Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

CULTURAL HERITAGE BOARD:

If applying for membership on the Cultural Heritage Board, please complete and return a supplemental application.

COMMISSION ON DISABILITIES:

If applying for membership on the Commission on Disabilities, please complete and return a supplemental application.

HUMAN RELATIONS COMMISSION:

So far as is reasonably possible, the Human Relations Commission shall include representation in the following fields: education, medicine, health and welfare, law, real estate, industry, business, finance, law enforcement, and labor. Further, the diversity of the Commission is important to achieving its stated objective.

Please state your field of endeavor as it applies to the Human Relations Commission: _____
