RECOMMENDATIONS:

That the City Council:

1. Approve the Memorandum of Understanding between the Riverside County Probation Department and Post-Release Accountability and Compliance Team for Public Safety Realignment;
2. Authorize an increase in estimated revenues in the amount of \$215,000 into Revenue Account No. 9338200102-33410000 and appropriate expenditures in the same amount to Police Department Account No. 9338200102-44021000 for reimbursement of City personnel costs related to the Post-Release Accountability and Compliance Team; and
3. Authorize the City Manager or his designee to execute all necessary documents, including making minor and non-substantive changes.

BACKGROUND:

On October 1, 2011, the State of California implemented Assembly Bill (AB) 109, realigning the State corrections system and placing the responsibility of supervising criminals that were previously supervised by the State Department of Corrections under the supervision of local county probation departments. Realignment also shifted the housing of criminals who would have

previously been placed into State correctional facilities under the jurisdiction and responsibility of the county sheriff's department.

The Riverside County Community Corrections Partnership Executive Committee recognized the need for local law enforcement participation in the oversight of these new AB 109 probationers, and allocated funding to form an AB 109 Post-Release Accountability and Compliance Team (PACT) to partner with the County's Probation Department to deal with the impacts on local communities.

The Riverside Police Department (RPD) has been participating in West PACT since Fiscal Year 2013. In September of 2018, RPD was notified by the Riverside County Community Corrections Partnership Executive Committee (CCPEC) that the City is once again eligible to receive funding in the amount of \$215,000 in Fiscal Year 2018/19 for their continued participation in PACT.

DISCUSSION:

RPD would like to enter into a new Memorandum of Understanding (MOU) with the Riverside County Probation Department for participation in the Post-Release Accountability and Compliance Team allowing reimbursement of City personnel costs in the amount of \$215,000 for Fiscal Year 2018/2019.

FISCAL IMPACT:

There is no net fiscal impact associated with this item. The total funding received is \$215,000 which will be used to reimburse the General Fund for personnel costs related to the PACT. No matching funds are required.
