CITY TRAFFIC ENGINEER UPDATES

COUNCIL ACTIONS

Following discussion and without formal motion the Transportation Board unanimously received and ordered filed the oral update regarding recent Council actions.

UPDATES

Updates were provided regarding the miscellaneous Signal Improvements Project which will install a flashing yellow left-turn indication at seven signalized intersections (this project will begin in January 2018), the 4-axle restriction report is scheduled to go before the City Council on January 23, 2018, and the Active Transportation Grant Project (\$1.3 million) is anticipated to be awarded January 23, 2018. This project will construct walking and biking improvements in and around the Downtown area. The City Traffic Engineer Gilbert Hernandez requested that the board recommend traffic related projects they wish Public Works to consider for the Capital Improvement Program list by December 13, 2017. Following discussion and without formal motion the Transportation Board unanimously received and ordered filed the update.

ITEMS FOR FUTURE TRANSPORTATION BOARD CONSIDERATION AS REQUESTED BY A MEMBER OF THE TRANSPORTATION BOARD

Member Soza requested a presentation or an update on the City's use of rubberized asphalt.

Chair Moran asked if we could provide a Preferential Parking Zone Map of the Wood Streets. The Board would like to see what streets and to what extent those streets are impacted by RCC.

Chair Moran requested a copy of the parking meters that will continue to accept credit cards in the Downtown area.

Member Sheth requested a copy of RTA's master plan near Downtown Metrolink Station.

Chair Moran requested that RCC share the draft/preliminary master parking plan to evaluate the transportation element.

The Board adjourned at 7:19 p.m.
