U.S. Communities IT Products, Services and Solutions Contract No. 4400006644

Insight Public Sector (IPS) is proud to be a contract holder for the U.S. Communities Technology Products, Services, Solutions & Related Products and Services Contract.

This competitively solicited contract is available to participating agencies of the U.S. Communities Government Purchasing Alliance. U.S. Communities assists local and state government agencies, school districts (K-12), higher education, and nonprofits in reducing the cost of purchased goods by pooling the purchasing power of public agencies nationwide. This is an optional use program with no minimum volume requirements and no cost to agencies to participate.

Thanks for choosing Insight!

DATALINK SERVICES STATEMENT OF WORK

CUSTOMER INFO	
Customer Name	City of Riverside
Customer Contact	Alan Lee
Customer Email	ALee@riversideca.gov
Customer Phone Number	(951) 826---5618
Customer Address	3900 Main Street, Basement Riverside, CA 92522

SERVICE DESCRIPTION

NetApp / Data ONTAP Upgrade 8.2.x to 8.3.x or 9.x

Datalink will provide services under this SOW to upgrade the City of Riverside's NetApp FAS8040 and FAS8020 storage arrays from Data ONTAP 8.2.x to the current GA version of Data ONTAP 8.3.x or 9.x. Each storage array is comprised of a single HA controller pair running Clustered Data ONTAP. The version to be upgraded to will be determined at the start of the project based on review of the current configuration and the current recommended releases from NetApp.

NetApp / Install and Configure SnapMirror

Datalink will provide services under this SOW to install and configure SnapMirror replication between the City of Riverside's NetApp FAS8040 and FAS8020 storage arrays. SnapMirror replication will be configured for up to 5 volumes of the Customer's choosing. Datalink will also perform testing of access to data at the SnapMirror destinations and provide knowledge transfer to the customer around SnapMirror replication.

PROJECT SCOPE AND TASKS

In accordance with this Statement of Work, Datalink will perform the following tasks:

NetApp / Data ONTAP Upgrade / Review existing Configuration

NetApp / Data ONTAP Upgrade / Check list of software to ensure meets Interoperability Matrix Tool compatible

NetApp / Data ONTAP Upgrade / Review upgrade advisor and create upgrade plan

NetApp / Data ONTAP Upgrade / Address issues that were identified

NetApp / Data ONTAP Upgrade / Execute Upgrade Plan

NetApp / Data ONTAP Upgrade / Deliver any documentation, functional overview, knowledge transfer and receive customer acceptance

NetApp / Install SnapMirror / Install SnapMirror software and set up

NetApp / Install SnapMirror / Test data access from SnapMirror destinations and conduct knowledge transfer

Notes and assumptions:

Up to 5 SnapMirror relationships will be configured

**PROJECT SCOPE AND TASKS**

Customer has provisioned adequate destination capacity for the volumes to be replicated with SnapMirror

Customer is responsible for provisioning, managing and maintaining adequate network connectivity between sites/storage arrays for SnapMirror replication

Knowledge transfer is unstructured and does not serve as a replacement for product documentation or formal training

All tasks under this SOW will be performed remotely and Customer will facilitate remote access via VPN or Webex.

PROJECT PRICING — FIXED FEE

Datalink will perform the activities defined in the Project Scope and Tasks for the project price indicated below.

If the scope of work changes to exceed the tasks as defined in **Project Scope and Tasks**, a Datalink Change Order will be processed to accommodate revised project pricing and level of effort, per the process referred to in the **Change Control** section below.

Work Description	Price
Riverside --- Datalink Professional Services	See Quote
Total	See Quote

WORK HOURS

Regular Work Hours — Monday through Friday, 8 a.m. to 6 p.m. local time, excluding customer observed holidays. On an exception basis, Datalink staff may work alternate work hours pending approval of the Datalink project manager. Execution of upgrade plan may be performed outside of regular work hours.

Generally, if a holiday falls on a Sunday, it will be observed on the next Monday. If a holiday falls on a Saturday, it will be observed on the previous Friday.

**TERMS AND CONDITIONS**

Terms of this agreement are governed either by an executed Master Service Agreement or by the Datalink standard Terms and Conditions found here: <http://www.datalink.com/terms---and---conditions>

CHANGE CONTROL

Changes and change requests will be processed under the Datalink Change Management process as defined here: Datalink Corporate Change Control Process and Form found here: <http://www.datalink.com/media/CC2012Q1.PDF>
