ARTICLE 10 - INDEMNITY/DUTY TO DEFEND

10.1 Indemnity. Except as to the sole negligence, active negligence or willful misconduct of the City, Design-Build Entity assumes liability for and agrees, at Design-Build Entity's sole cost and expense, to promptly and fully indemnify and hold the City, its City Council, and all of its respective officials, officers, directors, employees, managers, commission members, representatives, agents, council members, ("Indemnitees"), harmless from and against any and all loss, damage, claims, allegations, actions, suits, arbitrations, administrative proceedings, regulatory proceedings, or other legal proceedings, causes of action, demands, costs, judgments, liens, stop notices, penalties, damages, losses, anticipated losses of revenue, expenses (including, but not limited to, any fees of accountants, attorneys, experts or other professionals, or investigation expenses), costs, including attorneys' fees, or losses of any kind or nature whatsoever, whether actual, threatened or alleged, arising out of, resulting from or is in any way (either directly or indirectly) related to, or is in any manner connected with, the performance of Work, the Project, activities, operations or duties of Design-Build Entity, or anyone employed by

or working under Design-Build Entity, and from all claims by anyone employed by or working under Design-Build Entity for services rendered to Design-Build Entity in the performance of this Agreement ("Indemnity Claims"), notwithstanding that the City may have benefited from their services. This indemnification provision shall apply to any acts or omissions, willful misconduct or negligent conduct, whether active or passive, on the part of Design-Build Entity or of anyone employed by or working under Design-Build Entity.

The parties expressly agree that any payment, attorneys' fees, costs or expense that the City incurs or makes to or on behalf of an injured employee under the City's self-administered workers' compensation is included as a loss, expense or cost for the purposes of this Section, and that this Section shall survive the expiration or early termination of the Agreement.

10.2 Duty to Defend. Design-Build Entity agrees, at its sole cost and expense, to promptly defend the Indemnitees from all Indemnity Claims. The duty of the Design-Build Entity to indemnify and hold harmless the Indemnitees includes the separate and independent duty to defend the Indemnitees, which duty arises immediately upon receipt by Design-Build Entity of the tender of any Indemnity Claim from an Indemnitee. The Design-Build Entity's obligation to defend the Indemnitees shall be at Design-Build Entity's sole expense, and not be excused because of Design-Build Entity's inability to evaluate liability or because the Design-Build Entity evaluates liability and determines that the Design-Build Entity is not liable. This duty to defend shall apply whether or not an Indemnity Claim has merit or is meritless, or which involves claims or allegations that any or all of the Indemnitees were actively, passively or concurrently negligent, or which otherwise assert that the Indemnitees are responsible, in whole or in part, for any Indemnity Claim. Design-Build Entity agrees to provide this defense immediately upon written notice from the City, and with well qualified, adequately insured and experienced legal counsel acceptable to the City.

10.3 Subcontractor Requirements. In addition to the requirements set forth hereinabove, Design-Build Entity shall ensure, by written subcontract agreement, that each of Design-Build Entity's Subcontractors of every tier shall protect, defend, indemnify and hold harmless the Indemnitees with respect to Indemnity Claims arising out of, in connection with, or in any way related to each such Subcontractors' Work on the Project in the same manner in which Design-Build Entity is required to protect, defend, indemnify and hold the Indemnitees harmless. In the event Design-Build Entity fails to obtain such defense and indemnity obligations from others as required herein, Design-Build Entity agrees to be fully responsible to the Indemnitees according to the terms of this Article.

10.4 No Limitation or Waiver of Rights. Design-Build Entity's obligations under this Article are in addition to any other rights or remedies which the Indemnitees may have under the law or under the Contract Documents. Design-Build Entity's indemnification and defense obligations set forth in this Article are separate and independent from the insurance provisions set forth in the Agreement and do not limit, in any way, the applicability, scope, or obligations set forth in such insurance provisions. The purchase of insurance by the Design-Build Entity with respect to the obligations required herein shall in no event be construed as fulfillment or discharge of such obligations. In any and all claims against the Indemnitees by any employee of the Design-Build Entity, any Subcontractor, any supplier of the Design-Build Entity or Subcontractors, anyone

directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the obligations under this Article shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Design-Build Entity or any Subcontractor or any supplier of either of them, under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts. Failure of the City to monitor compliance with these requirements imposes no additional obligations on the City and will in no way act as a waiver of any rights hereunder.

10.5 Withholding to Secure Obligations. In the event an Indemnity Claim arises prior to final payment to Design-Build Entity, the City may, in its sole discretion, reserve, retain or apply any monies due Design-Build Entity for the purpose of resolving such Indemnity Claims; provided, however, the City may release such funds if the Design-Build Entity provides the City with reasonable assurances of protection of the Indemnitees' interests. The City shall, in its sole discretion, determine whether such assurances are reasonable.

10.6 Survival of Indemnity Obligations. Design-Build Entity's obligations under this Article are binding on Design-Build Entity's and its Subcontractors' successors, heirs and assigns and shall survive the completion of the Work or termination of the Design-Build Entity's performance of the Work.

10.7 Independent Contractor. Design-Build Entity shall at all times during its performance of the Work retain its status as an independent contractor. Design-Build Entity's employees and agents shall under no circumstances be considered or held to be employees or agents of City and City shall have no obligation to pay or withhold state or federal taxes or provide workers' compensation or unemployment insurance for or on behalf of Design-Build Entity or its employees and agents.

BLANKET ADDITIONAL INSURED

This endorsement modifies insurance provided under the following:

Commercial General Liability Coverage Form

Who is an insured is amended to include as an additional insured any person whom you are required to add as an additional insured on this policy under a written agreement, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by: 1. Your acts or omissions; or 2. The acts or omissions of those acting on your behalf. The insurance coverage provided to such additional insured applies only to the extent required within the written agreement.

The insurance coverage provided to the additional insured person shall not provide any broader coverage than you are required to provide to the additional insured person in the written agreement and shall not provide limits of insurance that exceed the lower of the Limits of Insurance provided to you in this policy, or the limits of insurance you are required to provide in the written agreement.

The insurance provided to the additional insured by this endorsement is excess over any valid and collectible other insurance, whether primary, excess, contingent, or on any other basis, that is available to the additional insured for a loss we cover under this endorsement. However, if the written agreement specifically requires that this insurance apply on a primary basis, this insurance is primary. If the written agreement specifically requires this insurance apply on a primary and non-contributory basis this insurance is primary to other insurance available to the additional insured and we will not share with that other insurance.

This endorsement shall prevail over additional insured endorsements that may apply under this policy unless required otherwise in the written agreement.
