Hi Robin,

Wow!! I hope I can express myself fully about my experience at the Lifeguard Training this past weekend at Sippy Woodhead Pool.

First and the Most Important thing I'd like to tell you is, Jake Rosenberger is one Amazing guy! I mean this Most Sincerely!!!!

You need to know this about him (in case you don't). It's not only his ability at teaching but it's how incredibly knowledgeable he is at his position here with the City of Riverside. The City should be praising him daily for all he does to keep our Community Pools such a safe environment for all patrons, and for taking such Awesome care of the them (patrons)!

He is a Master of his Trade! I have the Utmost respect for him! He's worth far "More than his weight in Gold"! I just can't say enough about him and his Vast Knowledge and Wealth of Experience! The Best move you (& the City) did was to hire him to be the Manager of our Community Pools!! He is a Huge Asset to the City of Riverside!!

I learned so much from him this past weekend! I wished it could have lasted a week or month! I tried to learn all I could from him!

Thank you for giving me this opportunity to take such a fulfilling class! I hope to keep taking classes and keep practicing until I might, one day, get to know maybe one tenth of what Jake knows! He has become My New Hero!!

Thank you so very much!

Most Sincerely,

Ann E. Dale
