

City Council Memorandum

TO: HONORABLE MAYOR AND CITY COUNCIL

DATE: November 15, 2005

FROM: PUBLIC WORKS DEPARTMENT

ITEM NO: 24

WARD: 2

SUBJECT: REQUEST FOR FIVE-TON WEIGHT LIMIT ON LOCHMOOR DRIVE AND FAIR ISLE DRIVE

ISSUE:

City Council is being asked to establish a 5-ton weight limit on Lochmoor Drive and Fair Isle Drive.

RECOMMENDATIONS:

Staff recommends that the City Council introduce an ordinance to establish a five-ton weight limit on Lochmoor Drive and Fair Isle Drive.

BACKGROUND:

Staff received a request from the Sycamore Highlands Community Action Group, requesting the City to establish a 5-ton weight limit on Lochmoor Drive and Fair Isle Drive.

Large commercial trucks are using these streets as a route to transport goods to and from the Sycamore Canyon Business Park, bypassing the arterial streets of Sycamore Canyon Boulevard and Central Avenue near the 60/215 Freeway. Lochmoor and Fair Isle are residential in nature with homes backing and siding onto these streets. They have one lane in each direction and a curvilinear alignment. Lochmoor and Fair Isle are intended to serve as internal collector streets for the residential neighborhood and not as a truck route.

Notices were mailed to the property owners and residents informing them that the Parking, Traffic and Streets Commission would be considering their request. On October 5, 2005, the Commission recommended that a 5-ton weight limit on Lochmoor Drive and Fair Isle Drive be established.

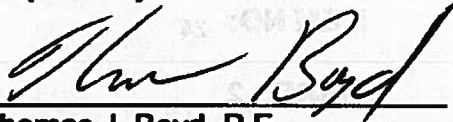

FISCAL IMPACT:

The cost to post signs will be minimal.

ALTERNATIVES:

The City Council could elect not to approve the five-ton weight limit.
