Section 5: The Company acknowledges and agrees that the performance of this agreement requires primary utilization of the personnel and facilities of the Company and the Company shall not engage in any new business enterprise without notice to the City. The City shall have the option of cancelling this agreement if the Company, after notice, engages in any activity or enterprise detrimental or contrary or in conflict with the performance of this agreement.

Section 6: The Company agrees that no additional shares of the Company will be issued or requested; in that regard the Company represents and warrants that on the date of the execution of this agreement there are 14,055 shares of the

Company outstanding. In addition, the Company will not enter into any agreements that will disrupt or impair the relationship between the City, the Company, shareholders and contractual obligees, as established by the Judgment and this agreement.

Section 7: Unless otherwise specified in this agreement, the City will exercise full rights of ownership and control over the properties condemned to its use in accordance with established law pursuant to the Judgment; provided, however, there shall be no City utilization or disposition of the condemned properties, improvements or replacements which prevents or obstructs the Company's performance of this agreement or interferes with the rights of the shareholders or contractual obligees to receive and flow water as recognized by the Judgment and this agreement.

Section 8: The City agrees that any canal alteration or covering done at City's instigation shall be done at no expense to the shareholders and accomplished in a manner that will not interfere with or interrupt water delivery schedules.

Section 9: The Company shall supervise and patrol the condemned properties for the purpose of preventing trespass, encroachment, damage or adverse possession and use by unauthorized persons. The Company shall report any damage or adverse possession to the City immediately upon knowledge thereof, and the Company shall take all steps within its powers to stop or correct such damage or adverse possession.

Section 10: Public liability and property damage liability for acts or omissions of the Company incident to the operation and maintenance of the property of the Company and the property condemned to the use of the City is the responsibility of the Company and the Company shall indemnify and hold the City harmless from any claim or demand against the City resulting proximately from the operation and maintenance by the Company. The Company shall obtain and keep in force and effect

public liability and property damage insurance indemnifying the Company in minimum amounts of \$500,000 each person, \$1,000,000 each accident and \$200,000 property damage.

Section 11: Any secured or unsecured taxes lawfully

Section 11: Any secured or unsecured taxes lawfully assessed against the properties condemned to the use of the City, together with any and all water rights, pump or replenishment taxes lawfully imposed which are attributable to the water rights or facilities utilized for carrying out the water production and delivery obligations of the City as established by this agreement and the Judgment will be paid by the City in full, when due; an itemized billing for such taxes paid will be submitted to the Company and the Company shall reimburse the City within thirty days after receipt of billing.

Section 12: The City shall have the right to utilize any excess Canal flowage capacity that is not required to meet delivery obligations to shareholders and contractual obligees and in accordance with existing carrying rights agreements. The City shall reimburse the Company for any reduction of payments from holders of carrying rights in the Canal resulting from an increase in the total flowage in the Canal caused by such City use of excess Canal capacity.

Section 13: The water entitlement of the 450 shares of East Riverside Water Company stock transferred to the City shall be used to meet water delivery obligations represented by the 600 shares of Company stock owned by the City and represented by Certificate No. A-1997. The City will pay promptly all assessments levied on the 450 shares by the East Riverside Water Company and the Company shall reimburse the City for the assessment payments within thirty days of billing.

Section 14: The City shall deliver or cause to be delivered water upon request of the Company in accordance with and responsive to that certain written agreement entered into

by and between the Company and the Riverside Water Company dated November 14, 1949. The Company shall pay the City all charges as specified and in accordance with said agreement.

Section 15: All capital improvements, additions and replacements necessary to fully exercise the water rights condemned to the use of the City and necessary to the Company's performance of this agreement shall be paid for by the Company, installed only on former Gage properties condemned to the City and shall be the property of the City. The Company shall submit an annual capital expenditures budget for approval by the City; costs of such improvements necessary to efficient performance of this agreement shall be borne by all shareholders, including the City, and/or contractual obligees as operating expenses in accordance with previous practices and existing agreements; except the City shall assume the shareholders' allocation of expense for canal covering instigated by the City.

Section 16: The fixed works, equipment and improvements condemned to the use of the City or constructed as provided in Section 15 above, shall not be removed, abandoned, destroyed or substantially altered without the City's consent.

