1669	Design-Build Services for the Rehabilitation and Replacement of Blower No 2 at the Riverside Regional Water Quality Control Plant	Public Works
		DATE RFP OPENED
		05/08/17
PROPOSALS RECEIVED (2)	INVITATIONS ISSUED (Online)	

PROPOSERS	CITY	EVALUATION SCORE (avg. out of 100)
BR Frost Company	Huntington Beach, CA	95
GSE Construction Company	Livermore, CA	88.75

RFP DESCRIPTION: The scope generally includes all applicable design services to complete a full set of construction drawings for final approval by the City for the installation of a high speed turbo blower. This is a turn-key project and proposals shall include all demolition, design, procurement, installation, construction, integration, testing, high voltage inspection, startup and any other work to complete the project. The selected Design-Build Entity shall provide all supportive construction to satisfy the technical specifications of this RFP. The selected Design-Build Entity shall also obtain the required permits from other agencies as may be required by law as part of the project scope. The City will not cover the cost of preparation of the Proposal by Design-Build Entity.

RFP Recommended For Award (Includes Sales Tax) ☐ 10% Surety Included ☒ Contract  
Lowest Responsible Proposer ☒ 10% Surety not required ☐ Purchase Order

Amount of Award

BR Frost Company \$995,400.00

## COMMENTS:

The Public Works Department has evaluated all proposals received and will be submitting a report requesting that award be made to the best overall solution based on the evaluation process. The Purchasing Division concurs that the action to award is in compliance with the current Purchasing Resolution.
