program, as set forth in California Business and Professions Code §§ 6200 through 6206. Each side shall bear its own attorneys' and professionals' fees and costs incurred in connection with any such proceeding.

This will confirm that GJM will represent the City's interests only with respect to specific agreed upon matters. The City agrees that such representation is not intended to preclude and shall not preclude GJM from representing any other persons and entities in unrelated matters.

This agreement, when approved by the City, constitutes a formal written contract between the City and GJM. By signing this letter, the signatory represents that he or she is authorized to do so for the benefit of the City and that the City shall be bound by all the terms of this agreement. Accordingly, please carefully review this agreement before it is signed and returned by the City. Signatures may be exchanged via email.

**CITY OF RIVERSIDE
MEMORANDUM**

TO: [REDACTED]

RE: Hostile Work Environment, Violations of the City Charter

[REDACTED]:

For the past several months, Councilmember Paul Davis (hereafter referred to as Paul) has been creating a hostile work environment for me, as well as violating Riverside City Charter Section 407 (Interference in Administrative Service), as documented by the following:

10/22/13: During my annual performance evaluation in closed session, Councilmember Paul Davis stated that my Assistant City Managers and I were doing a horrible job of managing personnel issues in the city and that he was going public with that information. A public discussion of my performance as City Manager violates my privacy rights as your employee, and creates an environment wherein I feel like my reputation and livelihood are threatened by Paul.

11/07/13 and 10/08/13 (see attached emails): After having the Jason Hunter Code of Ethics matter explained as to why Paul's request for a closed session discussion of Hunter's appeal was inappropriate, Councilmember Davis states that an evaluation of my performance is warranted, and if that does not occur, then a public conversation in public view will take place. A public discussion of my performance violates my rights as your employee- my performance is reviewed by the Council as a whole, and only in closed session, and by demanding my performance review, creates an environment wherein I feel my job is threatened, along with my reputation and livelihood.

11/19/13: I stopped by Parks Recreation and Community Services headquarters and spoke with [REDACTED] who told me that on 10/30/13 at Villegas Park Councilmember Paul Davis told her that he would have me fired as City Manager by the end of May, before [REDACTED] left as [REDACTED]. Discussion with my staff that Paul intends to fire me as City Manager violates my rights as an employee of the City Council and makes my job as City Manager extremely difficult, because it creates fear and confusion for me and my subordinate staff.

03/18/14 through 03/28/14 (see attached emails): Paul sends an email to [REDACTED] requesting a list of all employees who have left the city in the last 180 days or who will be leaving in that time period, to include their position and date. After discussing the request with [REDACTED], and

both of you, I directed her to write back to the Councilmember and let him know that his request was been referred to my office, since his request would require the creation of a special report. Paul then revises his request to me, requesting a list of positions by department and title, without name or specific date, which have left within 180 days of March 1, 2014 and those that will leave by the end of the year. I advised Paul that I had reviewed this matter with the [REDACTED] and that this request would be discussed in closed session. On March 28, 2014, Paul writes to me with a cc to both of you, requesting what he believes is public information regarding former employees, that he needs this information to evaluate my performance, and he is very concerned over "this continual action you take when I ask for important evaluation materials." He goes on to state "Your lack of communication with me on this issue also bothers me and send the wrong message. One of the key parts of evaluating any management employee's effectiveness and leadership is the churn rate of staff and certainly exit interviews of those departing." Paul's comments to me are intended to intimidate me into complying with his request, which create a hostile work environment for me. Paul also fails to realize that he does not independently evaluate my performance as an individual member of the council, but that rather the Council as a whole evaluate me. Also, disclosure of this specially created document which is currently exempt from the Public Records Act (since there is not an existing report) would allow Paul to share this document with the public as a part of his public evaluation of me as the City Manager. This continued effort to evaluate my performance in public violates my privacy rights as your employee, and creates a hostile work environment for me, because I feel like I am frequently on the defensive with Paul's requests (he states that my lack of communication bothers him) and that my livelihood is at risk if I do not comply with his inappropriate requests.

03/21/14: I spoke with [REDACTED] and [REDACTED] regarding a request from Councilmember Davis to annex March Joint Powers land for a baseball field. [REDACTED] stated that has been told by Councilmember Davis that he intends to fire me by May of this year. I asked Al document his conversation with Councilmember Davis (see attached memo). Although [REDACTED]'s memo does not state the termination comment, it does state that Paul told [REDACTED] that he has concerns with my performance. Discussing my job performance with my subordinate staff members presents several difficulties for me as the City Manager, violates my rights of privacy as your employee, and creates a hostile work environment for me and my subordinate staff. Also, directing my subordinate staff to begin annexation proceedings without a Council policy discussion and my subsequent direction to my staff is a violation of Section 407 of the City Charter.

04/01/14: I received a copy (see attached) of May Lynn Davis' Facebook (May is Paul's wife) dated from 03/28 to 03/31, raising the same issues that Paul has raised regarding turnover rates of employees and stating "So Mr. City Manager, where does that leave us?" I feel that because Mrs. Davis' Facebook page contains a picture of her and Paul, and because the issues raised by Mrs. Davis are the same as those raised by Paul, the Davis' are using Mrs. Davis' Facebook page to publicly humiliate me and force me to comply with Paul's inappropriate document requests. This is clearly intimidation through a third party, aimed at creating a hostile work environment for me within the entire City of Riverside, and threatening my livelihood and reputation.

04/30/14 (see attached): I receive a letter from [REDACTED] containing a statement from [REDACTED] [REDACTED], documenting the Community Action Group meeting from the previous evening. During this meeting, Councilmember asked that City staff be excused from the meeting. Since these staff members all work for the City Manager, I feel that this requested removal from a public meeting in a public place is potentially a violation of Chapter 407 of the City Charter. After the meeting, [REDACTED] speaks with [REDACTED] who is a City employee who was not asked to leave the meeting [REDACTED] and [REDACTED] tells [REDACTED] that Paul criticized me for not realizing the document that he had requested, thereby limiting his effectiveness as a Councilmember. This public discussion of my performance as the City Manager violates my privacy rights as an employee, and creates a hostile work environment for me.

This ongoing practice of attacking me, threatening to call my performance evaluation, discussing my performance with the public, publicly humiliating me, and seeking through intimidation to make me perform my job contrary to our City Charter has created a very hostile work environment for me. I am experiencing the physical effects of this stress, as well as the emotional toll it is taking on me. I am asking for this behavior to cease immediately, so that I can focus on the very difficult job of Riverside City Manager.

My thanks to both of you for your willingness to investigate this matter that is creating an unacceptable work environment for me and my subordinate employees.

Councilmember:

I attempted to call you last night in this regard, however we never had a chance to speak. I did review your request to set this for closed session with the [REDACTED]; both of them agreed to schedule an update on the litigation between Jason Hunter and the City, however they did not intend to review the Code of Ethics questions raised by Mr. Hunter as those will most likely be coming to the Council on appeal at some point, and since they are not a part of the litigation, they don't constitute a subject that we can really discuss in closed session (similar to the Aquino matter). I have spoken with the City Attorney, who is including a litigation update on the closed session agenda for 11/19/13.

