NEIGHBORHOOD PARTNERSHIP

Northside neighbors worked through a visioning process to develop priorities for their neighborhood engagement. They focused on the following question....

**How can we work together to create the neighborhood of our dreams?**

Northside neighbors developed the following action items for Northside neighborhood engagement under four themes:

1. Organizing Community Events
2. Advocating w/ public, elected officials for a better, safe neighborhood
3. Securing a safe environment
4. Connecting with our neighbors
