BACKGROUND:

To help address the service cuts as well as a portion of the City’s critical unfunded needs, at staff’s recommendation, the Mayor and the City Council placed Measure Z on the November 8, 2016 ballot. The measure authorized a one-cent increase in the City’s sales tax rate and was approved by over 60% of Riverside voters. The collection of the additional one-cent sales tax authorized by voters through Measure Z began on April 1, 2017.

After hearing recommended Measure Z spending options from City staff and the Budget Engagement Committee (BEC), on May 16, 2017 the City Council approved the Measure Z Spending Plan, which appropriated \$9.5 million in FY 2016-2017 and \$20.5 million in FY 2017-2018. As part of the Measure Z Spending Plan, City Council approved funding for a five-year Vehicle Replacement and Maintenance Plan.

DISCUSSION:

On October 3, 2017, the City Council award Bid No. 7509 for the purchase 25 current model Ford Police Interceptor SUV Pursuit Vehicles. In addition to the standard emergency equipment for the 25 police vehicles, these vehicles will need to be equipped with compatible technology and equipment.

06913) from Motorola Solutions in accordance with Purchasing Resolution No. 23256, Section 602(e). The Motorola APX 6500 Mobile radios will include a 5 year factory warranty. Through cooperative procurement under NASPO, the cost per radio will be \$5,974.69 each.

The Motorola APX 6500 Mobile radio will allow the Riverside Police Department to communicate with its officers and allow for interoperability with other local Departments when needed. Innovative safety features such as GPS location tracking, intelligent lighting and one-touch controls help keep first responders safe.

The Purchasing Manager concurs with the recommendation and that this purchase is in compliance the Purchasing Resolution No. 23256.

FISCAL IMPACT:

The total fiscal impact of the action is \$149,367.31. Sufficient funds are available in the Measure Z Vehicle Replacement Account No. 3115009-450057.