Please let me know if you have any questions in this regard.

Please set this for a close session discussion at our next meeting. I have issues with how this has been handled and based on the information provided and my own legal council advice, the complainant appears to have good standing. I believe that an outside independent investigated may be warranted in this matter.

I took two exceptions to his Memorandum that accompanied Resolution No 22590.

> The following sentence I found extremely worrisome, "Pursuant to the Employer-Employee Relations Resolution, the Human Resources Board acted on the grievance and submitted findings and conclusions together with its recommendations to the City Manager."

> I commented that the Employer-Employee Relation Resolution referred to, known perhaps as Resolution No. 15079 of 1983, clearly did not cover Managerial employees, who do not participate in Recognized Employee Organizations. I made it known that the City did not have a Council-approved policy for handling these grievances. I also commented that the City Charter, per Section 807, unequivocally states that the Human Resources Board acts in an advisory capacity to the City Council on matters concerning personnel administration.

> Councilman Melendrez asked City Attorney Priamos to address my concerns. Mr. Priamos contested both issues. I attach both Resolution No. 15079 and City Charter Section 807 for your perusal. I have also included a pdf version of the City's website listing all Recognized Employee Organizations, such as the SBTU, RPOA, et al.

> Please refer to Article I, Section 2, of Resolution No. 15079, entitled, "Statement of Purpose":

> "This Resolution implements Chapter 10, Division 4, Title 1 of the Government Code of the State of California (section 3500 et. seq.) captioned 'Local Public Employee Organizations,' by providing orderly procedures for the administration of employer-employee relations between the City and its employee organizations."

> If there is any doubt to the subject dealt with within Resolution No. 15079, Section 2 elaborates:

> "It is the purpose of this Resolution to provide procedures for meeting and conferring in good faith with Recognized Employee Organizations..."

> Section 807 of the Riverside City Charter states:

> "There shall be a Human Resources Board, which shall have the power and duty to:

> (b) Act in an advisory capacity to the City Council on matters concerning personnel administration."

> That our City Attorney would make such misleading statements to the Council on the record during a public hearing is quite disheartening, and certainly makes one question his understanding of our local rules, which I hope you find (similar to me) are quite simply, indisputable. I also remind the Council at this time, that as part of my Writ of Mandamus filed with the Riverside Superior Court on August 21, 2013, which has previously been provided to you, I contend that Mr. Priamos also made materially misleading statements regarding our local rules to the Human Resources Board (a hearing that was also videotaped) at my grievance hearing on May 13, 2013. Coming full circle, those misleading statements would guide the Board towards violating my rights under classified service...settling in motion both the Writ against the City and the Ethics Complaint against the individual Board members.

> That I was dragged through an illegitimate, illegal kangaroo-court process pre-destined to demote and terminate me from my employment with the City of Riverside because of personal vendettas and whistleblower complaints is offensive, and your silence on my missives to date speak volumes towards your complicity in the matters at hand. It also makes me wonder how many previous employees have been subjected to similar retaliation and harassment, and whether a class action suit might not be your preferred alternative towards settling our differences - which I might suggest, again, could be more efficiently solved by opening the lines of communication.

> I remain hopeful the Council will recognize the needless waste of taxpayer dollars defending decisions and a process that are simply indefensible, and do the right thing. I call for an immediate independent investigation into the handling of my illegal demotion and termination by executives within the City Attorneys Office, the Human Resources Department, the City Manager's Office, the Riverside Fire Department (namely, Chief Steve Earley), and Riverside Public Utilities.

CONFIDENTIAL MEMORANDUM

TO: Scott Barber, City of Riverside City Manager

FROM: [REDACTED]

DATE: [REDACTED] 2014

RE: Recollection of Communications with Councilmember Davis

At your request, I provide in confidence the following recollection of communications with Councilmember Paul Davis on March 12, 2014, as well as ancillary conversations with others.

On March 12, 2014, at 1:40PM, on my work cell [REDACTED], I received a missed call and voice message from Councilmember Paul Davis. Following is the verbatim transcription:

"Hey [REDACTED] this is Paul Davis. Just following up with you to see what's going on with this baseball thing. I haven't heard anything from anyone for a number of weeks now and I want to move this forward if we can or call it quits if we have to. So give me a call, or an email, or a text, whichever. Let me know what's up. [REDACTED] I will be at City Hall at 3 o'clock for the Finance Committee meeting. If you have a few minutes afterwards, we can get together and chat, maybe."

At 2:04PM, I subsequently made a call to [REDACTED] regarding the inquiry from Councilmember Davis. My purpose in the call was to obtain an up-to-date status report on the MLB Youth Facility. As I recall, [REDACTED] was not present and, as I recall, Sarah transferred me [REDACTED]. I shared with [REDACTED] the nature of Councilmember Davis' inquiry. In response, at 2: [REDACTED] [REDACTED] was gracious enough to send an email to [REDACTED] and Ccd me explaining my conversation with him.

[REDACTED] received a phone call from Councilman Davis where he stated he had not heard anything relative to the baseball facility that we met to discuss about 30 days ago. Can you provide [REDACTED] quick update before Al returns the call? Is this now in the hands of the JPA - Lori Stone?"

As I recall, in response to [REDACTED] email to [REDACTED], I received via phone call from her with an update indicating that she had met with Councilmember Davis twice and discussed the site's location within March JPA jurisdiction, with Lori Stone being the main JPA point of contact. I left a message with Councilmember Davis at 2:57PM replying to his earlier call. At 6:05PM, I received a return call from Councilmember Davis that lasted 14 minutes.

Much of the conversation between Councilmember Davis and me was focused on the MLB Youth Facility. The main conclusion of the conversation was Councilmember Davis' desire to explore annexing the land into the City; I committed to look into the annexation question with [REDACTED]. During the call, there were two departures from this topic. First, as I recall, Councilmember Davis shared with me his concerns with the performance of the City Manager. Second, as I recall, Councilmember Davis share with me his concern with a statement made by [REDACTED] [REDACTED] to visiting Sister Cities; I believe, Councilmember Davis expressed concern that [REDACTED] expressed a willingness to travel to Canada over China. During this conversation and, in particular during the two ancillary topics of the phone call, Councilmember Davis used a number of expletives.

Please contact me for additional information or questions.

Scott,

I will not be present for the April 1 meeting, and want to be present for the discussion of my request. [REDACTED] is aware, but doesn't have any involvement. Not sure why you would have a discussion with either he or any other member on my simple request and is really not up for debate. This is public information and needs to be provided ASAP. Very concerned over this continual action you take when I ask for important evaluation materials. Your lack of communication with me on this issue also bothers me and sends the wrong message. One of the key parts of evaluating any management employee's effectiveness and leadership is the churn rate of staff and certainly exit interviews of those departing. Thank you for your anticipated cooperation on this and other issues.

Just an observation....Another valuable and dedicated Associate of the City of Riverside is gone (the community is very sad to see Ralph leave). Seems to be trending that we have lost quite a few in recent years for greener pastures or forcibly forced out due to conflicts.... who else is going and how many more are we going to lose? This will end up leaving our city in a state of all new and inexperienced people related in those slots... Looks to me that an efficient leader would not have such a high turn over, and that they take care of their good employees and weed out the ones that are useless, not the other way around.

