Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

BUDGET ENGAGEMENT COMMISSION:

If applying for the Budget Engagement Commission, please complete and return a supplemental application. The budget Engagement Commission consists of nine resident members and nine business members advising the Mayor and City Council on spending and policy priorities based on information received through quarterly financial and performance reports including revenues from transaction and use tax, work with City staff to maximize public engagement on municipal budgetary issues, and provide input on performance measures and reporting programs.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☐ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of completion of a Background Personal Information form, live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The DMV records check relates to City liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

HUMAN RELATIONS COMMISSION:

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Subject: Application for Volunteer Position

I submit the attached application for consideration to serve City of Riverside, Ward 5 as a Planning Commission member, attachment 1 is the application and attachment 2 is my resume referenced in the application.

Simultaneously with these above mentioned full-time positions, I have served with official appointments on city and county public boards, commission California Army National Guard (now retired with 23 years of service) and ex-officio appointments on government advisory boards. I also volunteered for two tours to Afghanistan as a government service subject matter expert in government reconstruction at the local district and national government level in Kandahar and Kabul respectively.

Each of these positions have forged, refined, and matured personal attributes and skills in:

- providing visionary perspectives, advice and instruction
- maintaining political awareness, sensitivity to complex issues
- fostering collaboration with diverse interests
- promoting understanding in government and community relations
- establishing a proven communication style

Serving communities is an honor and privilege which I desire to continue. Serving also carries responsibility and accountability which I firmly accept. Thank you for this opportunity to be considered to serve Ward 5 on the City of Riverside's Planning Commission.

Respectfully,

Carl Bruce Shaffer, AICP

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION: (LIMIT 800 CHARACTERS)

I have owned a home in the City for nearly 17 years, but began my time in the City when I attended the University of California, Riverside in 1994. After a brief absence following graduation, I returned to purchase a house and make the City of Riverside my home. Our family is active in the community and our kids have all attended Riverside schools. I would love the opportunity to give back to our community by offering my skills and experience on the Planning Commission. I believe my experience, background and interest in transportation, water, planning, and land use issues would contribute to the discussions and recommendations made by the Commission and ultimately support the Mayor and City Council's goals of a business friendly city.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST: (LIMIT 800 CHARACTERS)

As a resident of the City for most of the last 23 years, the City has done a great job dealing with a tremendous amount of growth and the concurrent stress on the City's infrastructure and resources. Maintaining the City's character and charm, while promoting economic growth and vitality have positioned the City to not only recover well from economic downturns but also to handle future growth. My background in the infrastructure industry will help continue making great decisions for the City's future. Balancing jobs, housing, infrastructure investments, and quality of life are issues I frequently dealt with in my professional life through the San Bernardino Council of Governments, Western Riverside Council of Governments, and the Southern California Association of Governments.

EDUCATIONAL BACKGROUND: (LIMIT 800 CHARACTERS)

I graduated from the University of California, Riverside with a Bachelor's Degree in Political Science in 1997 and received my Master's Degree in Public Administration with a focus on Local Government from the University of Southern California in 2000. I also have a Basic Public Information Officer/JIC/JIS certification from the California Office of Emergency Services (CalOES) and an Advanced Public Information Officer/JIC/JIS certification from CalOES and the Federal Emergency Management Agency.

OCCUPATIONAL EXPERIENCE: (LIMIT 400 CHARACTERS)

I currently serve as the External Affairs Manager for the West Valley Water District in Rialto, CA. I have extensive government, media, and public affairs experience with a demonstrated history of working in infrastructure and with/for local governments for such agencies as the San Bernardino County Transportation Authority, Orange County Transportation Authority, and City of Riverside (2001-05).

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.
