| Sully-Miller | Brea | \$5,392,000.00 |

BID DESCRIPTION: The project entails maintenance improvements on Minor streets and one Arterial Street throughout the City of Riverside. The specific Arterial street included in this project is University Avenue (Brockton Avenue to Market Street). This project generally includes, but is not limited to, the reconstruction of asphalt pavement, ARAM, fiberglass interlayer treatment, concrete sidewalks, driveways, pedestrian ramps, cross gutters, curbs, and gutters; adjustment of water meters boxes, water valve covers, and sewer, storm drain, and electric manholes; removal and replacement of traffic striping; and installation of signs. Improvements also include removal and salvage of chain-link fence and new construction of white vinyl fence and steel barrier gate at Hawarden Drive and Mary Street.

Bid Recommended For Award (Includes Sales Tax) ☒ 10% Surety Included ☒ Contract
Lowest Responsible Bidder ☐ 10% Surety not required ☐ Purchase Order
Amount of Award

EBS General Engineering, Inc. \$4,594,000.00

COMMENTS:
The Purchasing Division has evaluated all bids received and recommends award be made to the lowest responsive and responsible bidder. The Public Works Department concurs with this recommendation and will be submitting a report.