[REDACTED]

I attended the CAG meeting last night at Villegas Park that convened at 1900 hours. Consistent with the monthly agenda, Councilman Davis was given the opportunity to address the group and provide a Ward 4 update.

After his brief report, Councilman Davis asked that any and all City staff please be excused from the meeting. Davis explained that he was going to share some recent developments with his constituents and that it would be best if he excused City staff. As I was getting up and walking out, I heard Davis tell the crowd that we (City employees) all had bosses. It would only be right if what he was about to share came from our superiors and not directly from him. At that, myself, [REDACTED] [REDACTED] [REDACTED] [REDACTED] [REDACTED] all stepped outside.

Obviously curious, the four of us stood outside and conversed. We did so for at least 20 minutes before [REDACTED] and [REDACTED] finally said they were going to leave. [REDACTED] and I continued to talk and at about the 25 minute mark, we were allowed to come back inside and join the meeting. Nothing was mentioned of the Councilman's conversation with the group after we returned.

Following the meeting, I had the opportunity to talk to [REDACTED] outside in the parking lot. I asked what was going on and she stated that Councilman Davis told the attendees that he was going to file some kind of suit or action against [REDACTED]. When asked why, [REDACTED] stated the following rationale before we were interrupted by someone else walking up to us:

- That Paul has been hindered from doing his job. There have been numerous employees that have left their positions at the City. Paul has asked for a report that would contain the list of employees and why they were separated (fired, resigned, retired, etc.). Paul went through the City Manager for the request. The request was denied per [REDACTED]. This was just one example of [REDACTED] and City Manager not following the City Charter reference structure, thus limiting/blocking the functionality of Paul and his position as a councilman. The [REDACTED] is also performing other tasks and signing other documents that he does not have the authority to do.
- [REDACTED] has yelled/demeaned Paul and his fellow peers in public and in front of others on different occasions. The conversations usually have to do with power/authority. Who is in charge of running things, etc. The most recent was while [REDACTED] and Paul were in China. As mentioned, other Councilmembers have experienced the same independently with [REDACTED].
- The [REDACTED] recently hired a psychologist to meet with each Councilmember. The rationale was to evaluate each member to see what the breakdown is and why everyone cannot get along. Paul's belief is that [REDACTED] does not have the authority to do so and he took great offense to [REDACTED]'s actions in this matter.

EXHIBIT

- Also mentioned was that [REDACTED] told the City Manager to investigate [REDACTED] for administrative interference. In response, there is an opinion that [REDACTED] and possible [REDACTED] may join in some sort of claim against [REDACTED].

The aforementioned points were further confirmed later in the evening by the CAG Chair, Bob Garcia. Bob called me on my way home and recapped a few points of Councilman Davis' message to the meeting attendees. Bob's recap was very disjointed, but he independently brought up the first three points, as being covered by Davis. The last point was not. The basic message that Bob conveyed was Councilman Davis explained to the group that he is being hindered from doing his job by [REDACTED] and that there was more than likely going to be some repercussions. Davis wanted to tell his constituents in person and before they heard it somewhere else.

Please let me know if you have any questions or if you need any clarification on any of the details provided.

Re: **Update: hostile work environment complaint**

As an update to my memorandum of 04/14/14, I have the following information:

04/14/14 (see attached email): [REDACTED] emailed me with his concerns regarding statements made during Councilmember Davis' CAG meeting of 04/09/14; during this meeting Councilmember Davis referenced the investigation of [REDACTED], and [REDACTED] pointed out that any retaliation planned by Councilmember Davis as a result of the previous whistleblower complaint would constitute "illegal retaliation".

04/15/14: Councilmember Davis asked to see me when I finished a meeting with my staff. I went to his office at approximately 2:44 pm, and when I walked in I observed that his face was red and he appeared angry. I said "You wanted to see me?" to which Councilmember Davis replied "I am angry. I was just pigeonholed into a meeting with some investigator when I thought that it was going to be an industrial psychologist. This is going to end, Scott. You should have told me what this meeting was about and it time for a change; it is time for you to go. I know what I can say publically and I'm going to say it." I said to Councilmember Davis "You are correct, your behavior towards me is going to change" and I left Councilmember Davis' office.

This continuing practice of threatening to fire me, criticizing me for actions that I had no part in (I did not schedule the meeting with the investigator- it was scheduled by the Mayor's Office), and becoming angry and raising his voice to me is a perpetuation of Councilmember Davis creating an unacceptable, hostile work environment.

Subject: CASABLANCA ACTION GROUP MEETING

Mr. Barber

I have already shared with you information received from [REDACTED] regarding some comments made by Councilmember Paul Davis during the Casablanca Action Group on April 9, 2014. One of the comments attributed to the councilmember particularly troubled me. That remark had to do with some action that Councilmembers Davis and [REDACTED] are contemplating against [REDACTED] as a result of a complaint made against [REDACTED] for administrative interference in the running of City operations. I have previously brought to your attention that I believe [REDACTED] has acted inappropriately in undermining the authority of [REDACTED] by telling a key member of the staff of the RPD [REDACTED] that he [REDACTED] had the votes to get rid of the city manager and [REDACTED]. If, in fact, Councilmember Davis is now contemplating some action against any city employee (including the city manager and [REDACTED]), based on my reporting of misconduct about [REDACTED], I believe that qualifies as illegal retaliation. Based on my training and experience retaliation occurs when any adverse personnel action is taken by an employee for exercising a right or engaging in protected activity. My complaint against the councilman of violating the City Charter is a protected activity as I understand that term to be defined.

CONFIDENTIAL

Dear Mr. Potts,

I understand that you are counsel for Councilmember Paul Davis.

On behalf of the City of Riverside, I would like to interview Councilmember Davis for one hour.

The interview would be transcribed, but at any time you or your client could insist that the interview stop or go off the record. In conducting my investigation on behalf of the City of Riverside, I will only rely on what I am told on the record during the interview.

I would like to conduct the interview at you and your client's earliest convenience (except that I am not available tomorrow).

The general subject matter of the interview is whether or not Councilmember Davis had communications with subordinates of the City Manager that are inconsistent with Section 407 of the Riverside City Charter. I stress the "or not."

The particular focus will be on communications by Councilmember Davis with any City employee or official during January 2014-April 2014 about (a) the City's annexing (or otherwise acquiring) property from the March JPA or (b) the employment status or job performance of the Riverside City Manager.

Nobody reading this email should infer from it that Councilmember Davis did anything inappropriate.

I am copying the City Attorney and other counsel for the City on this email.

Hope to hear from you soon.

Thanks.

20 IMPLEMENTATION OF THE CODE

21 A. Implementation, Monitoring and Oversight

22 Monitoring and oversight are essential to ensure this Code of Ethics and Conduct is
23 effectively implemented. The objectives of this implementation effort shall include:

24 All persons covered by this code must be aware of its provisions.

25 All persons covered by this code shall have resources available to clarify expectations in
26 situations where they feel a potential area of noncompliance may exist.

