Subject: Reappointment of Trustee Gary Bradley, Ph.D.

Dear Mayor Bailey:

Dr. Gary Bradley's term as a Trustee on the District Board expires on December 31, 2017. Dr. Bradley is truly a dedicated and conscientious person and performs his duties very diligently. He is an educator and geneticist. Most of the advances in mosquito and other vector controls are being addressed through gene drive and other genomic techniques. Being a geneticist, his input has been a very valuable asset to us as the new technology in mosquito control is being addressed through the latest advances in genetic manipulations. Dr. Bradley has been a valuable asset to the District. He is always available for District business, even on short notice. Dr. Bradley bases his decisions on sound analysis and cost effectiveness. He sincerely believes in serving the public in good faith. His dedication to serve on the Board has been exemplary.

Gary is currently serving as the President of the Board and is willing to continue to serve as a Trustee on the District Board. He can be reached at (Home) 951-688-8635 or (Cell) 909-730-4581. Pursuant to state law, Mr. Bradley must be appointed for a two or four year term. It is respectfully requested that Dr. Gary Bradley be reappointed for four years with his term expiring on December 31, 2021.

I appreciate your consideration of this matter.

Sincerely,

Major S. Dhillon, Ph.D.
