Colleen, would you please distribute to the Mayor and Council? Thank you.

Mayor Bailey and Members of the City Council,

Here is an article that you may be interested in while discussing Homelessness that appeared in the San Diego Union Tribune. I don't imagine that San Diego's issues are far from Riversides.

Hello,

I am a resident of Riverside since 2006.

I have a master degree in Education, then a PhD in Philosophy of Education, where I specialized in Homelessness.

Please consider consulting with me on your future projects about homelessness in the City of Riverside.

I totally support a civilian Commission on Homelessness.