27 All bodies covered by the code shall adopt rules of procedure which include the
28 provisions of this code.

1 Annual review shall be conducted to ensure the code is being applied in a fair and
2 effective manner.

3 Annual review shall be conducted by the City Council at a regular meeting.

4 To achieve these objectives the following mechanisms should be utilized.

5 1. All new members of the City Council, upon election or reelection, and members
6 of boards, commissions, and committees appointed by the Mayor, City Council, Mayor and City
7 Council, individual members of the City Council, or Department Head, upon appointment or
8 reappointment, shall be given a copy of the code and required to affirm in writing they have
9 received the code and understand its provisions. (See Attachment A).

10 2. All new members of the City Council and boards, commissions, and committees shall
11 be provided a training session which shall clarify the provisions and application of the code.
12 These sessions shall be coordinated by the City Manager, City Attorney and City Clerk through
13 the Mayor's Office.

14 3. The City Attorney, or his or her designee, shall serve as a resource person to those
15 persons covered by the code to assist them in determination of appropriate actions consistent
16 with the code.

17 4. Complaints from members of the public regarding elected or appointed officials shall
18 be submitted on the complaint form available from the City Clerk. Complaints concerning
19 Section II, D(4), herein, shall be presented by the person who claims to be treated in a manner
20 inconsistent with that Section. Complaints shall be filed with the City Clerk within 180 days of
21 discovery of an alleged violation of the Code of Ethics and Conduct. "Discovery" is defined as
22 when the complainant knew or reasonably should have known or discovered evidence of the
23 alleged violation through the exercise of reasonable diligence.

24 Upon receipt of the complaint form, the City Clerk and City Attorney will review the
25 submittal for completeness only. Any issue of timeliness will be resolved by the adjudicating
26 body, and, if there is an appeal, by the City Council. Once the filing is deemed complete, the
27 City Clerk will schedule the complaint concerning the elected official for a hearing before the
28 adjudicating body as soon as practicable and notify both parties. For complaints against

1 members of boards, commissions and committees, the City Clerk will forward the matter to the
2 appropriate board, commission or committee chair for informal resolution if so requested by the
3 complainant. If the matter is not resolved, or if the complainant did not request to seek an
4 informal resolution, the City Clerk will schedule the complaint for a hearing before the
5 adjudicating body as soon as practicable and notify both parties.

6 The adjudicating body shall consist of five members and one alternate chosen from the
7 chairpersons of the City's boards and commissions selected by lot by the City Clerk. No
8 chairperson shall serve who is from the same ward as the elected official to which the complaint
9 concerns. The City Clerk will notify both parties of the hearing date, place and time at least
10 fourteen (14) days in advance of the hearing. The adjudicating body shall hear all timely filed
11 complaints and attempt to resolve each complaint on its merits.

12 Following the hearing, the City Clerk will notify both parties, in writing, of the
13 adjudicating body's decision and the appeal process. The decision of the adjudicating body may
14 be appealed by either party by submitting such appeal in writing to the City Clerk within seven
15 (7) days of the adjudicating body's decision. If no appeal is received within seven (7) days, the
16 matter is concluded. If appealed within seven (7) days, the City Clerk will schedule the appeal
17 before the City Council and notify both parties at least fourteen (14) days in advance of the
18 hearing.

19 The record on appeal will consist of a transcript of the hearing before the adjudicating
20 body as well as all documentary evidence submitted at the hearing. No new evidence will be
21 considered. The City Council will review the record and will disturb the adjudicating body's
22 decision only upon a showing of clear error or abuse of discretion.

23 The City Clerk will notify both parties in writing of the City Council's findings and
24 determination. The determination of the City Council is final and there is no further right to
25 appeal. The hearing and appeal process shall be concluded if at all possible, within ninety (90)
26 days of the complaint being determined to be complete. Complaints and any supporting
27 documentation shall be retained for a period of at least two (2) years.

28 5. The chair of each body covered by this code is responsible to intervene and provide

1 appropriate guidance to members and, if need be, communicate concerns to the City Council.

2 6. In September of each year, the Mayor, the City Manager, the City Attorney and the
3 chairs of all Boards and Commissions shall meet with the Governmental Affairs Committee of
4 the City Council to assess the effectiveness of this code and its application. They shall present a
5 report to the City Council which may include recommendations for the inclusion of new values
6 or procedures. Prior to the annual Governmental Affairs Committee meeting, every Board and
7 Commission is encouraged to agendize and discuss the Code and submit any recommendations
8 for the Committee's consideration.

9 7. In September of each year, the City Council shall hold a public hearing on its
10 evening agenda at a regularly scheduled meeting, and shall review the report and make an
11 independent evaluation of the effectiveness of the Code of Ethics and Conduct.

12 B. Enforcement and Sanctions

13 It is the intention that this code be self enforcing. However, it is recognized that there
14 may be instances where even after receiving guidance and counsel, a person may continue to
15 violate the Code's provisions. In those cases sanctions would apply and would occur in a public
16 meeting.

17 (1) Mayor - City Council

18 The sanctions that would apply by action of the City Council would be:

19 (a) Public censure of a member.

20 The ultimate sanction of removal from office would lie in the hands of the
21 electorate.

22 (2) Boards and Commissions

23 (a) Public censure by the Board or Commission.

24 (b) Public censure by the Mayor and City Council.

25 (c) Removal from office by the Mayor and City Council.

A City Council Member's Role With Respect to Individual City Employees

BY MELANIE M. POTURICA AND DAVID A. URBAN

Melanie M. Poturica is managing partner at the law firm of Liebert Cassidy Whitmore in Los Angeles, and can be reached at mpoturica@lcwlegal.com. David A. Urban is an attorney with the firm, and can be reached at durban@lcwlegal.com.

About Legal Notes

This column is provided as general information and not as legal advice. The law is constantly evolving, and attorneys can and do disagree about what the law requires. Local agencies interested in determining how the law applies in a particular situation should consult their local agency attorneys.

In the public eye, city council members are at the top of the city's government structure, presiding over large and small bureaucracies that may include police officers, firefighters and many other types of employees charged with serving the public interest. Accordingly, when residents are aggrieved by or interested in the conduct of a particular employee, they may view their council member as that employee's ultimate "boss" or de facto CEO of the city, who can cause the employee to be disciplined or even terminated, and who could certainly take such lesser actions as communicating with the employee's direct supervisor or reviewing the employee's personnel file for information relevant to the issue.

City councils often have appointing authority over the city's highest officials, such as the city manager and city attorney. But otherwise, individual council members and the council as a body have virtually no role with regard to individual city employees. In fact, a council member's role with respect to such employees probably has more in common with that of a city resident (who is an interested "outsider" looking at the city employment structure) than with that of a private company's CEO.

This article describes several legal reasons why city council members' roles with regard to individual employees have such substantial limitations and includes some practical approaches for dealing with individual employees.