Section 17: The Company shall not cause or permit water to be delivered or flow except to the lands and facilities of persons and entities lawfully entitled pursuant to the Judgment or this agreement and who are not in default of any payment of any water rate, water tax, share assessment, or flowage charge, except as may be authorized or directed by the City. For the purpose of defining and limiting the responsibilities of the Company in performance of this agreement, the parties agree that the shareholders' right to receive water, including extra water, in the service area shall be the same as specified in the Company's by-laws or shareholder agreements and Company

practices as such rights existed and prevailed on July 1, 1964; provided, however, the Company agrees that the total rate of flow and annual quantity of water, including extra water, produced at the sources of supply for delivery to shareholders shall not exceed a flow or amount in excess of the shareholders' proportional entitlement to the flowage and water rights condemned to the City as such rights are presently restricted and burdened or additionally restricted or burdened by pending or future litigation. In the case of a dispute or claim by the persons or entities specified in the Judgment or this agreement, or in the case of dispute or claim of right to receipt of water by persons or entities not specified in the Judgment or this agreement, the City shall be solely responsible for determining, resisting or compromising such dispute or claim. If the quantity of water or rate of flow which the Company agrees to produce for delivery to shareholders proves insufficient to meet seasonal or peak demand requirements of the irrigation shareholders in the service area, the City will make additional water available at the cost of replacement and treatment from alternate sources as available; or the Company at its election and at its expense may contract for delivery of such make-up water from the Western Municipal Water District of Riverside County; the Company agrees that such additional water shall not be made available to serve lands from which water stock or rights to receive water have been severed or conveyed for use or benefit outside the service area.

Section 18: Subject only to the limitations of water and flowage rights condemned to the City, the Company shall deliver to the City upon demand all water not lawfully committed to third persons or entities; in addition, the Company shall deliver to the City at no cost all of the water entitlement of the East Riverside Water Company not demanded by that

company, together with all water salvaged from seepage and evaporation as a result of canal covering. For the amount of water delivered to the City equivalent to the total basic water entitlement of all Gage Canal Company shares owned by the City, the City shall reimburse the Company at the prevailing For all other water delivered to the water tax per share. City, the City shall reimburse the Company only the cost of production, which payment shall be based on the average unit cost of production for the previous fiscal period; cost of production shall include power, fuel, lubricating oil, supplies, maintenance, repairs, labor, equipment, and depreciation entirely attributable to the operation of the water production equipment, but shall not include capital expenditures. No pumping charge shall be paid by the City for water delivered to the City pursuant to the City's ownership of shares of the East Riverside Water Company. All water demanded by the City shall be delivered at points along the Canal system as designated by the City.

Section 19: The parties shall have free and immediate access to the respective books and records of each other during regular business hours and the Company and the City personnel shall cooperate in providing the information requested. In the course of fulfilling and carrying out the rights, duties and obligations of the City as provided in the Judgment, shareholder agreements, City ordinances and this agreement, the City will from time to time appear as pledgee or encumbrancer on company shares owned by other persons and entities; the Company agrees to honor such procedure and to notify the City of any sale, transfer or assignment of shares or water entitlement, and the Company shall take no steps in furtherance of a transfer of shares or change in delivery of water without the knowledge and consent of the City, where consent is required by the

Judgment, this or other agreement. In addition, the Company shall not permit the transfer or relocation of water entitlement or place of water delivery from one parcel of land to another without the knowledge and consent of the City, regardless of whether or not the City appears as pledgee or encumbrancer.

Section 20: This agreement supercedes and cancells any previous oral or written agreement between the City and Company relating to operation and maintenance of the property, cost allocations or terms of delivery of and payment for water delivered to the City by the Company.

Section 21: This agreement shall not constitute an agency or employment relationship and no Company personnel shall be construed to be employees of the City of Riverside nor shall they be entitled to any employee or retirement benefits of the City. Company shall maintain workman's compensation coverage as required by law.

Section 22: In the event of the Company's failure to perform any term or condition, the City shall serve notice of breach upon the Company and the Company shall have ten days within which to correct or perform. Failure to correct or perform within the ten day period shall be cause for termination; the City reserving the right to all legal remedies.

Section 23: The Company acknowledges that, in addition to other considerations, the payment of One Dollar (\$1.00) per year to the Company by City constitutes full and adequate consideration.
