City of Riverside
Community Police Review Commission

Dear Commission,

I am writing in response to the current opening on the Riverside Police Review Commission, Ward 4. I currently live in Ward 4 and submit this application and resume for consideration of appointment to the open position. Having been a resident of both the County of Riverside and City of Riverside for most of my entire life, I am concerned about quality of life issues and believe police/community relations are of great importance. I believe the Police Review Commission plays an important role in making sure the public has confidence in our police department and I would love the opportunity to be a part of this process. I believe you will find my qualifications and experience may compliment the current board. Thank you for your consideration of my application.

Sincerely, /

/ Jeff Chebahtah

Jeff Chebahtah

OBJECTIVE

I moved to the City of Riverside when I was eight years old and attended Jackson Elementary School, Chemawa Middle School and graduated from Arlington High School in 1981. I enlisted in the U.S. Marine Corps a few years later and after my enlistment began a career with the Riverside County Sheriff's Department. I moved back to the City of Riverside in 1995 and currently reside in Ward 4. I am applying for consideration of the open Community Police Review Commission position. I believe my law enforcement career with so many varied assignments would bring a good variety of experiences to the board.

CAREER SUMMARY

During my law enforcement career, I developed comprehensive skills in the Administration of Justice which include: investigation of complex criminal cases; preparation, supervision and execution of search warrants and arrest warrants, court orders and other legal process; supervision and participation in field investigations; preparation and filing of criminal cases for court; assisting in the training of new deputies; effective leadership and hands-on problem solving ability. I have attended the Riverside Community College and have obtained approximately 32 units, mainly in general education and the administration of justice.

After retirement from law enforcement I have worked for approximately two years in the guest services arena with a restaurant company (Ovation Brands) and now Soboba Casino. I have enjoyed the transition to civilian life and enjoy the guest services industry. I currently manage a team of approximately 25 security officers/supervisors to ensure the safety of our casino guests and assets.

During my twenty-six-year law enforcement career I served approximately eight years as a patrol deputy/officer and approximately seventeen years as an investigator. During my time as a patrol officer I conducted investigations of all types of crimes from petty theft to murder and met with and interviewed persons in all walks of life. My investigative experience includes investigations of all types of general crimes, narcotics investigations, complex public corruption and fraud investigation with the last seven years being with the Riverside County District Attorney Bureau of Investigations-Professional Standards Bureau/Public Integrity Unit (P.I.U.). My duties while assigned to the P.I.U. included investigating complaints of criminal activity involving public officials and elected officials related to violations of various penal codes, government codes and elections codes. Additionally, I assisted in conducting internal affairs investigations and some officer misconduct investigations. The majority of these investigations dealt with sensitive matters related to public figures or public officials. At times this arena required innovative

approaches to the investigations due to the diverse nature of persons involved with these types of investigations. I have the ability to interact with, converse with and interview persons of all types of backgrounds regardless of their social, professional or economic background.

During my tenure with Ovation Brands as Manager-Internal Audits/Loss Prevention I was responsible for overseeing 108 stores in the western region of the country where I worked under the direction of the Director-Internal Audits/Loss Prevention. I developed good working relationships with both area directors, store management teams and various team members and worked well with all to ensure management teams were in compliance with company policies and procedures. I provided guidance and training where needed to both management teams and team members in the areas of security, safety and cash management/cash handling. I conducted security/safety compliance audits and coached the management teams on their deficiencies in order to ensure the management teams could become compliant with company policies. I conducted various investigations related to violations of company policies and theft and worked closely with the Human Resources Manager when appropriate.

EXPERIENCE

10/2015 – present Security Shift Manager – Soboba Casino

As the Grave Shift Security Shift Manager I manage approximately 25 officers/supervisors. I ensure policy/procedures are followed; guests and casino assets are safe and safeguarded; handle appropriate disciplinary issues; assist in hiring of new employees by conducting hiring interviews; complete employee reviews, both newly hired and annual reviews; assist in managing the daily and administrative functions of the security department.

03/2015-08/2015 Manager – Internal Audits and Loss Prevention, Ovation Brands

My duties included: conducting store visits and audits to insure compliance with company policy/procedures related to security, safety and cash management; train and coach management teams in the various company policies related to security, safety and cash management; conduct investigations of various policy violations mainly related to cash management and/or theft incidents; validate restaurant inventories; assist with the management, upkeep and operation of security equipment such as keys/locks, alarms, CCTV equipment.

02/2007 – 03/2014 Senior Investigator I, Riverside County District Attorney.

As a Senior Investigator for the District Attorney was assigned to the Public Integrity Unit for seven years where I investigated complaints of crimes by public officials. These investigations

included political corruption, fraud, embezzlement, theft/misuse of public funds. Many of these cases were very complex and required detailed analysis of business records, financial records, campaign filings and documents, interviews and surveillance. Additionally, I was assigned for approximately two years to the Riverside Office of the F.B.I. Public Corruption Task Force.

04/1988 – 02/2007 Sheriff's Investigator, Riverside County Sheriff's Department.

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

I believe strongly in being engaged in your community to make constructive strides towards improving it; and engaging others to do the same. Previously, that engagement for me, was on a smaller scale, neighborhood relationships, etc. In more recent years, I have increased my scope of engagement by sitting on the Woodcrest municipal council and driving an online neighborhood watch for that community. I recently moved into Ward 4 and want to continue what I did in Woodcrest, but in my new community; this led me to finding the commissions and boards.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST:

I am a long time Riverside resident and familiar with the City. In all of my career history I have been bound by codes of ethics and have experience with budgeting. I am very interested in being involved in the charter review.

EDUCATIONAL BACKGROUND:

BA of Anthropology from University of California, Riverside

OCCUPATIONAL EXPERIENCE:

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

BUDGET ENGAGEMENT COMMISSION:

If applying for the Budget Engagement Commission, please complete and return a supplemental application. The budget Engagement Commission consists of nine resident members and nine business members advising the Mayor and City Council on spending and policy priorities based on information received through quarterly financial and performance reports including revenues from transaction and use tax, work with City staff to maximize public engagement on municipal budgetary issues, and provide input on performance measures and reporting programs.