Why a City Council Member's Role Is So Limited

City council members are meant to act as part of the council, not individually. A primary reason why council members have virtually no role with regard to individual city employees is that applicable law provides that council members will act as a body, not as individuals. Indeed, the law requires that, with limited exceptions, the council conduct city business only through duly convened meetings "in full view of the public."¹ Thus, when an individual city council member takes unilateral action, his or her conduct may well lose the sanction of the law. The council member may then lose certain protections and immunities from liability, and his or her actions may more easily be rescinded or disputed.²

Legislative immunity is limited. Second, city council members may well not have legislative immunity with regard to actions toward individual employees. This is particularly true if the council member acts unilaterally. Typically, when a city council member acts as a legislator, he or she has absolute immunity. But that immunity can be lost when the legislator takes actions outside the "sphere of legitimate legislative activity."³ Accordingly, if a council member takes any

EXHIBIT

V

00347

unilateral actions concerning an individual employee, he or she could risk loss of legislative immunity. Even actions taken collectively with the full council might conceivably lack immunity if they relate to specific individuals instead of furthering general city policy.

Under California law, city council members can be liable for invasion of privacy, among other things. Third, the threat of liability presents another factor that limits council member roles toward individual employees. One potential type of liability is for invasion of privacy. In one case, *Braun v. City of Taft*, a city council member was subject to censure by the council for removing documents from a city employee's personnel file and revealing them to the press. Although the court ultimately determined that the particular documents were public records that could legally be disclosed, the court remanded the case to the council to allow it to decide whether the member should suffer censure for other reasons. These possible reasons included his "unilateral decision regarding [the documents] suitability for disclosure."⁴ Other courts have articulated that public employees can have limited privacy rights in their personnel files.⁵ Employees can thus argue that improper review and/or disclosure should result in personal liability for invasion of privacy.⁶

Other officials, such as city managers, are charged with overseeing city employees. Fourth, council member actions with regard to individual employees may be considered suspect because other high level city officials are officially charged with supervising and/or overseeing individual employees. Most cities appoint city managers to provide overall supervision to a city's human resources function. Because a designated official already has this responsibility, there should be little need for city council members to become involved with individual employees.⁷

Practical Advice for Dealing With Individual Employees

Refrain from doing so, unless it is a part of one's obligations to the city. The most prudent course for a city council member is to refrain from taking action or otherwise becoming involved in any supervisory role, with respect to individual city employees.

Proceed as part of properly convened city council meetings and not individually. If a council member must become involved in decisions with respect to an individual employee, the member should not act unilaterally but should instead act as part of the council. The member should also act pursuant to the requisite formalities that will ensure legislative immunity applies.

The city manager or other appropriate city employee should interface with employees. Tasks such as reviewing employee personnel files, gathering information from supervisors and providing instruction as to particular employees should be done by the city manager or other official charged with overseeing the city's employment structure. This is true even for matters of public interest. If city residents object to the conduct of particular employees, the council can respond by asking the city manager to investigate and take appropriate action regarding the objections. For example, in a small city experiencing resident complaints about rude police officers, the council should itself refrain from taking direct action as to those officers. Instead, it can ask the city manager to investigate and respond to the issue globally. The city manager can then, as part of his or her comprehensive response, take appropriate employment action as to the officers in question.

Comply with the Brown Act. The Ralph M. Brown Act provides that certain official bodies, including city councils, may only act through duly called and regularly held meetings that are open to the public. A city council can conduct closed meetings to discuss certain personnel matters. These include meetings in which the council discusses the "appointment, employment, evaluation of performance, discipline, or dismissal of a public employee ..."⁸ This closed meeting exception, however, may apply only to the council's consideration of employees over whom the council has appointing authority (for example, city managers, city attorneys and others). A California attorney general opinion describes that the closed meeting exception does *not* apply to a body's consideration of an employee over whom it does not have appointing authority.⁹ Lack of compliance with the Brown Act may lead to adverse legal consequences, which include voiding the actions that the council takes.

EXHIBIT

Consult with legal counsel. These issues can be complex. Also, situations where council members must take a role with regard to city employees will be rare. Council members should obtain legal advice when such circumstances arise to ensure they undertake their role appropriately.

2 *See Braun v. City of Taft*, 154 Cal. App. 3d 332, 338-40, 347-48 (1984) (considering council member's censure for unilaterally disclosing personnel records to the public).

3 *Bogan v. Scott-Harris*, 523 U.S. 44, 54, 118 S. Ct. 966, 140 L.Ed.2d 79 (1998) (council members have immunity from civil rights liability for all actions taken "in the sphere of legitimate legislative activity"). For legislative immunity under federal law, courts apply a four-part test: "(1) whether the act involves *ad hoc* decision-making, or the formulation of policy; (2) whether the act applies to a few individuals, or to the public at large; (3) whether the act is formally legislative in character; and (4) whether it bears all the hallmarks of traditional legislation." *Kaahumanu v. County of Maui*, 315 F.3d 1215, 1220 (9th Cir. 2003). "Whether an act is legislative turns on the nature of the act, rather than on the motive or intent of the official performing it." *Bogan*, 523 U.S. at 54.

6 *See Hill v. National Collegiate Athletic Assn.*, 7 Cal. 4th 1, 35-38 (1994).

7 Indeed, at least one Attorney General Opinion describes that the Brown Act closed meeting exception does not apply to a body's discussion of employees over whom the body does not have appointing authority. *See* 85 Ops. Cal. Atty. Gen. 77 (2002). This supports the position that a council should delegate decision-making over such employees, since it would otherwise have to consider their performance in open session.

Number: III-6 Effective Date: 06/13

SUBJECT: HARASSMENT FREE WORKPLACE

PURPOSE:

To establish a policy regarding discriminatory and/or sexual harassment in City employment, and to set forth procedural guidelines for resolution of complaints of harassment.

This policy applies to all phases of the employment relationship, including recruitment, testing, hiring, upgrading, promotion/demotion, transfer, layoff, termination, rates of pay, benefits and selection for training.

This policy applies to all officers and employees of the City, including, but not limited to, full-time and part-time employees, per diem employees, temporary employees and persons working under contract for the City.

DEFINITIONS:

Harassment - May consist of offensive verbal, physical or visual conduct when such conduct is based on or related to an individual on the basis of race, color, ancestry, religious creed, disability, medical condition, age (over 40), marital status, sexual orientation or any other protected classification under applicable law and:

- a. Submission to the offensive conduct is an explicit or implicit term or condition of employment;
- b. Submission to or rejection of the offensive conduct forms the basis for an employment decision affecting the employee; or
- c. The offensive conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creates an intimidating, hostile or offensive working environment.

Examples - Examples of what may constitute prohibited harassment include, but are not limited to, the following:

- a. Kidding or joking about sex or membership in one of the protected classifications;
- b. Hugs, pats and similar physical contact;
- c. Assault, impeding or blocking movement, or any physical interference with

normal work or movement;

- d. Cartoons, posters and other materials that are derogatory, offensive, inappropriate and refer to sex or membership in one of the protected classifications;
- e. Threat intended to induce sexual favors;
- f. Continued suggestions or invitations to social events outside the workplace after being told such suggestions are unwelcome;
- g. Degrading words or offensive terms of a sexual nature or based on the individual's membership in one of the protected classifications; and/or
- h. Prolonged staring or leering at a person.

