Building a Future Cyber Workforce for Cities Throughout California

What is the Mayors Cup?

The California Mayors Cyber Cup are regional competitions across California where cyber teams compete for their city to bring home the coveted perpetual trophy.

Why is it Important?

Cyber competitions are activities that bring cybersecurity awareness to communities and build strong teamwork, and ethical character in the students who participate.

Cybersecurity Supply/Demand Heat Map

Cybersecurity talent gaps exist across the country. Closing these gaps requires detailed knowledge of the cybersecurity workforce in your region. This interactive heat map provides a granular snapshot of demand and supply data for cybersecurity jobs at the state and metro area levels, and can be used to grasp the challenges and opportunities facing your local cybersecurity workforce.
