agreement with staff's recommendations. Comments from the audience: Lupe Difusco, Alyssa Becketel, and Phil Tully expressed their concerns regarding traffic, construction noise and dust, screening to the north of the property; start date for the project, and a block wall along north side. Following discussion the Planning Commission: 1) Determined that the proposed project is exempt from the California Environmental Quality Act subject to Section 15332 (In-fill Development Projects), as this proposed project will not have a significant effect on the environment; 2) Approved Planning Cases P18-0122 (Conditional Use Permit) and P18-0123 (Design Review) based on the findings outlined in the staff report and summarized in the attached findings and subject to the recommended conditions with modifications to Conditions 11b and 22. 11b. Provision of a bamboo screen planted along the easterly and possibly northerly property line between the building and the neighboring single-family residence to the satisfaction of Planning Division and Public Works Department Staff. 22. There shall be a one-year time limit in which to commence construction of the project beginning 11-days following approval by the Planning Commission. Subsequent one-year time extensions may be granted upon request by the Applicant. Any extension of time beyond five years may only be granted after an advertised public hearing by the City Council.