POLICY:

1. Procedure

Any employee who believes that he or she has been the victim of sexual or other prohibited harassment by co-workers, supervisors, clients or customers, visitors, vendors or others should immediately notify his or her supervisor, or, in the alternative, the Human Resources Department, depending on which individual the employee feels most comfortable in contacting.

Additionally, supervisors who observe or otherwise become aware of harassment that violates this policy have a duty to take steps to investigate and remedy such harassment and prevent its recurrence.

Any employee who believes that he or she has been the victim of sexual or other prohibited harassment by co-workers, supervisors, clients or customers, visitors, vendors or others may file a complaint with the California Department of Fair Employment and Housing ("DFEH") or the Equal Employment Opportunity Commission ("EEOC"). The phone numbers for these agencies are located in the phone book under government agencies.

2. Investigation

Upon the filing of a complaint with the City, the complainant will be provided with a copy of this policy and a complaint form. The Human Resources Department is the department designated by the City to investigate complaints of harassment. The Human Resources Director may, however, delegate the investigation at his/her discretion. In the event the harassment complaint is against the Human Resources Director, an investigator shall be appointed by the City Manager.

Charges filed with either the California Department of Fair Employment and Housing or the Equal Employment Opportunity Commission are investigated by that agency; however, the Human Resources Department may also conduct a separate investigation.

3. Internal Documentation Procedure

The investigator shall make and keep a written record of the investigation, including notes of verbal responses made to the investigator by the person complaining of harassment, witnesses interviewed during the investigation, the person against whom the complaint of harassment was made and any other person contacted by the investigator in connection with the investigation. The investigator's notes shall be made at the time the verbal interview is in progress. Any other documentary evidence shall be retained as part of the record of the investigation. Upon completion of the investigation, the results shall be given to the Human Resources Director. A copy of the completed investigation will be given to the City Attorney. The complainant will be provided written notification that an investigation has been conducted, and, if necessary, appropriate action will be taken to remedy the situation.

Based on the report and any other relevant information, the investigator from Human Resources shall, within a reasonable period of time, determine whether the conduct of the person against whom a complaint has been made constitutes harassment. In making that determination, the investigator shall look at the record as a whole and at the totality of circumstances, including the nature of the conduct in question; the context in which the conduct, if any, occurred; and the conduct of the person complaining of harassment. The determination of whether harassment occurred will be made on a case-by-case basis by the investigator.

4. Confidentiality

All records and information relating to the investigation of any alleged harassment and resulting disciplinary action shall be confidential, except to the extent disclosure is required by law, as part of the investigatory or disciplinary process, or as otherwise reasonably necessary.

5. Remedies

If the Human Resources Department has determined that the complaint of harassment is founded, the Human Resources Director shall take immediate and appropriate disciplinary action consistent with the requirements of law any personnel rules and regulations pertaining to employee discipline. Other steps may be taken reasonably necessary to prevent recurrence of the harassment and to remedy the complainant's loss, if any.

Disciplinary action shall be consistent with the nature and severity of the offense, the rank of the harassing party, and any other factors relating to the fair and efficient administration of the City's operations.

In the event a complaint is filed with the Department of Fair Employment and Housing or the Equal Employment Opportunity Commission, and they find that the complaint has merit, either the Department of Fair Employment and Housing or the Equal Employment Opportunity Commission will attempt to negotiate a settlement between the parties. If not settled, the Department of Fair Employment and Housing may issue a determination on the merits of the case.

Where a case is not settled and the Department of Fair Employment and Housing finds a violation to exist, they may prosecute the charging party's case before the Fair Employment and Housing Commission. Legal remedies available through this Commission for a successful claim by an applicant, employee or former employee

include possible reinstatement to a former job; award of a job applied for, back pay; front pay; attorney's fees; and appropriate circumstances, actual damages and/or administrative fines.

In the alternative, the Commission may grant the employee permission to withdraw the case and pursue a private lawsuit seeking similar remedies.

6. Retaliation

Retaliation against anyone for opposing conduct prohibited by this policy or for filing a complaint with or otherwise participating in an investigation, proceeding or hearing conducted by the City, the Department of Fair Employment and Housing or the Equal Employment Opportunity Commission is strictly prohibited by the City and state regulations. It may subject the offending person to, among other things, disciplinary action, up to and including, termination of employment.

7. Employee Obligation

Employees are not only encouraged to report instances of harassment; they are obligated to report instances of harassment.

Employees are obligated to cooperate in every investigation of harassment, including, but not necessarily limited to:

- a. Coming forward with evidence, both favorable and unfavorable to a person accused of harassment; and
- b. Fully and truthfully making a written report or verbally answering questions when required to do so during the course of a City investigation of alleged harassment.

Knowingly, falsely accusing someone of harassment or otherwise knowingly giving false or misleading information in an investigation of harassment shall be grounds for disciplinary action, up to and including, termination of employment.

CITY OF OAKLAND
OFFICE OF THE CITY ATTORNEY
LEGAL OPINION

**TO: CHAIRPERSON SCHAAF AND MEMBERS OF THE FINANCE AND
MANAGEMENT COMMITTEE**

**FROM: BARBARA J. PARKER
CITY ATTORNEY**

DATE: OCTOBER 25, 2013

**RE: Whether the Council has the Power to Direct Staff under the City
Administrator's Jurisdiction to Address Agenda Items and Answer
Questions at City Council and Committee Meetings**

I. INTRODUCTION

At the September 24th Finance and Management Committee, a Councilmember requested that a particular employee under the City Administrator's jurisdiction answer questions regarding an agenda report. The Committee chair and the Assistant City Administrator assigned to the Committee objected to the request, stating that the City Administrator had designated a different employee to present the report and address questions regarding the item. The Councilmember who made the request stated that she had the right to make the inquiry and receive a response from the employee.

The Deputy City Attorney assigned to the Committee provided an oral preliminary opinion that the City Council and its members do not have authority to direct staff under the City Administrator's jurisdiction to answer questions and advised that our Office would provide a written legal opinion.

II. QUESTION

Does a Councilmember or the Council have the power to determine/direct which City employee under the City Administrator's jurisdiction addresses agenda items and responds to Councilmembers' questions/inquiries at City Council and Council Committee meetings?

III. SUMMARY CONCLUSION

No. The Council and its members may make an inquiry to employees under the City Administrator's jurisdiction or the jurisdiction of the Mayor or other appointed or elected officers who are responsible for the administrative service. However, neither the Council nor any Council member has authority to determine/direct which City employee under the City Administrator's jurisdiction or such other officers responds to such inquiries.

The City Charter grants the City Administrator and other appointed or elected officers who are responsible for the administrative service the sole discretion to direct and determine which employee addresses agenda items and answers Councilmembers' questions. Therefore, any direction by the Council or a Councilmember to an employee under the City Administrator's jurisdiction would violate the separation of powers the City Charter establishes between the legislative and administrative functions.

