Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☐ No
CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Why I want to represent Ward 7

I have been a resident of Riverside since 1975, but I was born in Riverside. I have a deep passion for my city and for the welfare of its residents. My passion drove me to sit as Transportation Board member since 2010 and soon after became vice chair, where I sat for one term. I later was voted for Chairman of the Transportation board and sat as chairman for two more terms. I developed an understanding on the City's governing body and enveloped its bylaws and adhered them to the way I facilitated the board meetings. I understand the complexities of the position of WARD 7 and the surrounding wards. My experience in dealing with the residents in all wards has further enhanced my knowledge of the law and how to adhere to the public. I believe that I will represent WARD 7 to the fullest, being just and fair.

I have been Transportation Board chair for the last 10 years. I served my city well. I have a business in the City of Riverside, so I have an in depth understanding of dealing with out of town companies and industries. I have been a Group Leader for The Restorative Justice out of the San Bernardino Diocese, in where I lead a group of 7 for the last 10 years in counseling children at the Riverside Juvenal Hall. I have worked exclusively with Bishop Barnes at Town Hall Meeting representing the office of Restorative Justice, in promoting outreach programs and its volunteer programs.
