Dear Resident:

Enclosed is your new Preferential Parking Zone permit(s).

Residential Parking Permit Number: **R184** Expires: **June 2021**

This permit is valid only for the vehicle listed below:

Year: **2011** Color: **Black** Make: **Chevy** Model: **Highlander** License Plate#: **6CAR123**

The permit is only valid on the vehicle(s) for which you registered with the City of Riverside and must be properly displayed on your vehicle to avoid parking citations.

Resident decal permits shall be placed in the vehicle on the inside of the windshield, lower driver's side, above the vehicle VIN# with the decal facing out and does not require removal while the vehicle is in motion.

Guest hangtag permits must be displayed by hanging from the rearview mirror with the permit number facing out so that it is easily visible to parking personnel. Please be sure to collect your guest pass(s) before your guest(s) leave your home. Lost or Stolen permits will be replaced at your request and will be subject to an application fee of \$33.00

Copies of any permits issued by the City is prohibited and will result in the Permits being revoked.

For general information about the Preferential Parking Zone Permits (PPZ) and FAQs please visit our website at www.riverside.gov/publicworks/parking/permits.asp.

If you move or sell your vehicle, or for questions regarding the Riverside Permit Program, please call xxx-xxx-xxxx.

For website assistance on the permit system, e-mail support@getapermit.net.

Please be aware that PPZ permits do not exempt any vehicle from the street sweeping regulations as well as any other parking regulations. Resident decal permits are not transferable between vehicles and are only valid at the location where the parking permit is registered.