The City Council has no administrative powers and the City Charter expressly prohibits the Council and its members from giving orders/direction to employees under the jurisdiction of the City Administrator and other officers who are responsible for the administrative service. (City Charter sections 207 and 218.) The preparation and presentation of agenda reports and responding to Council's and Councilmembers' questions/inquiries about agenda reports are administrative functions. The City Charter explicitly grants the City Administrator the power and makes it his/her responsibility to perform the administrative function of preparing and presenting agenda reports and responding to Council's or Councilmembers' questions/inquiries about reports. (City Charter section 504.) This power encompasses the discretion to decide to whom the City Administrator will delegate her responsibility of preparing reports and responding to Councilmembers' questions/inquiries.¹

V. BACKGROUND

For a number of years, Councilmembers have asked that particular employees under the City Administrator's jurisdiction come to the podium and address agenda items or answer questions at Council and Council Committee meetings. Rarely have objections been raised to this practice although on occasion the City Administrator or his/her designee has advised Council that "X" is the most knowledgeable employee and that he/she will respond. Often the Councilmembers have accepted the City Administration's decision; however, the practice of calling particular employees to the

podium to provide information/insight has been so common that the Council may believe that it has the power to direct that a specific employee address its questions.

VI. ANALYSIS

A. The City Council has no Administrative Powers and the Charter Prohibits Council Interference in the City's Administrative Affairs

The Oakland City Charter ("City Charter") is the supreme law of the City of Oakland ("City"). It grants the City the power to make and enforce all laws and regulations with respect to *municipal affairs*, subject only to the restrictions and limitations provided in the Charter. The Charter authorizes the City to exercise Home Rule powers as to municipal affairs that the California Constitution grants to charter cities. (Section 6 of Article XI of the Constitution of the State of California; City Charter § 106.)

As the City Attorney opined in the February 6, 2003 public legal opinion regarding City Manager's powers², municipal corporations, such as the City of Oakland, are not bound by the separation of powers principles in the federal or state constitution. *McQuillinMun.Corp* § 10.06, p. 313 (3rd Edition). Strict separation of powers is not constitutionally required for local governments. 13 Cal Jur 3d (Rev) Part §101, p. 224. Therefore, the City Charter determines the roles of the City Council, Mayor and City Manager.

Oakland's City Charter clearly separates the legislative (Council) and administrative (City Administrator and other officers) powers. Among other things, City Charter section 207 provides that the Council has no administrative powers.³ City Charter section 218 further prohibits the Council and its members from interfering with the administrative affairs/service of the City for which the City Administrator, Mayor, and other appointed or elected officers are responsible.⁴

² This opinion is available on the City Attorney's website under the opinion archive list for 2003.

³ **Section 207. Powers of the Council.** The Council shall be the governing body of the City. It shall exercise the corporate powers of the City and, subject to the expressed limitations of this Charter, it shall be vested with all powers of legislation in municipal affairs adequate to provide a complete system of local government consistent with the Constitution of the State of California. It shall have no administrative powers. The Council shall fix the compensation of all City employees, officers and officials except as otherwise provided by this Charter.

⁴ **Section 218. Non-Interference in Administrative Affairs.** Except for the purpose of inquiry, the Council and its members shall deal with the administrative service for which the City Administrator, Mayor and other appointed or elected officers are responsible, solely through the City Administrator, Mayor or such other officers. B. The City Administrator has Sole Discretion to Designate Which Staff Member Provides Reports and Responds To Councilmembers' Questions at City Council and Committee Meetings

The City Administrator is the chief administrative officer of the City of Oakland. City Charter section 503 grants the City Administrator the power and provides that it is his/her duty to be responsible "for the proper and efficient administration of all affairs of the City under his jurisdiction", and empowers him/her to "appoint, assign, reassign, discipline and remove all directors or heads of departments and all employees under [his/her] jurisdiction."⁵ City Charter section 504 empowers the City Administrator to "administer the affairs of the City," and requires that the City Administrator "attend all meetings of the Council and its committees [unless excused] . . . and participate in discussions at such meetings." In addition, the City Administrator has the duty to "investigate affairs of the City under his [or her] supervision," "prepare and submit to the Council such reports as it may require" and "keep the Council at all times fully advised as to the financial condition and needs of the City."⁶

City under the jurisdiction of the City Administrator or such other officers, either publicly or privately, nor shall they attempt to coerce or influence the City Administrator or such other officers, in respect to any contract, purchase of any supplies or any other administrative action; nor in any manner direct or request the appointment of any person to or his removal from office by the City Administrator or any of his subordinates or such other officers, nor in any manner take part in the appointment or removal of officers or employees in the administrative service of the City. Violation of the provisions of this section by a member of the Council shall be a misdemeanor, conviction of which shall immediately forfeit the office of the convicted member. (Emphasis added.)

⁵**Section 503. Powers of Appointment and Removal.** The City Administrator shall be responsible to the Council for the proper and efficient administration of all affairs of the City under his jurisdiction, and shall, subject to the provisions of Article IX of this Charter and except as otherwise provided in this Charter, have the power to appoint, assign, reassign, discipline and remove all directors or heads of departments and all employees under his jurisdiction. He may delegate to directors or other department heads responsible to him/her the authority to appoint, discipline and remove subordinate employees, subject to the provisions of Article IX of this Charter

⁶**Section 504. Duties.** The City Administrator shall have the power and it shall be his duty: (a) To execute and enforce all laws and ordinances and policies of the Council and to administer the affairs of the City. The City Charter enumerates the City Administrator's administrative powers and duties which enable him/her to enforce, implement and administer the Council's policies, laws and ordinances. However, the Council cannot give the City Administrator direction regarding how s/he performs these administrative duties. The City Charter explicitly states that the Council "shall have no administrative powers."⁷ The City Administrator has sole discretion and control over the manner and methods to perform the administrative functions under the City Administrator's jurisdiction.

Thus, the City Administrator has the duty to prepare agenda reports, participate in discussions at Council and Committee meetings and keep the Council fully advised, and has sole authority to designate the City staff under his/her jurisdiction to address items and answer Councilmembers' questions at City Council and Council Committee meetings.

C. The Oakland City Council and Its Councilmembers Have No Authority to Direct City Staff to Speak and Answer Questions at Committee and Council Meetings

City Charter section 218 mandates that the Council and its members shall deal with the administrative service through the City Administrator, Mayor or other appointed or elected officers "[except] for the purpose of inquiry. . .", and further prohibits the Council and Council members from "giv[ing] orders to any subordinate of the City under the jurisdiction of the City Administrator. . . , either publicly or privately", or "[attempting] to coerce or influence the City Administrator or such other officers, in respect to any contract, purchase of any supplies or any other administrative action."

purchasing of materials and supplies and to make recommendations to the Council in connection with the awarding of public contracts and to see that all City contracts under his direction or that of the Council are faithfully performed. (l) To prepare and submit to the Council such reports as it may require. (j) To keep the Council at all times fully advised as to the financial condition and needs of the City. (k) To prescribe such general rules and regulations as he may deem necessary or expedient to the general conduct of the administrative departments under his jurisdiction. (i) When directed by the Council, to represent the City in its intergovernmental relations and to negotiate contracts for joint governmental actions, subject to Council approval. (m) To devote his entire time to the duties and interest of the City. (n) To perform such other duties as may be prescribed by this Charter or by ordinance or resolution.

