ITEM NO: 6

SUBJECT: AGRICULTURAL WATER RATES TASK FORCE INITIAL IDEAS AND CONCERNS

ISSUE:

Receive a presentation and initial ideas and concerns about the proposed WA-3 and WA-9 agricultural water rates.

RECOMMENDATIONS:

That the Agricultural Water Rates Task Force:

1. Receive and file the staff presentation of the captured initial ideas and concerns; and
2. Members convey their initial ideas and concerns about proposed agricultural rates.

BACKGROUND:

Over the last year there have been a number of community outreach meetings, joint workshops between the Board of Public Utilities and City Council and input from the public in regards to the proposed water rate increases. Riverside Public Utilities staff has documented all input, feedback, comments, ideas and concerns. They are compiled in the staff presentation for consideration by the Agricultural Water Rates Task Force (Task Force).

DISCUSSION:

It is important that each member of the Task Force has an opportunity to convey their initial ideas and concerns about the proposed WA-3 and WA-9 agricultural water rates.
