## Bilingual Books Funding Opportunity Approval

Dear Library Director:

California is home to more than 10 million immigrants. Nearly one in four of the foreign-born population in the U.S. lives in our state. Public libraries are working hard to strengthen their services to immigrants. The State Library's Immigrant Alliance Project can help.

Through the Immigrant Alliance, your library jurisdiction has been approved for the opportunity to obtain resources to update and expand your bilingual book collections for children. The attached Funding Tier list will indicate your specific level of funding for this project.

Visit our website at <http://www.library.ca.gov/services/to-libraries/immigrant-alliance/> for details.

Respectfully yours,