⁷Section 207. Powers of the Council. The Council shall be the governing body of the City. It shall exercise the corporate powers of the City and, subject to the expressed limitations of this Charter, it shall be vested with all powers of legislation in municipal affairs adequate to provide a complete system of local government consistent with the Constitution of the State of California. It shall have no administrative powers. The Council shall fix the compensation of all City employees, officers and officials except as otherwise provided by this Charter.

Re: Legal Opinion - Whether the Council has the Power to Direct Staff under the City Administrator's Jurisdiction to Address Agenda Items and Answer Questions at City Council and Committee Meetings

Page Six

Directing a City staff member under the City Administrator's jurisdiction to appear before the Council or a Council Committee and answer questions violates City Charter section 218 and goes beyond making an inquiry of a subordinate of the City Administrator, which is permissible under that section. The City Attorney outlined the definition of "inquiry" for purposes of Section 218 in the February 6, 2003 public legal opinion regarding the division between the Council and City Manager's powers. The City Attorney cited Webster's Dictionary in defining "inquiry" as "examination into facts or principles: research." The opinion further stated that "inquiry" also can mean "a request for information" or "systematic investigation."

When a Councilmember makes an inquiry, the City Administrator has discretion to decide who will respond to the inquiry. A Councilmember's insistence that a particular staff member respond to questions/inquiries constitutes direction or an order that contravenes City Charter section 218 and the City Administrator's authority to direct staff under City Charter Article V. To be clear, the Council may make inquiries of City staff under the jurisdiction of the City Administrator or other appointed or elected officers who are responsible for the administrative service. But the City Administrator (and other such officers) determines who will respond to such inquiries/questions. If Councilmembers are not satisfied with the responses to their questions they may direct follow up questions to the City Administrator or the employee(s) the City Administrator designates to handle the matter or request that the City Administrator provide additional written responses or reports.

The practice of directing particular City staff to speak at Council and Committee meetings may appear to be harmless or inconsequential. But compliance with the Charter's non-interference clause is not optional; the voters in enacting the Charter mandated the separation of powers of the Council (legislative branch) and the City Administration. This separation of powers is underscored by section 207 of the City Charter which provides that the Council "shall have no administrative powers". And this separation of powers is fundamental to maintain city staffers' ability to provide their independent professional analysis/judgment and their responsibility to take direction from the City Administration as opposed to a particular Councilmember or the Council.

As we have explained giving direction to employees under the City Administrator's jurisdiction or employees under the jurisdiction of the other elected or appointed officers who are responsible for the administrative service violates the non-interference clause of the City Charter and arrogates to the Council administrative powers which are the province of the City's administrative service. Such direction usurps the City Administrator's authority to carry out administrative functions under City Charter sections 503 and 504 and her power to hire, direct, discipline employees under her jurisdiction. Violation of the separation of powers also could undermine the City Administrator's ability to uphold his/her duties and could have a potentially coercive effect on members of City staff who are directed to speak without authorization or

instruction on matters of City business. This is of particular note given City staff's expressed concern over the years that Councilmembers have the power to hire or fire them and giving direction to employees exacerbates the perception that employees report to Councilmembers and perform work for them.

VII. CONCLUSION

The City Administrator has sole power and discretion to determine/direct the City staff persons under his/her jurisdiction who will address items at Council and Committee meetings and answer questions. The City Charter prohibits Councilmembers from giving direction to City staff under the City Administrator's jurisdiction either publicly or privately. Council may request information/make an inquiry, and a Councilmember may ask the City Administrator if s/he will direct a particular staff member to respond to a question or inquiry. But the decision regarding which employee(s) will be designated to speak is within the City Administrator's sole discretion.

This opinion also applies to Councilmembers' private inquiries (i.e., outside of public meetings) to City employees under the jurisdiction of the City Administrator and other appointed or elected officers who are responsible for the administrative service.

John & Lori:

Below are the responses I received from Lori Stone to Question Nos. 1-5 & she correctly pointed out that No. 6 was a duplicate of Question No. 3. I've corrected Question No. 6 & bolded its text. If you would please answer Question No. 6 I would be grateful. (Plus, if you see anything in your prior answers that you want to edit, please feel free to do so. Thanks. - Leonard Gumport

[1] During 2014, did Ms. Stone have any discussions with Councilman Paul Davis about the job performance or job status of City Manager. – Yes

[2] If the answer to No. 1 is "Yes," when & where did the discussion occur? - Either LAX (3/21/14) or during our layover at the airport in Seoul Korea (3/22/14) on our way to China.

[3] If the answer to No. 1 is "Yes," what did Councilman Davis say about the job performance or job status of the City Manager?

– CM Davis essentially indicated that Scott Barber wasn't doing a good job and [REDACTED] was running the city. He also said that several of the directors (or department heads) were leaving because of Scott. I told him I heard [REDACTED] [REDACTED] [REDACTED] was retiring. CM Davis indicated that [REDACTED] is "retiring" but isn't really retiring implying it was because of Scott.

[4] During 2014, did Ms. Stone have any discussions with Councilman Paul Davis about the City of Riverside's acquiring March JPA property to develop a Major League Baseball youth facility?

- Not acquiring just that he had a group interested in developing the property.

[5] If the answer to No. 4 is "Yes," when & where did the discussion occur?

I'm not sure of the date but it was a telephone conversation. CM Davis called me to tell me he had interest from a group to develop a facility and he was interested in developing it on the

JPA's 60-acre park designated property.

[6] If the answer to No. 4 is "Yes," what did Councilman Davis say about the City of Riverside's acquiring March JPA property to develop a Major League Baseball facility?
CM Davis did not talk about acquiring JPA property. He said he had a group interested in it and the Riverside utility rates would be important to them. I told CM Davis that Riverside couldn't serve the utility outside their jurisdiction and CM Davis questioned whether that was accurate and was going to contact the Director of Riverside utilities to verify. That was the last I heard about it from CM Davis until after Scott Barber asked me if I told CM Davis that Riverside should annex property. I then told Scott about the telephone conversation with CM Davis to allay any concerns Scott had. I should note Scott's main concern was what message it would send if Riverside tried to annex land at this point with the problem's the JPA was having with Moreno Valley. I wholeheartedly agreed with Scott on this issue. Within days after my conversation with Scott CM Davis called me but I believe it was for a different matter. During that conversation I mentioned to him that I did not encourage Riverside to annex the park land and he replied with "I know."

By reason of the timeframe of my investigation, I hope that Ms. Stone can quickly respond to these questions.

Please call if you have any questions.

Thanks.

Please see my answers below. My answers are not verbatim but get to the crux of the conversations. Also, questions number 3 & 6 are duplicates, was that intentional? I was not left an opening to discuss everything you and I spoke about earlier.

Dear Ms. Stone:

I would like to interview you for less than an hour at your earliest convenience.

I am doing an internal investigation for the City of Riverside.

The investigation has nothing to do with any wrongdoing by March JPA (or yourself). The questions I would ask concern only these two matters: (a) certain discussions in 2014 about a Major League Baseball youth facility on a parcel of March JPA land; and (b) certain discussions in 2014 about City Manager Scott Barber.

You can confirm my relationship with the City by contacting [REDACTED] whom I am copying on this email.

Hope to hear from you.
