*Non-Responsive: Did not meet bid requirements

BID DESCRIPTION: Project entails the extension of the underground Cochran Ave storm drain mainline from the intersection of Skofstad Street to the intersection of Jones Avenue and the installation of catch basins and manholes and concrete structures as necessary. On the street surface, the removal of existing concrete curb and gutters will be replaced with pervious concrete curb and gutters in various locations.

Bid Recommended For Award (Includes Sales Tax) ☒ 10% Surety Included ☒ Contract
Lowest Responsible Bidder ☐ 10% Surety not required ☐ Purchase Order
Amount of Award

Harry H. Joh Construction, Inc. \$661,880.30

COMMENTS:

The Purchasing Division has evaluated all bids received and recommends award be made to the lowest responsive and responsible bidder. The Public Works Department concurs with this recommendation and will be submitting a report.
